A bill to amend 1979 PA 94, entitled "The state school aid act of 1979," by amending section 17a (MCL 388.1617a), as amended by 2015 PA 114.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Sec. 17a. (1) The department may withhold all or part of any payment that a district or intermediate district is entitled to receive under this article to the extent the withholdings are a component part of a plan, developed and implemented pursuant to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to
141.2821, the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, the local financial stability and choice act, 2012 PA 436, MCL 141.1541 to 141.1575, section 1356 of the revised school code, MCL 380.1356, or other statutory authority, for financing an outstanding obligation upon which the district or intermediate district defaulted or for other financial obligations of the district or intermediate district. Amounts withheld shall must be used to pay, on behalf of the district or intermediate district, unpaid amounts or subsequently due amounts, or both, of principal and interest on the outstanding obligation upon which the district or intermediate district defaulted.

(2) The state treasurer may withhold all or part of any payment that a district or intermediate district is entitled to receive under this article to the extent authorized or required under section 15 of the school bond qualification, approval, and loan act, 2005 PA 92, MCL 388.1935, the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, the local financial stability and choice act, 2012 PA 436, MCL 141.1541 to 141.1575, section 1356 of the revised school code, MCL 380.1356, or other statutory authority.

(3) Under an agreement entered into by a district or intermediate district assigning all or a portion of the payment that it is eligible to receive under this article to the Michigan finance authority or to the trustee of a pooled arrangement or pledging the amount for payment of an obligation it incurred with the Michigan finance authority or with the trustee of a pooled arrangement, the state treasurer shall transmit to the Michigan finance authority or a trustee designated by the Michigan finance authority or to the trustee of a pooled arrangement or other...
designated depository the amount of the payment that is assigned or pledged under the agreement.

(4) If a district or intermediate district for which an emergency manager or a financial management team is in place under the local financial stability and choice act, 2012 PA 436, MCL 141.1541 to 141.1575, or that has an approved deficit elimination plan or an approved enhanced deficit elimination plan under the revised school code, enters into or has entered into an agreement described in subsection (3) pursuant to section 1225(2) of the revised school code, MCL 380.1225, whether the obligation was issued before or after the effective date of this subsection, by February 7, 2012, the portion of state school aid paid or to be paid on behalf of the district or intermediate district directly to the Michigan finance authority, or to a trustee designated by the Michigan finance authority, for the sole purpose of paying the principal of and interest on the obligation is subject to a lien and trust that is a statutory lien and trust, paramount and superior to all other liens and interests of any kind, for the sole purpose of paying the principal of and interest on the obligation. The statutory lien and trust applies to the state school aid received or to be received by the Michigan finance authority, or trustee designated by the Michigan finance authority, on behalf of the district or intermediate district, immediately upon the time when the state school aid is allocated to the district or intermediate district, but is subject to any subsequent reduction of the state school aid allocation by operation of law or executive order. The lien and trust imposed by this section with respect to state school aid has a priority as established in the agreement, except that the agreement shall not impair any existing lien
and trust previously created pursuant to this section, including
any lien and trust applicable to a multi-year repayment agreement
under section 1225 of the revised school code, MCL 380.1225. Except
as otherwise provided in this subsection, the lien and trust
created under this subsection for the benefit of holders of the
obligation issued pursuant to this section is valid and binding
against a party having a claim of any kind in tort, contract, or
otherwise against the district or intermediate district that has
issued the obligation secured by a pledge of state school aid
pursuant to this section, regardless of whether that party has
notice of the pledge. A pledge made pursuant to this section for
the benefit of the holders of obligations or others is perfected
without delivery, recording, or notice. The state school aid paid
or to be paid on behalf of a district or intermediate district to
the Michigan finance authority, or trustee designated by the
Michigan finance authority, shall be held in trust for the
sole benefit of the holders of the obligation issued pursuant to
this section or section 1225 of the revised school code, MCL
380.1225, and is exempt from being levied upon, taken, sequestered,
or applied toward paying the debts or liabilities of the district
or intermediate district other than for payment of the obligation
to which the lien applies. However, nothing in this subsection
alters the ability of the state treasurer to withhold state school
aid from a district or intermediate district as provided by law.

(5) Notwithstanding the payment dates prescribed by this
article for distributions under this article, the state treasurer
may advance all or part of a payment that is dedicated for
distribution or for which the appropriation authorizing the payment
has been made if and to the extent, under the terms of an agreement
entered into by a district or intermediate district and the
Michigan finance authority, the payment that the district or
intermediate district is eligible to receive has been assigned to
or pledged for payment of an obligation it incurred with the
Michigan finance authority.

(6) This section does not require the state to make an
appropriation to any school district or intermediate school
district and shall not be construed as creating an
indebtedness of the state, and any agreement made pursuant to this
section shall contain a statement to that effect.

(7) As used in this section, "trustee of a pooled arrangement"
means the trustee of a trust approved by the state treasurer and,
subject to the conditions and requirements of that approval,
established for the purpose of offering for sale, as part of a
pooled arrangement, certificates representing undivided interests
in notes issued by districts or intermediate districts under
section 1225 of the revised school code, MCL 380.1225.

(8) If a trustee applies to the state treasurer for approval
of a trust for the purposes of this section, the state treasurer
shall approve or disapprove the trust within 10 days after receipt
of the application.

(9) An allocation to a district or intermediate district under
this article is contingent upon the district's or intermediate
district's compliance with this section.

Enacting section 1. This amendatory act takes effect 90 days
after the date it is enacted into law.

Enacting section 2. This amendatory act does not take effect
unless Senate Bill No.____ or House Bill No.4751 (request no.
01329'19) of the 100th Legislature is enacted into law.
