Sec. 202. The appropriations authorized under part 1 and this part are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. As used in part 1 and this part:

(a) "Department" means the department of agriculture and rural development.

(b) "Director" means the director of the department.

(c) "EPA" means the United States Environmental Protection Agency.

(d) "FDA" means the United States Food and Drug Administration.

(e) "Fiscal agencies" means the Michigan house fiscal agency and the Michigan senate fiscal agency.

(f) "FTE" means full-time equated.

(g) "HHS" means the United States Department of Health and Human Services.

(h) "IDG" means interdepartmental grant.

(i) "LARA" means the Michigan department of licensing and regulatory affairs.

(j) "LCC" means the Michigan liquor control commission.
(k) "MAEAP" means the Michigan agriculture environmental assurance program.

(l) "MDEQ" means the Michigan department of environmental quality.

(m) "MDNR" means the Michigan department of natural resources.

(n) "MOU" means memorandum of understanding.

(o) "Subcommittees" means all members of the subcommittees of the house and senate appropriations committees with jurisdiction over the budget for the department.

(p) "TB" means tuberculosis.

(q) "USDA" means the United States Department of Agriculture.

Sec. 204. The departments and agencies receiving appropriations in part 1 shall use the internet to fulfill the reporting requirements of this part. This requirement may include transmission of reports via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an internet or intranet site.

Sec. 205. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available. Preference shall be given to goods or services, or both, manufactured or provided by Michigan businesses, if they are competitively priced and of comparable quality. In addition, preference shall be given to goods or services, or both, that are manufactured or provided by Michigan businesses owned and operated by veterans, if they are competitively priced and of comparable quality.
Sec. 206. The director shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services or supplies, or both.

Sec. 207. The departments and agencies receiving appropriations in part 1 shall prepare a report on out-of-state travel expenses not later than January 1 of each year. The travel report shall be a listing of all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the house and senate appropriations committees, the house and senate fiscal agencies, and the state budget director. The report shall include the following information:

(a) The dates of each travel occurrence.

(b) The transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues.

Sec. 208. Funds appropriated in part 1 shall not be used by a principal executive department, state agency, or authority to hire a person to provide legal services that are the responsibility of the attorney general. This prohibition does not apply to legal
services for bonding activities and for those outside services that
the attorney general authorizes.

Sec. 209. Not later than November 30, the state budget office
shall prepare and transmit a report that provides for estimates of
the total general fund/general purpose appropriation lapses at the
close of the prior fiscal year. This report shall summarize the
projected year-end general fund/general purpose appropriation
lapses by major departmental program or program areas. The report
shall be transmitted to the chairpersons of the senate and house of
representatives standing committees on appropriations and the
senate and house fiscal agencies.

Sec. 210. (1) In addition to the funds appropriated in part 1,
there is appropriated an amount not to exceed $5,000,000.00 for
federal contingency funds. These funds are not available for
expenditure until they have been transferred to another line item
in part 1 under section 393(2) of the management and budget act,
1984 PA 431, MCL 18.1393.

(2) In addition to the funds appropriated in part 1, there is
appropriated an amount not to exceed $6,000,000.00 for state
restricted contingency funds. These funds are not available for
expenditure until they have been transferred to another line item
in part 1 under section 393(2) of the management and budget act,
1984 PA 431, MCL 18.1393.

(3) In addition to the funds appropriated in part 1, there is
appropriated an amount not to exceed $100,000.00 for local
contingency funds. These funds are not available for expenditure
until they have been transferred to another line item in part 1
under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed $100,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in part 1 under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 211. The department shall cooperate with the department of technology, management, and budget to maintain a searchable website accessible by the public at no cost that includes, but is not limited to, all of the following for each department or agency:

(a) Fiscal year-to-date expenditures by category.

(b) Fiscal year-to-date expenditures by appropriation unit.

(c) Fiscal year-to-date payments to a selected vendor, including the vendor name, payment date, payment amount, and payment description.

(d) The number of active department employees by job classification.

(e) Job specifications and wage rates.

Sec. 212. Within 14 days after the release of the executive budget recommendation, the department shall cooperate with the state budget office to provide the senate and house appropriations chairs, the subcommittees, respectively, and the senate and house fiscal agencies with an annual report on estimated state restricted fund balances, state restricted fund projected revenues, and state restricted fund expenditures for the fiscal years ending September
Sec. 213. The department shall maintain, on a publically accessible website, a department scorecard that identifies, tracks, and regularly updates key metrics that are used to monitor and improve the agency's performance.

Sec. 214. Total authorized appropriations from all sources under part 1 for legacy costs for the fiscal year ending September 30, 2019 is $12,428,400.00. From this amount, total agency appropriations for pension-related legacy costs are estimated at $5,729,700.00. Total agency appropriations for retiree health care legacy costs are estimated at $6,698,700.00.

Sec. 215. The department shall not take disciplinary action against an employee for communicating with a member of the legislature or his or her staff.

Sec. 234. The department and agencies receiving appropriations in part 1 shall receive and retain copies of all reports funded from appropriations in part 1. Federal and state guidelines for short-term and long-term retention of records shall be followed. The department may electronically retain copies of reports unless otherwise required by federal and state guidelines.

DEPARTMENTAL ADMINISTRATION AND SUPPORT

Sec. 301. (1) The department may establish a fee schedule and collect fees for the following work activities and services:

(a) Pesticide and plant pest management propagation and certification of virus-free foundation stock.

(b) Fruit and vegetable inspection and grading services at
shipping and termination points and processing plants.

(c) Laboratory support analyses of food, livestock, and agricultural products for disease, foreign products for disease, toxic materials, foreign substances, and quality standards.

(d) Laboratory support test samples for other state and local agencies and public or private organizations.

(2) The department may receive and expend revenue from the fees authorized under subsection (1), subject to appropriation, for the purpose of recovering expenses associated with the work activities and services described in subsection (1). Fee revenue collected by the department under subsection (1) shall not lapse to the state general fund at the end of the fiscal year but shall carry forward for appropriation by the legislature in the subsequent fiscal year.

(3) The department shall notify the subcommittees, the fiscal agencies, and the state budget office 30 days prior to proposing changes in fees authorized under this section or under section 5 of 1915 PA 91, MCL 285.35.

(4) On or before February 1 of each year, the department shall provide a report to the subcommittees, the fiscal agencies, and the state budget office detailing all the fees charged by the department under the authorization provided in this section, including, but not limited to, rates, number of individuals paying each fee, and the revenue generated by each fee in the previous fiscal year.

Sec. 302. (1) The department may contract with or provide grants to local units of government, institutions of higher
education, or nonprofit organizations to support activities authorized by appropriations in part 1. As used in this section, contracts and grants include, but are not limited to, contracts for delivery of groundwater/freshwater programs, MAEAP technical assistance, forest management, invasive species monitoring, wildlife risk mitigation, grants promoting proper pesticide disposal, and research grants for the purpose of enhancing the agricultural industries in this state.

(2) The department shall provide notice of contracts or grants authorized under this section to the subcommittees, the fiscal agencies, and the state budget office not later than 7 days before the department notifies contract or grant recipients.

**FOOD AND DAIRY**

Sec. 401. (1) The department shall report on the previous fiscal year's activities of the food and dairy division. The report shall include information on activities and outcomes of the dairy safety and inspection program, the food safety inspection program, the foodborne illness and emergency response program, and the food service program.

(2) The report shall include information on significant foodborne outbreaks and emergencies, including any significant enforcement actions taken related to food safety during the prior calendar year.

(3) The report shall be transmitted to the subcommittees, the fiscal agencies, and the state budget office and posted to the department's website on or before April 1 of each year.
Sec. 451. From the funds appropriated in part 1 for bovine tuberculosis, the department shall pay for all whole herd testing costs and individual animal testing costs in the modified accredited zone to maintain split-state status requirements. These costs include indemnity and compensation for injury causing death or downer to animals.

Sec. 452. (1) The department shall report on the previous calendar year's activities of the animal industry division. The report shall be transmitted to the subcommittees, the fiscal agencies, and the state budget office and posted to the department's website on or before April 1 of each year.

(2) The department shall include in the report all indemnification payments for livestock depredation made in the previous calendar year and shall include all of the following:

(a) The reason for the indemnification.

(b) The amount of the indemnification.

(c) The person for whom the indemnification was paid.

Sec. 454. The department shall use its resources to collaborate with the USDA to monitor bovine TB, consistent with the May 2016 memorandum of understanding between the department and the USDA.

Sec. 457. (1) On or before October 15, 2018, the department shall provide to the subcommittees, the fiscal agencies, and the state budget office a report on bovine TB status and department activities.

(2) For each fiscal quarter following the report required in
subsection (1), the department shall provide an update to the subcommittees, the fiscal agencies, and the state budget office. The quarterly update reports shall identify significant impacts to the program, including new incidence of bovine TB in this state, department activity associated with specific new incidence of bovine TB, any changes in USDA requirements or movement orders, and information and data on wildlife risk mitigation plan implementation in the modified accredited zone; implementation of a movement certificate process; progress toward annual surveillance test requirements; efforts to work with slaughter facilities in this state, as well as those that slaughter a significant number of animals from this state; educational programs and information for this state's livestock community; and any other item the legislature should be aware of that will promote or hinder efforts to achieve bovine TB-free status for this state.

Sec. 459. It is the intent of the legislature that the department shall not conduct whole herd bovine TB testing on any herd in a TB-free zone more often than every 4 years or re-test until all other herds in their county have been tested, unless involved in an epidemiological investigation, there is an outbreak within a 10-radius-mile area, or is not on a verified wildlife risk mitigated premises. If there is an outbreak within a 10-radius-mile area, protocols outlined by the current memorandum of understanding with the USDA shall be used.

Sec. 462. From the funds appropriated in part 1, not to exceed $20,000.00, the department shall establish a grant program to assist in the construction of protective systems for apiaries. The
department may make grants under this program to reimburse apiary
owners for costs of projects designed to protect apiaries from
damage by wildlife, subject to all of the following:

(a) Grants may not exceed $250.00 per apiary site.

(b) Grants under this subsection may be made only for projects
identified and approved by the department prior to the start of
project activity.

AGRICULTURE DEVELOPMENT

Sec. 701. (1) From the funds appropriated in part 1 for the food and agriculture investment program, the department shall
establish and administer a food and agriculture investment program.

(2) The food and agriculture investment program shall expand the Michigan food and agriculture sector, grow Michigan exports, promote the development of value-added agricultural production, food hubs, food incubators, and community-based processing facilities, and the expansion of farm markets and urban agriculture, and increase food processing activities within the state by accelerating projects and infrastructure development that support growth in the food and agriculture processing industry.

(3) In addition to the funds appropriated in part 1, the department may receive and expend funds received from outside sources for the food and agriculture investment program.

(4) Before the allocation of funding, all projects shall receive approval from the Michigan commission of agriculture and rural development, except for projects selected through a competitive process by a joint evaluation committee selected by the director and consisting of representatives that have agriculture, business, and economic development expertise. Projects funded through the food and agriculture investment program will be required to have a grant agreement that outlines milestones and activities that must be met in order to receive a disbursement of funds. Projects must also identify measurable project outcomes.

(5) The department shall include in the agriculture development annual report a report on the food and agriculture investment program for the previous fiscal year that includes a listing of the grantees, award amounts, match funding, project locations, and project outcomes.
(6) The food and agriculture investment program shall be administered by the department and provide support for food and agriculture projects that will enable growth in the industry and this state's economy.

(7) The unexpended funds appropriated in part 1 for the food and agriculture investment program are designated as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to promote and expand the Michigan food and agriculture sector, grow Michigan exports, and increase food processing activities within the state.

(b) The project will be funded in accordance with this section and the project guidelines approved by the Michigan agriculture commission prior to an award.

(c) The estimated cost of this project is identified in the appropriation line item.

(d) The tentative completion date for the work project is September 30, 2021.

(8) The department may expend money from the funds appropriated in part 1 for the food and agriculture investment program, including all of the following activities:

(a) Grants.

(b) Loans or loan guarantees.
(c) Infrastructure development.
(d) Other economic assistance.
(e) Program administration.
(f) Export assistance.

(9) The department shall expend no more than 10% from the funds appropriated in part 1 for the food and agriculture investment program for administrative purposes.

Sec. 706. (1) The department shall report on the previous calendar year's activities of the agriculture development division. The report shall be transmitted to the subcommittees, the fiscal agencies, and the state budget office and posted to the department's website on or before April 1 of each year.

(2) The report shall include the following information on any grants awarded during the prior fiscal year:
(a) The name of the grantee.
(b) The amount of the grant.
(c) The purpose of the grant, including measurable outcomes.
(d) Additional state, federal, private, or local funds contributed to the grant project.
(e) The completion date of grant-funded activities.

(3) The report shall include the following information on the Michigan craft beverage council established under section 303 of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1303:
(a) Council activities and accomplishments for the previous fiscal year.
(b) Council expenditures for the previous fiscal year by category of administration, industry support, research and
education grants, and promotion and consumer education.

(c) Grants awarded during the previous fiscal year and the results of research grant projects completed during the previous fiscal year.

FAIRS AND EXPOSITIONS

Sec. 801. All appropriations from the agriculture equine industry development fund shall be spent on equine-related purposes. No funds from the agriculture equine industry development fund shall be expended for nonequine-related purposes without prior approval of the legislature.

Sec. 802. From the funds appropriated in part 1 from agriculture equine industry development funds, available revenue shall be allocated in the following priority order:

(a) To support all administrative, contractual, and regulatory costs incurred by the department and the Michigan gaming control board.

(b) Up to $395,000.00 shall be allocated to the purses and supplements – fairs/licensed tracks line item.

(c) Any remaining funds collected through September 30, 2019, after the obligations in subdivisions (a) and (b) have been met, shall be prorated equally among the supplements, breeders' awards, and sire stakes awards to eligible race meeting licensees in accordance with section 20 of the horse racing law of 1995, 1995 PA 279, MCL 431.320.

Sec. 805. (1) The department shall establish and administer a county fairs, shows, and expositions grant program. The program
shall have the following objectives:

(a) Assist in the promotion of building improvements or other capital improvements at county fairgrounds of the state.

(b) Provide financial support, promotion, prizes, and premiums of equine, livestock, and other agricultural commodity expositions in the state.

(2) The department shall award grants on a competitive basis to county fairs or other organizations from the funds appropriated in part 1 for county fairs, shows, and expositions grants. Grantees will be required to provide a dollar-for-dollar cash match with grant awards and identify measurable project outcomes. A county fair organization that received a county fair capital improvement grant in the prior fiscal year shall not receive a grant from the appropriation in part 1.

(3) From the amount appropriated in part 1 for county fairs, shows, and expositions, up to $25,000.00 shall be expended for the purpose of financial support, promotion, prizes, and premiums of equine, livestock, and other agricultural commodity expositions in this state, and festivals.

(4) All fairs receiving grants under this section shall provide a report to the department on the financial impact resulting from the capital improvement project on both fair and nonfair events. These reports are due for 3 years immediately following the completion of the capital improvement project.

(5) The department shall identify criteria, evaluate applications, and provide recommendations to the director for final approval of grant awards.
(6) The department may expend money from the funds appropriated in part 1 for the county fairs, shows, and expositions grants for administering the program.

(7) From the funds appropriated in part 1 for county fairs, shows, and expositions grants, $25,000.00 shall be used for renovations to the Tuscola County fair grandstand, and $250,000.00 shall be used for the construction and furnishing of a community center at the Tuscola County fair.

(8) The unexpended portion of the county fairs, shows, and expositions grants is considered a work project appropriation in accordance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a. The following apply to the project:

(a) The purpose of the project is to support building improvements or other capital improvements at county fairgrounds of the state.

(b) All grants will be distributed in accordance with this section and the grant guidelines published prior to the request for proposals.

(c) The estimated cost of the project is identified in the appropriation line item.

(d) The tentative completion date for the work project is September 30, 2021.

(9) The department shall provide a year-end report on the county fairs, shows, and expositions grants no later than December 1, 2019 to the subcommittees, the fiscal agencies, and the state budget director that includes a listing of the grantees, award amounts, match funding, and project outcomes.
