Sec. 5a. (1) A license to carry a concealed pistol issued by a concealed weapon licensing board before December 1, 2015 is valid and remains in effect until the expiration of that license or as otherwise provided by law.

(2) The county clerk is responsible for all of the following:

(a) Storing and maintaining all records related to issuing a license or notice of statutory disqualification in that county.

(b) Issuing licenses to carry a concealed pistol.

(c) Issuing notices of statutory disqualification, notices of suspensions, and notices of revocations.

(3) The department of state police shall verify under section 5b(6) whether an applicant for a license to carry a concealed pistol is eligible to receive a license to carry a concealed pistol.

(4) A county clerk shall issue an emergency license to carry a concealed pistol to an individual if the individual has obtained a personal protection order issued under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or to that individual if a county sheriff determines that there is clear and convincing evidence to believe the safety of the individual or the safety of a member of the individual's family or household is endangered by the individual's inability to immediately obtain a license to carry a concealed pistol. Clear and convincing evidence includes, but is not limited to, an application for a personal protection order, police reports and other law enforcement records, or written, audio, or visual evidence of threats to the individual or member of the individual's family or household. A county clerk shall only issue an emergency license to carry a concealed pistol to an individual who has obtained a personal protection order if the individual is eligible under section 5b(7)(d), (e), (f), (h), (i), (j), (k), and (m) to receive a license based on a criminal record check through the law enforcement information network conducted by the department of state police. The county sheriff shall only issue a determination under this subsection to an individual who is eligible under section 5b(7)(d), (e), (f), (h), (i), (j), (k), and (m) to receive a license based on a criminal record check through the law enforcement information network and only after the county sheriff has taken the individual's fingerprints in compliance with section 5b(9). A county sheriff shall notify the county clerk if the county sheriff determines that an individual is not eligible under section 5b(7)(d), (e), (f), (h), (i), (j), (k), or (m) to receive a license. An emergency license must be on a form provided by the department of state police. An individual who applies for an emergency license shall, within 10 business days after applying for an emergency license, complete a pistol training course under section 5j and apply for a license under section 5b. If an individual who applies for an emergency license does not complete a pistol training course under section 5j and apply for a license under section 5b within 10 business days after applying for an emergency license, that individual's emergency license is no longer valid. A county sheriff who makes a determination under this section, performs a criminal record check, and takes the applicant's fingerprints may charge a fee not to exceed \$15.00. A county clerk may charge a fee not to exceed \$10.00 for printing an emergency license. A county clerk shall deposit a fee collected by the county clerk under this subsection in the concealed pistol licensing fund of that county created in section 5x. Except as otherwise provided in this subsection, an emergency license is valid for 45 days or until the county clerk issues a notice of statutory disqualification, whichever occurs first. Except as otherwise provided in this act, an emergency license is, for all other purposes of this act, a license to carry a concealed pistol. The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. An individual shall not obtain more than 1 emergency license in any 5-year period. If a county clerk issues a notice of statutory disqualification to an applicant who received an emergency license under this section, the applicant shall immediately surrender the emergency license to the county clerk by mail or in person if that emergency license has not expired. An individual who fails to surrender a license as required by this subsection after he or she is notified of a statutory disqualification is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(5) The legislative service bureau shall compile the firearms laws of this state, including laws that apply to carrying a concealed pistol, and shall provide copies of the compilation in an electronic format to the department of state police. The department of state police shall provide a copy of the compiled laws to each county clerk in this state. The department of state police shall also provide forms to appeal any notice of statutory disqualification, or suspension or

revocation of a license under this act. The department of state police shall distribute copies of the compilation and forms required under this subsection in an electronic format to each county clerk. The county clerk shall distribute a copy of the compilation and forms at no charge to each individual who applies for a license to carry a concealed pistol at the time the application is submitted. The county clerk may distribute copies of the compilation and forms required under this subsection in an electronic format. The county clerk shall require the applicant to sign a written statement acknowledging that he or she has received a copy of the compilation and forms provided under this subsection. An individual is not eligible to receive a license to carry a concealed pistol until he or she has signed the statement.

Sec. 5b. (1) To obtain a license to carry a concealed pistol, an individual shall apply to the county clerk in the county in which the individual resides. The applicant shall file the application with the county clerk in the county in which the applicant resides during the county clerk's normal business hours. The application must be on a form provided by the director of the department of state police and allow the applicant to designate whether the applicant seeks an emergency license. The applicant shall sign the application under oath. The county clerk or his or her representative shall administer the oath. An application under this subsection is not considered complete until an applicant submits all of the required information and fees and has fingerprints taken under subsection (9). An application under this subsection is considered withdrawn if an applicant does not have fingerprints taken under subsection (9) within 45 days of the date an application is filed under this subsection. A completed application and all receipts issued under this section expire 1 year from the date of application. The county clerk shall issue the applicant a receipt for his or her application at the time the application is submitted containing the name of the applicant, the applicant's state-issued driver license or personal identification card number, the date and time the receipt is issued, the amount paid, the name of the county in which the receipt is issued, an impression of the county seal, and the statement, "This receipt was issued for the purpose of applying for a concealed pistol license and for obtaining fingerprints related to that application. This receipt does not authorize an individual to carry a concealed pistol in this state.". The application must contain all of the following:

(a) The applicant's legal name, date of birth, the address of his or her primary residence, and his or her state-issued driver license or personal identification card number.

(b) A statement by the applicant that the applicant meets the criteria for a license under this act to carry a concealed pistol.

(c) A statement by the applicant authorizing the department of state police to access any record needed to perform the verification in subsection (6).

(d) A statement by the applicant regarding whether he or she has a history of mental illness that would disqualify him or her under subsection (7)(j) to (l) from receiving a license to carry a concealed pistol.

(e) A statement by the applicant regarding whether he or she has ever been convicted in this state or elsewhere for any of the following:

(i) Any felony.

(ii) A misdemeanor listed under subsection (7)(h) if the applicant was convicted of that misdemeanor in the 8 years immediately preceding the date of the application, or a misdemeanor listed under subsection (7)(i) if the applicant was convicted of that misdemeanor in the 3 years immediately preceding the date of the application.

(f) A statement by the applicant whether he or she has been dishonorably discharged from the United States Armed Forces.

(g) If an applicant does not have a digitized photograph on file with the secretary of state, a passport-quality photograph of the applicant provided by the applicant at the time of application.

(h) A certificate stating that the applicant has completed the training course prescribed by this act.

(2) The county clerk shall not require the applicant to submit any additional forms, documents, letters, or other evidence of eligibility for obtaining a license to carry a concealed pistol except as set forth in subsection (1) or as otherwise provided for in this act. The application form must contain a conspicuous warning that the application is executed under oath and that intentionally making a material false statement on the application is a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(3) An individual who intentionally makes a material false statement on an application under subsection (1) is guilty of a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(4) The county clerk shall retain a copy of each application for a license to carry a concealed pistol as an official record. One year after the expiration of a concealed pistol license, the county clerk may destroy the record and a name index of the record shall be maintained in the database created in section 5e.

(5) Each applicant shall pay a nonrefundable application and licensing fee of \$100.00 by any method of payment accepted by that county for payments of other fees and penalties. Except as provided in subsection (9), no other charge, fee, cost, or assessment, including any local charge, fee, cost, or assessment, is required of the applicant except as specifically authorized in this act. The applicant shall pay the application and licensing fee to the county. The county treasurer shall deposit \$26.00 of each application and licensing fee collected under this section in the concealed pistol licensing fund of that county created in section 5x. The county treasurer shall forward the balance remaining to the

state treasurer. The state treasurer shall deposit the balance of the fee in the general fund to the credit of the department of state police. The department of state police shall use the money received under this act to process the fingerprints and to reimburse the Federal Bureau of Investigation for the costs associated with processing fingerprints submitted under this act. The balance of the money received under this act must be credited to the department of state police.

(6) The department of state police shall verify the requirements of subsection (7)(d), (e), (f), (h), (i), (j), (k), and (m) through the law enforcement information network and the national instant criminal background check system and shall report to the county clerk all statutory disqualifications, if any, under this act that apply to an applicant.

(7) The county clerk shall issue and shall send by first-class mail a license to an applicant to carry a concealed pistol within the period required under this act if the county clerk determines that all of the following circumstances exist:

(a) The applicant is 21 years of age or older.

(b) The applicant is a citizen of the United States or is an alien lawfully admitted into the United States, is a legal resident of this state, and has resided in this state for not less than the 6 months immediately preceding the date of application. The county clerk shall waive the 6-month residency requirement for an emergency license under section 5a(4) if the applicant is a petitioner for a personal protection order issued under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or if the county sheriff determines that there is clear and convincing evidence to believe that the safety of the applicant or the safety of a member of the applicant's family or household is endangered by the applicant's inability to immediately obtain a license to carry a concealed pistol. If the applicant holds a valid concealed pistol license issued by another state at the time the applicant's residency in this state is established, the county clerk shall waive the 6-month residency requirement and the applicant may apply for a concealed pistol license at the time the applicant's residency in this state is established. For the purposes of this section, an individual is considered a legal resident of this state if any of the following apply:

The county clerk, county sheriff, local police agency, or other entity shall immediately forward the fingerprints taken by that entity to the department of state police for comparison with fingerprints already on file with the department of

The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. If the county clerk receives notice from a county sheriff or chief law enforcement officer that a licensee is no longer a member of a sheriff's posse, an auxiliary officer, or a reserve officer, the county clerk shall notify the licensee that he or she shall surrender the concealed pistol license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o. The licensee shall, within 30 days after receiving notice from the county clerk, surrender the license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o and obtain a replacement license after paying the fee required under subsection (15). (15) If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. An individual may notify a county clerk that he or she has moved to a different address within this state for the purpose of receiving the notice under section 5l(1). A license to carry a concealed pistol that is lost, stolen, defaced, or replaced for any other reason may be replaced by the issuing county clerk for a replacement fee of \$10.00. A county clerk shall deposit a replacement fee under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(16) If a license issued under this act is suspended or revoked, the license is forfeited and the individual shall return the license to the county clerk forthwith by mail or in person. The county clerk shall retain a suspended or revoked license as an official record 1 year after the expiration of the license, unless the license is reinstated or a new license is issued. The county clerk shall notify the department of state police if a license is suspended or revoked. The department of state police shall enter that suspension or revocation into the law enforcement information network. An individual who fails to return a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(17) An applicant or an individual licensed under this act to carry a concealed pistol may be furnished a copy of his or her application under this section upon request and the payment of a reasonable fee not to exceed \$1.00. The county clerk shall deposit any fee collected under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(18) This section does not prohibit the county clerk from making public and distributing to the public at no cost lists of individuals who are certified as qualified instructors as prescribed under section 5j.

(19) A county clerk issuing an initial license or renewal license under this act shall mail the license to the licensee by first-class mail in a sealed envelope. Upon payment of the fee under subsection (15), a county clerk shall issue a replacement license in person at the time of application for a replacement license. A county clerk may also deliver a replacement license by first-class mail if the individual submits to the clerk a written request and a copy of the individual's state-issued driver license or personal identification card.

(20) A county clerk, county sheriff, county prosecuting attorney, police department, or the department of state police is not liable for civil damages as a result of issuing a license under this act to an individual who later commits a crime or a negligent act.

(21) An individual licensed under this act to carry a concealed pistol may voluntarily surrender that license without explanation. A county clerk shall retain a surrendered license as an official record for 1 year after the license is surrendered. If an individual voluntarily surrenders a license under this subsection, the county clerk shall notify the department of state police. (1) The county clerk in the county in which a license was issued to an individual to carry a concealed pistol shall suspend, revoke, or reinstate a license as required under this act if ordered by a court or if the county clerk is notified by a law enforcement agency, prosecuting official, or court of a change in the licensee's eligibility to carry a concealed pistol under this act.

(2) If a county clerk is notified by a law enforcement agency, prosecuting official, or court that an individual licensed to carry a concealed pistol is charged with a felony or charged with a misdemeanor listed in section 5b(7)(h) or (i), the county clerk shall immediately suspend the individual's license until there is a final disposition of the charge for that offense. The county clerk shall send notice by first-class mail in a sealed envelope of that suspension to the individual's last known address as indicated in the records of the county clerk. The notice must include the statutory reason for the suspension, the source of the record supporting that suspension, the length of the suspension, and whom to contact for reinstating the license on expiration of the suspension, correcting errors in the record, or appealing the suspension. If a county clerk suspended a license under this subsection and the individual is acquitted of the charge or the charge is dismissed, the individual shall notify the county clerk who shall automatically reinstate the license if the license is not expired and the individual is otherwise qualified to receive a license to carry a concealed pistol, as verified by the department of state police. A county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(3) The department of state police shall notify the county clerk in the county in which a license was issued to an individual to carry a concealed pistol if the department of state police determines that there has been a change in the individual's eligibility under this act to receive a license to carry a concealed pistol. The county clerk shall suspend, revoke, or reinstate the license as required under this act and immediately send notice of the suspension, revocation, or reinstatement under this subsection by first-class mail in a sealed envelope to the individual's last known address as indicated on the records of the county clerk. The notice must include the statutory reason for the suspension, revocation, or reinstatement, the source of the record supporting the suspension, revocation, or reinstatement, the length of the suspension or revocation, and whom to contact for correcting errors in the record, appealing the suspension or revocation, and reapplying for that individual's license. The department of state police shall immediately enter that suspension, revocation, or reinstatement into the law enforcement information network.

(4) If a suspension is imposed under this section, the suspension must be for a period stated in years, months, or days, or until the final disposition of the charge, and state the date the suspension will end, if applicable. The licensee shall promptly surrender his or her license to the county clerk after being notified that his or her license has been revoked or suspended. An individual who fails to surrender a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(5) Except as otherwise provided in subsections (2) and (6), if a license is suspended under this section and that license was surrendered by the licensee, upon expiration of the suspension period, the applicant may apply for a renewal license in the same manner as provided under section 5l. The receipt must contain all of the following:

(c) The amount paid.

(d) The applicant's state-issued driver license or personal identification card number.

(f) The name of the county in which the receipt is issued, if applicable.

(g) An impression of the county seal, if applicable.

(6) If a license is suspended because of an order under section 5b(7)(d)(iii) and that license was surrendered by the licensee, upon expiration of the order and notification to the county clerk, the county clerk shall automatically reinstate the license if the license is not expired and the department of state police has completed the verification required under section 5b(6). The county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(7) If the court orders a county clerk to suspend, revoke, or reinstate a license under this section or amends a suspension, revocation, or reinstatement order, the county clerk shall immediately notify the department of state police in a manner prescribed by the department of state police. The department of state police shall enter the order or amended order into the law enforcement information network.

(8) A suspension or revocation order or amended order issued under this section is immediately effective. However, an individual is not criminally liable for violating the order or amended order unless he or she has received notice of the order or amended order.

(9) If an individual is carrying a pistol in violation of a suspension or revocation order or amended order issued under this section but has not previously received notice of the order or amended order, the individual must be informed of the order or amended order and be given an opportunity to properly store the pistol or otherwise comply with the order or amended order before an arrest is made for carrying the pistol in violation of this act.

(10) If a law enforcement agency or officer notifies an individual of a suspension or revocation order or amended order issued under this section who has not previously received notice of the order or amended order, the law enforcement agency or officer shall enter a statement into the law enforcement information network that the individual has received notice of the order or amended order under this section.
