To the President of the Senate:

Sir – I have this day approved and signed

Enrolled Senate Bill No. 151 (Public Act No. 66) being

AN ACT to make, supplement, and adjust appropriations for various state departments and agencies and capital outlay purposes for the fiscal year ending September 20, 2020; to provide for the expenditure of the appropriations; and to repeal acts and parts of acts.

Respectfully,

[Signature]
Governor

FILED WITH SECRETARY OF STATE
ON 3/30/2020 AT 9:30 am.
March 30, 2019

Michigan State Senate
State Capitol
Lansing, MI 48909-7536

Senators,

Today I have signed Enrolled Senate Bill 151, which provides supplemental appropriations for the fiscal year ending September 30, 2020. In the time since this supplemental budget was agreed to, Michigan has embarked on an all-out fight against the COVID-19 pandemic, requiring an enormous commitment of resources. I have therefore reached agreement with legislative leaders to veto nearly $80 million worth of items contained in this budget so that funding can be reprioritized for stopping the spread of COVID-19. The specific item vetoes are detailed in the attached copy of the bill that has been filed with the Secretary of State.

Thank you for your hard work on behalf of the people of Michigan.

Sincerely,

Gretchen Whitmer
Governor

cc: Michigan House of Representatives
The Honorable Jocelyn Benson
ENROLLED SENATE BILL No. 151

AN ACT to make, supplement, and adjust appropriations for various state departments and agencies and capital outlay purposes for the fiscal year ending September 30, 2020; to provide for the expenditure of the appropriations; and to repeal acts and parts of acts.

The People of the State of Michigan enact:

PART 1

LINE-ITEM APPROPRIATIONS

Sec. 101. There is appropriated for various state departments and agencies to supplement appropriations for the fiscal year ending September 30, 2020, from the following funds:

Sec. 202. The appropriations made and expenditures authorized under this act and the departments, commissions, boards, offices, and programs for which appropriations are made under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. If the state administrative board, acting under section 3 of 1921 PA 2, MCL 17.3, transfers funds from an amount appropriated under this act, the legislature may, by a concurrent resolution adopted by a majority of the members elected to and serving in each house, inter-transfer funds within this act for the particular department, board, commission, officer, or institution.

Sec. 204. Federal revenues up to $50,000,000.00 authorized by and available from the federal government for the respiratory virus Coronavirus-19 (COVID-19) public health emergency are appropriated to departments for state and local preparedness and response activities. Departments receiving federal funds for this purpose shall report to the senate and house appropriations committees, the relevant senate and house appropriations subcommittees, the senate and house fiscal agencies, and the state budget office no later than June 30, 2020 and September 30, 2020 on the federal funds received, the types of activities supported with the funds, and the amount of funds expended to date.

**DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT**

---Sec. 301. (1) The department shall establish and administer a county fairs, shows, and expositions grant program. The program shall have the following objectives:

---(a) Assist in the promotion of building improvements or other capital improvements at county fairgrounds of this state.

---(b) Provide financial support, promotion, prizes, and premiums of equine, livestock, and other agricultural commodity exhibitions in this state.

---(c) The department shall award grants on a competitive basis to county fair or other organizations from the funds appropriated in part I for county fairs, shows, and expositions grants. Grantees will be required to provide a 50% cash match with grant awards and identify measurable project outcomes. A county fair organization that received a county fair capital improvement grant in the prior fiscal year shall not receive a grant from the appropriation in part I.
Sec. 302. From the funds appropriated in part 1 for county fairs, shows, and expositions, $50,000.00 shall be used to promote festivals and events in this state.

ATTORNEY GENERAL

Sec. 351. (1) In addition to the funds appropriated in part 1, there is appropriated up to $500,000.00 from litigation expense reimbursements awarded to the state.

(2) The funds may be expended for the payment of court judgments, settlements, arbitration awards or other administrative and litigation decisions, attorney fees, and litigation costs, assessed against the office of the governor, the department of the attorney general, the governor, or the attorney general when acting in an official capacity as the named party in litigation against the state. The funds may also be expended for the payment of state costs incurred under section 16 of chapter X of the code of criminal procedure, 1927 PA 176, MCL 770.16.

(3) Unexpended funds at the end of the fiscal year may be carried forward for expenditure in the following year, up to a maximum authorization of $250,000.00.

Sec. 352. (1) From the funds appropriated in part 1 for clergy abuse investigation, the department shall not--

(a) Victim advocacy services for victims of abuse by members of the clergy identified in the church special investigation.

(b) Managing documents related to the church special investigation.

(c) Costs associated with internal investigators to complete the special investigation of the clergy of the Catholic church.

(2) The unexpended funds appropriated in part 1 for clergy abuse investigation are designated as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 451, MCL 18.1451a.

(a) The purpose of the project is for victim advocacy services for victims of abuse by members of the clergy identified in the church special investigation, managing documents related to the church special investigation, and costs associated with internal investigators completing the special investigation of the clergy of the Catholic church.

(b) The project will be accomplished by utilizing state employees or contracts with service providers, or both.

(c) The total estimated cost of the project is $1,000,000.00.

(d) The tentative completion date is September 30, 2021.

CAPITAL OUTLAY

Sec. 401. For the state building authority financed construction authorizations in part 1, the legislature hereby determines that the leases of the facilities from the authority are for a public purpose as authorized by 1984 PA 183, MCL 650.411 to 650.425. The legislature approves and authorizes the leases and conveyances of the--
property to the state building authority, the state building authority acquiring the facilities and leasing them to
the state and the educational institutions, or state, as applicable, and the governor and secretary of state
executing the leases for and on behalf of the state pursuant to the requirements of 1984 PA 160, MCL 890.411 to
890.425. Per the requirements of the leases, it is the intent of the legislature to annually appropriate sufficient
amounts to pay the rent as obligated pursuant to the leases.

Sec. 402. The scope of the North Central Michigan College AD/CL Classroom Renovation and Expanded
Learning Space project, initially authorized for construction in 2018 PA 207, and re-authorized in 2018 PA 618,
is amended to remove a small addition on the north side of the building and to remove major renovations and
space reconfigurations to a portion of the west end of the main level of the building. The total project cost remains
$7,400,000.00 (total state building authority share $3,399,800.00; community college share $4,000,000.00; state
general fund/general purpose share $200.00).

Sec. 403. The scope of Schoolcraft College’s Applied Science Renovation and Expansion project, initially
authorized for construction in 2018 PA 618, is amended to remove the fitness leadership and massage therapy
academic programs and incorporate the surgical technician, radiology technician, ultrasound technician, and
sterile processing technician programs. The cost to construct the project is hereby increased to a new total project
cost of $24,286,600.00 (total state building authority share $9,999,800.00; community college share $14,286,600.00;
state general fund/general purpose share $200.00).

Sec. 404. The cost to construct the Washtenaw Community College Advanced Transportation Center project,
initially authorized for construction in 2018 PA 207, is hereby increased by $2,229,300.00 to a new total project
cost of $7,500,000.00 (total state building authority share $1,599,800.00; community college share $5,900,000.00;
state general fund/general purpose share $200.00).

Sec. 405. The cost to construct the Lake Superior State University Center for Freshwater Research and
Education project, initially authorized for construction in 2018 PA 207, is hereby increased by $1,000,000.00 to a new
total project cost of $14,200,000.00 (total state building authority share $8,849,600.00; university share
$5,350,000.00; state general fund/general purpose share $200.00).

Sec. 406. The cost and the scope to construct the Michigan State Capitol Commission - State Capitol
Restoration/Infrastructure Upgrade project, initially authorized for construction in 2017 PA 107, and
re-authorized in 2018 PA 618, is hereby increased by $6,000,000.00 to a new total project cost of $115,000,000.00
(state building authority share $115,000,000.00; state general fund/general purpose share $100.00). The scope
change includes the addition of parking infrastructure to the Capitol grounds.

DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY

Sec. 461. The unexpended funds appropriated in part 1 for environmental cleanup support are designated as
a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal
year and shall be available for expenditures for projects under this section until the projects have been completed.
The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:
(a) The purpose of the project is to provide contaminated site cleanup.
(b) The project will be accomplished by utilizing contracts with service providers.
(c) The total estimated cost of the project is $2,000,000.00.
(d) The tentative completion date is September 30, 2022.

Sec. 462. The unexpended funds appropriated in part 1 for superfund cleanup are designated as a work project
appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be
available for expenditures for projects under this section until the projects have been completed. The following is
in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:
(a) The purpose of the project is to provide contaminated site cleanup.
(b) The project will be accomplished by utilizing contracts with service providers.
(c) The total estimated cost of the project is $3,000,000.00.
(d) The tentative completion date is September 30, 2023.

Sec. 463. From the funds appropriated in part 1 for census grants, the department shall award
$8,999,900.00 for a project based on a previously submitted grant application in a county with a population
between 20,000 and 30,000 according to the most recent federal decennial census.
Sec. 454. From the funds appropriated in part 1 for EPA containment study, the department shall award $200,000.00 to a nonprofit air quality research and planning organization to conduct studies on specified high temporal resolution volatile organic compound measurements and high resolution meteorological model simulation with the weather research forecasting model.

Sec. 455. (1) From the funds appropriated in part 1 for Michigan geological survey, the department shall award $500,000.00 for the Michigan geological survey.

(5) The unexpended funds appropriated in part 1 for Michigan geological survey are designated as a work project appropriation, and any unexpended or unencumbered funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 461a of the management and budget act, 1984 PA 431, MCL 18.1451a.

(c) The purpose of the project is to provide funding for the facilitation of basic and applied geological research of Michigan's geological resources.

(d) The project will be accomplished through funding to a 4-year state university for the operation and maintenance of the survey.

(e) The total estimated cost of the work project is $500,000.00.

(3) The tentative completion date is September 30, 2022.

Sec. 456. (1) From the funds appropriated in part 1 for multistate aquifer study, the department, in coordination with the United States Geological Survey, shall award an amount not to exceed $500,000.00 to support a study, including the acquisition of necessary equipment, to determine an estimated storage capacity and maximum yield of the Michindoh Aquifer.

(2) The unexpended funds appropriated in part 1 multistate aquifer study are designated as a work project appropriation, and any unexpended or unencumbered funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 461a of the management and budget act, 1984 PA 431, MCL 18.1451a.

(c) The purpose of the project is to provide funding to support a study on estimated storage capacity and maximum yield of the Michindoh Aquifer.

(d) The project will be accomplished by utilizing contracts with service providers.

(e) The total estimated cost of the work project is $500,000.00.

(3) The tentative completion date is September 30, 2022.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 601. From the funds appropriated in part 1 for child advocacy centers, $1,000,000.00 shall be allocated to support general operations of child advocacy centers. The purpose of this additional funding is to increase the amount of services provided to children and their families who are victims of abuse over the amount provided in the previous fiscal year. None of the additional funding directed in this section shall be used for purposes other than those described under section 4 of the child's advocacy center act, 2006 PA 544, MCL 722.1041.

Sec. 602. (1) From the funds appropriated in part 1 for school success partnership program, the department shall allocate $250,000.00 to support the Northeast Michigan Community Service Agency programming. The department shall require the following performance objectives be measured and reported for the duration of the state funding for the school success partnership program:

(a) Increasing school attendance and decreasing chronic absenteeism.

(b) Increasing academic performance based on grades with emphasis on math and reading.

(c) Identifying barriers to attendance and success and connecting families with resources to reduce these barriers.

(d) Increasing parent involvement with the child's school and community.

(2) By July 15 of the current fiscal year, the Northeast Michigan Community Service Agency shall provide reports to the department on the number of children and families served and the services that were provided to families to meet the performance objectives identified in this section. The department shall distribute the reports within 1 week after receipt to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office.

Sec. 603. (1) From the funds appropriated in part 1 for adoption support services, the department shall allocate $250,000.00 to the Adoptive Family Support Network to operate and expand its adoptive parent mentor program to provide a listening ear, knowledgeable guidance, and community connections to adoptive parents and children who were adopted in this state or another state.
(2) The Adoptive Family Support Network shall submit to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office by August 1 of the current fiscal year a report on the program described in subsection (1), including, but not limited to, the number of cases served and the number of cases in which the program prevented an out-of-home placement.

Sec. 504. From the funds appropriated in part 1 for adoption support services, the department shall allocate $700,000.00 of state general fund/general purpose and any eligible federal matching funds to increase rates paid to adoption service providers by up to 6.6% for adoption placement, adoption finalization, and adoption permanency in all rate categories.

Sec. 505. (1) From the funds appropriated in part 1 for injury control intervention project, $1,600,000.00 shall be allocated for implementation of evidence-based, real-time, quality assurance decision support software in the treatment of traumatic brain injury and for protocols that are to be available to all hospitals providing these trauma services. The funds shall be used to purchase statewide licenses for traumatic brain injury treatment software and related software services and to offset hospital software integration costs. The department shall seek federal matching funds that may be available for implementation of this section.

(2) By August 1 of the current fiscal year, the department shall report to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office on both of the following:

(a) Expenditures broken down by purpose of expenditure.

(b) Expenditures broken down by hospital.

Sec. 506. (1) From the funds appropriated in part 1 for medical services administration, the department shall allocate $200,000.00 of general fund/general purpose revenue and any associated federal match toward the existing cloud-based analytics platform for Medicaid claims to focus on behavioral health services. The vendor shall identify areas of best practice, cost reduction, opportunities for quality improvement, and comparative cost analysis among providers, hospitals, and managed care organizations. Through the existing platform, the vendor shall facilitate specific analysis of the unique behavioral health cohort of patients that compares specific episodic metrics combined with substance use disorder data for the same time period. The data analysis shall include the ability to adjust for variations in patient risk and acuity differences when comparing performance across regions and hospitals. Specific analytics for this cohort shall provide data analysis on, but not be limited to, the following:

(a) Readmission rates.

(b) Mortality rates and complication rates.

(c) Total episode costs, including pre- and post-discharge costs, across high-volume episodes of care.

(2) Within 90 days after the end of the previous fiscal quarter, the department shall make available state medical assistance program claims data from the previous quarter, without charge, to the vendor in subsection (1).

Sec. 507. From the funds appropriated in part 1, the department shall provide a 15% rate increase beginning April 1 of the current fiscal year for private duty nursing services for Medicaid beneficiaries under the age of 21. These additional funds must be used to attract and retain highly qualified registered nurses and licensed practical nurses to provide private duty nursing services so that medically frail children can be cared for in the most-homeslike setting possible.

Sec. 508. From the funds appropriated in part 1 for hospital services and therapy, $13,994,800.00 in general fund/general purpose revenue and any associated federal match shall be allocated as rural access payments to noncritical access hospitals that meet criteria established by the department for services to low-income rural residents. One of the reimbursement components of the distribution formula shall be assistance with labor and delivery services. The department shall ensure that the rural access payments described in this section shall be distributed in a manner that ensures both of the following:

(a) No hospital shall receive more than 10% of the total rural access funding referenced in this section.

(b) To allow hospitals to understand their rural payment amounts under this section, the department shall provide hospitals with the methodology for distribution under this section and provide each hospital with its applicable data that are used to determine the payment amounts by August 1 of the current fiscal year. The department shall publish the distribution of payments for the current fiscal year and the immediately preceding fiscal year.

Sec. 509. (1) From the funds appropriated in part 1 for comprehensive child welfare information system, the department shall implement an agile software development plan that is funded with a time and materials contract.
(3) The state shall be the owner of this software or it shall be committed to the public domain.

(5) The department shall choose a product owner that will implement a user-centered design that includes user stories into the development of the comprehensive child welfare information system. The product owner shall be an employee of the department who has child welfare specific work experience.

(6) At the commencement of the project, the department shall report to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget office on the individual who has been chosen as the product owner.

(7) The department shall provide in-person updates every other month and provide written reports in the off-months. Updates and reports shall be provided to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget office on the status of the work completed to date. The reporting shall include demonstrations of the completed work, also known as a sprint period. During these demonstrations, the department shall provide a quality assessment surveillance plan as shown in appendix B of "De-risking custom technology projects" from the United States General Services Administration. At each demonstration, the department shall validate which user stories have been included into the software development and the remaining user stories that will be included into the product.

(8) As used in this section—

(a) "Agile software development" means the use of development methodologies using iterative development with work completed by cross functional teams of software development.

(b) "Product owner" means a department employee who iteratively prioritizes and defines the work for the product team, works with users, stakeholders, technologists, and the software vendor to envision the direction for the product, and ensures that value is being delivered to end users as quickly as possible.

(c) "User centered design" means software development that places the highest priority on the needs of the specific people who are expected to use the software.

(d) "User stories" means a task that the agile software development team will focus on over a given 2-week development period and includes clearly labeled progress towards meeting the needs of the end users.

Sec. 510. (1) From the funds appropriated in part 1 for federally-qualified health center transition, the department shall allocate up to $2,000,000.00 to a federally qualified health center in a county with a population between 175,000 and 175,000 in the most recent federal decennial census. These funds are intended to ensure continued access to needed health services for patients previously served through Muskegon Family Care.

(2) The funds appropriated in this section shall only be provided when federal United States Department of Health and Human Services Health Resources and Services Administration funding allocated to support transition costs is fully expended.

Sec. 511. (1) From the funds appropriated in part 1 for human trafficking survivors' assistance, the department shall allocate $500,000.00 of Michigan merit award trust fund to support a long term women's shelter in southeastern Michigan for women aged 18 and older who are survivors of human trafficking that offers housing and comprehensive services to address the physical, psychological, and spiritual aspects of recovery through a voluntary 2 year program. Services provided by the shelter include counseling and therapy for both trauma and addiction, medical and dental evaluations and services, job training, GED or high school completion programs or college, skilled trade training, computer skills training, job placement counseling, legal assistance, health and wellness consulting, addiction recovery meetings, and opportunities for spiritual growth.

(2) From the funds appropriated in part 1 for human trafficking survivors' assistance, the department shall allocate $500,000.00 of Michigan merit award trust fund to support a long term women's shelter in a city with a population between 188,000 and 189,000 according to the most recent federal decennial census. The shelter shall offer housing and comprehensive services to women who are survivors of human trafficking.

Sec. 512. From the funds appropriated in part 1 for runaway and homeless youth services program, the department shall allocate $800,000.00 to support runaway and homeless youth services programs. The purpose of the additional funding is to support current programs for contracted providers that provide emergency shelters and services to homeless and runaway youth.

Sec. 513. From the funds appropriated in part 1 for senior community health grant, $100,000.00 shall be allocated for a grant for senior community health improvement programming and infrastructure needs projects to a community located in a county with a population greater than 1,800,000 and in a city with a population of between 46,000 and 60,000 according to the most recent federal decennial census.

Sec. 514. From the funds appropriated in part 1 for substance abuse community and school outreach, the department shall allocate $100,000.00 to a coalition located in a county with a population of at least 1,500,000.
According to the most recent federal decennial census, with the aim to lead and support communities to dispel the myths and stigma about drug addiction through public education, sharing stories of recovery, partnering with local and state leaders, creating positive social changes, and providing recovery support services for those in need.

Sec. 516. (1) From the funds appropriated in part 1 for unified clinics resiliency center for families and children, the department shall allocate $1,375,000.00 to a 4-year state university located in a county with a population between 250,000 and 251,000, according to the most recent federal decennial census to be used to develop and operate a resiliency center for families and children to address the multifaceted needs of those experiencing trauma, toxic stress, chronic disability, neurodevelopmental disorders, or addictions.

(2) Outcome and performance measures for the resiliency center funded under this section shall include, but not be limited to, the following:
   (a) The number of children and families who received services from the center.
   (b) The types of services officers by the center and the number of clients that received each screening type.
   (c) The number of trauma assessments completed through the center's programs and the average cost of a trauma assessment for each type of client, including children, adults, and families.

   (h) Ability to provide WorkKeys preparation.
(a) Ability to provide industry credentials...

(b) Opportunity to provide credit for on-the-job training...

(c) Access to a robust support framework, including technology, social support, and academic support accredited by a recognizing accrediting body...

(d) The department shall announce qualified program providers no later than May 1. Qualified program providers must start providing programming by June 1.

(e) The department shall reimburse qualified program providers for each month of satisfactory monthly progress as described in section 23a of the state schools act of 1979, 1979 PA 94, MCL 383.1623a, at a rate of $669.00 per month. A payment shall be made to a qualified program provider for the completion of the following:

   (a) $669.00 for the completion of an employability skills certification program equal to at least 1 unit of high school credit obtained through classroom or online instruction.

   (b) $339.00 for the attainment of an industry-recognized credential requiring up to 50 hours of training.

   (c) $669.00 for the attainment of an industry-recognized credential requiring 50 to 100 hours of training.

   (d) $750.00 for the attainment of an industry-recognized credential requiring more than 100 hours of training.

   (e) $1,060.00 for the attainment of a high school diploma.

   (f) $2,560.00 for placement in a job in an in-demand career pathway.

   (g) The department shall develop policies and guidelines to implement this section.

Sec. 563. As a condition of receiving funds appropriated in part 1 for GOING pro, the department shall provide a report on GOING pro expenditures, by program or grant type, for the prior fiscal year. In addition, the report shall include projected expenditures, by program or grant type, for the current fiscal year. The report shall be submitted online and distributed to the chairpersons of the senate and house of representatives standing committee on appropriations, the chairpersons of the relevant senate and house of representatives appropriations subcommittees, the senate and house fiscal agencies, and the state budget director by September 30.

Sec. 564. The department shall publish data and reports on May 16 and September 30 on the agency website concerning the status of career technology and GOING pro funded in part 1. The report shall include the following:

(a) The number of awardees participating in the program and the names of those awardees organized by major industry group.

(b) The amount of funding received by each awardee under the program.

(c) The amount of funding leveraged from each awardee.

(d) Training models established by each awardee.

(e) The number of individuals enrolled in classroom training, on the job training, or new USDOL registered apprentices.

(f) The number of individuals who completed the program and were hired by awardee.

(g) The number of applications received and the number of grants awarded for each region.

(h) The department shall expand workforce training and reemployment services to better connect workers to in-demand jobs and identify specific outcomes with performance metrics for this initiative, including, but not limited to, new apprenticeships, individuals to be hired and trained, current employees trained, training completed, and employment retention rate at 6 months and hourly wage at 6 months.

Sec. 565. As a condition of receiving funds in part 1 for GOING pro, the department shall administer the program as follows:

(a) The department shall work cooperatively with grantees to maximize the amount of funds from part 1 that are available for direct training.

(b) The department, workforce development partners, including regional Michigan Works! agencies, and employers shall collaborate and work cooperatively to prioritize and streamline the expenditure of the funds appropriated in part 1. The department shall ensure that GOING pro provides a collaborative statewide network of workforce and employer skill development partners that addresses the employees' talent needs throughout the state.

(c) The department shall ensure that grants are utilized for individual skill enhancement and to address in-demand talent needs in Michigan.

(d) The department shall develop program goals and detailed guidance for prospective participants to follow to qualify under the program. The program goals and detailed guidance shall be posted on the department website and distributed to workforce development partners, including local Michigan Works! agencies, by April 1. Periodic assessments of employer and employee needs shall be evaluated on a regional basis, and the department shall identify solutions and goals to be implemented to satisfy those needs. The department shall notify the senate and house of representatives standing committees on appropriations, the relevant senate and house of representatives appropriations subcommittees, the senate and house fiscal agencies, and the state budget director on any program...
- goal, solution, or guidance changes not fewer than 14 days prior to the finalization and publication of the changes.

- Revenue received by the department for Going pro may be expended for the purpose of these programs.

- Up to $5,600,000.00 of the funds may be expended to match federal funds. The intent of these funds will involve improving and increasing the skill level of workers in skilled trades in the automotive industry and the manufacturing process within the changing manufacturing environment.

Sec. 556. From the appropriation in part 1 for Going pro, funds may be deposited into the Going pro talent fund created under section 5 of the Going pro talent fund act, 2018 PA 260, MCL 408.155. All funds in the Going pro talent fund are appropriated and available for expenditure to support the Going pro talent program pursuant to sections 7 and 9 of the Going pro talent fund act, 2018 PA 260, MCL 408.157 to 408.160.

Sec. 557. In addition to the appropriations in part 1, Travel Michigan may receive and expend private revenue related to the use of "Pure Michigan" and all other copyrighted logos and images. This revenue may come from the direct licensing of the name and image or from the royalty payments from various merchandise sales. Revenue collected is appropriated for the marketing of the state as a travel destination. The funds are available for expenditure when they are received by the department of treasury. If the fund receives revenues from the use of "Pure Michigan", the fund shall provide a report that lists the revenues by source received from the use of "Pure Michigan" and all other copyrighted logos and images. The report shall provide a detailed list of expenditures of revenues received under this section. The report shall be provided to the chairpersons of the senate and house of representatives standing committees on appropriations, the relevant senate and house of representatives appropriations subcommittees, the house and senate fiscal agencies, and the state budget director by March 1.

Sec. 558. (1) From the funds appropriated in part 1 for the electronic recording commission, the commission shall expend up to $299,666.00 annually for the fiscal year and in the subsequent fiscal years for grants to counties to facilitate or upgrade real property recording capabilities. These grants shall be distributed to counties following application and approval by the commission. The grants shall not exceed $10,000.00 per request and must be used to invest in or upgrade software necessary for the electronic recording of real property documents.

- (2) The commission shall determine an appropriate percentage of total funds to be reserved for newly participating counties and counties which will expend the funds to upgrade the designated software. The commission may require a 10% match in funds from each county to which funds are awarded.

- (3) Unexpended grant funds appropriated in part 1 for the electronic recording commission are designated as a work project appropriation, and any unnumbered or unlimited funds shall not lapse at the end of the fiscal year and shall be available for expenditures for grants under this section until the grant program is completed.

All grant funds are considered to be direct appropriations and subject to receipt of all information under subsections (3) and (5) shall be disbursed by the Michigan strategic fund, as determined by the grant agreement. An initial disbursement of 50% shall be provided to the grantees upon execution of the grant agreement.

(2) The Michigan strategic fund shall execute a grant agreement with each recipient in order to receive funding. The grant agreement shall include, but is not limited to, the following:

(a) All necessary identifying information for the recipient, including any necessary tax identification information.
(a) A description of the project for which the grant funds will be expended, including tentative timeline and estimated budget. No expenditures outside of the project purpose, as stated in the executed grant agreement, shall be reimbursed from appropriations in part 1.

(b) A requirement that after the initial 50% disbursement, additional funds shall only be disbursed after verification that the initial payment has been fully expended, in accordance with the project purpose. The remaining funds shall be disbursed in a manner specified in the grant agreement. The grantee must provide sufficient documentation, as determined by the Michigan strategic fund, to verify that all expenditures were made in accordance with the project purpose.

(c) A requirement for quarterly reports from the recipient to the Michigan strategic fund that provide the status of the project and an accounting of all funds expended by the recipient.

(d) A clear basic provision that allows the state to recover or otherwise collect any funds that are declined, unspent, or otherwise misused.

(e) The grantee shall respond to all reasonable information requests from the Michigan strategic fund related to grant expenditures and retain grant records for a period of not less than 3 years, and the grant may be subject to audit or site visits, or both, as determined by the Michigan strategic fund. The grant agreement required under subsection (2) shall include signed assurance by the chief executive officer or other executive officer of the grant recipient that this requirement will be met.

(f) All funds awarded shall be expended by the recipient, and projects completed, by September 30, 2023. If at that time, as evidenced by the quarterly reports, any unexpended funds remain, those funds shall be returned to the grantee to the state treasury. The state budget director may, on a case-by-case basis, extend this deadline, upon request by a grant recipient.

(g) If a grantee does not provide information sufficient to execute a grant agreement by September 1, 2023, funds associated with that grant shall be returned to the state treasury.

(h) The Michigan strategic fund shall provide quarterly updates on the accounting and status of each project to the senate and house appropriations committees, the senate and house fiscal agencies, and the state budget office.

(4) Interest and earnings from the investment of funds deposited in the Coronavirus response fund shall be deposited in the general fund.

(5) Funds in the Coronavirus response fund at the close of a fiscal year shall remain in the Coronavirus response fund and shall not lapse to the general fund.
DEPARTMENT OF TREASURY

Sec. 801. (1) From the funds appropriated in part 1 for financial data analytic tool reimbursement, the department shall provide reimbursements to cities, villages, townships, counties, and regional councils of government (participating organizations) for the licensing of data analytic tools as described under this section. Reimbursements are for participating organizations that choose to use a data analytic tool with 1 of the 2 vendors approved by the DOTMB under section 936 of article VIII of 2017 PA 107. Funds allocated under this section are intended to provide participating organizations with financial forecasting and transparency reporting tools to improve the financial health of participating organizations and to improve communication with the public.

(2) The approved data analytic tool vendors under section 936 of article VIII of 2017 PA 107 must continue to do all of the following:

(a) Analyze financial data.
(b) Analyze pension and other postemployment benefit trends.
(c) Provide early warning indicators of financial stress.
(d) Provide peer community comparisons of financial data.
(e) Provide financial projections for at least 3 subsequent fiscal years.

(3) Funds from any financial data analytic tool reimbursement work projects shall be used prior to using funds appropriated in the current year. Funds allocated under this section shall be paid to participating organizations that execute an agreement on behalf of their geographic local units as a reimbursement for already having a licensing agreement or for entering into a licensing agreement not later than December 1 of each year, with a vendor approved under section 936 of article VIII of 2017 PA 107, to implement a data analytic agreement. Reimbursement under this section shall be made as follows:

(a) All participating organizations seeking reimbursement shall submit requests not later than December 31 of each year to the department indicating the cost paid for the financial data analytic tool by virtue of providing an invoice, purchase order, or proof of payment or by either of the approved vendors of record submitting on behalf of the participating organizations.

(b) The department shall determine the sum of the funding requested by all participating organizations under subdivision (a) and, if there are sufficient funds, shall reimburse 1/2 of the costs submitted by each participating organization or approved vendor under subdivision (a). If there are insufficient funds to pay 1/2 of the costs submitted under subdivision (a), the reimbursement shall be made on an equal percentage basis using 2018 census population estimates from the United States Census Bureau.

(c) The reimbursement to a participating organization shall not be greater than the amount paid for a data analytic application.

(d) A participating organization shall not be reimbursed for the purchase of more than 1 software application.

(e) Any unexpended funds shall continue as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 461a of the management and budget act, 1984 PA 431, MCL 18.1451a.

(i) The purpose of the project is for financial data analytic tool reimbursement.

(ii) The project will be accomplished by utilizing state employees, contracts with a vendor, or contracts with local units, or any combination of these.

(iii) The total estimated cost of the project is $602,900.00.

(iv) The tentative completion date is September 30, 2023.

(4) Payments under this section shall be made on a schedule determined by the department.

(5) Within 30 days after the department has made all payments under subsection (3), the department shall report the following to the senate and house of representatives standing committees on appropriations subcommittees on general government, the state budget office, and the fiscal agencies:

(a) The total amount of payments made.

(b) If the payments were prorated, the amount of proration.

(c) A list of each payment made to cities, villages, townships, counties, and regional councils of government.
Sec. 303. From the funds appropriated in part 1 for property tax assessor training, the department shall expand in-person training throughout this state in at least each regional prosperity zone. The department shall notify all property tax assessors in each regional zone when training is available for that zone.

REPEALERS
Sec. 901. (1) Section 461 of 2019 PA 164 is repealed.
(2) Section 936 of 2019 PA 56 is repealed.
