1 ~~emergency reserve fund.~~ For the fiscal year ending September 30,
 2 2022, there is appropriated for the public schools of this state
 3 and certain other state purposes relating to education the sum of
 4 ~~\$14,797,232,100.00~~ **\$14,821,340,700.00** from the state school aid
 5 fund, the sum of ~~\$85,400,000.00~~ **\$97,619,400.00** from the general
 6 fund, an amount not to exceed \$72,000,000.00 from the community
 7 district education trust fund created under section 12 of the
 8 Michigan trust fund act, 2000 PA 489, MCL 12.262, and an amount not
 9 to exceed \$100.00 from the water emergency reserve fund. In
 10 addition, all available federal funds are only appropriated as
 11 allocated in this article for the fiscal ~~years~~ **year** ending
 12 ~~September 30, 2021 and~~ September 30, 2022.

13 (2) The appropriations under this section are allocated as
 14 provided in this article. Money appropriated under this section
 15 from the general fund must be expended to fund the purposes of this
 16 article before the expenditure of money appropriated under this
 17 section from the state school aid fund.

18 (3) Any general fund allocations under this article that are
 19 not expended by the end of the fiscal year are transferred to the
 20 school aid stabilization fund created under section 11a.

21 **Sec. 11w. (1) From the state school aid fund money**
 22 **appropriated in section 11, there is allocated for 2021-2022 an**
 23 **amount not to exceed \$9,828,000.00 for payments to 1 district that**
 24 **was forced to close a building operated by the district for an**
 25 **extended period of time, but not less than 20 consecutive school**
 26 **days, as a result of the district's response to an act of pupil**
 27 **violence. Funds allocated under this section may be used for**
 28 **personnel and additional student supports, including psychologists,**
 29 **family liaisons, mental health staff, school security, additional**

1 learning time, legal fees, and the physical restoration of a school
2 building.

3 (2) For 2021-2022 only, for the district described in
4 subsection (1), it is the intent of the legislature that results
5 from summative assessments administered by the district during the
6 2021-2022 school year are not used for retention decisions,
7 educator evaluations, and other high-stakes decisions. The
8 department is encouraged to work with the district to determine
9 alternative methods to comply with applicable state laws.

10 (3) The funds allocated under this section for 2021-2022 are a
11 work project appropriation, and any unexpended funds for 2021-2022
12 are carried forward into 2022-2023. The purpose of the work project
13 is to continue to provide support for the district described in
14 subsection (1). The estimated completion date of the work project
15 is September 30, 2023.

16 (4) Notwithstanding section 17b, the department shall make
17 payments under this section on a schedule determined by the
18 department.

19 Sec. 97c. (1) Except as otherwise provided in this subsection,
20 from the state school aid fund money appropriated in section 11,
21 there is allocated for 2021-2022 an amount not to exceed
22 \$11,250,000.00, and from the general fund money appropriated in
23 section 11, there is allocated for 2021-2022 an amount not to
24 exceed \$3,750,000.00, for grants to districts, intermediate
25 districts, and nonpublic schools as provided under this section.
26 The department shall ensure that a grant to a nonpublic school
27 under this section is funded from the general fund money allocated
28 under this section.

29 (2) To receive a grant under this section, a district,

1 intermediate district, or nonpublic school shall apply for the
2 grant in a form and manner prescribed by the department.

3 (3) The department shall make grant payments from funding
4 under this section in an amount not to exceed \$2,000.00 for each
5 school building operated by a district, intermediate district, or
6 nonpublic school that receives funding under this section.

7 (4) A district, intermediate district, or nonpublic school
8 that receives funding under this section shall use the funding only
9 to contract with a vendor for the completion of comprehensive
10 safety and security assessments in schools operated by the
11 district, intermediate district, or nonpublic school. In
12 contracting with a vendor as described in this subsection, a
13 district, intermediate district, or nonpublic school is encouraged
14 to prioritize contracting with a vendor that meets all of the
15 following:

16 (a) Has a well-developed and documented process for assessing
17 safety and security in schools. The process described in this
18 subdivision should include both of the following:

19 (i) An assessment of physical security and policies and
20 procedures related to school safety and security.

21 (ii) A method for assessment of the process described in this
22 subdivision.

23 (b) Provides actionable recommendations that are documented
24 and within best practice for standard K to 12 environments.

25 (c) Provides a description of the process described in
26 subdivision (a), including costs associated with the process.

28 subdivision (a) and the ability to provide a list of references of
29 public or nonpublic schools it has assessed.

1 (e) Is able to provide examples of findings reports that
2 include a comprehensive review of all elements of safety and
3 security that include reviews of board policies, emergency
4 operations plans, environment, exterior and interior, policy and
5 procedures, and training and equipment.

6 (f) Is able to provide ongoing assistance, including, but not
7 limited to, board presentations, community presentations, and
8 consulting, to any client to assist them in the implementation of
9 any recommendations made in a findings report and the fees
10 associated with the assistance described in this subdivision.

11 (g) Is able to provide basic qualifications for any assessors
12 that will complete assessments described in subdivision (a) on
13 behalf of the vendor, including, but not limited to, all of the
14 following qualifications:

15 (i) Education.

16 (ii) Work history.

17 (iii) Experience in assessing, as described in subdivision (a),
18 K to 12 schools.

19 (h) If contracting with subcontractors, ensures that the
20 subcontractors have experience in safety and security or law
21 enforcement for the provision of services.

22 (i) If contracting with subcontractors, ensures that the
23 subcontractors have familiarity with the department's school safety
24 guidelines.

25 (j) Has experience in assessing safety and security in
26 programs and facilities used outside of the school day, including,
27 but not limited to, athletic facilities and programs.

28 (k) Has experience in assessing safety and security in
29 facilities and programs with specialized needs, including, but not

1 limited to, early-childhood-education facilities, special-needs
2 facilities, community-education programs, and adult-education
3 programs.

4 (l) Operates in the best interest of the district without any
5 external vendor influence.

6 (m) Does not do any of the following:

7 (i) Represent companies that sell safety and security products.

8 (ii) Accept referral fees for recommending products described
9 in subparagraph (i).

10 (iii) Accept or solicit referral fees, or operate on behalf of,
11 any equipment or technology vendors.

12 (5) Notwithstanding section 17b, the department shall make
13 payments under this section on a schedule determined by the
14 department.

15 Sec. 97d. (1) Except as otherwise provided in this subsection,
16 from the state school aid fund money appropriated in section 11,
17 \$10,000,000.00 is allocated for 2021-2022, and from the general
18 fund money appropriated in section 11, \$2,500,000.00 is allocated
19 for 2021-2022, to districts, intermediate districts, and nonpublic
20 schools for the implementation of critical incidence mapping that
21 meets the criteria under subsection (3) of each school operated by
22 the district, intermediate district, or nonpublic school. The
23 department shall ensure that funding to a nonpublic school under
24 this section is funded from the general fund money allocated under
25 this section.

26 (2) To receive funding under this section, a district,
27 intermediate district, or nonpublic school must apply for the
28 funding in a form and manner prescribed by the department.

29 (3) A district, intermediate district, or nonpublic school

1 that receives funding under this section shall use the funding only
2 to implement critical incidence mapping as described in subsection
3 (1). All of the following apply to the critical incidence mapping
4 described in this subsection:

5 (a) It must be compatible with platforms and applications used
6 by local, state, and federal public safety officials.

7 (b) It must not require the purchase of additional software
8 for use.

9 (c) It must be provided in a printable format.

10 (d) It must be verified for accuracy through a walk-through of
11 a school building and school grounds.

12 (e) It must be oriented true north.

13 (f) It must include accurate floor plans overlaid on or
14 current aerial imagery of a school building or school plan.

15 (g) It must include site-specific labeling that matches the
16 structure of the school building, including room labels, hallway
17 names, external door or stairwell numbers, locations of hazards,
18 key utility locations, key boxes, automated external
19 defibrillators, and trauma kits.

20 (h) It must include site-specific labeling that matches the
21 school grounds, including parking areas, athletic fields,
22 surrounding roads, and neighboring properties.

23 (i) It must include a gridded overlay with x/y coordinates.

24 (j) It must include information that best assists first
25 responders in an emergency, including, but not limited to, the
26 following information:

27 (i) Building numbers.

28 (ii) Floors.

29 (iii) Suite designations.

1 (iv) Room numbers.

2 (v) Other available relevant location information for each
3 school.

4 (4) A district, intermediate district, or nonpublic school may
5 contract with a vendor for the implementation of the critical
6 incidence mapping described in subsection (1).

7 (5) Notwithstanding section 17b, the department shall make
8 payments under this section on a schedule determined by the
9 department.

10 Enacting section 1. In accordance with section 30 of article
11 IX of the state constitution of 1963, total state spending on
12 school aid under article I of the state school aid act of 1979,
13 1979 PA 94, MCL 388.1601 to 388.1772, as amended by 2021 PA 48 and
14 this amendatory act, from state sources for fiscal year 2021-2022
