*The People of the State of Michigan enact:*

Sec. 3. (1) Subject to subsection (4), the authority shall conduct a competitive examination among eligible applicants for state competitive scholarships at times and places as determined by the authority. The authority may designate a competitive examination to be administered among eligible applicants for state competitive scholarships. The authority shall annually establish the examination scores necessary to qualify for the competitive scholarship according to the funding available to meet the award levels established pursuant to section 6.

(2) The authority may also use scholastic achievement in determining award winners and shall issue appropriate certificates of recognition to individuals awarded scholarships. The authority shall grant annual renewal of scholarships.

(4) Notwithstanding any provision of this act or rule to the contrary, scholastic achievement, including, but not limited to, grade point average, class rank, or other measure of academic success as determined by the authority, may be used as an alternative to a competitive examination to determine eligibility for scholarships awarded under this act for the 2021-2022 academic year.

Sec. 4. (1) An applicant is eligible for the award of a first-year scholarship if the authority finds that the applicant meets all of the following:

(c) Except for an applicant for a graduate scholarship, based on the state competitive scholarship examination, shows promise of satisfactorily completing a course of study at an approved postsecondary institution of the applicant's choice in this state. For an applicant for a graduate scholarship, the authority shall determine the examination standards for eligibility.
