22 (i) The internet service provider's experience and financial  
23 wherewithal.

24 (6) After scoring and considering all grant applications, the  
25 department shall make grant award recommendations. Within 30 days  
26 after the award recommendations have been made, the department  
27 shall publish on its website the freedom of information act

1 redacted grant applications, the proposed geographic broadband  
2 service area by census block or the areas within a census block if  
3 approved pursuant to subsection (9), and the proposed broadband  
4 service speeds for each application that receives an award  
5 recommendation.

6 (7) Before granting an award to any applicant, the department  
7 shall establish a period of at least 60 days from the date the  
8 award recommendations are published on the department's website,  
9 during which time the department will accept comments or objections  
10 concerning each application. The department shall consider all  
11 comments or objections received in deciding whether an applicant is  
12 eligible for a grant. If an objection submitted by a provider is  
13 determined to contain information that results in an investigation  
14 under subsection (8) and the objection is found to be inaccurate,  
15 the provider shall reimburse the department for the cost of  
16 verifying the information.

17 (8) The department shall not award a grant to an applicant if  
18 verifiable information is made available that shows any of the  
19 following:

20 (a) The proposed project includes an area that is already  
21 being served by at least 1 provider offering broadband service.

22 (b) The proposed project includes an area where construction

27 construction of a network to provide broadband service is to be

1 completed no later than 3 years after the date of an application.

2 (d) The project includes an area that has been selected to  
3 receive, provisionally or otherwise, Connect America funds from the  
4 Federal Communications Commission. If an award recommendation is  
5 rejected because of an objection pertaining to subsection (8)(c),  
6 the internet service provider installing the broadband service in  
7 lieu of the award recommended applicant shall provide notice to the  
8 department when the construction of the broadband service is  
9 completed. If no notice is received, or if the completion date is  
10 later than the 3 years allowed for in this subsection, the internet  
11 service provider shall reimburse the department for the cost of  
12 verifying the status of the provider's construction.

13 (9) As part of an application, the applicant may request that  
14 the department specifically delineate an area within a census block  
15 as being an unserved area. To tentatively establish an unserved  
16 area within a census block, an applicant must attest to all of the  
17 following:

18 (a) The delineated area within the census block is unserved  
19 and does not have access to broadband service.

20 (b) To the best of the applicant's knowledge, no other  
21 internet service provider has plans to provide broadband service  
22 within the delineated area within 3 years after the date of  
23 application.

24 (c) The delineated area is not within a census block that has  
25 been selected to receive, provisionally or otherwise, Connect  
26 America funds from the Federal Communications Commission. If a  
27 delineated area within a census block is tentatively determined by

1 the department to be an unserved area, the recommended grant award  
2 for the application is still subject to a challenge by internet  
3 service providers pursuant to subsections (6) and (7).

4 (10) At the time an award is given to an applicant, the  
5 department shall immediately provide notice on its website of each  
6 application receiving funds, including the name of the entity, the  
7 amount of funds being received, the broadband speed, and the  
8 unserved location indicated by census blocks or the delineated area  
9 within a census block as established by subsection (9) for which  
10 the applicant is receiving the funds.

11 (11) The department shall require any applicant awarded funds  
12 to submit a semiannual report from the time it receives the funds  
13 to 5 years after completion of the project. The semiannual reports  
14 shall be made available on the department's website with any  
15 proprietary information redacted. The reports shall be in a format  
16 specified by the department and shall give an accounting by the  
17 applicant of the use of the funds received and the progress toward  
18 fulfilling the objectives for which the funds were granted  
19 including all of the following:

20 (a) The number and location of residences and businesses that  
21 will receive the broadband service.

1 for statewide broadband is designated as a work project  
2 appropriation, and any unencumbered or unallotted funds shall not  
3 lapse at the end of the fiscal year and shall be available for  
4 expenditure for projects under this section until the projects have  
5 been completed in accordance with section 451a of the management  
6 and budget act, 1984 PA 431, MCL 18.1451a. The grant work shall be  
7 completed by state employees, contracts with service providers, or  
8 grantees. The total estimated cost of the project is  
9 \$20,000,000.00. The tentative completion date of the project is  
10 September 30, 2023.

11 Sec. 807. The department of technology, management, and budget  
12 shall submit monthly invoices after the first fiscal quarter for  
13 information technology services provided by the department of  
14 technology, management, and budget either directly or through

19 **DEPARTMENT OF TREASURY**

20 Sec. 901. (1) The funds appropriated in part 1 for city,  
21 village, and township revenue sharing are for grants to cities,  
22 villages, and townships such that, subject to fulfilling the  
23 requirements under subsection (3), each city, village, or township  
24 that received a payment under section 950(2) of 2009 PA 128 greater  
25 than \$1,000.00 is eligible to receive a payment equal to 78.51044%  
26 of its total payment received under section 950(2) of 2009 PA 128

1 or for each city, village, or township with a population in excess  
2 of 7,500, notwithstanding whether it received a payment greater  
3 than \$1,000.00 under section 950(2) of 2009 PA 128, a payment equal  
4 to the population of the city, village, or township multiplied by  
5 \$2.648299, whichever is greater, rounded to the nearest dollar.  
6 Payments under this section to cities, villages, or townships that  
7 did not receive a payment under section 950(2) of 2009 PA 128  
8 greater than \$4,500.00 are 1-time payments for which eligibility is  
9 based on a presumed level of local services provided. For purposes  
10 of this subsection, any city, village, or township that completely  
11 merges with another city, village, or township will be treated as a  
12 single entity, such that when determining the eligible payment  
13 under section 950(2) of 2009 PA 128 for the combined single entity,  
14 the amount each of the merging local units was eligible to receive  
15 under section 950(2) of 2009 PA 128 is summed. For purposes of this  
16 subsection, population is determined in the same manner as under  
17 section 3 of the Glenn Steil state revenue sharing act of 1971,  
18 1971 PA 140, MCL 141.903. In addition, any city or village that  
19 according to the 2010 federal decennial census is determined to  
20 have population in more than 1 county shall be treated as a single  
21 entity when determining the eligible payment under section 950(2)  
22 of 2009 PA 128.

23 (2) The funds appropriated in part 1 for the county incentive  
24 program are to be used for grants to counties such that each county  
25 is eligible to receive an amount equal to 20% of the amount  
26 determined pursuant to the Glenn Steil state revenue sharing act of  
27 1971, 1971 PA 140, MCL 141.901 to 141.921. The amount calculated

1 under this subsection shall be adjusted as necessary to reflect  
2 partial county fiscal years and prorated based on the total amount  
3 appropriated for distribution to all eligible counties. Except as  
4 otherwise provided under this subsection, payments under this  
5 subsection will be distributed to an eligible county subject to the  
6 county's fulfilling the requirements under subsection (3).

7 (3) For purposes of accountability and transparency, each  
8 eligible city, village, township, or county shall certify by  
9 December 1, the first day of a payment month, or according to  
10 subsection (4)(f), that it has produced a citizen's guide of its  
11 most recent local finances, including a recognition of its unfunded  
12 liabilities; a performance dashboard; a debt service report  
13 containing a detailed listing of its debt service requirements,  
14 including, at a minimum, the issuance date, issuance amount, type  
15 of debt instrument, a listing of all revenues pledged to finance  
16 debt service by debt instrument, and a listing of the annual  
17 payment amounts until maturity; and a projected budget report,  
18 including, at a minimum, the current fiscal year and a projection  
19 for the immediately following fiscal year. The projected budget  
20 report shall include revenues and expenditures and an explanation  
21 of the assumptions used for the projections. Each eligible city,  
22 village, township, or county shall include in any mailing of  
23 general information to its citizens the internet website address  
24 location for its citizen's guide, performance dashboard, debt  
25 service report, and projected budget report or the physical  
26 location where these documents are available for public viewing in  
27 the city, village, township, or county clerk's office. Each city,

1 village, township, and county applying for a payment under this  
2 subsection shall submit a copy of the debt service report, and a  
3 copy of the projected budget report to the department of treasury.  
4 In addition, each eligible city, village, township, or county  
5 applying for a payment under this subsection shall either submit a  
6 copy of the citizen's guide or certify that the city, village,  
7 township, or county will be utilizing treasury's online citizen's  
8 guide. The department of treasury shall develop detailed guidance  
9 for a city, village, township, or county to follow to meet the  
10 requirements of this subsection. The detailed guidance shall be  
11 posted on the department of treasury website and distributed to  
12 cities, villages, townships, and counties by October 1.

13 (4) City, village, and township revenue sharing payments and  
14 county incentive program payments are subject to the following  
15 conditions:

16 (a) The city, village, township, or county shall certify to  
17 the department that it has met the required criteria for subsection  
18 (3) and submitted the required citizen's guide, performance  
19 dashboard, debt service report, and projected budget report as  
20 required by subsection (3). A department of treasury review of the  
21 citizen's guide, dashboard, or reports is not required in order for  
22 a city, village, township, or county to receive a payment under  
23 subsection (1) or (2). The department shall develop a certification  
24 process and method for cities, villages, townships, and counties to  
25 follow.

26 (b) Subject to subdivisions (c), (d), and (e), if a city,  
27 village, township, or county meets the requirements of subsection

1 (3), the city, village, township, or county shall receive its full  
2 potential payment under this section.

3 (c) Subject to subdivision (f), cities, villages, and  
4 townships eligible to receive a payment under subsection (1) shall  
5 receive 1/6 of their eligible payment on the last business day of  
6 October, December, February, April, June, and August. Payments  
7 under subsection (1) shall be issued to cities, villages, and  
8 townships until the specified due date for subsection (3). After  
9 the specified due date for subsection (3), payments shall be made  
10 to a city, village, or township only if that city, village, or  
11 township has complied with subdivision (a).

12 (d) Subject to subdivision (f), payments under subsection (2)  
13 shall be issued to counties until the specified due date for  
14 subsection (3). After the specified due date for subsection (3),  
15 payments shall be made to a county only if that county has complied  
16 with subdivision (a).

17 (e) Subject to subdivision (f), if a city, village, township,  
18 or county does not submit the required certification, citizen's  
19 guide, performance dashboard, debt service report, and projected  
20 budget report by the first day of a payment month, the city,  
21 village, township, or county shall forfeit the payment in that  
22 payment month.

23 (f) If an eligible city, village, township, or county fails to  
24 meet the requirements of subsection (3) by the December 1, 2018 due  
25 date, the eligible city, village, township, or county may meet the  
26 requirements of subsection (3) by February 1, 2019 and receive 90%  
27 of their 1/6 eligible payment not received in December 2018.

1 Payments under this subdivision shall be issued to a city, village,  
2 township, or county by August 30, 2019.

3 (g) Any city, village, township, or county that falsifies  
4 certification documents shall forfeit any future city, village, and  
5 township revenue sharing payments or county incentive program  
6 payments and shall repay to this state all payments it has received  
7 under this section.

8 (h) City, village, and township revenue sharing payments and  
9 county incentive program payments under this section shall be  
10 distributed on the last business day of October, December,  
11 February, April, June, and August.

12 (i) Payments distributed under this section may be withheld  
13 pursuant to sections 17a and 21 of the Glenn Steil state revenue  
14 sharing act of 1971, 1971 PA 140, MCL 141.917a and 141.921.

15 (5) The unexpended funds appropriated in part 1 for city,  
16 village, and township revenue sharing and the county incentive  
17 program shall be available for expenditure under the program for  
18 financially distressed cities, villages, or townships after the  
19 approval of transfers by the legislature pursuant to section 393(2)  
20 of the management and budget act, 1984 PA 431, MCL 18.1393.
