(g) An individual who presents both of the following:

(i) A homeless verification letter that states that the individual meets the definition of category 1 homeless as that term is defined by the United States Department of Housing and Urban Development. A letter provided as evidence under this subparagraph must be submitted on the official letterhead of a public service agency. (22) A valid official state personal identification card presented by the individual to whom the card is issued is considered the same as a valid state of Michigan driver license when identification is requested except as otherwise specifically provided by law.

The fee for a duplicate official state personal identification card is \$10.00. A renewal fee must not be charged for a change of address, a correction required to correct a department error, or to add or remove a heart insignia described in subsection (1)(d).

(25) Except with regard to an individual who is less than 21 years of age, for each duplicate official state personal identification card, and for each correction of an official state personal identification card, an individual shall apply for renewal of the official state personal identification card and pay the renewal fee prescribed in this act if the official state personal identification card was due to expire within the next 12 months.
