PART 2

PROVISIONS CONCERNING APPROPRIATIONS
FOR FISCAL YEAR 2018-2019

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources under part 1 for the fiscal year ending September 30, 2019 is \$840,188,400.00 and total state spending from state sources to be paid to local units of government is \$131,912,900.00.

Sec. 202. The appropriations made and expenditures authorized under this part and the departments, commissions, boards, offices, and programs for which appropriations are made under this part and part 1, are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. There is appropriated from general fund/general purpose revenue, for the fiscal year ending September 30, 2019, beyond any amounts previously deposited, the sum of \$100,000,000.00 for deposit into the countercyclical budget and economic stabilization fund created in section 351 of the management and budget act, 1984 PA 431, MCL 18.1351.

DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT

Sec. 301. (1) The department of agriculture and rural development shall establish and administer a county fairs, shows, and expositions grant program. The program shall have the following objectives:

(a) Assist in the promotion of building improvements or other capital improvements at county fairgrounds of this state.

(b) Provide financial support, promotion, prizes, and premiums of equine, livestock, and other agricultural commodity expositions in this state.

(2) The department of agriculture and rural development shall award grants on a competitive basis to county fairs or other organizations from the funds appropriated in part 1 for county fairs, shows, and expositions grants. Grantees will be required to provide a 50% cash match with grant awards and identify measurable project outcomes. A county fair organization that received a county fair capital improvement grant in the prior fiscal year shall not receive a grant from the appropriation in part 1.

(3) From the amount appropriated in part 1 for county fairs, shows, and expositions, up to \$25,000.00 shall be expended for the purpose of financial support, promotion, prizes, and premiums of equine, livestock, and other agricultural commodity expositions in this state, and festivals.

(4) All fairs receiving grants under this section shall provide a report to the department of agriculture and rural development on the financial impact resulting from the capital improvement project on both fair and nonfair events. These reports are due for 3 years immediately following the completion of the capital improvement project.

(5) The department of agriculture and rural development shall identify criteria, evaluate applications, and provide recommendations to the director for final approval of grant awards.

(6) The department of agriculture and rural development may expend money from the funds appropriated in part 1 for the county fairs, shows, and expositions grants for administering the program.

(7) From the funds appropriated in part 1 for county fairs, shows, and expositions grants, \$25,000.00 shall be used for renovations to the Tuscola County fair grandstand, \$250,000.00 shall be used for the construction and furnishing of a community center at the Tuscola County fair, and \$150,000.00 shall be used for improvements at the Antrim County fair.

(8) The unexpended portion of the county fairs, shows, and expositions grants is considered a work project appropriation in accordance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a. The following apply to the project:

(a) The purpose of the project is to support building improvements or other capital improvements at county fairgrounds of this state.

(b) All grants will be distributed in accordance with this section and the grant guidelines published prior to the request for proposals.

(c) The estimated cost of the project is identified in the appropriation line item.

(d) The tentative completion date for the project is September 30, 2021.

(9) The department of agriculture and rural development shall provide a year-end report on the county fairs, shows, and expositions grants no later than December 1, 2019 to the senate and house subcommittees on agriculture, the senate and house fiscal agencies, and the state budget office that includes a listing of the grantees, award amounts, match funding, and project outcomes.

Sec. 302. From the funds appropriated in part 1 for agriculture development, \$150,000.00 shall be used for activities under the industrial hemp research act, 2014 PA 547, MCL 286.841 to 286.844.

Sec. 303. From the funds appropriated in part 1 for agriculture industry research and development, \$550,000.00 shall be used for upgrades to mobile fruit and vegetable processing teaching laboratories.

Sec. 304. From the funds appropriated in part 1 for the dairy industry assistance program, the department of agriculture and rural development shall establish a grant program to provide assistance to dairy producers during the current period of economic distress in the dairy industry. Grants shall be awarded to producers licensed under either the grade A milk law of 2001, 2001 PA 266, MCL 288.471 to 288.540, or the manufacturing milk law of 2001, 2001 PA 267, MCL 288.561 to 288.740, to reimburse eligible dairy producers up to 9 cents per hundredweight of milk produced.

CAPITAL OUTLAY

Sec. 351. For the state building authority financed construction authorizations in part 1, the legislature hereby determines that the leases of the facilities from the authority are for a public purpose as authorized by 1964 PA 183,

MCL 830.411 to 830.425. The legislature approves and authorizes the leases and conveyances of the property to the state building authority, the state building authority acquiring the facilities and leasing them to the state and the educational institutions, or state, as applicable, and the governor and secretary of state executing the leases for and on behalf of the state pursuant to the requirements of 1964 PA 183, MCL 830.411 to 830.425. Per the requirements of the leases, it is the intent of the legislature to annually appropriate sufficient amounts to pay the rent as obligated pursuant to the leases.

Sec. 352. The cost to construct the Wayne State University STEM innovation learning center project, initially authorized for construction in 2018 PA 207, is hereby increased by \$9,500,000.00 to a new total project cost of \$49,500,000.00 (state building authority share \$14,749,800.00; university share \$34,750,000.00; state general fund/general purpose share \$200.00).

Sec. 353. The cost and the scope to construct the North Central Michigan College AD/CL classroom renovation and expanded learning space project, initially authorized for construction in 2018 PA 207, is hereby increased by \$600,000.00 to a new total project cost of \$7,400,000.00 (state building authority share \$3,399,800.00; college share \$4,000,000.00; state general fund/general purpose share \$200.00). The scope change removes renovations from the administrative office area of the AD/CL building in their entirety to instead focus project resources on academic program elements and critical building system upgrades.

Sec. 354. The cost to construct the department of military and veterans affairs Grand Rapids and Detroit veterans homes project, initially authorized for construction in 2016 PA 340, and reauthorized in 2017 PA 201, is hereby increased by \$29,321,100.00 to a new total project cost of \$137,370,100.00 (total state building authority share \$49,380,900.00; federal share \$87,989,100.00; state general fund/general purpose share \$100.00).

Sec. 355. The appropriation in part 1 for the Western Michigan University - College of Aviation renovation and addition project is in lieu of state financing through the state building authority that was authorized in 2017 PA 158. The state building authority financing authorized in 2017 PA 158 is hereby rescinded.

Sec. 356. The cost and the scope to construct the Michigan State Capitol Commission - State Capitol restoration/infrastructure upgrade project, initially authorized for construction in 2017 PA 107, is hereby increased by \$40,000,000.00 to a new total project cost of \$110,009,400.00 (state building authority share \$110,009,300.00; state general fund/general purpose share \$100.00). The scope change includes the addition of Heritage Hall, which includes approximately 54,000 sq. ft. of additional space dedicated to auditorium and conference space; visitor, gathering, and dining areas; and support space.

DEPARTMENT OF EDUCATION

Sec. 375. From the funds appropriated in part 1 for adolescent and school health, there is appropriated \$319,900.00 to replace federal funding reductions from the HHS - Centers for Disease Control and Prevention to the department of education and section 39a(2)(a) of the state school aid act of 1979, 1979 PA 94, MCL 388.1639a.

DEPARTMENT OF ENVIRONMENTAL QUALITY

Sec. 402. The unexpended portion of funds appropriated in part 1 for drinking water infrastructure and mapping and other support is considered a work project appropriation and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

- (a) The purpose of the project to be carried forward is to support drinking water infrastructure.
- (b) The project will be accomplished by contract.
- (c) The total estimated cost of the project is \$8,700,000.00.
- (d) The tentative completion date is September 30, 2023.

Sec. 403. From the funds appropriated in part 1 for drinking water infrastructure, grants shall be awarded to drinking water systems for contaminant remediation efforts or connection to an alternate system. The level of funding provided for each grant shall be determined based on the population served by the system. A grant to an individual

system shall not exceed \$2,000,000.00 and shall include a 20% local match unless waived by the water asset management council based on affordability criteria established by the water asset management council.

Sec. 404. From the funds appropriated in part 1 for the inland lake aquatic invasive plant species control and eradication program, \$1,000,000.00 shall be allocated by the department of environmental quality in accordance with enrolled Senate Bill No. 1136 of the 99th Legislature.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 451. (1) Funding appropriated in part 1 for campus sexual assault prevention and education initiative shall be used to provide and administer grants to public or nonpublic community colleges, colleges, universities, and high schools with a physical presence in this state to address campus sexual assault issues in order to improve the safety and security of students, faculty, and staff in campus environments in this state.

(2) Grant funds awarded shall support sexual assault programs, including education, awareness, prevention, reporting, bystander intervention programs, peer advocacy groups, and student organizations dedicated to campus sexual assault prevention and other actions covered by title IX protections.

(3) The department of health and human services shall issue awards no later than May 1, 2019, with a grant period of 1 year.

(4) The department of health and human services shall report on grant activities to the senate and house appropriations subcommittees on health and human services, the senate and house appropriations subcommittees on higher education, the senate and house fiscal agencies, and the state budget office by February 28, 2020.

(5) The unexpended portion of funds appropriated in part 1 for campus sexual assault prevention and education initiative is designated as a work project appropriation. Any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to provide grants for sexual assault education, awareness, prevention, reporting, bystander intervention programs, peer advocacy groups, and student organizations dedicated to campus sexual assault prevention and other actions covered by title IX protections. The student organizations may be provided funds to support and develop advocacy groups and act on issues related to prevention of sexual assault, including, but not limited to, student outreach, supporting survivors of sexual assault, and advocating for campus improvements such as additional lighting.

(b) The project will be accomplished by grants to eligible community colleges, colleges, universities, and high schools.

(c) The total estimated cost of the project is \$1,321,700.00.

(d) The estimated completion date is September 30, 2020.

Sec. 452. From the funds appropriated in part 1 for homeless programs, the department of health and human services shall increase the emergency shelter program per diem rates by \$2.00 per bed night to support efforts of shelter providers to move homeless individuals and households into permanent housing as quickly as possible.

Sec. 453. From the funds appropriated in part 1 for sexual assault comprehensive services grant, \$10,000,000.00 shall be allocated to the Michigan domestic and sexual violence prevention and treatment board (MDSVPTB) for sexual assault comprehensive victim services funding, as defined by MDSVPTB, to be distributed through a competitive grant process to entities determined by MDSVPTB to have demonstrated capacity to provide such services.

Sec. 454. The funds appropriated in part 1 for children's protective services reforms shall be used to implement process and technology reforms as recommended by the children's protective services operation excellence team. By September 30, 2019, the department of health and human services shall provide to the senate and house appropriations subcommittees on health and human services, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office a report describing the progress of implementing the reforms developed by the children's protective services operation excellence team and detailing how these funds were expended.

Sec. 455. From the funds appropriated in part 1 for strong families/safe children, the department of health and human services shall allocate \$2,800,000.00 in general fund/general purpose revenue to replace decreased federal title IV-B subpart 2 of the social security act, 42 USC 620 to 629m, grant revenue. When allocating the funding, priority shall be given to support current contracts associated with the families together building solutions program and any other relevant family preservation program at the original funding level of the contracts agreed to before the federal revenue reduction.

Sec. 456. (1) From the funds appropriated in part 1 for behavioral health program administration, the department of health and human services shall allocate \$3,000,000.00 general fund/general purpose revenue to contract for the development, operation, and maintenance of a Michigan community, access, resources, education, and safety (CARES) hotline pilot program. The department of health and human services shall contract with a vendor that is currently providing contact center technology implementation and support for no fewer than 5 state agencies, including the department of health and human services, and that has supported the implementation of contact center technologies with counties. Additionally, the vendor must be currently utilizing omni-channel communication methods within the contact center operations and have the technical capabilities and experience to integrate advanced health analytics and telehealth services into the contact center infrastructure. The hotline must do all of the following:

(a) Provide services to no fewer than 3 geographically diverse areas.

(b) Connect individuals experiencing a behavioral health crisis, regardless of severity, to local mental health providers using telecommunications and digital communications methods.

(c) Screen and refer callers to the appropriate level of care support, including supports for suicide prevention, supports for substance use disorder treatment and rehabilitation services, and supports provided through community mental health services programs.

(d) Be available 24 hours a day, 7 days a week.

(e) Have the ability to access information related to the availability of services, including any registry of available inpatient psychiatric beds.

(f) Comply with all applicable laws respecting individual and patient privacy.

(g) Ensure the security of data collected, in line with industry best practices and in compliance with all applicable laws.

(h) Notwithstanding the provisions in subdivisions (f) and (g), collect data and utilize data analytics to track the success of the hotline including benchmarks, operational metrics, and trends to accurately assess service needs and outcomes.

(2) The department of health and human services shall work with the department of licensing and regulatory affairs and the contractor described in subsection (1) to leverage existing databases and other sources of information identifying providers of mental health services and substance use disorder treatment and rehabilitation services and to utilize the most current provider information available.

Sec. 457. From the funds appropriated in part 1 for community substance use disorder prevention, education, and treatment, \$500,000.00 is allocated for a specialized emergent peer recovery coach services pilot project administered by a substance use and case management provider in conjunction with a hospital within a county with a population of at least 1,500,000 and 911 service district. The hospital must have a wing with at least 5 beds dedicated to stabilizing patients suffering from addiction by providing a specialized trauma therapist as well as a peer support specialist to assist with treatment and counseling. The substance use and case management provider shall collect and submit to the department data on the outcomes of the pilot project throughout the duration of the pilot project and shall provide a report on the pilot project's outcomes to the senate and house appropriations subcommittees on health and human services, the senate and house fiscal agencies, and the state budget office.

Sec. 458. From the funds appropriated in part 1 for autism diagnostic and therapy recommendation pilot project, \$466,000.00 is allocated to a statewide autism organization that is not an autism services provider, has affiliation with a medical advisory board, and participates in multiple and relevant national professional organizations to implement a pilot project within 3 separate counties or community mental health services programs to provide for fidelity reviews and secondary approvals of diagnostic and therapy recommendations for children receiving Medicaid who are evaluated for autism services.

Sec. 459. The funds appropriated in part 1 for autism train the trainer grant shall be allocated in the same manner as described in section 1917 of article X of 2018 PA 107 for a train the trainer certification program.

Sec. 460. From the funds appropriated in part 1 for the Caro regional mental health center, the department of health and human services shall contract with a Michigan-based behavioral health services provider who has at least 25 years of experience with professional behavioral health staff recruiting and human resource management to improve and maintain sufficient and appropriate staff-to-patient ratios and ensure the health, safety, and well-being of both staff and residents at the hospital. Contractual support shall include 1 full-time clinical director and an adequate number of psychiatrists and physician assistants to manage and deliver health services.

Sec. 461. From the funds appropriated in part 1 for prenatal care outreach and service delivery support, \$225,000.00 shall be allocated to a nurse family partnership program in a county with a population between 600,000 and 610,000 and

\$100,000.00 shall be allocated to a nurse family partnership program in a county with a population between 270,000 and 290,000. Population data shall be according to the most recent federal decennial census.

Sec. 462. From the funds appropriated in part 1 for hospital services and therapy, the department of health and human services shall appropriate \$3,000,000.00 general fund/general purpose revenue and any associated federal match to a nonprofit Michigan health system organized under the laws of this state that is exempt from federal income tax under section 501(c)(3) of the internal revenue code of 1986, 26 USC 501 that operates not less than 3 licensed adult psychiatric inpatient programs located in counties with a population not less than 1,000,000 and with a planned new hospital dedicated to mental health located in a city with a population between 98,000 and 98,500 according to the most recent decennial census for the purpose of supporting a new psychiatric residency training program.

Sec. 463. From the funds appropriated in part 1 for special Medicaid reimbursement, \$580,000.00 of general fund/general purpose revenue shall be distributed for poison control services to an academic health care system that has a high indigent care volume.

Sec. 464. (1) The department of health and human services shall request a state plan amendment by July 1, 2019 to update the Medicaid provider manual policy for the Class I nursing facility current asset value bed limit to use a rolling 15-year history of new construction when establishing a current asset value bed limit for the fiscal year beginning on October 1, 2019.

(2) For the fiscal year beginning October 1, 2020, and subsequent fiscal years, the increase in the current asset value bed limit based on the rolling 15-year history of new construction shall not exceed 4% of the previous fiscal year's limit.

Sec. 465. From the funds appropriated in part 1 for rural hospital payments the department of health and human services shall distribute \$3,000,000.00 in general fund/general purpose revenue to hospitals qualifying for rural hospital access payments. Payment amounts shall be structured as follows:

(a) The department shall allocate \$1,800,000.00 in general fund/general purpose revenue in rural access payments to qualifying hospitals proportional to the amounts distributed through section 1303.

(b) The department shall allocate \$1,200,000.00 in general fund/general purpose revenue in rural access payments to qualifying hospitals that provide obstetric services proportional to the amounts distributed through section 1302.

Sec. 466. (1) From the funds appropriated in part 1 for census-related services, for every \$4.00 in private matching funds received, this state shall allocate \$1.00, up to \$500,000.00 in state contributions, to support census outreach and preparation for citizen participation in the upcoming 2020 federal census. The purpose of the funding is to prepare for the census to ensure an accurate citizen count. The funding shall be used to support a 2020 Michigan complete count committee, staffing related to census outreach, and implementation of outreach strategies, including, but not limited to, training for local officials, support of local complete count committees, and coordination with the Michigan nonprofit complete count committee.

(2) Unexpended and unencumbered funds up to a maximum \$500,000.00 in general fund/general purpose revenue plus any contributions of private matching funds, up to \$2,000,000.00 remaining in accounts appropriated in part 1 for census-related services are designated as work project appropriations, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure to support census outreach and preparation for citizen participation in the 2020 federal census under this section until the project has been completed. All of the following are in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to fund the cost of the Michigan nonprofits count campaign to support census outreach and citizen participation preparation for the 2020 federal census.

(b) The project will be accomplished by partnering with the Michigan nonprofit association.

(c) The total estimated completion cost of the project is \$2,500,000.00.

(d) The tentative completion date is September 30, 2022.

Sec. 467. Beginning February 1, 2019, and monthly thereafter, the department of health and human services shall report to the senate and house appropriation subcommittees on health and human services, the senate and house fiscal agencies, and the state budget office on any line item appropriation for which the department estimates total annual expenditures would exceed the funds appropriated for that line item appropriation by 5% or more. The department of health and human services shall provide a detailed explanation for any relevant line item appropriation exceedance and shall identify the corrective actions undertaken to mitigate line item appropriation expenditures from exceeding the funds appropriated for that line item appropriation by a greater amount. This section does not apply for line item appropriations that are part of the May revenue estimating conference caseload and expenditure estimates.

Sec. 468. (1) Beginning February 1, 2019 and monthly thereafter, the department of health and human services shall report to the senate and house appropriation subcommittees on health and human services, the senate and house fiscal agencies, and the state budget office on all of the following:

(a) Fiscal year-to-date information technology spending for the fiscal year ending September 30, 2019 by service and project and by line item appropriation.

(b) Planned information technology spending for the remainder of the fiscal year ending September 30, 2019 by service and project and by line item appropriation.

(c) Total fiscal year-to-date information technology spending and planned spending for the fiscal year ending September 30, 2019 by service and project and by line item appropriation.

(2) As used in subsection (1), "project" means all of, but not limited to, the following major projects:

(a) Community health automated Medicaid processing system (CHAMPS).

(b) Bridges and MiBridges eligibility determination.

(c) Michigan statewide automated child welfare information system (MiSACWIS).

(d) Integrated service delivery.

(3) By April 30, 2019, the department of health and human services, in coordination with the department of technology, management, and budget, shall provide to the senate and house appropriation subcommittees on health and human services, the senate and house fiscal agencies, and the state budget office a 5-year strategic plan for information technology services and projects for the department of health and human services. The strategic plan shall identify any scheduled changes in the federal and state shares of costs related to information technology services and projects over the 5-year period.

DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES

Sec. 501. (1) By April 15, 2019, the department of insurance and financial services must complete a study led by an actuarial firm capable of supporting this state's pursuit of a state innovation waiver under section 1332 of the patient protection and affordable care act. The study must meet all criteria for a section 1332 state innovation waiver found at 45 CFR Part 155. The study must include analyses and actuarial certifications data, assumptions, targets, and other information sufficient to provide the Secretary of the United States Department of Health and Human Services and the Secretary of the United States Department of Treasury with the necessary data to determine whether this state's proposed waiver would do all of the following:

(a) Provide coverage that is at least as comprehensive as the coverage defined in section 1203(b) of the patient protection and affordable care act.

(b) Provide coverage and cost sharing protections against excessive out-of-pocket spending that are at least as affordable as the provisions of title I of the patient protection and affordable care act.

(c) Provide coverage to a comparable number of its residents as the provisions of title I of the patient protection and affordable care act would provide.

(d) Not increase the federal deficit.

(2) The study under subsection (1) must create any actuarial analyses and certifications necessary to determine whether the estimates will comply with the above requirements. Furthermore, the study must produce all of the following:

(a) An economic analysis that provides a detailed 10 year budget plan that is deficit neutral to the federal government.

(b) Detailed analyses regarding the estimated impact of the waiver on health insurance coverage in this state.

(3) The department of insurance and financial services shall allocate \$400,000.00 for this study.

LEGISLATURE

Sec. 551. From the funds appropriated in part 1 for the senate parking structure acquisition, \$18,000,000.00 shall be allocated for the purchase of a parking structure for the purpose of providing parking space for legislators, legislative staff, the public, and other permitted users.

DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS

Sec. 601. The funds appropriated to the department of licensing and regulatory affairs in part 1 for implementation of the Michigan regulation and taxation of marihuana act, 2018 IL 1, MCL 333.27951 to 333.27967, shall be expended by the department in coordination with other state agencies for implementation costs as specified in that act. The department of licensing and regulatory affairs shall provide a report to the chairs of the senate and house appropriations committees, the senate and house fiscal agencies, and the state budget office no later than April 1, 2019 detailing implementation costs by agency. Consistent with the provisions of the act the general fund/general purpose revenue shall be repaid from proceeds collected under the act.

DEPARTMENT OF NATURAL RESOURCES

Sec. 651. The unexpended portion of funds appropriated in part 1 for buffalo reef is considered a work project appropriation and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a(1) of the management and budget act, 1984, PA 431, MCL 18.1451a:

- (a) The purpose of the project to be carried forward is to protect the buffalo reef.
- (b) The project will be accomplished by utilizing state resources, contracts, or grants.
- (c) The total estimated cost of the project is \$3,000,000.00.
- (d) The tentative completion date is September 30, 2023.

Sec. 652. The unexpended portion of funds appropriated in part 1 for the dam management grant program is considered a work project appropriation and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451(a) of the management and budget act, 1984 PA 431, MCL 18.1451a:

- (a) The purpose of the project is for dam management grants.
- (b) The project will be accomplished by utilizing state resources, grants, or contracts.
- (c) The total estimated cost of the project is \$8,000,000.00.
- (d) The tentative completion date is September 30, 2023.

Sec. 653. The unexpended portion of funds appropriated in part 1 for Leland/Good Harbor reef improvements is considered a work project appropriation and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

- (a) The purpose of the project is to improve the spawning reef in Leland/Good Harbor.
- (b) The project will be accomplished by utilizing state resources, grants, or contracts.
- (c) The total estimated cost of the project is \$500,000.00.
- (d) The tentative completion date is September 30, 2023.

Sec. 654. From the funds appropriated in part 1, \$8,000,000.00 from the general fund/general purpose revenue shall be deposited into the Michigan infrastructure fund created in section 360 of the management and budget act, 1984 PA 431, MCL 18.1360, for the fiscal year ending September 30, 2019.

Sec. 655. (1) From the funds appropriated in part 1 for river dredging, \$2,000,000.00 is allocated for the department of natural resources to conduct a dredging project on the Grand River between the Fulton Street Bridge in Kent County and the Bass River Inlet in Ottawa County, as outlined in the department of technology, management, and budget dredging feasibility study completed on May 3, 2017. The funds are allocated for dredging and any other activities necessary to complete the project, and shall be spent only if sediment tests are satisfactory and necessary permits are issued. The purpose of the dredging project is to facilitate recreational boating traffic over that section of the river. The department of natural resources shall accomplish these tasks by issuing requests for proposals and hiring private contractors.

(2) The funds allocated under this section are considered a work project appropriation, and any unencumbered or unallotted funds are carried forward into the succeeding fiscal year. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a.

(a) The purpose of the project to be carried forward is to facilitate recreational boating traffic on the Grand River between the Fulton Street Bridge in Kent County and the Bass River Inlet in Ottawa County.

- (b) The selected contractors will work with the department to establish a plan to complete the project.
- (c) The tentative completion date is September 30, 2022.

Sec. 656. (1) From the funds appropriated in part 1 for the pheasant hunting initiative, not less than \$180,000.00 shall be distributed by the department of natural resources to a Michigan-based, nonprofit organization for the purchase of pheasants to release on state game areas for hunting.

(2) The purpose of the initiative is to release pheasants on state game areas to improve hunting opportunity and to recruit, retain, and reactivate small game hunters within this state. The department of natural resources shall evaluate the program for possible renewal in future years, including, but not limited to, the following metrics: participation in small game hunting on participating state game areas, hunter satisfaction with the program, expansion of the number of hunters pursuing small game, and limited hunter conflicts resulting from the release of pheasants.

(3) The project will be accomplished by utilizing state employees or contracts with service providers, or both.

(4) Any unexpended money shall not lapse to the general fund and shall be carried forward as a work project appropriation under the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

DEPARTMENT OF STATE POLICE

Sec. 701. (1) Funding appropriated in part 1 for school safety grants shall be used to provide and administer competitive grants to public or nonpublic schools, school districts, and intermediate school districts to purchase technology equipment, upgrade hardening measures, or conduct school building safety assessments to improve the safety and security of school buildings, students, and school staff. As used in this section, a "school district" includes a public school academy. The department of state police, grants and community services division, shall administer the grant program described in this section.

(2) The goal of the grant program is to create a safer school environment through equipment and technology enhancements.

(3) Applications shall be accepted directly from public or nonpublic schools, school districts, and intermediate school districts. School district and intermediate school district applications are required to be for buildings that have pre-K to 12 classrooms and students. There is a limit of 1 application per eligible applicant. Individual schools may submit their own application but must not also be included in a school district application if they submitted an individual application. All grants shall be funded on a reimbursement-only basis.

(4) From the \$25,000,000.00 appropriated in part 1 for school safety grants, \$15,000,000.00 shall be made available without a local matching fund requirement, subject to the requirements of subsection (3), to individual public or nonpublic schools, school districts, and intermediate school districts. Grants are limited to \$50,000.00 per application for individual schools and \$250,000.00 for school districts or intermediate school districts.

(5) From the \$25,000,000.00 appropriated in part 1 for school safety grants, \$10,000,000.00 shall be made available requiring a 25% local matching fund requirement, subject to the requirements of subsection (3), to individual public or nonpublic schools, school districts, and intermediate school districts. Grants are limited to \$500,000.00 per application.

(6) Eligible applicants are allowed to submit 1 application. Funding will not be awarded to a school building more than once. If a school district submits an application and an individual school within that district submits an application and includes that building, that building cannot receive 2 funding awards. If a school or school district submits more than 1 application, the most recent application submitted will be the one considered for funding. Applications shall be selected for funding based on eligibility, the project description, and whether the project reflects the highest security need of the applicant within grant funding constraints, the budget narrative, the budget, project goals, objectives, and performance measures. Priority shall be given to projects that involve multiple agencies working in partnership, to proposals that seek to secure exterior access points of school buildings, and to those applicants that did not receive a school safety grant in the past. Grant applicants must demonstrate proof that a school has an emergency operation plan that had been updated after August 1, 2017 to align with the state of Michigan emergency operations plan guidance and school safety information policy developed under section 1308 of the revised school code, 1976 PA 451, MCL 380.1308.

(7) Eligible expenses shall be consistent with the recommendations of the school safety task force created by Executive Order No. 2018-5. The department of state police shall list the eligible expenses in the grant guidance and application materials. The following items shall not be eligible for grant expenditure:

- (a) Weapons, including tasers.
- (b) Personal body armor for routine use.
- (c) Construction of new facilities.
- (d) Costs in applying for this grant, such as consultants and grant writers.

- (e) Expenses incurred prior to the date of the award or after the end of the grant performance period.
 - (f) Personnel costs or operation costs related to a capital improvement.
 - (g) Indirect costs or indirect administrative expenses.
 - (h) All travel, including first-class or out-of-state travel.
 - (i) Contributions or donations.
 - (j) Management or administrative training and conferences, except as otherwise preapproved by the department of state police.
 - (k) Management studies or research and development.
 - (l) Memberships and dues, unless a specific requirement of the project that has been preapproved by the department of state police.
 - (m) Vehicles, watercraft, or aircraft, including unmanned or remotely piloted aircraft and vehicles.
 - (n) Service contracts and training beyond the performance period of the grant award.
 - (o) Food, refreshments, and snacks.
- (8) Preference shall be given to applicants that did not receive a grant under section 1001 of article XX of 2018 PA 207. Grantees under section 1001 of article XX of 2018 PA 207 shall not be prohibited from applying for, and receiving, awards under this section.
- (9) The department of state police shall issue grant guidance and application materials, including required performance measures, no later than February 1, 2019 and shall begin issuing awards no later than April 1, 2019. A project awarded a grant under this program must be completed by June 1, 2020.
- (10) The department of state police shall report on grant activities to the senate and house appropriations subcommittees on state police, the senate and house fiscal agencies, and the state budget office by August 1, 2020, including available performance outcomes as identified in individual grant agreements.
- (11) Unexpended and unencumbered appropriations for school safety grants shall not lapse to the general fund but shall be carried forward into the subsequent fiscal year.

DEPARTMENT OF TALENT AND ECONOMIC DEVELOPMENT

Sec. 751. The appropriation in part 1 for the Going pro talent fund shall be deposited into the restricted Going pro talent fund created under section 5 of the Going pro talent fund act, 2018 PA 260, MCL 408.155. All funds in the Going pro talent fund are appropriated and available for expenditure to support the Going pro talent program pursuant to sections 7 and 9 of the Going pro talent fund act, 2018 PA 260, MCL 408.157 to 408.159.

Sec. 752. As a condition of receiving funds appropriated in part 1 for Going pro and the Going pro talent fund, the talent investment agency shall provide a report on Going pro and Going pro talent fund expenditures, by program or grant type, for the prior fiscal year. In addition, the report shall include projected expenditures, by program or grant type, for the current fiscal year. The report shall be posted online and distributed to the chairpersons of the senate and house of representatives standing committees on appropriations, the chairpersons of the senate and house of representatives standing committees on appropriations subcommittees on general government, the senate and house fiscal agencies, and the state budget office by March 15.

Sec. 753. The talent investment agency shall publish data and reports on March 15 and September 30 on the agency website concerning the status of career technology, Going pro, and Going pro talent fund activities funded in part 1. The report shall include the following:

- (a) The number of awardees participating in the program and the names of those awardees organized by major industry group.
- (b) The amount of funding received by each awardee under the program.
- (c) Amount of funding leveraged from each awardee.
- (d) Training models established by each awardee.
- (e) The number of individuals enrolled in classroom training, on-the-job training, or new USDOL registered apprentices.
- (f) The number of individuals who completed the program and were hired by awardee.
- (g) The number of applications received and the number of applications approved for each region.

(h) The talent investment agency shall expand workforce training and reemployment services to better connect workers to in-demand jobs and identify specific outcomes with performance metrics for this initiative, including, but not limited to, new apprenticeships, individuals to be hired and trained, current employees trained, training completed, and employment retention rate at 6 months, and hourly wage at 6 months.

Sec. 754. As a condition of receiving funds in part 1 for Going pro and the Going pro talent fund, the talent investment agency shall administer the program as follows:

(a) The talent investment agency shall work cooperatively with grantees to maximize the amount of funds from part 1 that are available for direct training.

(b) The talent investment agency, workforce development partners, including regional Michigan Works! agencies, and employers shall collaborate and work cooperatively to prioritize and streamline the expenditure of the funds appropriated in part 1. The talent investment agency shall ensure that Going pro and Going pro talent fund activities provide a collaborative statewide network of workforce and employee skill development partners that addresses the employee talent needs throughout the state.

(c) The talent investment agency shall ensure that grants are utilized for individual skill enhancement and to address in-demand talent needs in Michigan.

(d) The talent investment agency shall develop program goals and detailed guidance for prospective participants to follow to qualify under the program. The program goals and detailed guidance shall be posted on the talent investment agency website and distributed to workforce development partners, including local Michigan Works! agencies, by October 1. Periodic assessments of employer and employee needs shall be evaluated on a regional basis, and the talent investment agency shall identify solutions and goals to be implemented to satisfy those needs. The talent investment agency shall notify the senate and house of representatives standing committees on appropriations, the senate and house of representatives standing committees on appropriations subcommittees on general government, the senate and house fiscal agencies, and the state budget office on any program goal, solution, or guidance changes not fewer than 14 days prior to the finalization and publication of the changes. Revenue received by the talent investment agency for Going pro and Going pro talent fund activities may be expended for the purpose of those programs.

(e) Up to \$5,000,000.00 of the funds may be expended to match federal funds. The intent of these funds will involve improving and increasing the skill level of employees in skilled trades in the automotive industry and the manufacturing processes within the changing manufacturing environment.

Sec. 755. (1) From the funds appropriated in part 1 for Going pro, \$1,500,000.00 must be awarded for a program to assist adults over the age of 23 in obtaining high school diplomas and placement in career training programs.

(2) For purposes of this section, an eligible program provider may be a public, nonprofit, or private accredited diploma-granting institution, but must have at least 2 years of experience providing dropout recovery services in the state of Michigan.

(3) The talent investment agency shall issue a request for qualifications for eligible program providers to participate in the pilot program. To be considered a qualified program provider, the institution must possess all of the following:

(a) Experience providing dropout reengagement services.

(b) Ability to provide academic intake assessments.

(c) Capacity to provide an integrated learning plan.

(d) Course catalog that includes access to all graduation requirements.

(e) Capability to provide remediation coursework.

(f) Means to provide academic resilience assessment and intervention.

(g) Capacity to provide employability skills development.

(h) Ability to provide WorkKeys preparation.

(i) Ability to provide industry credentials.

(j) Capability to provide credit for on-the-job training.

(k) Access to a robust support framework, including technology, social support, and academic support accredited by a recognized accrediting body.

(4) The talent investment agency shall announce qualified program providers no later than January 1, 2019. Qualified program providers must start providing programming by February 1, 2019.

(5) The talent investment agency shall reimburse qualified program providers for each month of satisfactory monthly progress as described in section 23a of the state school aid act, 1979 PA 94, MCL 388.1623a, at a rate of \$500.00 per month. A payment shall be made to a qualified program provider for the completion of the following by a pupil:

(a) \$500.00 for the completion of an employability skills certification program equal to at least 1 Carnegie unit.

- (b) \$250.00 for the attainment of an industry-recognized credential requiring up to 50 hours of training.
- (c) \$500.00 for the attainment of an industry-recognized credential requiring 50 to 100 hours of training.
- (d) \$750.00 for the attainment of an industry-recognized credential requiring more than 100 hours of training.
- (e) \$1,000.00 for attainment of a high school diploma.
- (f) \$2,500.00 for placement in a job in an in-demand career pathway.
- (6) The talent investment agency shall develop policies and guidelines to implement this section.

Sec. 756. From the funds appropriated in part 1 for workforce development programs, \$2,000,000.00 general fund/general purpose revenue shall be used to support the program gaining early awareness and readiness for undergraduate programs (GEAR UP) and shall be expended in a manner consistent with previous GEAR UP appropriations.

Sec. 757. (1) The funds appropriated in part 1 for the northern Michigan tourism and sports fund shall be deposited into the fund created in subsection (2) and expended pursuant to subsection (4).

(2) The northern Michigan tourism and sports fund is created within the state treasury. The state treasurer may receive money or other assets from any source for deposit into the fund. The state treasurer shall direct the investment of the fund. The state treasurer shall credit to the fund interest and earnings from the fund investments.

(3) Money in the fund at the close of the fiscal year shall remain in the fund and shall not lapse to the general fund.

(4) All funds in the northern Michigan tourism and sports fund are appropriated and available for expenditure only for the Great Lakes sports commission for the development or improvement of facilities or for large events promoting sports-related tourism and recreation in northern Michigan. The department of treasury shall collaborate with the Great Lakes sports commission, the Michigan economic development corporation, and the department of natural resources.

Sec. 758. (1) From the funds appropriated in part 1 for Michigan enhancement grants, the department shall execute a grant form with each recipient, pursuant to subsection (2). All grant funds are considered to be direct appropriations and, subject to receipt of all information under subsections (2) and (3), shall be fully dispersed by the department to each recipient by January 31, 2019.

(2) The department shall develop a grant form for each recipient to complete in order to receive funding from part 2. The form shall include the following:

(a) All necessary identifying information for the recipient, including any necessary tax identification information.

(b) A description of the project for which the grant funds will be expended, including tentative timeline and estimated budget.

(c) A requirement for quarterly reports from the recipient to the department that provide an accounting of all funds received by the recipient and status of the project.

(d) A claw-back provision that allows this state to recoup or otherwise collect any funds that are unspent or otherwise misused.

(3) The grantee shall respond to all reasonable information requests from the department related to grant expenditures and retain grant records for a period of not less than 3 years, and the grant may be subject to audit as determined by the department. The grant form required under subsection (2) shall include signed assurance by the chief executive officer or other executive officer of the grant recipient that this requirement will be met.

(4) All funds awarded shall be expended by the recipient, and projects completed, by January 31, 2021. If at that time, as evidenced by the quarterly reports, any unexpended funds remain, those funds shall be returned by the grantee to the state treasury. The state budget director may, on a case by case basis, extend this deadline, upon request by a grant recipient.

(5) The department shall provide quarterly updates on the accounting and status of each project to the senate and house appropriations committees, the senate and house fiscal agencies, and the state budget office.

Sec. 759. (1) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,000,000.00 shall be awarded for an occupational trades training facility associated with a community college located in a county with a population of between 16,400 and 16,500 according to the most recent federal decennial census.

(2) From the funds appropriated in part 1 for Michigan enhancement grants, \$200,000.00 shall be awarded for park improvements at a park located in a county with a population of between 1,202,300 and 1,202,400 and in a city with a population of between 70,500 and 71,500 according to the most recent federal decennial census.

(3) From the funds appropriated in part 1 for Michigan enhancement grants, \$750,000.00 shall be awarded to a not-for-profit research institute, incubator, and manager located in a county with a population of between 344,700 and

344,800 and in a charter township with a population of between 34,600 and 34,700 according to the most recent federal decennial census.

(4) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 shall be awarded to a human and social services organization providing assistance to the disadvantaged, hardship cases, and newcomer populations located in a county with a population of between 840,900 and 841,000 and in a city with a population of between 129,600 and 129,800 according to the most recent federal decennial census.

(5) From the funds appropriated in part 1 for Michigan enhancement grants, \$3,000,000.00 shall be awarded to a public works commission to address combined sewer overflows located in a county with a population of between 840,900 and 841,000 according to the most recent federal decennial census.

(6) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,300,000.00 shall be awarded for a dialysis machine and a primary care facility at a hospital located in a county with a population of between 38,500 and 38,600 and in a city with a population of between 14,100 and 14,200 according to the most recent federal decennial census.

(7) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,000,000.00 shall be awarded to a 501(c)(3) nonprofit that operates a discovery pier located in a county with a population of between 21,700 and 21,800 and in a charter township with a population of between 4,500 and 4,600 according to the most recent federal decennial census.

(8) From the funds appropriated in part 1 for Michigan enhancement grants, \$580,000.00 shall be awarded for a water line project located in a county with a population of between 25,800 and 25,900 and in a charter township with a population of between 6,900 and 7,100 according to the most recent federal decennial census.

(9) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded for a cultural center located in a county with a population of between 11,100 and 11,200 and in a city with a population of between 2,400 and 2,500 according to the most recent federal decennial census.

(10) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded for facility renovations at a regional referral center located in a county with a population of between 32,600 and 32,700 and in a city with a population of between 5,600 and 5,700 according to the most recent federal decennial census.

(11) From the funds appropriated in part 1 for Michigan enhancement grants, \$200,000.00 shall be awarded for a primary care clinic operated by a nonprofit human service organization located in a county with a population of greater than 1,700,000 and in a city with a population of greater than 700,000 according to the most recent federal decennial census.

(12) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,500,000.00 shall be awarded for a public and private nonprofit collaboration dedicated to improving health care through the exchange of health information located in a county with a population of between 280,800 and 281,000 and in a city with a population of between 46,600 and 46,700 according to the most recent federal decennial census.

(13) From the funds appropriated in part 1 for Michigan enhancement grants, \$162,000.00 shall be awarded for trail upgrades on trails operated by a nonprofit organization providing a network of trails, bikeways, and pedestrian ways located in a county with a population of between 21,700 and 21,800 according to the most recent federal decennial census.

(14) From the funds appropriated in part 1 for Michigan enhancement grants, \$400,000.00 shall be awarded for a science, technology, engineering, and math children's museum at a community college located in a county with a population of between 163,000 and 163,100 and in a city with a population of between 30,100 and 30,200 according to the most recent federal decennial census.

(15) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 shall be awarded for a specialized electronic monitoring pilot program that is administered by a county sheriff's department in conjunction with an electronic monitoring solutions company that has at least 10 years of experience in the industry, provides 24 hours a day monitoring, has a service and monitor center located in the state of Michigan, and can provide the necessary software and training in a county with a population of between 1,200,000 and 1,300,000 according to the most recent federal decennial census.

(16) From the funds appropriated in part 1 for Michigan enhancement grants, \$466,000.00 shall be awarded for an education retention and attraction program administered and operated through a partnership between an organization of privately funded economic development advisors and a university.

(17) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,500,000.00 shall be awarded to the economic development corporation large special events fund for the purpose of attracting large events to this state.

(18) From the funds appropriated in part 1 for Michigan enhancement grants, \$150,000.00 shall be awarded for renovations and projects at a municipal park located in a county with a population of greater than 1,800,000 and in a city with a population of between 84,000 and 84,100 according to the most recent federal decennial census.

(19) From the funds appropriated in part 1 for Michigan enhancement grants, \$50,000.00 shall be awarded to a nonprofit organization working in partnership with the Detroit Police Department and community volunteers to build character in young people through athletic, academic, and leadership development located in a county with a population of greater than 1,800,000 and in a city with a population greater than 700,000 according to the most recent federal decennial census.

(20) From the funds appropriated in part 1 for Michigan enhancement grants, \$327,500.00 shall be awarded for an armory redevelopment project located in a county with a population of between 70,600 and 70,700 and in a city with a population of between 15,100 and 15,200 according to the most recent federal decennial census.

(21) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded for a zoo located in a county with a population of between 600,000 and 605,000 and in a city with a population of between 188,000 and 188,100 according to the most recent federal decennial census.

(22) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,200,000.00 shall be awarded to a private, not-for-profit provider of children and family welfare services and behavioral health care services with more than 15 centers throughout this state.

(23) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded for a cyber security and information assurance program administered by a university located in a county with a population of between 344,500 and 345,000 and in a city with a population of between 19,400 and 19,500 according to the most recent federal decennial census.

(24) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,500,000.00 shall be awarded for heating, ventilation, and air conditioning upgrades at a community college located in a county with a population of between 30,900 and 31,000 and in a township with a population of between 900 and 1,000 according to the most recent federal decennial census.

(25) From the funds appropriated in part 1 for Michigan enhancement grants, \$100,000.00 shall be awarded for a public school health care clinic formed through a partnership between the local school district and local hospital located in a county with a population of between 152,000 and 152,500 and in a city with a population of between 20,700 and 20,800 according to the most recent federal decennial census.

(26) From the funds appropriated in part 1 for Michigan enhancement grants, \$100,000.00 shall be awarded for an addict engagement center operated by a charity operating in 6 counties in southeast Michigan.

(27) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,000,000.00 shall be awarded to a 501(c)(3) economic growth association for activities related to preparation for a professional golf event located in a county with a population greater than 1,800,000 and in a city with a population greater than 700,000 according to the most recent federal decennial census.

(28) From the funds appropriated in part 1 for Michigan enhancement grants, \$700,000.00 shall be awarded to a school district that has a pupil membership greater than 9,000 and is located in an intermediate school district that has a combined pupil membership for all its constituent districts of more than 20,000 but less than 25,000 to offset reduced state aid payments related to an audit of its shared time instructional program for nonpublic pupils under section 166b of the state school aid act of 1979, 1979 PA 94, MCL 388.1766b.

(29) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,500,000.00 shall be awarded for a low orbit launch site and maintenance and repair site at an airport located in a county with a population greater than 1,800,000 and in a charter township with a population of between 28,800 and 28,900 according to the most recent federal decennial census.

(30) From the funds appropriated in part 1 for Michigan enhancement grants, \$10,000,000.00 shall be awarded to encourage economic development and future growth of the urban services district located in a county with a population of between 340,000 and 350,000 and in a township with a population of between 5,600 and 5,700 according to the most recent federal decennial census.

(31) From the funds appropriated in part 1 for Michigan enhancement grants, \$75,000.00 shall be awarded for a substance use disorder detoxification pilot project administered by a community-based program located in a county with a population of between 340,000 and 350,000 according to the most recent federal decennial census.

(32) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded for the Michigan franchise holder of the national Jobs for America's Graduates program.

(33) From the funds appropriated in part 1 for Michigan enhancement grants, a competitive grant in the amount of \$2,000,000.00 must be issued to an entity located in a county with a population greater than 1,800,000 and in a city with a population of between 96,900 and 97,000 as of the most recent federal decennial census that meets the following requirements:

- (a) Operates in a facility with at least 120,000 square feet of space.
- (b) Bottles an average of at least 90,000 gallons of milk daily.
- (c) Receives an average of at least 100,000 gallons of raw milk per day.

(d) Is an energy star compliant operation.

(34) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 shall be awarded for information technology upgrades at a freestanding inpatient psychiatric hospital located in a county with a population of between 1,200,000 and 1,300,000 and in a charter township with a population of between 2,400 and 2,500 according to the most recent federal decennial census.

(35) From the funds appropriated in part 1 for Michigan enhancement grants, \$200,000.00 shall be awarded for an educational learning program conducted through film to promote ethnic diversity in Michigan at a nonprofit foundation located in a county with a population of between 840,000 and 841,000 and in a charter township with a population of between 73,800 and 73,900 according to the most recent federal decennial census.

(36) From the funds appropriated in part 1 for Michigan enhancement grants, \$50,000.00 shall be awarded for the purchase of literacy software for a literacy lab at a development center located in a county with a population of between 425,700 and 425,800 and in a city with a population of between 102,400 and 102,500 according to the most recent federal decennial census.

(37) From the funds appropriated in part 1 for Michigan enhancement grants, \$3,300,000.00 shall be awarded for road improvements located in a county with a population of between 280,800 and 280,900 and in a city with a population of between 109,500 and 109,600 according to the most recent federal decennial census.

(38) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,700,000.00 shall be awarded for a bridge rehabilitation project located in a county with a population of between 29,500 and 29,600 and in a city with a population of between 10,400 and 10,500 according to the most recent federal decennial census.

(39) From the funds appropriated in part 1 for Michigan enhancement grants, \$300,000.00 shall be awarded to maintain a detour during a road construction project located in a county with a population of between 24,700 and 24,800 according to the most recent federal decennial census.

(40) From the funds appropriated in part 1 for Michigan enhancement grants, \$200,000.00 shall be awarded for a bridge project located in a county with a population of between 163,000 and 163,100 and in a city with a population of between 3,300 and 3,400 according to the most recent federal decennial census.

(41) From the funds appropriated in part 1 for Michigan enhancement grants, \$10,000,000.00 shall be awarded to a technology park at the American center for mobility.

(42) From the funds appropriated in part 1 for Michigan enhancement grants, \$4,000,000.00 shall be awarded for the expansion of an industrial park in the city of Muskegon.

(43) From the funds appropriated in part 1 for Michigan enhancement grants, \$150,000.00 shall be awarded for a band shell project at a park located in a county with a population greater than 1,800,000 and in a city with a population of between 25,300 and 25,400 according to the most recent federal decennial census.

(44) From the funds appropriated in part 1 for Michigan enhancement grants, \$147,000.00 shall be awarded to a civic center located in a county with a population between 84,000 and 88,000 according to the most recent federal decennial census.

(45) From the funds appropriated in part 1 for Michigan enhancement grants, \$5,000,000.00 shall be awarded to a county with a population between 170,000 and 180,000 according to the most recent federal decennial census for environmental remediation efforts related to a lake located in that county.

(46) From the funds appropriated in part 1 for Michigan enhancement grants, \$100,000.00 shall be awarded for improvements to a children's focused science museum located in a county with a population between 270,000 and 300,000 and in a city with a population over 50,000 according to the most recent federal decennial census.

(47) From the funds appropriated in part 1 for Michigan enhancement grants, \$300,000.00 shall be awarded to a fire department located in a county with a population over 1,500,000 and in a city with a population between 98,000 and 99,000 according to the most recent federal decennial census.

(48) From the funds appropriated in part 1 for Michigan enhancement grants, \$150,000.00 shall be awarded for capital improvements to a buffalo soldier heritage center located in a city with a population over 600,000 according to the most recent federal decennial census.

(49) From the funds appropriated in part 1 for Michigan enhancement grants, \$300,000.00 shall be awarded to a city with a population over 185,000 located in a county with a population between 600,000 and 610,000 according to the most recent federal decennial census to improve college navigation efforts.

(50) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,500,000.00 shall be awarded to promote STEAM programs at a children's focused museum located in a county with a population between 600,000 and 610,000 and in a city with a population over 185,000 according to the most recent federal decennial census.

(51) From the funds appropriated in part 1 for Michigan enhancement grants, \$350,000.00 shall be awarded to a kids' based food basket program located in a county with a population between 600,000 and 610,000 according to the most recent federal decennial census.

(52) From the funds appropriated in part 1 for Michigan enhancement grants, \$250,000.00 shall be awarded to a junior achievement organization located in a county with a population between 600,000 and 610,000 according to the most recent federal decennial census.

(53) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,300,000.00 shall be awarded for capital improvements to a showboat located in a county with a population between 600,000 and 610,000 and in a city with a population between 3,600 and 3,800 according to the most recent federal decennial census.

(54) From the funds appropriated in part 1 for Michigan enhancement grants, \$5,000,000.00 shall be awarded for capital improvements at a regional airport located in a county with a population between 600,000 and 610,000 according to the most recent federal decennial census.

(55) From the funds appropriated in part 1 for Michigan enhancement grants, \$5,000,000.00 shall be awarded to a county convention and arena authority located in a county with a population between 600,000 and 610,000 according to the most recent federal decennial census.

(56) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 is allocated to the protect and grow program within the Michigan strategic fund to support the Michigan defense industry.

(57) From the funds appropriated in part 1 for Michigan enhancement grants, \$85,000.00 shall be awarded to an American Legion organization located in a county with a population between 76,000 and 80,000 according to the most recent federal decennial census.

(58) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 shall be awarded to an intermediate school district located in a county with a population between 76,000 and 80,000 according to the most recent federal decennial census for school safety improvements in that ISD and its constituent districts.

(59) From the funds appropriated in part 1 for Michigan enhancement grants, \$5,000,000.00 shall be awarded for dam improvements on a dam located in a county with a population between 80,000 and 85,000 and in a city with a population between 25,000 and 25,700 according to the most recent federal decennial census.

(60) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,500,000.00 shall be awarded to a township for capital improvements to a wastewater treatment plant located in a county with a population between 260,000 and 270,000 and a township with a population between 14,000 and 15,000 according to the most recent federal decennial census.

(61) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,500,000.00 shall be awarded for pavilion improvements in a city located in a county with a population between 260,000 and 270,000 and a city with a population between 10,000 and 11,000 according to the most recent federal decennial census.

(62) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 shall be awarded to a public museum in a county with a population between 400,000 and 450,000 and in a city with a population over 100,000 according to the most recent federal decennial census.

(63) From the funds appropriated in part 1 for Michigan enhancement grants, \$3,000,000.00 is allocated to the department of natural resources for paving and improvements to the longest trail in the state of Michigan that extends 92 miles.

(64) From the funds appropriated in part 1 for Michigan enhancement grants, \$3,700,000.00 shall be awarded for road repairs between Francis Street and US-127 in a county with a population between 160,000 and 162,000 and in a city with a population over 30,000 according to the most recent federal decennial census.

(65) From the funds appropriated in part 1 for Michigan enhancement grants, \$3,750,000.00 shall be awarded to an organization that specializes in neuro rehabilitation, mental health, autism, and developmental disability services in a county with a population between 600,000 and 610,000 according to the most recent federal decennial census.

(66) From the funds appropriated in part 1 for Michigan enhancement grants, \$208,000.00 shall be awarded for heating, ventilation, and air conditioning system improvements to a school district located in a county with a population between 400,000 and 450,000 and in a city with a population over 100,000 according to the most recent federal decennial census.

(67) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,000,000.00 shall be awarded to a community foundation for the development of a food and manufacturing incubation center located in a county with a population between 170,000 and 180,000 according to the most recent federal decennial census.

(68) From the funds appropriated in part 1 for Michigan enhancement grants, \$3,000,000.00 shall be awarded to a city with a population between 11,800 and 11,900 in a county with a population between 170,000 and 180,000 for street and pedestrian infrastructure upgrades.

(69) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,000,000.00 shall be awarded to a 501(c)(3) for the development and implementation of a river rapids project in a county with a population between 600,000 and 610,000 and in a city with a population over 185,000 according to the most recent federal decennial census.

(70) From the funds appropriated in part 1 for Michigan enhancement grants, \$1,000,000.00 shall be awarded to an island transportation authority that provides a fixed route ferry service in a county with a population between 25,900 and 26,000 according to the most recent federal decennial census.

(71) From the funds appropriated in part 1 for Michigan enhancement grants, \$500,000.00 shall be awarded for road infrastructure repairs on an island that is designated as a national historic landmark located in a county with a population between 11,000 and 11,500 according to the most recent federal decennial census.

(72) From the funds appropriated in part 1 for Michigan enhancement grants, \$936,000.00 shall be awarded to a conservation district for environmental cleanup activities in a river located in a county with a population between 37,000 and 38,000 according to the most recent federal decennial census.

(73) From the funds appropriated in part 1 for Michigan enhancement grants, \$214,000.00 shall be awarded to a clubhouse that supports individuals living with mental illness in a county with a population between 600,000 and 610,000 and in a city with a population over 185,000 according to the most recent federal decennial census.

(74) From the funds appropriated in part 1 for Michigan enhancement grants, \$2,000,000.00 shall be awarded to a downtown development authority for the development of a multipurpose civic square located in a county with a population between 84,000 and 88,000 and in a city with a population over 14,000 according to the most recent federal decennial census.

DEPARTMENT OF TECHNOLOGY, MANAGEMENT, AND BUDGET

Sec. 801. The funds appropriated in part 1 for the information technology investment fund shall be used to support the modernization of the Michigan department of agriculture and rural development's licensing and inspection legacy systems in order to aid in accurate, timely, and accessible program information related to food safety and human and animal health.

Sec. 802. (1) Funds appropriated in part 1 for the Michigan public safety communication system shall be expended upon approval of an expenditure plan by the state budget director.

(2) The department shall assess all subscribers of the Michigan public safety communication system reasonable access and maintenance fees and shall deposit the fees in the Michigan public safety communication systems fees funds.

(3) All money received by the department under this section shall be expended for the support and maintenance of the Michigan public safety communication system.

(4) The department shall provide a report to the senate and house of representatives standing committees on appropriations, the senate and house fiscal agencies, and the state budget office by April 15, indicating the amount of revenue collected under this section and expended for support and maintenance of the Michigan public safety communication system for the immediately preceding 6-month period. Any deposits made under this section and unencumbered funds are restricted revenues and shall be carried forward into succeeding fiscal years.

Sec. 803. (1) The funds appropriated in part 1 for regional prosperity grants must be used as competitive grants to eligible regional planning organizations qualifying for funding as a regional prosperity collaborative, a regional prosperity council, or a regional prosperity board. A regional planning organization may not qualify for funding under more than 1 category in the same state fiscal year. As used in this section:

(a) "Eligible regional planning organization" means any of the following:

(i) An existing regional planning commission created pursuant to 1945 PA 281, MCL 125.11 to 125.25.

(ii) An existing regional economic development commission created pursuant to 1966 PA 46, MCL 125.1231 to 125.1237.

(iii) An existing metropolitan area council formed pursuant to the metropolitan councils act, 1989 PA 292, MCL 124.651 to 124.729.

(iv) A Michigan metropolitan planning organization established pursuant to the moving ahead for progress in the 21st century act, Public Law 112-141.

(b) "Freedom of information act" means the freedom of information act, 5 USC 552.

(c) "Open meetings act" means the open meetings act, 1976 PA 267, MCL 15.261 to 15.275.

(d) "Regional prosperity board" means a regional body that has a singular governing board with representation from private, public, and nonprofit entities engaged in joint decision-making practices for the purpose of creating or maintaining a phase three: regional prosperity plan.

(e) “Regional prosperity collaborative” means any committee developed by a regional planning organization or a metropolitan planning organization that serves to bring organizational representation together from private, public, and nonprofit entities within a region for the purpose of creating or maintaining a phase one: regional prosperity plan.

(f) “Regional prosperity council” means a regional body with representation from private, public, and nonprofit entities with shared administrative services and an executive governing entity, as demonstrated by a formal local agreement or agreements for the purpose of creating or maintaining a phase two: regional prosperity plan.

(2) Regional planning organizations may qualify to receive not more than \$245,000.00 of incentive-based funding as a regional prosperity collaborative subject to meeting all of the following requirements:

(a) The regional prosperity collaborative has created a phase one: regional prosperity plan, as follows:

(i) The regional prosperity collaborative must include regional representatives from adult education, workforce development, community development, economic development, transportation, and higher education organizations.

(ii) The plan is required, at a minimum, to include a 5-year plan focused on economic growth and vitality for the region, as well as a performance dashboard and measurable annual goals to support the 5-year plan.

(iii) The 5-year plan shall address regional strategies related to adult education, workforce development, economic development, transportation, higher education, and business development.

(iv) The regional prosperity collaborative shall adopt the plan by a minimum 2/3 majority vote of its members.

(b) The regional prosperity collaborative adheres to accountability and transparency measures required in the open meetings act and the freedom of information act.

(c) The regional prosperity collaborative convenes monthly meetings, open to the public, to consider and discuss issues leading to a common vision of economic prosperity for the region, including, but not limited to, community development, economic development, talent, and infrastructure opportunities.

(d) The regional prosperity collaborative makes available on the grant recipient’s publicly accessible internet site pertinent documents, including, but not limited to, monthly meeting agendas, minutes of monthly meetings, voting records, and the regional prosperity plan and performance dashboard.

(e) The regional prosperity collaborative keeps a status report detailing the spending associated with previous regional prosperity initiative grants. Organizations that have successfully received grant awards in previous fiscal years shall be required to make available to the department of technology, management, and budget and on a publicly accessible internet site information regarding the use of those grant dollars.

(3) Regional planning organizations eligible to receive a payment as a regional prosperity collaborative under subsection (2) may qualify to receive a 1-time grant of not more than \$70,000.00 to produce a plan to transform the regional prosperity collaborative into a regional prosperity council or regional prosperity board, including necessary local formal agreements, to make recommendations that eliminate duplicative efforts and administrative functions, and to leverage resources through cooperation, collaboration, and consolidations of organizations or programs throughout the region. Plans produced to transform the regional prosperity collaborative into a regional prosperity council or regional prosperity board shall be made available on the grant recipient’s publicly accessible internet site. The regional prosperity collaborative may apply instead to use up to \$70,000.00 of the 1-time grant for integrated asset management under guidance from the Michigan infrastructure council in the Michigan department of treasury. The regional prosperity collaborative may not apply for funds under both the transformation grant and the integrated asset management grant.

(4) Regional planning organizations may qualify to receive not more than \$340,000.00 of incentive-based funding as a regional prosperity council subject to meeting all of the following requirements:

(a) A regional prosperity council has been formed and includes regional representatives from adult education, workforce development, community development, economic development, transportation, and higher education organizations.

(b) An eligible regional prosperity council will demonstrate shared administrative services between 2 public regional entities included in subdivision (a). In addition, the council must have and maintain an executive governing entity, as demonstrated by a formal local agreement or agreements.

(c) The regional prosperity council has created a phase two: regional prosperity plan, as follows:

(i) The regional prosperity council shall identify opportunities for shared administrative services and decision-making among the private, public, and nonprofit entities within the region and shall continue collaboration with regional prosperity council members, including, but not limited to, representatives from adult education providers, workforce development agencies, community development agencies, economic development agencies, transportation service providers, and higher education institutions.

(ii) The plan is required to include, but is not limited to, all of the following:

(A) A status report of the approved 5-year plan.

(B) The addition of a 10-year plan for the region which builds upon prior work and is focused on economic growth and vitality in the region.

(C) A prioritized list of regional projects.

(D) A performance dashboard with measurable annual goals.

(iii) The regional prosperity council shall adopt the plan by a minimum 2/3 vote of its members.

(d) The regional prosperity council adheres to accountability and transparency measures required in the open meetings act and the freedom of information act.

(e) The regional prosperity council convenes monthly meetings, open to the public, to consider and discuss issues leading to a common vision of economic prosperity for the region, including, but not limited to, community development, economic development, talent, and infrastructure opportunities.

(f) The regional prosperity council makes available on the grant recipient's publicly accessible internet site pertinent documents, including, but not limited to, monthly meeting agendas, minutes of monthly meetings, voting records, and the regional prosperity plan and performance dashboard.

(g) The regional prosperity council keeps a status report detailing the spending associated with previous regional prosperity initiative grants. Organizations that have successfully received grant awards in previous fiscal years shall be required to make available to the department of technology, management, and budget and on a publicly accessible internet site information regarding the use of those grant dollars.

(5) Regional planning organizations eligible to receive a payment as a regional prosperity council under subsection (4) may qualify to receive a 1-time grant of not more than \$70,000.00 to produce a plan to transform the regional prosperity council into a regional prosperity board, including a singular private/public governance structure that comports with federal guidelines for governance under the workforce investment act, Public Law 105-220, the moving ahead for progress in the 21st century act, Public Law 112-141, the economic development administration and Appalachian regional development reform act of 1998, Public Law 105-393, and recommendations to eliminate duplicative efforts, administrative functions, and leverage resources through cooperation, collaboration, and consolidations of organizations or programs throughout the region. The regional prosperity council may apply instead to use up to \$70,000.00 of the 1-time grant for integrated asset management under guidance from the Michigan infrastructure council in the Michigan department of treasury. The regional prosperity council may not apply for funds under both the transformation grant and the integrated asset management grant.

(6) Regional planning organizations may qualify to receive not more than \$445,000.00 of incentive-based funding as a regional prosperity board subject to meeting all of the following requirements:

(a) The regional prosperity board has been formed and, at a minimum, must demonstrate the consolidation of a regional metropolitan planning organization, where one exists, state designated regional planning agency boards, workforce development boards, and federally designated regional economic development districts within a region.

(b) The regional prosperity board has created a phase three: regional prosperity plan, as follows:

(i) The regional prosperity board shall create a regional services recommendations report prioritizing the list of state-funded services and programs provided to the region, and recommendations for state-regional partnerships to support the adopted regional prosperity plan.

(ii) The plan is required to include a status report of the approved 10-year plan for the creation of an updated regional prosperity plan.

(iii) The regional prosperity board shall adopt the plan by a minimum 2/3 vote of its members.

(c) The regional prosperity board adheres to accountability and transparency measures required in the open meetings act and the freedom of information act.

(d) The regional prosperity board convenes monthly meetings, open to the public, to consider and discuss issues leading to a common vision of economic prosperity for the region, including, but not limited to, community development, economic development, talent, and infrastructure opportunities.

(e) The regional prosperity board makes available on the grant recipient's publicly accessible internet site pertinent documents, including, but not limited to, monthly meeting agendas, minutes of monthly meetings, voting records, and the regional prosperity plan and performance dashboard. The regional prosperity board may apply instead to use up to \$70,000.00 of the 1-time grant for integrated asset management under guidance from the Michigan infrastructure council in the Michigan department of treasury. The regional prosperity board may not apply for funds under both the transformation grant and the integrated asset management grant.

(7) Regional planning organizations eligible to receive a payment as a regional prosperity board under subsection (6) may qualify to receive not more than \$125,000.00, to implement the prioritized regional prosperity plan projects.

(8) Regional planning organizations eligible to receive a payment as a regional prosperity collaborative, board, or council may partner with other eligible regional planning organizations to submit joint applications. For a joint application, 1 regional planning organization shall be utilized as the overall applicant. The department of technology, management, and budget may award a joint application award of no greater than the sum of potential application dollars which would have otherwise been available through individual applications.

(9) The department of technology, management, and budget shall develop an application process and method of grant distribution for the regional prosperity initiative. Funding applications from regional planning organizations shall be due to the department by November 26, 2018. The department shall notify regional planning organizations of grant application status by December 31, 2018. The department shall ensure that processes are established to verify that qualifying regional planning organizations meet the requirements under subsections (2), (3), (4), (5), (6), and (7), as applicable.

(10) The unexpended funds appropriated in part 1 for regional prosperity grants are designated as work project appropriations and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for projects under this section until the projects have been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

- (a) The purpose of the project is to provide incentive-based grants to recipients under this section.
- (b) The project will be accomplished by grants to qualified regional planning organizations.
- (c) The total estimated cost of all projects is \$3,970,000.00.
- (d) The estimated completion date is September 30, 2023.

(11) The department may dedicate 0.3 FTEs with \$30,000.00 to manage the evaluation of the regional prosperity initiative, departmental implementation of the regional prosperity initiative, and grant management.

Sec. 804. The appropriation in part 1 for enterprisewide special maintenance for state facilities shall be expended for demolition projects at state-owned facilities as determined by the state budget director.

Sec. 805. The funds appropriated in part 1 for the military and judges retirement systems investment shall be expended as extra payments of \$35,800,000.00 to fund the unfunded actuarial accrued liability for pension under the military retirement provisions and \$7,300,000.00 to fund the unfunded actuarial accrued liability for other postemployment benefits under the judges retirement system.

Sec. 806. (1) In association with the funds appropriated in part 1 for statewide broadband, the following terms are defined as used in this section:

(a) "Applicant" means an internet service provider that submits an application for a grant after having collaborated with other persons and the community within the unserved area.

(b) "Broadband service" means a retail terrestrial service capable of delivering high-speed internet access at speeds of at least 10 megabits per second downstream and 1 megabit per second upstream.

(c) "Census block" means a geographic area defined as a census block by the United States Department of Commerce, Bureau of the Census in conducting the 2010 decennial census.

(d) "Department" means the Michigan department of technology, management, and budget.

(e) "Unserved area" means either a census block without at least 1 provider providing broadband service within the census block, or a delineated area within a census block without at least 1 provider providing broadband service as established as part of the application approval process set forth in subsection (9).

(f) "Person" includes an individual, a community organization, cooperative association, corporation, federally recognized Indian tribe, limited liability company, nonprofit corporation, partnership, or political subdivision of this state.

(g) "Internet service provider" means any of the following:

- (i) An entity holding a license under the Michigan telecommunications act, 1991 PA 179, MCL 484.2101 to 484.2603.
- (ii) An entity holding a franchise under the uniform video services local franchise act, 2006 PA 480, MCL 484.3301 to 484.3315.
- (iii) An entity currently providing broadband service in Michigan.

(2) The 1-time funds appropriated in part 1 for statewide broadband shall be awarded by the department to applicants as grants for projects that exclusively extend broadband service into unserved areas in Michigan and for the department's costs to administer the facilitation of the grant and related reports. The 1-time funds shall not be directly or indirectly awarded to a governmental entity or educational institution or an affiliate, to own, purchase, construct, operate, or maintain a communications network, or to provide service to any residential or commercial premises. An award of the 1-time funds by the department may not as a condition of the award impose an open network architecture requirement, rate regulation, or other terms or conditions of service that differ from the applicant's terms and conditions of service in its other service areas. As a condition of an award, an applicant shall not obtain financing from any other government grants, loans, or subsidies that is offered to support deployment of broadband service in the same unserved areas. The department shall not award more than \$5,000,000.00 of the 1-time funds to any 1 project.

(3) Awards of funds must be issued pursuant to a competitive grant process. The competitive grant process shall be technology neutral, and shall result in awards to applicants proposing projects based on objective and efficient procedures. The criteria for determining the award of a grant shall include the following:

- (a) The applicant's experience and financial wherewithal.
- (b) The readiness to build, operate, and maintain the project.
- (c) The long-term viability of the project.
- (d) The scalability of the network.

(e) The applicant's ability to demonstrate the community's ability to leverage broadband for community and economic development, such as rural development, tourism, new investment, or business attraction or retention. Priority shall be given to projects that demonstrate collaboration to achieve community investment and economic development goals of the area impacted, and that are able to demonstrate that they have the managerial, financial, and technical ability to build, operate, and manage a broadband network.

(4) Within 60 days of the effective date of the appropriation and after notice and opportunity to comment, the department shall establish and publish on its website its criteria for competitively scoring applications. After publishing the criteria, there shall be a 60-day period for applicants to submit their applications for funding of their proposed project.

(5) An applicant for a grant under this section shall provide the following information on the application:

(a) The location of the project by census block or a request to delineate an area within a census block as being unserved pursuant to subsection (9).

(b) The kind and amount of broadband infrastructure to be purchased for the project.

(c) Evidence regarding the unserved nature of the community in which the project is to be located.

(d) The number of households that will have access to broadband service as a result of the project, or whose internet access service will be upgraded to broadband service as a result of the project.

(e) The significant community institutions that will benefit from the proposed project.

(f) Evidence of community support for the project with a narrative on the impact that the investment will have on community and economic development efforts in the area.

(g) The total cost of the project and a detailed budget and schedule for the project.

(h) All sources of funding or in-kind contributions for the project in addition to any grant award.

(i) The internet service provider's experience and financial wherewithal.

(6) After scoring and considering all grant applications, the department shall make grant award recommendations. Within 30 days after the award recommendations have been made, the department shall publish on its website the freedom of information act redacted grant applications, the proposed geographic broadband service area by census block or the areas within a census block if approved pursuant to subsection (9), and the proposed broadband service speeds for each application that receives an award recommendation.

(7) Before granting an award to any applicant, the department shall establish a period of at least 60 days from the date the award recommendations are published on the department's website, during which time the department will accept comments or objections concerning each application. The department shall consider all comments or objections received in deciding whether an applicant is eligible for a grant. If an objection submitted by a provider is determined to contain information that results in an investigation under subsection (8) and the objection is found to be inaccurate, the provider shall reimburse the department for the cost of verifying the information.

(8) The department shall not award a grant to an applicant if verifiable information is made available that shows any of the following:

(a) The proposed project includes an area that is already being served by at least 1 provider offering broadband service.

(b) The proposed project includes an area where construction of a network to provide broadband service is underway, and the construction is scheduled to be completed within 1 year of the date of the application.

(c) The proposed project includes an area where the construction of a network to provide broadband service is to be completed no later than 3 years after the date of an application.

(d) The project includes an area that has been selected to receive, provisionally or otherwise, Connect America funds from the Federal Communications Commission. If an award recommendation is rejected because of an objection pertaining to subsection (8)(c), the internet service provider installing the broadband service in lieu of the award recommended applicant shall provide notice to the department when the construction of the broadband service is completed. If no notice is received, or if the completion date is later than the 3 years allowed for in this subsection, the internet service provider shall reimburse the department for the cost of verifying the status of the provider's construction.

(9) As part of an application, the applicant may request that the department specifically delineate an area within a census block as being an unserved area. To tentatively establish an unserved area within a census block, an applicant must attest to all of the following:

(a) The delineated area within the census block is unserved and does not have access to broadband service.

(b) To the best of the applicant's knowledge, no other internet service provider has plans to provide broadband service within the delineated area within 3 years after the date of application.

(c) The delineated area is not within a census block that has been selected to receive, provisionally or otherwise, Connect America funds from the Federal Communications Commission. If a delineated area within a census block is tentatively determined by the department to be an unserved area, the recommended grant award for the application is still subject to a challenge by internet service providers pursuant to subsections (6) and (7).

(10) At the time an award is given to an applicant, the department shall immediately provide notice on its website of each application receiving funds, including the name of the entity, the amount of funds being received, the broadband speed, and the unserved location indicated by census blocks or the delineated area within a census block as established by subsection (9) for which the applicant is receiving the funds.

(11) The department shall require any applicant awarded funds to submit a semiannual report from the time it receives the funds to 5 years after completion of the project. The semiannual reports shall be made available on the department's website with any proprietary information redacted. The reports shall be in a format specified by the department and shall give an accounting by the applicant of the use of the funds received and the progress toward fulfilling the objectives for which the funds were granted including all of the following:

(a) The number and location of residences and businesses that will receive the broadband service.

(b) The speed of broadband service.

(c) The average price of broadband service.

(d) The broadband service adoption rates within each census block or the delineated area within a census block as established by subsection (9).

(12) The unexpended portion of funds appropriated in part 1 for statewide broadband is designated as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for projects under this section until the projects have been completed in accordance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a. The grant work shall be completed by state employees, contracts with service providers, or grantees. The total estimated cost of the project is \$20,000,000.00. The tentative completion date of the project is September 30, 2023.

Sec. 807. The department of technology, management, and budget shall submit monthly invoices after the first fiscal quarter for information technology services provided by the department of technology, management, and budget either directly or through contracted vendors during that month to departments or agencies by no later than 45 days after the final day of the month the services were provided.

Sec. 808. From the funds appropriated in part 1 for Michigan public safety communication system, the department of technology, management, and budget shall allocate \$30,000.00 for the installation of a tower top amplifier at Site 6408 in Muskegon County and Site 6606 in Oceana County.

STATE TRANSPORTATION DEPARTMENT

Sec. 851. The unexpended portion of funds appropriated in part 1 for Mackinac Straits infrastructure projects is considered a work project appropriation and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to enhance public infrastructure and protect freshwater resources in the Mackinac Straits region.

(b) The project will be accomplished by utilizing state employees or contracts with service providers, or both.

(c) The total estimated cost of the project is \$4,490,900.00.

(d) The tentative completion date of the project is September 30, 2023.

Sec. 852. From the funds appropriated in part 1 for rail study, \$250,000.00 is allocated for the state transportation department to conduct a study to connect multiple rail service lines located in a county with a population between 154,000 and 158,000 according to the most recent federal decennial census.

DEPARTMENT OF TREASURY

Sec. 901. (1) The funds appropriated in part 1 for city, village, and township revenue sharing are for grants to cities, villages, and townships such that, subject to fulfilling the requirements under subsection (3), each city, village, or township that received a payment under section 950(2) of 2009 PA 128 greater than \$1,000.00 is eligible to receive a payment equal to 78.51044% of its total payment received under section 950(2) of 2009 PA 128 or for each city, village, or township with a population in excess of 7,500, notwithstanding whether it received a payment greater than \$1,000.00 under section 950(2) of 2009 PA 128, a payment equal to the population of the city, village, or township multiplied by \$2.648299, whichever is greater, rounded to the nearest dollar. Payments under this section to cities, villages, or townships that did not receive a payment under section 950(2) of 2009 PA 128 greater than \$4,500.00 are 1-time payments for which eligibility is based on a presumed level of local services provided. For purposes of this subsection, any city, village, or township that completely merges with another city, village, or township will be treated as a single entity, such that when determining the eligible payment under section 950(2) of 2009 PA 128 for the combined single entity, the amount each of the merging local units was eligible to receive under section 950(2) of 2009 PA 128 is summed. For purposes of this subsection, population is determined in the same manner as under section 3 of the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.903. In addition, any city or village that according to the 2010 federal decennial census is determined to have population in more than 1 county shall be treated as a single entity when determining the eligible payment under section 950(2) of 2009 PA 128.

(2) The funds appropriated in part 1 for the county incentive program are to be used for grants to counties such that each county is eligible to receive an amount equal to 20% of the amount determined pursuant to the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921. The amount calculated under this subsection shall be adjusted as necessary to reflect partial county fiscal years and prorated based on the total amount appropriated for distribution to all eligible counties. Except as otherwise provided under this subsection, payments under this subsection will be distributed to an eligible county subject to the county's fulfilling the requirements under subsection (3).

(3) For purposes of accountability and transparency, each eligible city, village, township, or county shall certify by December 1, the first day of a payment month, or according to subsection (4)(f), that it has produced a citizen's guide of its most recent local finances, including a recognition of its unfunded liabilities; a performance dashboard; a debt service report containing a detailed listing of its debt service requirements, including, at a minimum, the issuance date, issuance amount, type of debt instrument, a listing of all revenues pledged to finance debt service by debt instrument, and a listing of the annual payment amounts until maturity; and a projected budget report, including, at a minimum, the current fiscal year and a projection for the immediately following fiscal year. The projected budget report shall include revenues and expenditures and an explanation of the assumptions used for the projections. Each eligible city, village, township, or county shall include in any mailing of general information to its citizens the internet website address location for its citizen's guide, performance dashboard, debt service report, and projected budget report or the physical location where these documents are available for public viewing in the city, village, township, or county clerk's office. Each city, village, township, and county applying for a payment under this subsection shall submit a copy of the debt service report, and a copy of the projected budget report to the department of treasury. In addition, each eligible city, village, township, or county applying for a payment under this subsection shall either submit a copy of the citizen's guide or certify that the city, village, township, or county will be utilizing treasury's online citizen's guide. The department of treasury shall develop detailed guidance for a city, village, township, or county to follow to meet the requirements of this subsection. The detailed guidance shall be posted on the department of treasury website and distributed to cities, villages, townships, and counties by October 1.

(4) City, village, and township revenue sharing payments and county incentive program payments are subject to the following conditions:

(a) The city, village, township, or county shall certify to the department that it has met the required criteria for subsection (3) and submitted the required citizen's guide, performance dashboard, debt service report, and projected budget report as required by subsection (3). A department of treasury review of the citizen's guide, dashboard, or reports is not required in order for a city, village, township, or county to receive a payment under subsection (1) or (2). The department shall develop a certification process and method for cities, villages, townships, and counties to follow.

(b) Subject to subdivisions (c), (d), and (e), if a city, village, township, or county meets the requirements of subsection (3), the city, village, township, or county shall receive its full potential payment under this section.

(c) Subject to subdivision (f), cities, villages, and townships eligible to receive a payment under subsection (1) shall receive 1/6 of their eligible payment on the last business day of October, December, February, April, June, and August. Payments under subsection (1) shall be issued to cities, villages, and townships until the specified due date for subsection (3). After the specified due date for subsection (3), payments shall be made to a city, village, or township only if that city, village, or township has complied with subdivision (a).

(d) Subject to subdivision (f), payments under subsection (2) shall be issued to counties until the specified due date for subsection (3). After the specified due date for subsection (3), payments shall be made to a county only if that county has complied with subdivision (a).

(e) Subject to subdivision (f), if a city, village, township, or county does not submit the required certification, citizen's guide, performance dashboard, debt service report, and projected budget report by the first day of a payment month, the city, village, township, or county shall forfeit the payment in that payment month.

(f) If an eligible city, village, township, or county fails to meet the requirements of subsection (3) by the December 1, 2018 due date, the eligible city, village, township, or county may meet the requirements of subsection (3) by February 1, 2019 and receive 90% of their 1/6 eligible payment not received in December 2018. Payments under this subdivision shall be issued to a city, village, township, or county by August 30, 2019.

(g) Any city, village, township, or county that falsifies certification documents shall forfeit any future city, village, and township revenue sharing payments or county incentive program payments and shall repay to this state all payments it has received under this section.

(h) City, village, and township revenue sharing payments and county incentive program payments under this section shall be distributed on the last business day of October, December, February, April, June, and August.

(i) Payments distributed under this section may be withheld pursuant to sections 17a and 21 of the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.917a and 141.921.

(5) The unexpended funds appropriated in part 1 for city, village, and township revenue sharing and the county incentive program shall be available for expenditure under the program for financially distressed cities, villages, or townships after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

PART 2A

PROVISIONS CONCERNING APPROPRIATIONS FOR FISCAL YEAR 2017-2018

GENERAL SECTIONS

Sec. 1201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources under part 1A for the fiscal year ending September 30, 2018 is \$49,819,000.00 and total state spending from state sources to be paid to local units of government is \$0.00.

Sec. 1202. The appropriations made and expenditures authorized under this part and the departments, commissions, boards, offices, and programs for which appropriations are made under this part and part 1A, are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 1301. (1) From the funds appropriated in part 1A for long-term care services, the department of health and human services shall administer a nursing facility quality measure initiative program. The initiative shall be financed through an increase of the quality assurance assessment for nursing homes and hospital long-term care units, and the funds shall be distributed according to the following criteria:

(a) The department of health and human services shall award more dollars to nursing facilities that have a higher CMS 5-star quality measure domain rating, then adjusted to account for both positive and negative aspects of a patient satisfaction survey.

(b) A nursing facility with a CMS 5-star quality measure domain star rating of 1 or 2 must file an action plan with the department of health and human services describing how it intends to use funds appropriated under this section to increase quality outcomes before funding shall be released.

(c) The total incentive dollars must reflect the following Medicaid utilization scale:

(i) For nursing facilities with a Medicaid participation rate of above 63%, the facility shall receive 100% of the incentive payment.

(ii) For nursing facilities with a Medicaid participation rate between 50% and 63%, the facility shall receive 75% of the incentive payment.

(iii) For nursing facilities with a Medicaid participation rate of less than 50%, the facility shall receive a payment proportionate to their Medicaid participation rate.

(iv) For nursing facilities not enrolled in Medicaid, the facility shall not receive an incentive payment.

(d) Facilities designated as special focus facilities are not eligible for any payment under this section.

(e) Number of licensed beds.

(2) It is the intent of the legislature that, beginning in the fiscal year ending September 30, 2019, the department of health and human services and nursing facility representatives shall evaluate the program's effectiveness on quality, measured by the change in the CMS 5-star quality measure domain rating since the implementation of this section.

Sec. 1302. From the funds appropriated in part 1A for hospital services and therapy, \$6,778,300.00 in general fund/general purpose revenue shall be provided as lump-sum payments to hospitals that qualified for rural hospital access payments in fiscal year 2013-2014 and that provide obstetrical care in the current fiscal year. Payment amounts shall be based on the volume of obstetrical care cases and newborn care cases for all those cases billed by each qualified hospital in the most recent year for which data is available. Payments shall be made by January 1 of the current fiscal year.

Sec. 1303. (1) From the funds appropriated in part 1A for hospital services and therapy and Healthy Michigan plan, \$16,200,000.00 in general fund/general purpose revenue and any associated federal match shall be awarded as rural access payments to hospitals that meet criteria established by the department of health and human services for services to low-income rural residents. One of the reimbursement components of the distribution formula shall be assistance with labor and delivery services.

(2) No hospital or hospital system shall receive more than 10.0% of the total funding referenced in subsection (1).

(3) To allow hospitals to understand their rural payment amounts under this section, the department of health and human services shall provide hospitals with the methodology for distribution under this section and provide each hospital with its applicable data that are used to determine the payment amounts by August 1 of the current fiscal year. The department of health and human services shall publish the distribution of payments for the current fiscal year and the immediately preceding fiscal year.

DEPARTMENT OF TECHNOLOGY, MANAGEMENT, AND BUDGET

Sec. 1401. (1) Funds appropriated in part 1A for the Michigan public safety communication system shall be expended upon approval of an expenditure plan by the state budget director.

(2) The department of technology, management, and budget shall assess all subscribers of the Michigan public safety communication system reasonable access and maintenance fees and shall deposit the fees in the Michigan public safety communication systems fees funds.

(3) All money received by the department of technology, management, and budget under this section shall be expended for the support and maintenance of the Michigan public safety communication system.

(4) The department of technology, management, and budget shall provide a report to the senate and house of representatives standing committees on appropriations, the senate and house fiscal agencies, and the state budget office on April 15, indicating the amount of revenue collected under this section and expended for support and maintenance of the Michigan public safety communication system for the immediately preceding 6-month period. Any deposits made under this section and unencumbered funds are restricted revenues and shall be carried forward into succeeding fiscal years.

DEPARTMENT OF TREASURY

Sec. 1501. There is appropriated an amount up to \$150,000.00 for the tax captured revenues due under approved transformational brownfield plans created in the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2670.

REPEALERS

Enacting section 1. Section 827 of article VIII of 2017 PA 107 is repealed.

Enacting section 2. Sections 1646, 1802, 1866, and 1913 of article X of 2017 PA 107 are repealed.

Enacting section 3. Section 805 of article I of 2018 PA 207 is repealed.

Enacting section 4. Sections 822f and 827 of article VIII of 2018 PA 207 are repealed.

Enacting section 5. Section 952 of article VIII of 2018 PA 207 is repealed.

Enacting section 6. Section 1064 of article VIII of 2018 PA 207 is repealed.

Enacting section 7. Section 1065 of article VIII of 2018 PA 207 is repealed.

Enacting section 8. Section 1066 of article VIII of 2018 PA 207 is repealed.

Enacting section 9. Section 1070 of article VIII of 2018 PA 207 is repealed.

Enacting section 10. Section 401 of article XI of 2018 PA 207 is repealed.

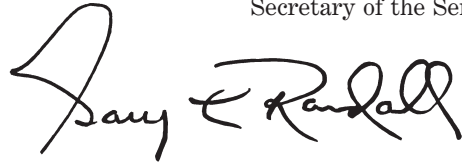

Enacting section 11. Section 901 of article XVI of 2018 PA 207 is repealed.

Enacting section 12. Section 705 of article XX of 2018 PA 207 is repealed.

This act is ordered to take immediate effect.

Secretary of the Senate

Clerk of the House of Representatives

Approved

.....
Governor
