Overview

The Michigan Department of Corrections (MDOC) is responsible for the operation and maintenance of the state's 31 correctional facilities that house felony offenders sentenced to prison. This includes the provision of physical and mental health care, education, food service, transportation, and reintegration programs. Also, the department is responsible for the supervision of all parolees and probationers under department jurisdiction and has oversight over community corrections programs and other programs designed to encourage alternatives to prison placement for appropriate offenders. As of April 1, 2018, the department was responsible for 98,210 Michigan offenders: 39,320 prisoners, 43,877 probationers, and 15,013 parolees.

Budget Changes From FY 2017-18 YTD Appropriations

1. West Shoreline Correctional Facility Closure

Executive reflects a savings of \$18.9 million Gross (\$18.8 million GF/GP) and a reduction of 212.7 FTE positions due to closure of the West Shoreline Correctional Facility. Net savings will be achieved from a combination of the following: eliminating \$21.3 million in funding used for operation of the facility; reducing funding for education programs by \$501,700; reducing funding for clinical and mental health care by \$1.4 million; reducing funding for prison store operations by \$92,000; and increasing funding by \$4.3 million to cover costs of re-opening closed housing units at four other correctional facilities to accommodate 1,264 prisoners coming from West Shoreline. The closure will impact 164 active employees. House concurs. Senate concurs.

FTE	212.7	(212.7)
Gross	\$18,924,700	(\$18,924,700)
Restricted	92,000	(92,000)

2. Prison Food Service

Executive includes \$13.7 million GF/GP and authorization for 352.0 FTE positions to change over operation of prison food service from a private provider to state employees. Roughly \$6.6 million of the increase is attributed to legacy costs. Out-sourcing of prison food service began in December 2013, with Aramark first providing the service. The contract with Aramark was terminated and a new contract with Trinity began in July 2015. The current contract with Trinity will expire at the end of July 2018. According to the department, staffing vacancies, food substitutions, food service delays, sanitation issues, and prisoner grievances have been major issues with both contractors. House concurs. Senate authorizes changing over from private provider to state employees, but does not include the additional funding.
