Sec. 150. (1) Any person who violates any provision of this act for which a specific penalty is not provided under any other provision of this act or of other laws applicable to the violation must be afforded an opportunity for a hearing before the director under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. If the director finds that a violation has occurred, the director shall reduce the findings and decision to writing and issue and cause to be served on the person charged with the violation a copy of the findings and an order requiring the person to cease and desist from the violation. In addition, the director may order any of the following:

(a) Payment of a civil fine of not more than $1,000.00 for each violation. However, if the person knew or reasonably should have known that he or she was in violation of this act, the director may order the payment of a civil fine of not more than $5,000.00 for each violation. With respect to filings made under chapters 21, 22, 23, 24, and 26, "violation" means a filing not in compliance with those chapters and does not include an action with respect to an individual policy based on a noncomplying filing. An order of the director under this subdivision must not require the payment of civil fines exceeding 500.3145, 500.3148, 500.3151, 500.3157, 500.3163, 500.3172, 500.3173a, 500.3174, 500.3175, and 500.3177), sections 150, 224, 1244, 2038, 2040, 2069, 2105, 2106, 2108, 2111, 2118, 2120, 2151, 3101, 3101a, 3104, 3107, 3112, 3113, 3114, 3115, 3142, 3145, 3148, 3157, 3163, 3172, 3173a, 3174, 3175, and 3177 as amended by 2019 PA 21 and sections 3009, 3109a, 3111, 3135, and 3151 as amended by 2019 PA 22; and to repeal acts and parts of acts.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:
$50,000.00—$25,000.00. A fine collected under this subdivision must be turned over to the state treasurer and credited to the general fund.

(b) The suspension, limitation, or revocation of the person's license or certificate of authority.

(2) After notice and opportunity for hearing, the director may by order reopen and alter, modify, or set aside, in whole or in part, an order issued under this section if, in the director's opinion, conditions of fact or law have changed to require that action or the public interest requires that action.

(3) If a person knowingly violates a cease and desist order under this section and has been given notice and an opportunity for a hearing held under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the director may order a civil fine of $20,000.00—$10,000.00 for each violation, or a suspension, limitation, or revocation of the person's license, or both. A fine collected under this subsection must be turned over to the state treasurer and credited to the general fund.

(4) The director may apply to the court of claims for an order of the court enjoining a violation of this act.

Sec. 224. (1) All actual and necessary expenses incurred in connection with the examination or other investigation of an insurer or other person regulated under the director's authority must be certified by the director, together with a statement of the work performed including the number of days spent by the director and each of the director's deputies, assistants, employees, and others acting under the director's authority. If correct, the expenses must be paid to the persons by whom they were incurred, on the warrant of the state treasurer payable from appropriations made
by the legislature for this purpose.

(2) Except as otherwise provided in subsection (4), the director shall prepare and present to the insurer or other person examined or investigated a statement of the expenses and reasonable cost incurred for each person engaged on the examination or investigation, including amounts necessary to cover the pay and allowances granted to the persons by the Michigan civil service commission, and the administration and supervisory expense including an amount necessary to cover fringe benefits in conjunction with the examination or investigation. Except as otherwise provided in subsection (4), the insurer or other person, on receiving the statement, shall pay to the director the stated amount. The director shall deposit the money with the state treasurer as provided in section 225.

(3) The director may employ attorneys, actuaries, accountants, investment advisers, and other expert personnel not otherwise employees of this state reasonably necessary to assist in the conduct of the examination or investigation or proceeding with respect to an insurer or other person regulated under the director's authority at the insurer's or other person's expense except as otherwise provided in subsection (4). Except as otherwise provided in subsection (4), on certification by the director of the reasonable expenses incurred under this section, the insurer or other person examined or investigated shall pay those expenses directly to the person or firm rendering assistance to the director. Expenses paid directly to such person or firm and the regulatory fees imposed by this section are examination expenses under section 22e of the former single business tax act, 1975 PA 228, or under section 239(1) of the Michigan business tax act, 2007...
PA 36, MCL 208.1239.

(4) An insurer is subject to a regulatory fee instead of the costs and expenses provided for in subsections (2) and (3). By June 30 of each year or within 30 days after the enactment into law of any appropriation for the department's operation, the director shall impose on all insurers authorized to do business in this state a regulatory fee calculated as follows:

(a) As used in this subsection:

(i) "A" means total annuity considerations written in this state in the preceding year.

(ii) "B" means base assessment rate. The base assessment rate must not exceed .00038 and must be a fraction, the numerator of which is the total regulatory fee and the denominator of which is the total amount of direct underwritten premiums written in this state by all insurers for the preceding calendar year, as reported to the director on the insurer's annual statements filed with the director.

(iii) "I" means all direct underwritten premiums other than life insurance premiums and annuity considerations written in this state in the preceding year by all insurers.

(iv) "L" means all direct underwritten life insurance premiums written in this state in the preceding year by all life insurers.

(v) Total regulatory fee must not exceed 80% of the gross appropriations for the department's operation for a fiscal year and must be the difference between the gross appropriations for the department's operation for that current fiscal year and any restricted revenues, other than the regulatory fee itself, as identified in the gross appropriation for the department's operation.
(w) Direct premiums written in this state do not include any amounts that represent claims payments that are made on behalf of, or administrative fees that are paid in connection with, any administrative service contract, cost-plus arrangement, or any other noninsured or self-insured business.

(b) Two actual assessment rates must be calculated so as to distribute 75% of the burden of the regulatory fee shortfall created by the exclusion of annuity considerations from the assessment base to life insurance and 25% to all other insurance. The 2 actual assessment rates must be determined as follows:

(i) \[
\frac{L \times B + .75 \times B \times A}{L} = \text{assessment rate for life insurance.}
\]

(ii) \[
\frac{I \times B + .25 \times B \times A}{I} = \text{assessment rate for insurance other than life insurance.}
\]

(c) Each insurer's regulatory fee must be a minimum fee of $250.00 and must be determined by multiplying the actual assessment rate by the assessment base of that insurer as determined by the director from the insurer's annual statement for the immediately preceding calendar year filed with the director.

(5) Not less than 55% of the revenue derived from the regulatory fee under subsection (4) may be used for the regulation of financial conduct of persons regulated under the director's authority and for the regulation of persons regulated under the director's authority engaged in the business of health care and health insurance in this state.

(6) The amount, if any, by which amounts credited to the director under section 225 exceed actual expenditures under appropriations for the department's operation for a fiscal year must be credited toward the appropriation for the department in the
next fiscal year.

(7) All money paid into the state treasury by an insurer under this section must be credited as provided under section 225.

(8) An insurer shall not treat a regulatory fee under this section as a levy or excise on premium but as a regulatory burden that is apportioned in relation to insurance activity in this state. A regulatory fee under this section reflects the insurance regulatory burden on this state as a result of this insurance activity. A foreign or alien insurer authorized to do business in this state may consider the liability required under this section as a burden imposed by this state in the calculation of the insurer's liability required under section 476a.

(9) An insurer may file with the director a protest to the regulatory fee imposed not later than 15 days after receipt of the regulatory fee. The director shall review the grounds for the protest and hold a conference with the insurer at the insurer's request. The director shall transmit his or her findings to the insurer with a restatement of the regulatory fee based on the findings. Statements of regulatory fees to which protests have not been made and restatements of regulatory fees are due and must be paid not later than 30 days after their receipt. Regulatory fees that are not paid when due bear interest on the unpaid fee, which must be calculated at 6-month intervals from the date the fee was due at a rate of interest equal to 1% plus the average interest rate paid at auctions of 5-year United States treasury notes during the 6 months preceding July 1 and January 1, as certified by the state treasurer, and compounded annually, until the assessment is paid in full. An insurer who fails to pay its regulatory fee within the prescribed time limits may have its certificate of authority or
license suspended, limited, or revoked as the director considers warranted until the regulatory fee is paid. If the director determines that a regulatory fee or a part of a regulatory fee paid by an insurer is in excess of the amount legally due and payable, the amount of the excess must be refunded or, at the insurer's option, be applied as a credit against the regulatory fee for the next fiscal year. An overpayment of $100.00 or less must be applied as a credit against the insurer's regulatory fee for the next fiscal year unless the insurer had a $100.00 or less overpayment in the immediately preceding fiscal year. If the insurer had a $100.00 or less overpayment in the immediately preceding fiscal year, at the insurer's option, the current fiscal year overpayment of $100.00 or less must be refunded.

(10) Any amounts stated and presented to or certified, assessed, or imposed on an insurer as provided in subsections (2), (3), and (4) that are unpaid as of the date that the insurer is subjected to a delinquency proceeding under chapter 81 are regarded as an expense of administering the delinquency proceeding and are payable as such from the general assets of the insurer.

(11) In addition to the regulatory fee provided in subsection (4), each insurer that locates records or personnel knowledgeable about those records outside this state under section 476a(3) or section 5256 shall reimburse the department for expenses and reasonable costs incurred by the department as a result of travel and other costs related to examinations or investigations of those records or personnel. The reimbursement must not include any costs that the department would have incurred if the examination had taken place in this state.

(12) As used in this section:
(a) "Annuity considerations" means receipts on the sale of annuities as used in section 22a of the former single business tax act, 1975 PA 228, or in section 235 of the Michigan business tax act, 2007 PA 36, MCL 208.1235.

(b) "Insurer" means an insurer authorized to do business in this state and includes nonprofit health care corporations, dental care corporations, and health maintenance organizations.

Sec. 1244. (1) If the director finds that a person has violated this chapter, after an opportunity for a hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the director shall reduce the findings and decision to writing and shall issue and cause to be served on the person charged with the violation a copy of the findings and an order requiring the person to cease and desist from the violation. In addition, the director may order any of the following:

(a) Payment of a civil fine of not more than $1,000.00 for each violation. However, if the person knew or reasonably should have known that he or she was in violation of this chapter, the director may order the payment of a civil fine of not more than $5,000.00 for each violation. An order of the director under this subsection must not require the payment of civil fines exceeding $25,000.00. A fine collected under this subdivision must be turned over to the state treasurer and credited to the general fund of this state.

(b) A refund of any overcharges.

(c) That restitution be made to the insured or other claimant to cover incurred losses, damages, or other harm attributable to the acts of the person found to be in violation of this chapter.

(d) The suspension or revocation of the person's license.
(2) The director may by order, after notice and opportunity for hearing, reopen and alter, modify, or set aside, in whole or in part, an order issued under this section, if in the opinion of the director conditions of fact or of law have changed to require that action, or if the public interest requires that action.

(3) If a person knowingly violates a cease and desist order under this chapter and has been given notice and an opportunity for a hearing held under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the director may order a civil fine of not more than $20,000.00 $10,000.00 for each violation, a suspension or revocation of the person's license, or both. An order issued by the director under this subsection must not require the payment of civil fines exceeding $100,000.00 $50,000.00. A fine collected under this subsection must be turned over to the state treasurer and credited to the general fund of this state.

(4) The director may apply to the court of claims for an order of the court enjoining a violation of this chapter.

Sec. 2038. (1) If, after opportunity for a hearing held under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the director determines that the person complained of has engaged in methods of competition or unfair or deceptive acts or practices prohibited by sections 2001 to 2050, the director shall reduce his or her findings and decision to writing and shall issue and cause to be served on the person charged with the violation a copy of the findings and an order requiring the person to cease and desist from engaging in that method of competition, act, or practice. The director may also order any of the following:

(a) Payment of a monetary penalty of not more than $1,000.00 $500.00 for each violation but not to exceed an aggregate penalty
of $10,000.00, $5,000.00, unless the person knew or reasonably
should have known he was in violation of this chapter, in which
case the penalty must not be more than $5,000.00–$2,500.00 for each
violation and must not exceed an aggregate penalty of $50,000.00
$25,000.00 for all violations committed in a 6-month period.

(b) Suspension or revocation of the person's license or
certificate of authority if the person knowingly and persistently
violated a provision of this chapter.

(c) Refund of any overcharges.

(2) The filing of a petition for review does not stay
enforcement of action under this section, but the director may
grant, or the appropriate court may order, a stay on appropriate
terms.

(3) If a petition for review has not been filed within the
time allowed under section 244, until the time for filing the
petition expires or, if a petition for review has been filed within
that time, until the transcript of the record in the proceeding has
been filed in the circuit court, as provided in this chapter, the
director, on notice and in a manner as he or she considers proper,
may modify or set aside in whole or in part an order issued under
this section.

(4) After the expiration of the time allowed for filing a
petition for review, if a petition has not been filed within that
time, the director may at any time, by order, after notice and
opportunity for hearing, reopen and alter, modify, or set aside, in
whole or in part, an order issued under this section, if in the
director's opinion conditions of fact or of law have so changed as
to require that action or if required by the public interest.

Sec. 2040. (1) A person who violates a cease and desist order
of the director under this chapter while the order is in effect, after notice and an opportunity for a hearing and on order of the director, may be subject to any of the following:

(a) A monetary penalty of not more than $20,000.00

(b) Suspension or revocation of the person's license or certificate of authority.

(2) The filing of a petition for review does not stay enforcement under this section, but the director may grant, or the appropriate court may order, a stay on appropriate terms.

(3) A cease and desist order issued by the director under section 2043 must not contain fines or other penalties applicable to acts or omissions that occur before the date of the cease and desist order.

Sec. 2069. An insurer, agent, solicitor, or other person that violates section 2064 or 2066 is guilty of a misdemeanor. On conviction of violating section 2066, the offender must be sentenced to pay a fine of not more than $100.00 for each violation, or in the discretion of the court, to imprisonment in the county jail of the county in which the offense is committed. On conviction of violating section 2064, the offender must be sentenced to pay a fine of not more than $2,000.00 for each violation, or in the discretion of the court, to imprisonment in the county jail of the county in which the offense is committed.

Sec. 2105. (1) A policy of automobile insurance or home insurance must not be offered, bound, made, issued, delivered or renewed in this state unless the policy conforms to this chapter.

(2) Except as otherwise expressly provided in subsection (4) and this chapter, this chapter does not apply to insurance
written on a group, franchise, blanket policy, or similar basis
that offers home insurance or automobile insurance to all members
of the group, franchise plan, or blanket coverage who are eligible
persons.

(3) For purposes of this section, a group plan includes a
franchise plan, and, except as provided in subsection (4), is
exempt from this chapter if the group meets all of the following
criteria:

(a) Individuals in the group share a common enterprise or an
economic or social affinity or relationship.

(b) The group was not created for the purposes of obtaining
insurance.

(c) Membership in the group is not conditioned on the purchase
of insurance.

(d) The individual members of the group can be specifically
identified.

(e) Any other criteria as prescribed by a rule promulgated by
the director under the administrative procedures act of 1969, 1969
PA 306, MCL 24.201 to 24.328.

(4) An insurer, including, but not limited to, an insurer that
writes insurance as described in subsection (2), shall not
establish or maintain rates or rating classifications for
automobile insurance based on a factor that is not allowed, or that
is prohibited, under section 2111. This subsection does not
prohibit a group discount offered to a group based on the losses or
expenses, or both, of the group but does prohibit group membership
based on home ownership or postal zone.

(5) The amendments to this chapter made by the amendatory act
that added this subsection apply to an insurer exempted from any of
the requirements of this chapter under section 2129.

(6) The amendments to this chapter made by the amendatory act that added this subsection apply beginning July 1, 2020.

Sec. 2106. (1) Except as specifically provided in this chapter, chapter 24 and chapter 26 do not apply to automobile insurance and home insurance.

(2) Subject to section 2108(6), an insurer shall file rates with the department for approval in compliance with this act.

(2) (3) An insurer may use rates for automobile insurance or home insurance as soon as those rates are filed.

(3) (4) To the extent that other provisions of this act are inconsistent with this chapter, this chapter governs with respect to automobile insurance and home insurance.

Sec. 2108. (1) On the effective date of a manual of classification, manual of rules and rates, rating plan, or modification of a manual of classification, manual of rules and rates, or rating plan that an insurer proposes to use for automobile insurance or home insurance, the insurer shall file the manual or plan with the director. For automobile insurance, an insurer shall file a manual or plan described in this subsection in accordance with subsection (6). Each filing under this subsection must state the character and extent of the coverage contemplated. An insurer that is subject to this chapter and that maintains rates in any part of this state shall at all times maintain rates in effect for all eligible persons meeting the underwriting criteria of the insurer.

(2) An insurer may satisfy its obligation to make filings under subsection (1) by becoming a member of, or a subscriber to, a rating organization licensed under chapter 24 or chapter 26 that
makes the filings, and by filing with the director a copy of its authorization of the rating organization to make the filings on its behalf. This chapter does not require an insurer to become a member of or a subscriber to a rating organization. An insurer may file and use deviations from filings made on its behalf. The deviations are subject to this chapter.

(3) A filing under this section must be accompanied by a certification by or on behalf of the insurer that, to the best of the insurer's information and belief, the filing conforms to the requirements of this chapter.

(4) A filing under this section must include information that supports the filing with respect to the requirements of section 2109. The information may include 1 or more of the following:

(a) The experience or judgment of the insurer or rating organization making the filing.

(b) The interpretation of the insurer or rating organization of any statistical data it relies on.

(c) The experience of other insurers or rating organizations.

(d) Any other relevant information.

(5) Except as otherwise provided in this subsection, the department shall make a filing under this section and any accompanying information open to public inspection on filing. An insurer or a rating organization filing on the insurer's behalf may designate information included in the filing or any accompanying information as a trade secret. The insurer or the rating organization filing on behalf of the insurer shall demonstrate to the director that the designated information is a trade secret. If the director determines that the information is a trade secret, the information is not subject to public inspection and is exempt from
disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. As used in this subsection, "trade secret" means that term as defined in section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902. However, trade secret does not include filings and information accompanying filings under this section that were subject to public inspection before January 11, 2016.

(6) For automobile insurance, an insurer shall file a manual or plan in accordance with chapter 24, except that the manual or plan must remain on file for a waiting period of 90 days before it becomes effective, which period may not be extended by the director, and the waiting period applies regardless of whether supporting information is required by the director under section 2406(1). Upon written application by the insurer, the director may authorize a filing that he or she has reviewed to become effective before expiration of the waiting period.

(6) (7) An insurer shall not make, issue, or renew a contract or policy except in accordance with filings that are in effect for the insurer under this chapter.

(8) A filing under this chapter must specify that the insurer will not refuse to insure, refuse to continue to insure, or limit the amount of coverage available because of the location of the risk, and that the insurer recognizes those practices to constitute redlining. An insurer shall not engage in redlining as described in this subsection.

Sec. 2111. (1) Notwithstanding any provision of this act or this chapter to the contrary, classifications and territorial base rates used by an insurer in this state with respect to automobile insurance or home insurance must conform to the applicable requirements of this section.
(2) Classifications established under this section for automobile insurance must be based only on 1 or more of the following factors, which must be applied by an insurer on a uniform basis throughout this state:

(a) With respect to all automobile insurance coverages:

(i) Either the age of the driver; the length of driving experience; or the number of years licensed to operate a motor vehicle.

(ii) Driver primacy, based on the proportionate use of each vehicle insured under the policy by individual drivers insured or to be insured under the policy.

(iii) Average miles driven weekly, annually, or both.

(iv) Type of use, such as business, farm, or pleasure use.

(v) Vehicle characteristics, features, and options, such as engine displacement, ability of the vehicle and its equipment to protect passengers from injury, and other similar items, including vehicle make and model.

(vi) Daily or weekly commuting mileage.

(vii) Number of cars insured by the insurer or number of licensed operators in the household. However, number of licensed operators must not be used as an indirect measure of marital status.

(viii) Amount of insurance.

(b) In addition to the factors prescribed in subdivision (a), with respect to personal protection insurance coverage:

(i) Earned income.

(ii) Number of dependents of income earners insured under the policy.

(iii) Coordination of benefits.
(iv) Use of a safety belt.

(c) In addition to the factors prescribed in subdivision (a), with respect to collision and comprehensive coverages:

(i) The anticipated cost of vehicle repairs or replacement, which may be measured by age, price, cost new, or value of the insured automobile, and other factors directly relating to that anticipated cost.

(ii) Vehicle make and model.

(iii) Vehicle design characteristics related to vehicle damageability.

(iv) Vehicle characteristics relating to automobile theft prevention devices.

(d) With respect to all automobile insurance coverage other than comprehensive, successful completion by the individual driver or drivers insured under the policy of an accident prevention education course that meets the following criteria:

(i) The course must include a minimum of 8 hours of classroom instruction.

(ii) The course must include, but not be limited to, a review of all of the following:

(A) The effects of aging on driving behavior.

(B) The shapes, colors, and types of road signs.

(C) The effects of alcohol and medication on driving.

(D) The laws relating to the proper use of a motor vehicle.

(E) Accident prevention measures.

(F) The benefits of safety belts and child restraints.

(G) Major driving hazards.

(H) Interaction with other highway users, such as motorcyclists, bicyclists, and pedestrians.
(3) Each insurer shall establish a secondary or merit rating plan for automobile insurance, other than comprehensive coverage. A secondary or merit rating plan required under this subsection must provide for premium surcharges for all coverages for automobile insurance, other than comprehensive coverage, based on any of the following, when that information becomes available to the insurer:

(a) Substantially at-fault accidents.

(b) Convictions for, determinations of responsibility for civil infractions for, or findings of responsibility in probate court for civil infractions for violations under chapter VI of the Michigan vehicle code, 1949 PA 300, MCL 257.601 to 257.750.

However, an insured must not be merit rated for a civil infraction under chapter VI of the Michigan vehicle code, 1949 PA 300, MCL 257.601 to 257.750, for a period of time longer than that which the secretary of state's office carries points for that infraction on the insured's motor vehicle record.

(4) An insurer shall not establish or maintain rates or rating classifications for automobile insurance based on any of the following:

(a) Sex.

(b) Marital sex or marital status.

(c) Home ownership.

(d) Educational level attained.

(e) Occupation.

(f) The postal zone in which the insured resides.

(g) Credit score as provided in section 2162.

(5) Notwithstanding other provisions of this chapter, automobile insurance risks may be grouped by territory.

(6) This section does not limit insurers or rating
organizations from establishing and maintaining statistical reporting territories. This section does not prohibit an insurer from establishing or maintaining, for automobile insurance, a premium discount plan for senior citizens in this state who are 65 years of age or older, if the plan is uniformly applied by the insurer throughout this state. If an insurer has not established and maintained a premium discount plan for senior citizens, the insurer shall offer reduced premium rates to senior citizens in this state who are 65 years of age or older and who drive less than 3,000 miles per year, regardless of statistical data.

(7) Classifications established under this section for home insurance other than inland marine insurance provided by policy floaters or endorsements must be based only on 1 or more of the following factors:

(a) Amount and types of coverage.

(b) Security and safety devices, including locks, smoke detectors, and similar, related devices.

(c) Repairable structural defects reasonably related to risk.

(d) Fire protection class.

(e) Construction of structure, based on structure size, building material components, and number of units.

(f) Loss experience of the insured, based on prior claims attributable to factors under the control of the insured that have been paid by an insurer. An insured's failure, after written notice from the insurer, to correct a physical condition that presents a risk of repeated loss is a factor under the control of the insured for purposes of this subdivision.

(g) Use of smoking materials within the structure.

(h) Distance of the structure from a fire hydrant.
(i) Availability of law enforcement or crime prevention services.

(8) Notwithstanding other provisions of this chapter, home insurance risks may be grouped by territory.

(9) An insurer may use factors in addition to those permitted by this section for insurance if the plan is consistent with the purposes of this act and reflects reasonably anticipated reductions or increases in losses or expenses.

Sec. 2118. (1) As a condition of maintaining its certificate of authority, an insurer shall not refuse to insure, refuse to continue to insure, or limit coverage available to an eligible person for automobile insurance, except in accordance with underwriting rules established as provided in this section and sections 2119 and 2120.

(2) The underwriting rules that an insurer may establish for automobile insurance must be based only on the following:

(a) Criteria identical to the standards set forth in section 2103(1).

(b) The insurance eligibility point accumulation in excess of the amounts established by section 2103(1) of a member of the household of the eligible person insured or to be insured, if the member of the household usually accounts for 10% or more of the use of a vehicle insured or to be insured. For purposes of this subdivision, a person who is the principal driver for 1 automobile insurance policy is rebuttably presumed not to usually account for more than 10% of the use of other vehicles of the household not insured under the policy of that person.

(c) With respect to a vehicle insured or to be insured, substantial modifications from the vehicle's original manufactured
state for purposes of increasing the speed or acceleration capabilities of the vehicle.

(d) Except as otherwise provided in section 2116a, or 2116b, failure by the person to provide proof that insurance required by section 3101 was maintained in force with respect to any vehicle that was both owned by the person and driven or moved by the person or by a member of the household of the person during the 6-month period immediately preceding application. The proof must take the form of a certification by the person on a form provided by the insurer that the vehicle was not driven or moved without maintaining the insurance required by section 3101 during the 6-month period immediately preceding application.

(e) Type of vehicle insured or to be insured, based on 1 of the following, without regard to the age of the vehicle:

(i) The vehicle is of limited production or of custom manufacture.

(ii) The insurer does not have a rate lawfully in effect for the type of vehicle.

(iii) The vehicle represents exposure to extraordinary expense for repair or replacement under comprehensive or collision coverage.

(f) Use of a vehicle insured or to be insured for transportation of passengers for hire, for rental purposes, or for commercial purposes. Rules under this subdivision must not be based on the use of a vehicle for volunteer or charitable purposes or for which reimbursement for normal operating expenses is received.

(g) Payment of a minimum deposit at the time of application or renewal, not to exceed the smallest deposit required under an extended payment or premium finance plan customarily used by the
insurer.

(h) For purposes of requiring comprehensive deductibles of not more than $150.00, or of refusing to insure if the person refuses to accept a required deductible, the claim experience of the person with respect to comprehensive coverage.

However, an insurer shall not use an underwriting rule based on this subdivision unless the insurer was authorized to transact automobile insurance in this state before January 1, 1981, and has consistently used such an underwriting rule as part of the insurer's automobile insurance underwriting since being authorized to transact automobile insurance in this state.

(j) One or more incidents involving a threat, harassment, or physical assault by the insured or applicant for insurance on an insurer employee, agent, or agent employee while acting within the scope of his or her employment, if a report of the incident was filed with an appropriate law enforcement agency.

Sec. 2120. (1) Affiliated insurers may establish underwriting rules so that each affiliate will provide automobile insurance only to certain eligible persons. This subsection applies only if an eligible person can obtain automobile insurance from 1 of the affiliates. The underwriting rules must be in compliance with this section and sections 2118 and 2119.

(2) An insurer may establish separate rating plans so that certain eligible persons are provided automobile insurance under 1 rating plan and other eligible persons are provided automobile insurance under another rating plan. This subsection applies only
if all eligible persons can obtain automobile insurance under a
rating plan of the insurer. Underwriting rules consistent with this
section and sections 2118 and 2119 must be established to define
the rating plan applicable to each eligible person.

(3) Underwriting rules under this section must be based only
on the following:

(a) With respect to a vehicle insured or to be insured,
substantial modifications from the vehicle's original manufactured
state for purposes of increasing the speed or acceleration
capabilities of the vehicle.

(b) Except as otherwise provided in section 2116a, 2116b,
failure of the person to provide proof that insurance required by
section 3101 was maintained in force with respect to any vehicle
owned and operated by the person or by a member of the household of
the person during the 6-month period immediately preceding
application or renewal of the policy. The proof must take the form
of a certification by the person that the required insurance was
maintained in force for the 6-month period with respect to the
vehicle.

(c) For purposes of insuring persons who have refused a
deductible lawfully required under section 2118(2)(h), the claim
experience of the person with respect to comprehensive coverage.

(d) Refusal of the person to pay a minimum deposit required
under section 2118(2)(g).

(e) A person's insurance eligibility point accumulation under
section 2103(1)(h), or the total insurance eligibility point
accumulation of all persons who account for 10% or more of the use
of 1 or more vehicles insured or to be insured under the policy.

(f) The type of vehicle insured or to be insured as provided
in section 2118(2)(e).

(d) "Credit report" means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, or credit capacity that is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in the rating of personal insurance.

(3) A liability policy described in subsection (1) may exclude coverage for liability as provided in section 3017.

(4) If an insurer deletes coverages from an automobile insurance policy under section 3101, the insurer shall send documentary evidence of the deletion to the insured.

(5) After July 1, 2020, an applicant for or named insured in the automobile liability or motor vehicle liability policy described in subsection (1) may choose to purchase lower limits than required under subsection (1)(a) and (b), but not lower than $50,000.00 under subsection (1)(a) and $100,000.00 under subsection (1)(b). To exercise an option under this subsection, the person shall complete a form issued by the director and provided as required by section 3107e, that meets the requirements of subsection (7).

(d) Allow the person to sign the form.
(8) After July 1, 2020, if an insurance policy is issued or renewed as described in subsection (1) and the person named in the policy has not made an effective choice under subsection (5), the limits under subsection (1)(a) and (b) apply to the policy.
Sec. 3101. (1) Except as provided in sections 3107d and 3109a, the owner or registrant of a motor vehicle required to be registered in this state shall maintain security for payment of benefits under personal protection insurance and property protection insurance as required under this chapter, and residual
liability insurance. Security is only required to be in effect during the period the motor vehicle is driven or moved on a highway.

(2) Except as provided in section 3107d, all automobile insurance policies offered in this state must include benefits under personal protection insurance, and property protection insurance as provided in this chapter, and residual liability insurance. Notwithstanding any other provision in this act, an insurer that has issued an automobile insurance policy that is not driven or moved on a highway may only allow the insured owner or registrant of the motor vehicle to delete portions of the coverages under the policy and maintain the comprehensive coverage portion on a motor vehicle that is not driven or moved on a highway in accordance with section 3009(4) of the policy in effect.

A policy of insurance represented or sold as providing security is considered to provide insurance for the payment of the benefits.
(4) Security required by subsection (1) may be provided by any other method approved by the secretary of state as affording security equivalent to that afforded by a policy of insurance, if proof of the security is filed and continuously maintained with the secretary of state throughout the period the motor vehicle is driven or moved on a highway. The person filing the security has all the obligations and rights of an insurer under this chapter. When the context permits, "insurer" as used in this chapter, includes a person that files the security as provided in this section.

(5) An insurer that issues a policy that provides the security required under subsection (1) may exclude coverage under the policy as provided in section 3017.

Sec. 3101a. (1) An insurer, in conjunction with the issuance of an automobile insurance policy, shall provide to the insured 1 certificate of insurance for each insured vehicle and for private passenger nonfleet automobiles listed on the policy shall supply to the secretary of state the automobile insurer's name, the name of the named insured, the named insured's address, the vehicle identification number for each vehicle listed on the policy, and the policy number. The secretary of state shall not require the information to be transmitted more frequently than every 14 days.

(2) The secretary of state shall provide policy information received under subsection (1) to the Michigan automobile insurance placement facility as required for the Michigan automobile insurance placement facility to comply with this act. Information received by the Michigan automobile insurance placement facility

The Michigan automobile insurance placement facility shall only use the information for purposes of administering the assigned claims plan under this chapter and shall not disclose the information to any person unless it is for the purpose of administering the assigned claims plan or in compliance with an order by a court of competent jurisdiction in connection with a fraud investigation or prosecution.

(2) The secretary of state shall provide policy information received under subsection (1) to the department of health and human services as required for the department of health and human services to comply with 2006 PA 593, MCL 550.281 to 550.289.

(2) For all motor vehicle accident policies issued or renewed before July 2, 2020 and for a motor vehicle accident policy issued or renewed after July 1, 2020 to which section 3107c(1)(d) applies, the association shall provide and each member shall accept indemnification for 100% of the amount of ultimate loss sustained under personal protection insurance coverages in excess of the following amounts in each loss occurrence:

(o) For a motor vehicle accident policy issued or renewed during the period July 1, 2019 to June 30, 2021, $580,000.00.

Beginning July 1, 2021, this $580,000.00 amount must be increased biennially on July 1 of each odd-numbered year, for policies issued or renewed before July 1 of the following odd-numbered year, by the lesser of 6% or the Consumer Price Index, and rounded to the nearest $5,000.00. The association shall calculate this biennial adjustment by January 1 of the year of its July 1 effective date.

(3) An insurer may withdraw from the association only on ceasing to write insurance that provides the security required by section 3101(1) in this state.

(4) An insurer whose membership in the association has been terminated by withdrawal continues to be bound by the plan of operation, and on withdrawal, all unpaid premiums that have been charged to the withdrawing member are payable as of the effective date of the withdrawal.

(5) An unsatisfied net liability to the association of an insolvent member must be assumed by and apportioned among the
remaining members of the association as provided in the plan of
operation. The association has all rights allowed by law on behalf
of the remaining members against the estate or funds of the
insolvent member for money due the association.

(6) If a member has been merged or consolidated into another
insurer or another insurer has reinsured a member's entire business
that provides the security required by section 3101(1) in this
state, the member and successors in interest of the member remain
liable for the member's obligations.

(7) The association shall do all of the following on behalf of
the members of the association:

(a) Assume 100% of all liability as provided in subsection
(2).

(b) Establish procedures by which members must promptly report
to the association each claim that, on the basis of the injuries or
damages sustained, may reasonably be anticipated to involve the
association if the member is ultimately held legally liable for the
injuries or damages. Solely for the purpose of reporting claims,
the member shall in all instances consider itself legally liable
for the injuries or damages. The member shall also advise the
association of subsequent developments likely to materially affect
the interest of the association in the claim.

(c) Maintain relevant loss and expense data relating to all
liabilities of the association and require each member to furnish
statistics, in connection with liabilities of the association, at
the times and in the form and detail as required by the plan of
operation.

(d) In a manner provided for in the plan of operation,
calculate and charge to members of the association a total premium
sufficient to cover the expected losses and expenses of the association that the association will likely incur during the period for which the premium is applicable. The total premium must include an amount to cover incurred but not reported losses for the period and must may be adjusted for any excess or deficient premiums from previous periods. Excesses or deficiencies from previous periods must either may be fully adjusted in a single period or may be adjusted over several periods in a manner provided for in the plan of operation. Each member must be charged an amount equal to that member's total written car years of insurance providing the security required by section 3101(1) or 3103(1), or both, written in this state during the period to which the premium applies, with the total written car years of insurance multiplied by the applicable average premium per car. The average premium per car is the total premium, as adjusted for any excesses or deficiencies, divided by the total written car years of insurance providing the security required by section 3101(1) or 3103(1), or both, written in this state of all members during the period to which the premium applies. Excluding cars insured under a policy with a coverage limit under section 3107c(1)(a), (b), or (c), cars as to which an election to not maintain personal protection insurance benefits has been made under section 3107d, or as to which an exclusion under section 3109a(2) applies, except for any portion of total premium that is an adjustment for a deficiency in a previous period. A member may not be charged a premium for a car insured under a policy with a coverage limit under section 3107c(1)(a), (b), or (c), as to which an election to not maintain personal protection insurance benefits has been made under section 3107d, or as to which an exclusion under section 3109a(2) applies,
other than for the portion of the total premium attributable to an
adjustment for a deficiency in a previous period. A member must be
charged a premium for a historic vehicle that is insured with the
member of 20% of the premium charged for a car insured with the
member.

(e) Require and accept the payment of premiums from members of
the association as provided for in the plan of operation. The
association shall do either of the following:

(i) Require payment of the premium in full within 45 days after
the premium charge.

(ii) Require payment of the premiums to be made periodically to
cover the actual cash obligations of the association.

(f) Receive and distribute all money required by the operation
of the association.

(g) Establish procedures for reviewing claims procedures and
practices of members of the association. If the claims procedures
or practices of a member are considered inadequate to properly
service the liabilities of the association, the association may
undertake or may contract with another person, including another
member, to adjust or assist in the adjustment of claims for the
member on claims that create a potential liability to the
association and may charge the cost of the adjustment to the
member.

(h) Provide any records necessary or requested by the director
for the actuarial examination under subsection (21).

(i) Subject to subsection (23), obey an order of the director
for a refund under subsection (22).

(8) In addition to other powers granted to it by this section,
the association may do all of the following:
(a) Sue and be sued in the name of the association. A judgment against the association does not create any direct liability against the individual members of the association. The association may provide for the indemnification of its members, members of the board of directors of the association, and officers, employees, and other persons lawfully acting on behalf of the association.

(b) Reinsure all or any portion of its potential liability with reinsurers licensed to transact insurance in this state or approved by the director.

(c) Provide for appropriate housing, equipment, and personnel as necessary to assure the efficient operation of the association.

(d) Pursuant to the plan of operation, adopt reasonable rules for the administration of the association, enforce those rules, and delegate authority, as the board considers necessary to assure the proper administration and operation of the association consistent with the plan of operation.

(e) Contract for goods and services, including independent claims management, actuarial, investment, and legal services, from others in or outside of this state to assure the efficient operation of the association.

(f) Hear and determine complaints of a company or other interested party concerning the operation of the association.

(g) Perform other acts not specifically enumerated in this section that are necessary or proper to accomplish the purposes of the association and that are not inconsistent with this section or the plan of operation.

(h) A board of directors is created and shall operate the association consistent with the plan of operation and this section.

(i) The plan of operation must provide for all of the
following:

(a) The establishment of necessary facilities.
(b) The management and operation of the association.
(c) Procedures to be utilized in charging premiums, including adjustments from excess or deficient premiums from prior periods. The plan must require that any deficiency from a prior period be amortized over not fewer than 15 years.
(d) Procedures for a refund to members of the association, for distribution to insureds as provided in subsection (24), as ordered by the director under subsection (22). The procedures must provide for a distribution of a refund attributable to a historic vehicle equal to 20% of the refund for a car that is not a historic vehicle.

(e) Procedures governing the actual payment of premiums to the association.
(f) Reimbursement of each member of the board by the association for actual and necessary expenses incurred on association business.
(g) The investment policy of the association.
(h) Any other matters required by or necessary to effectively implement this section.

(11) The board must include members that would contribute a total of not less than 40% of the total premium calculated under subsection (7)(d). Each board member is entitled to 1 vote. The initial term of office of a board member is 2 years.

(12) As part of the plan of operation, the board shall adopt rules providing for the composition of the board and the terms of board members, consistent with the membership composition requirements in subsections (11) and (13). Terms of the board
members must be staggered so that the terms of all the board
members do not expire at the same time and so that a board member
does not serve a term of more than 4 years.

(13) The board must consist of 5 board members and the
director, who shall serve as an ex officio member of the board
without vote.

(14) The director shall appoint the board members. A board
member shall serve until his or her successor is selected and
qualified. The board shall elect the chairperson of the board. The
director shall fill any vacancy on the board as provided in the
plan of operation.

(15) The board shall meet as often as the chairperson, the
director, or the plan of operation requires, or at the request of
any 3 board members. The chairperson may vote on all issues. Four
board members constitute a quorum.

(16) The board shall furnish to each member of the association
an annual report of the operations of the association in a form and
detail as determined by the board.

(17) Any amendments to the plan of operation are subject to
majority approval by the board, ratification by a majority of the
membership of the association having a vote, with voting rights
being apportioned according to the premiums charged in subsection
(7)(d), and approval by the director.

(18) An insurer authorized to write insurance providing the
security required by section 3101(1) in this state, as provided in
this section, is bound by and shall formally subscribe to and
participate in the plan of operation as a condition of maintaining
its authority to transact insurance in this state.

(19) The association is subject to all the reporting, loss
(20) Premiums charged members by the association must be recognized in the rate-making procedures for insurance rates in the same manner that expenses and premium taxes are recognized. If a member of the association passes on any portion of the premium payable under this section to an insured, the amount passed on must equal the portion of the premium payable by the member under this section attributable to the car or historic vehicle insured, including any adjustments for excesses or deficiencies from a previous period.

(21) The director or an authorized representative of the director may visit the association at any time and examine any and all of the association's affairs. Beginning July 1, 2022, and every third year after 2022, the director shall engage 1 or more independent actuaries to examine the affairs and records of the association for the previous 3 years. The actuarial examination must be conducted using sound actuarial principles consistent with the applicable statements of principles and the code of professional conduct adopted by the Casualty Actuarial Society. By September 1, 2022 and by September 1 of every third year after 2022, the director shall provide a report to the legislature on the results of the audit conducted under this subsection.

(22) If the actuarial examination under subsection (21) shows that the assets of the association exceed 120% of its liabilities, including incurred but not reported liabilities, and if the refund will not threaten the association's ongoing ability to provide reimbursements for personal protection insurance benefits based on sound actuarial principles consistent with the applicable
statements of principles and the code of professional conduct
adopted by the Casualty Actuarial Society, the director shall order
the association to refund an amount equal to the difference between
the total excess and 120% of the liabilities of the association,
including incurred but not reported liabilities, under subsection
(10)(d) and order the members of the association to distribute the
refunds under subsection (24).

(23) Within 30 days after receiving an order from the director
under subsection (22), the association may request a hearing to
review the order by filing a written request with the director. The
department shall conduct the review as a contested case under the
administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to
24.328.

(24) A member of the association shall distribute any refund
it receives under subsection (10)(d) to the persons that it insures
under policies that provide the security required under section
3101(1) or 3103(1), or both, and that are subject to a premium
under this section on a uniform basis per car and historic vehicle
in a manner and on the date or dates provided by the director in
accordance with an order issued by the director. A refund
attributable to a historic vehicle must be equal to 20% of the
refund for a car that is not a historic vehicle.

(25) By September 1 of each year, the association shall
prepare, submit to the committees of the senate and house of
representatives with jurisdiction over insurance matters, and post
on the association website an annual consumer statement, written in
a manner intended for the general public. The statement must
include all of the following:

(a) The number of claims opened during the preceding 12
months, the amount expended on the claims, and the future
apparented costs of the claims.

(b) For each of the preceding 10 years, the total number of
open claims, the amount expended on the claims, and the anticipated
future costs of the claims.

(c) For each of the preceding 10 years, the total number of
claims closed and the amount expended on the claims.

(d) For each of the preceding 10 years, the ratio of claims
opened to claims closed.

(e) For each of the preceding 10 years, the average length of
open claims.

(f) A statement of the current financial condition of the
association and the reasons for any deficit or surplus in collected
assessments compared to losses.

(g) A statement of the assumptions, methodology, and data used
to make revenue projections. As used in this subdivision, "revenue"
means return on investments.

(h) A statement of the assumptions, methodology, and data used
to make cost projections.

(i) A list of the association's assets, sorted by category or
type of asset, such as stocks, bonds, or mutual funds, and the
expected return on each asset.

(j) The total amount of the association's discounted and
undiscounted liabilities and a description and explanation of the
liabilities, including an explanation of the association's
definition of the terms discounted and undiscounted.

(k) Measures taken by the association to contain costs.

(l) A statement explaining what portion of the assessment to
insureds as recognized in rates under subsection (20) is
attributable to claims occurring in the previous 12 months, administrative costs, and the amount, if any, to adjust for past deficits.

(m) A statement explaining any qualifications identified by the independent auditors in the most recent audit report prepared under subsection (21).

(n) A loss payment summary for each of the preceding years by category.

(o) For each of the preceding 10 years, an injury type summary, categorizing the injuries suffered by claimants the payment of whose claims are being reimbursed by the association, by brain injuries, injuries resulting in quadriplegia, injuries resulting in paraplegia, burn injuries, and other injuries.

(p) A summary of investment returns over the preceding 10 years showing the investment balance, the investment gain, and the percentage return on the investment balance.

(q) A summary of the mortality assumptions used in making cost projections.

(r) A summary of any financial practices that differ from those found in the National Association of Insurance Commissioners Accounting Practices and Procedures Manual.

(26) By September 1 of each year, the association shall prepare and provide to the committees of the senate and house of representatives with jurisdiction over insurance matters an annual report of the association. The report must contain all of the following:

(a) An executive summary.

(b) A discussion of the mortality assumptions used by the association in making cost projections.
(c) An evaluation of the accuracy of the association's actuarial assumptions over the preceding 5 years.

(d) The annual consumer statement prepared under subsection (25).

(e) Anything else the association determines is necessary to advise the legislature about the operations of the association.

(22) The association does not have liability for losses occurring before July 1, 1978. After July 1, 2020, the association does not have liability for an ultimate loss under personal protection insurance coverage for a motor vehicle accident policy to which a limit under section 3107c(1)(a), (b), or (c) is applicable.

(23) As used in this section:

(a) "Association" means the catastrophic claims association created in subsection (1).

(b) "Board" means the board of directors of the association created in subsection (9).

(c) "Car" includes a motorcycle but does not include a historic vehicle.

(d) "Consumer Price Index" means the percentage of change in the Consumer Price Index for all urban consumers in the United States city average for all items for the 24 months before October 1 of the year before the July 1 effective date of the biennial adjustment under subsection (2)(o) as reported by the United States Department of Labor, Bureau of Labor Statistics, and as certified by the director.

(e) "Historic vehicle" means a vehicle that is a registered historic vehicle under section 803a or 803p of the Michigan vehicle code, 1949 PA 300, MCL 257.803a and 257.803p.
(f) "Motor vehicle accident policy" means a policy providing the coverages required under section 3101(1).

(g) "Ultimate loss" means the actual loss amounts that a member is obligated to pay and that are paid or payable by the member, and do not include claim expenses. An ultimate loss is incurred by the association on the date that the loss occurs.

Sec. 3107. (1) Subject to the exceptions and limitations in this chapter, and subject to chapter 31A, Except as provided in subsection (2), personal protection insurance benefits are payable for the following:

(a) Allowable expenses consisting of reasonable charges incurred for reasonably necessary products, services and accommodations for an injured person's care, recovery, or rehabilitation. Allowable expenses do not include either of the following:

(i) Charges for a hospital room in excess of a reasonable and customary charge for semiprivate accommodations, unless the injured person requires special or intensive care.

(ii) Funeral and burial expenses in excess of the amount set forth in the policy, which must not be less than $1,750.00 or more than $5,000.00.

(b) Work loss consisting of loss of income from work an injured person would have performed during the first 3 years after the date of the accident if he or she had not been injured. Work loss does not include any loss after the date on which the injured person dies. Because the benefits received from personal protection insurance for loss of income are not taxable income, the benefits payable for the loss of income must be reduced 15% unless the claimant presents to the insurer in support of his or her claim
reasonable proof of a lower value of the income tax advantage in
his or her case, in which case the lower value must be applied. For
the period beginning October 1, 2012 through September 30, 2013,
the benefits payable for work loss sustained in a single 30-day
period and the income earned by an injured person for work during
the same period together must not exceed $5,189.00, which maximum
must be applied pro rata to any lesser period of work loss.
Beginning October 1, 2013, the maximum must be adjusted annually to
reflect changes in the cost of living under rules prescribed by the
director, but any change in the maximum must be applied only to
benefits arising out of accidents occurring after the date of
change in the maximum.

(c) Expenses not exceeding $20.00 per day, reasonably incurred
in obtaining ordinary and necessary services in lieu of those that,
if he or she had not been injured, an injured person would have
performed during the first 3 years after the date of the accident,
not for income but for the benefit of himself or herself or of his
or her dependent.

(2) Both of the following apply to personal protection
insurance benefits payable under subsection (1):

(a) A person who is 60 years of age or older and in the event
of an accidental bodily injury would not be eligible to receive
work loss benefits under subsection (1)(b) may waive coverage for
work loss benefits by signing a waiver on a form provided by the
insurer. An insurer shall offer a reduced premium rate to a person
who waives coverage under this subdivision for work loss benefits.
Waiver of coverage for work loss benefits applies only to work loss
benefits payable to the person or persons who have signed the
waiver form.
(b) An insurer is not required to provide coverage for the medical use of marihuana or for expenses related to the medical use of marihuana.

Sec. 3109a. (1) An insurer that provides personal protection insurance benefits under this chapter may offer, at appropriately reduced premium rates, deductibles and exclusions reasonably related to other health and accident coverage on the insured. Any deductibles and exclusions offered under this section must be offered at a reduced premium that reflects reasonably anticipated reductions in losses, expenses, or both, are subject to prior approval by the director—and must apply only to benefits payable to the person named in the policy, the spouse of the insured, and any relative of either domiciled in the same household.

(2) For an insurance policy issued or renewed after July 1, 2020, the insurer shall offer to an applicant or named insured that selects a personal protection benefit limit under section 3107c(1)(b) an exclusion related to qualified health coverage. All of the following apply to that exclusion:

(a) If the named insured has qualified health coverage as defined in section 3107d(7)(b)(i) that will cover injuries that occur as the result of a motor vehicle accident and if the named insured's spouse and any relatives of either the named insured or the spouse domiciled in the same household have qualified health coverage that will cover injuries that occur as the result of a motor vehicle accident, the premium for the personal protection insurance benefits payable under section 3107(1)(a) under the policy must be reduced by 100%.

(b) If a member, but not all members, of the household covered by the insurance policy has qualified health coverage that will
cover injuries that occur as the result of a motor vehicle accident, the insurer shall offer a reduced premium that reflects reasonably anticipated reductions in losses, expenses, or both. The reduction must be in addition to the rate rollback required by section 2111f and the share of the premium reduction for the policy attributable to any person with qualified health coverage must be 100%.

(c) Subject to subdivision (d), a person subject to an exclusion under this subsection is not eligible for personal protection benefits under the insurance policy.

(d) If a person subject to an exclusion under this subsection is no longer covered by the qualified health coverage, the named insured shall notify the insurer that the named insured or resident relative is no longer eligible for an exclusion. All of the following apply under this subdivision:

(i) The named insured shall, within 30 days after the effective date of the termination of the qualified health coverage, obtain insurance that provides the security required under section 3101(1) that includes coverage that was excluded under this subsection.

(ii) During the period described in subparagraph (i), if any person excluded suffers accidental bodily injury arising from a motor vehicle accident, the person is entitled to claim benefits under the assigned claims plan.

(e) If the named insured does not obtain insurance that provides the security required under section 3101(1) that includes the coverage excluded under this subsection during the period described in subdivision (d)(i) and the named insured or any person excluded under the policy suffers accidental bodily injury arising from a motor vehicle accident, unless the injured person is
entitled to coverage under some other policy, the injured person is not entitled to be paid personal protection insurance benefits under section 3107(1)(a) for the injury that occurred during the period in which coverage under this section was excluded.

(3) An automobile insurer shall not refuse to prospectively insure, limit coverage available to, charge a reinstatement fee for, or increase the premiums for automobile insurance for an eligible person, as that term is defined in section 2103, solely because the person previously failed to obtain insurance that provides the security required under section 3101(1) in the time period provided under subsection (2)(d)(i).

(4) The amount of a premium reduction under subsection (1) must appear in a conspicuous manner in the declarations for the policy, and be expressed as a dollar amount or a percentage.

(5) As used in this section, "qualified health coverage" means that term as defined in section 3107d.

Sec. 3111. Personal protection insurance benefits are payable for accidental bodily injury suffered in an accident occurring out of this state, if the accident occurs within the United States, its territories and possessions, or Canada, and the person whose injury is the basis of the claim was at the time of the accident a named insured under a personal protection insurance policy, the spouse of a named insured, a relative of either domiciled in the same household, or an occupant of a vehicle involved in the accident, if the occupant was a resident of this state or if the owner or registrant of the vehicle was insured under a personal protection insurance policy or provided security approved by the secretary of state under section 3101(5).

Sec. 3112. Personal protection insurance benefits are payable
to or for the benefit of an injured person or, in case of his or her death, to or for the benefit of his or her dependents. A health care provider listed in section 3157 may make a claim and assert a direct cause of action against an insurer, or under the assigned claims plan under sections 3171 to 3175, to recover overdue benefits payable for charges for products, services, or accommodations provided to an injured person. Payment by an insurer in good faith of personal protection insurance benefits, to or for the benefit of a person who it believes is entitled to the benefits, discharges the insurer's liability to the extent of the payments unless the insurer has been notified in writing of the claim of some other person. If there is doubt about the proper person to receive the benefits or the proper apportionment among the persons entitled to the benefits, the insurer, the claimant, or any other interested person may apply to the circuit court for an appropriate order. The court may designate the payees and make an equitable apportionment, taking into account the relationship of the payees to the injured person and other factors as the court considers appropriate. In the absence of a court order directing otherwise the insurer may pay:

(a) To the dependents of the injured person, the personal protection insurance benefits accrued before his or her death without appointment of an administrator or executor.

(b) To the surviving spouse, the personal protection insurance benefits due any dependent children living with the spouse.

Sec. 3113. A person is not entitled to be paid personal protection insurance benefits for accidental bodily injury if at the time of the accident any of the following circumstances existed:
(a) The person was willingly operating or willingly using a motor vehicle or motorcycle that was taken unlawfully, and the person knew or should have known that the motor vehicle or motorcycle was taken unlawfully.

(b) The person was the owner or registrant of a motor vehicle or motorcycle involved in the accident with respect to which the security required by section 3101 or 3103 was not in effect.

(c) The person was not a resident of this state, unless the person owned a motor vehicle that was registered and insured in this state, the person was an occupant of a motor vehicle or motorcycle not registered in this state, and the motor vehicle or motorcycle was not insured by an insurer that has filed a certification in compliance with section 3163.

(d) The person was operating a motor vehicle or motorcycle as to which he or she was named as an excluded operator as allowed under section 3009(2).

(e) The person was the owner or operator of a motor vehicle for which coverage was excluded under a policy exclusion authorized under section 3017.

Sec. 3114. (1) Except as provided in subsections (2), (3), and (5), a personal protection insurance policy described in section 3101(1) applies to accidental bodily injury to the person named in the policy, the person's spouse, and a relative of either domiciled in the same household, if the injury arises from a motor vehicle accident. A personal injury insurance policy described in section 3103(2) applies to accidental bodily injury to the person named in the policy, the person's spouse, and a relative of either domiciled in the same household, if the injury arises from a motorcycle accident. If personal protection insurance benefits or personal
injury benefits described in section 3103(2) are payable to or for the benefit of an injured person under his or her own policy and would also be payable under the policy of his or her spouse, relative, or relative's spouse, the injured person's insurer shall pay all of the benefits up to the coverage level applicable under section 3107c to the injured person's policy, and is not entitled to recoupment from the other insurer.

(2) A person who suffers accidental bodily injury while an operator or a passenger of a motor vehicle operated in the business of transporting passengers shall receive the personal protection insurance benefits to which the person is entitled from the insurer of the motor vehicle. This subsection does not apply to a passenger in any of the following, unless the passenger is not entitled to personal protection insurance benefits under any other policy:

(a) A school bus, as defined by the department of education, providing transportation not prohibited by law.

(b) A bus operated by a common carrier of passengers certified by the department of transportation.

(c) A bus operating under a government sponsored transportation program.

(d) A bus operated by or providing service to a nonprofit organization.

(e) A taxicab insured as prescribed in section 3101 or 3102.

(f) A bus operated by a canoe or other watercraft, bicycle, or horse livery used only to transport passengers to or from a destination point.

(g) A transportation network company vehicle.

(h) A motor vehicle insured under a policy for which the person named in the policy has elected to not maintain coverage for
personal protection insurance benefits under section 3107d or as to which an exclusion under section 3109a(2) applies.

(3) An employee, his or her spouse, or a relative of either domiciled in the same household, who suffers accidental bodily injury while an occupant of a motor vehicle owned or registered by the employer, shall receive personal protection insurance benefits to which the employee is entitled from the insurer of the furnished vehicle.

(4) Except as provided in subsections (2) and (1) to (3), a person who suffers accidental bodily injury arising from a motor vehicle accident while an occupant of a motor vehicle who is not covered under a personal protection insurance policy as provided in subsection (1) shall claim personal protection insurance benefits under the assigned claims plan under sections 3171 to 3175. This subsection does not apply to a person insured under a policy for which the person named in the policy has elected to not maintain coverage for personal protection insurance benefits under section 3107d or as to which an exclusion under section 3109(2) applies, or who is not entitled to be paid personal protection benefits under section 3107d(6)(c) or 3109a(2)(d)(ii). From insurers in the following order of priority:

(a) The insurer of the owner or registrant of the vehicle occupied.

(b) The insurer of the operator of the vehicle occupied.

(5) Subject to subsections (6) and (7), a person who suffers accidental bodily injury arising from a motor vehicle accident that shows evidence of the involvement of a motor vehicle while an operator or passenger of a motorcycle shall claim personal protection insurance benefits from insurers in the following order
of priority:

(a) The insurer of the owner or registrant of the motor vehicle involved in the accident.

(b) The insurer of the operator of the motor vehicle involved in the accident.

(c) The motor vehicle insurer of the operator of the motorcycle involved in the accident.

(d) The motor vehicle insurer of the owner or registrant of the motorcycle involved in the accident.

(6) If an applicable insurance policy in an order of priority under subsection (5) is a policy for which the person named in the policy has elected to not maintain coverage for personal protection insurance benefits under section 3107d, or as to which an exclusion under section 3109(2) applies, the injured person shall claim benefits only under other policies, subject to subsection (7), in the same order of priority for which no such election has been made. If there are no other policies for which no such election has been made, the injured person shall claim benefits under the next order of priority or, if there is not a next order of priority, under the assigned claims plan under sections 3171 to 3175.

(7) If personal protection insurance benefits are payable under subsection (5) under 2 or more insurance policies in the same order of priority, the benefits are only payable up to an aggregate coverage limit that equals the highest available coverage limit under any 1 of the policies.

(6) (8) Subject to subsections (6) and (7), if 2 or more insurers are in the same order of priority to provide personal protection insurance benefits under subsection (5), an insurer that pays benefits due is entitled to partial recoupment from the other

TDR 03835'21
insurers in the same order of priority, and a reasonable amount of
partial recoupment of the expense of processing the claim, in order
to accomplish equitable distribution of the loss among all of the
insurers.

(7) As used in this section:

(a) "Personal vehicle", "transportation network company
digital network", and "transportation network company prearranged
ride" mean those terms as defined in section 2 of the limousine,
taxicab, and transportation network company act, 2016 PA 345, MCL
257.2102.

(b) "Transportation network company vehicle" means a personal
vehicle while the driver is logged on to the transportation network
company digital network or while the driver is engaged in a
transportation network company prearranged ride.

Sec. 3115. (1) Except as provided in section 3114(1), a person
who suffers accidental bodily injury while not an occupant of a
motor vehicle shall claim personal protection insurance benefits
under the assigned claims plan under sections 3171 to 3175 from
insurers in the following order of priority:

(a) Insurers of owners or registrants of motor vehicles
involved in the accident.

(b) Insurers of operators of motor vehicles involved in the
accident.

(2) If 2 or more insurers are in the same order of priority to
provide personal protection insurance benefits, an insurer that
pays benefits that are due is entitled to partial recoupment from
the other insurers in the same order of priority, and to a
reasonable amount of partial recoupment of the expense of
processing the claim, in order to accomplish equitable distribution
of the loss among the insurers.

(3) A limit on the amount of personal protection insurance benefits available because of accidental bodily injury to 1 person arising from 1 motor vehicle accident must be determined without regard to the number of policies applicable to the accident.

Sec. 3135. (1) A person remains subject to tort liability for noneconomic loss caused by his or her ownership, maintenance, or use of a motor vehicle only if the injured person has suffered death, serious impairment of body function, or permanent serious disfigurement.

(2) For a cause of action for damages under subsection (1), (3)(d), all of the following apply:

(a) The issues of whether the injured person has suffered serious impairment of body function or permanent serious disfigurement are questions of law for the court if the court finds either of the following:

(i) There is no factual dispute concerning the nature and extent of the person's injuries.

(ii) There is a factual dispute concerning the nature and extent of the person's injuries, but the dispute is not material to the determination whether the person has suffered a serious impairment of body function or permanent serious disfigurement. However, for a closed-head injury, a question of fact for the jury is created if a licensed allopathic or osteopathic physician who regularly diagnoses or treats closed-head injuries testifies under oath that there may be a serious neurological injury.

(b) Damages must be assessed on the basis of comparative fault, except that damages must not be assessed in favor of a party who is more than 50% at fault.
(c) Damages must not be assessed in favor of a party who was operating his or her own vehicle at the time the injury occurred and did not have in effect for that motor vehicle the security required by section 3101(1) at the time the injury occurred.

(3) Notwithstanding any other provision of law, tort liability arising from the ownership, maintenance, or use within this state of a motor vehicle with respect to which the security required by section 3101(1) was in effect is abolished except as to:

(a) Intentionally caused harm to persons or property. Even though a person knows that harm to persons or property is substantially certain to be caused by his or her act or omission, the person does not cause or suffer that harm intentionally if he or she acts or refrains from acting for the purpose of averting injury to any person, including himself or herself, or for the purpose of averting damage to tangible property.

(b) Damages for noneconomic loss as provided and limited in subsections (1) and (2).

(c) Damages for allowable expenses, work loss, and survivor's loss as defined in sections 3107 to 3110, including all future allowable expenses and work loss, in excess of any applicable limit under section 3107c or the daily, monthly, and 3-year limitations contained in those sections, or without limit for allowable expenses if an election to not maintain that coverage was made under section 3107d or if an exclusion under section 3109a(2) applies. The party liable for damages is entitled to an exemption reducing his or her liability by the amount of taxes that would have been payable on account of income the injured person would have received if he or she had not been injured.

(d) Damages for economic loss by a nonresident. However, to
recover under this subdivision, the nonresident must have suffered
death, serious impairment of body function, or permanent serious
disfigurement, in excess of the personal protection insurance
benefits provided under section 3163(4). Damages under this
subdivision are not recoverable to the extent that benefits
covering the same loss are available from other sources, regardless
of the nature or number of benefit sources available and regardless
of the nature or form of the benefits.

(e) Damages up to $1,000.00 to a motor vehicle, or, for motor
vehicle accidents that occur after July 1, 2020, up to $3,000.00 to
a motor vehicle, to the extent that the damages are not covered by
insurance. An action for damages under this subdivision must be
conducted as provided in subsection (4).

(4) All of the following apply to an action for damages under
subsection (3)(e):

(a) Damages must be assessed on the basis of comparative
fault, except that damages must not be assessed in favor of a party
who is more than 50% at fault.

(b) Liability is not a component of residual liability, as
prescribed in section 3131, for which maintenance of security is
required by this act.

(c) The action must be commenced, whenever legally possible,
in the small claims division of the district court or the municipal
court. If the defendant or plaintiff removes the action to a higher
court and does not prevail, the judge may assess costs.

(d) A decision of the court is not res judicata in any
proceeding to determine any other liability arising from the same
circumstances that gave rise to the action.

(e) Damages must not be assessed if the damaged motor vehicle
was being operated at the time of the damage without the security
required by section 3101(1).

(5) As used in this section, "serious impairment of body
function" means an impairment that satisfies all of the following
requirements:

(a) It is objectively manifested, meaning it is observable or
perceivable from actual symptoms or conditions by someone other
than the injured person.

(b) It is an impairment of an important body function, which
is a body function of great value, significance, or consequence to
the injured person.

(c) It affects the injured person's general ability to
lead his or her normal life, meaning it has had an influence on
some of the person's capacity to live in his or her normal manner
of living. Although temporal considerations may be relevant, there
is no temporal requirement for how long an impairment must last.

This examination is inherently fact and circumstance specific to
each injured person, must be conducted on a case-by-case basis, and
requires comparison of the injured person's life before and after
the incident.

Sec. 3142. (1) Personal protection insurance benefits are
payable as loss accrues.

(2) Subject to subsection (3), personal protection
insurance benefits are overdue if not paid within 30 days after an
insurer receives reasonable proof of the fact and of the amount of
loss sustained. Subject to subsection (3), if reasonable proof
is not supplied as to the entire claim, the amount supported by
reasonable proof is overdue if not paid within 30 days after the
proof is received by the insurer. Subject to subsection (3), any
Any part of the remainder of the claim that is later supported by reasonable proof is overdue if not paid within 30 days after the proof is received by the insurer. For the purpose of calculating the extent to which benefits are overdue, payment must be treated as made on the date a draft or other valid instrument was placed in the United States mail in a properly addressed, postpaid envelope, or, if not so posted, on the date of delivery.

(3) For personal protection insurance benefits under section 3107(1)(a), if a bill for the product, service, accommodations, or training is not provided to the insurer within 90 days after the product, service, accommodations, or training is provided, the insurer has 60 days in addition to 30 days provided under subsection (2) to pay before the benefits are overdue.

(4) An overdue payment bears simple interest at the rate of 12% per annum.

Sec. 3145. (1) An action for recovery of personal protection insurance benefits payable under this chapter for an accidental bodily injury may not be commenced later than 1 year after the date of the accident that caused the injury unless written notice of injury as provided in subsection (4)—(3) has been given to the insurer within 1 year after the accident or unless the insurer has previously made a payment of personal protection insurance benefits for the injury.

(2) Subject to subsection (3), if the notice under subsection (1) has been given or a payment has been made, the action may be commenced at any time within 1 year after the most recent allowable expense, work loss, or survivor's loss has been incurred. However, the claimant may not recover benefits for any portion of the loss incurred more than 1 year before the date on
which the action was commenced.

(3) A period of limitations applicable under subsection (2) to the commencement of an action and the recovery of benefits is tolled from the date of a specific claim for payment of the benefits until the date the insurer formally denies the claim. This subsection does not apply if the person claiming the benefits fails to pursue the claim with reasonable diligence.

(3) The notice of injury required by subsection (1) may be given to the insurer or any of its authorized agents by a person claiming to be entitled to benefits for the injury, or by someone in the person's behalf. The notice must give the name and address of the claimant and indicate in ordinary language the name of the person injured and the time, place, and nature of the person's injury.

(4) An action for recovery of property protection insurance benefits may not be commenced later than 1 year after the accident.

Sec. 3148. (1) Subject to subsections (4) and (5), an attorney is entitled to a reasonable fee for advising and representing a claimant in an action for personal or property protection insurance benefits that are overdue. The attorney's fee is a charge against the insurer in addition to the benefits recovered, if the court finds that the insurer unreasonably refused to pay the claim or unreasonably delayed in making proper payment. An attorney advising or representing an injured person concerning a claim for payment of personal protection insurance benefits from an insurer shall not claim, file, or serve a lien for payment of a fee or fees until both of the following apply:

(a) A payment for the claim is authorized under this chapter.
(b) A payment for the claim is overdue under this chapter.

(2) A court may award an insurer a reasonable amount against a claimant as an attorney fee for the insurer's attorney in defending against a claim that was in some respect fraudulent or so excessive as to have no reasonable foundation. A court may award an insurer a reasonable amount against a claimant's attorney as an attorney fee for defending against a claim for which the client was solicited by the attorney in violation of the laws of this state or the Michigan rules of professional conduct.

(3) To the extent that personal or property protection insurance benefits are then due or thereafter come due to the claimant because of loss resulting from the injury on which the claim is based, an attorney fee awarded in favor of the insurer may be taken as an offset against the benefits. Judgment may also be entered against the claimant for any amount of an attorney fee awarded that is not offset against benefits or otherwise paid.

(4) For a dispute over payment for allowable expenses under section 3107(1)(a) for attendant care or nursing services, attorney fees must not be awarded in relation to future payments ordered more than 3 years after the trial court judgment or order is entered. If attendant care or nursing services are subsequently suspended or terminated, attorney fees on future payments may be again awarded for not more than 3 years after a new trial court judgment or order is entered.

(5) A court shall not award a fee to an attorney for advising or representing an injured person in an action for personal or property protection insurance benefits for a treatment, product, service, rehabilitative occupational training, or accommodation provided to the injured person if the attorney or a related person
of the attorney has, or had at the time the treatment, product,
service, rehabilitative occupational training, or accommodation was
provided, a direct or indirect financial interest in the person
that provided the treatment, product, service, rehabilitative
occupational training, or accommodation. For purposes of this
subsection, circumstances in which an attorney has a direct or
indirect financial interest include, but are not limited to, the
person that provided the treatment, product, service,
rehabilitative occupational training, or accommodation making a
direct or indirect payment or granting a financial incentive to the
attorney or a related person of the attorney relating to the
treatment, product, service, rehabilitative occupational training,
or accommodation within 24 months before or after the treatment,
product, service, rehabilitative occupational training, or
accommodation is provided.

Sec. 3151. (1) If the mental or physical condition of a person
is material to a claim that has been or may be made for past or
future personal protection insurance benefits, at the request of an
insurer the person shall submit to mental or physical examination
by physicians. A personal protection insurer may include reasonable
provisions that are in accord with this section in a personal
protection insurance policy for mental and physical examination of
persons claiming personal protection insurance benefits.

(2) A physician who conducts a mental or physical examination
under this section must be licensed as a physician in this state or
another state and meet the following criteria, as applicable:

(a) If care is being provided to the person to be examined by
a specialist, the examining physician must specialize in the same
specialty as the physician providing the care, and if the physician
providing the care is board certified in the specialty, the
examining physician must be board certified in that specialty.

(b) During the year immediately preceding the examination, the
examining physician must have devoted a majority of his or her
professional time to either or both of the following:

(i) The active clinical practice of medicine and, if
subdivision (a) applies, the active clinical practice relevant to
the specialty.

(ii) The instruction of students in an accredited medical
school or in an accredited residency or clinical research program
for physicians and, if subdivision (a) applies, the instruction of
students is in the specialty.

physician, hospital, clinic, or other person that lawfully renders
treatment to an injured person for an accidental bodily injury
covered by personal protection insurance, or a person that provides
rehabilitative occupational training following the injury, may
charge a reasonable amount for the treatment or training. The
charge must not exceed the amount the person customarily charges
for like treatment or training in cases that do not involve
insurance.

(2) Subject to subsections (3) to (14), a physician, hospital,
clinic, or other person that renders treatment or rehabilitative
occupational training to an injured person for an accidental bodily
injury covered by personal protection insurance is not eligible for
payment or reimbursement under this chapter for more than the

(c) For treatment or training rendered after July 1, 2023, 220% of the amount payable to the person for the treatment or training under Medicare.

(4) Subject to subsection (5), subsection (3) only applies to a physician, hospital, clinic, or other person if either of the following applies to the person rendering the treatment or training:

(a) On July 1 of the year in which the person renders the treatment or training, the person has 20% or more, but less than 30%, indigent volume determined pursuant to the methodology used by
the department of health and human services in determining
inpatient medical/surgical factors used in measuring eligibility
for Medicaid disproportionate share payments.

(b) The person is a freestanding rehabilitation facility. Each

director to determine whether the person qualifies. The director
shall annually review documents and information provided under this subsection and, if the person qualifies under subsection (4)(a), shall certify the person as qualifying and provide a list of qualifying persons to insurers and other persons that provide the security required under section 3101(1). A physician, hospital, clinic, or other person that provides 30% or more of its total treatment or training as described under subsection (4)(a) is entitled to receive, instead of an applicable percentage under subsection (3), 250% of the amount payable to the person for the treatment or training under Medicare.

(6) Subject to subsections (7) to (14), a hospital that is a level I or level II trauma center that renders treatment to an injured person for an accidental bodily injury covered by personal protection insurance, if the treatment is for an emergency medical condition and rendered before the patient is stabilized and transferred, is not eligible for payment or reimbursement under this chapter of more than the following:

(iii) For treatment or training rendered after July 1, 2023, 71%.

(8) For any change to an amount payable under Medicare as provided in subsection (2), (3), (5), or (6) that occurs after the effective date of the amendatory act that added this subsection, the change must be applied to the amount allowed for payment or reimbursement under that subsection. payment or reimbursement for a treatment, training, product,
service, or accommodation unless the neurological rehabilitation
clinic is accredited by the Commission on Accreditation of
Rehabilitation Facilities or a similar organization recognized by
the director for purposes of accreditation under this subsection.
This subsection does not apply to a neurological rehabilitation
clinic that is in the process of becoming accredited as required
under this subsection on July 1, 2021, unless 3 years have passed
since the beginning of that process and the neurological
rehabilitation clinic is still not accredited.

(13) Subsections (2) to (12) do not apply to emergency medical
services rendered by an ambulance operation. As used in this
subsection:

Sec. 3163. (1) An insurer authorized to transact automobile liability insurance and personal and property protection insurance in this state is not required to provide personal protection insurance or property protection insurance benefits under this chapter for any accidental bodily injury or property damage occurring in this state arising from the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle by an out-of-state resident who is insured under the insurer's automobile liability insurance policies, unless the out-of-state resident is the owner of a motor vehicle that is registered and insured in this state. is subject to the personal and property protection insurance system under this chapter.

(2) A nonadmitted insurer may voluntarily file a certification described in subsection (1).

(3) Except as otherwise provided in subsection (4), if a

(4) If an insurer of an out-of-state resident is required to provide benefits under subsections (1) to (3) to that out-of-state resident for accidental bodily injury for an accident in which the out-of-state resident was not an occupant of a motor vehicle registered in this state, the insurer is liable only for the amount of ultimate loss sustained up to $500,000.00. Benefits under this subsection are not recoverable to the extent that benefits covering the same loss are available from other sources, regardless of the nature or number of benefit sources available and regardless of the nature or form of the benefits.

Sec. 3172. (1) A person entitled to claim because of accidental bodily injury arising out of the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle in this state may claim personal protection insurance benefits through the assigned claims plan if any of the following apply:

(a) No personal protection insurance is applicable to the injury.

(b) No personal protection insurance applicable to the injury can be identified.

(c) No personal protection insurance applicable to the injury
can be ascertained because of a dispute between 2 or more
automobile insurers concerning their obligation to provide coverage
or the equitable distribution of the loss.

(d) The only identifiable personal protection insurance
applicable to the injury is, because of financial inability of 1 or
more insurers to fulfill their obligations, inadequate to provide
benefits up to the maximum prescribed.

(2) Unpaid benefits due or coming due as described in
subsection (1) may be collected under the assigned claims plan, and
the insurer to which the claim is assigned is entitled to
reimbursement from the defaulting insurers to the extent of their
financial responsibility.

(3) A person entitled to claim personal protection insurance
benefits through the assigned claims plan under subsection (1)
shall file a completed application on a claim form provided by the
Michigan automobile insurance placement facility and provide
reasonable proof of loss to the Michigan automobile insurance
placement facility. The Michigan automobile insurance placement
facility or an insurer assigned to administer a claim on behalf of
the Michigan automobile insurance placement facility under the
assigned claims plan shall specify in writing the materials that
constitute a reasonable proof of loss within 60 days after receipt
by the Michigan automobile insurance placement facility of an
application that complies with this subsection.

(4) The Michigan automobile insurance placement facility or an
insurer assigned to administer a claim on behalf of the Michigan
automobile insurance placement facility under the assigned claims
plan is not required to pay interest in connection with a claim for
any period of time during which the claim is reasonably in dispute.
(3) Except as otherwise provided in this subsection, personal protection insurance benefits, including benefits arising from accidents occurring before March 29, 1985, payable through the assigned claims plan must be reduced to the extent that benefits covering the same loss are available from other sources, regardless of the nature or number of benefit sources available and regardless of the nature or form of the benefits, to a person claiming personal protection insurance benefits through the assigned claims plan. This subsection only applies if the personal protection insurance benefits are payable through the assigned claims plan under subsection (1)(a), (b), or (d). As used in this subsection, "sources" and "benefit sources" do not include the program for medical assistance for the medically indigent under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, or health insurance for the aged and disabled under subchapter XVIII of the social security act, 42 USC 1395 to 1395lll.

(4) If the obligation to provide personal protection insurance benefits cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, and if a method of voluntary payment of benefits cannot be agreed upon among or between the disputing insurers, all of the following apply:

(a) The insurers who are parties to the dispute shall, or the claimant may, immediately notify the Michigan automobile insurance placement facility of their inability to determine their statutory obligations.

(b) The Michigan automobile insurance placement facility shall assign the claim to an insurer and the insurer shall immediately
provide personal protection insurance benefits to the claimant or
claimants entitled to benefits.

(c) The insurer assigned the claim by the Michigan automobile
insurance placement facility shall immediately commence an action
on behalf of the Michigan automobile insurance placement facility
in circuit court to declare the rights and duties of any interested
party.

(d) The insurer to whom the claim is assigned shall join as
parties defendant to the action commenced under subdivision (c)
each insurer disputing either the obligation to provide personal
protection insurance benefits or the equitable distribution of the
loss among the insurers.

(e) The circuit court shall declare the rights and duties of
any interested party whether or not other relief is sought or could
be granted.

(f) After hearing the action, the circuit court shall
determine the insurer or insurers, if any, obligated to provide the
applicable personal protection insurance benefits and the equitable
distribution, if any, among the insurers obligated, and shall order
reimbursement to the Michigan automobile insurance placement
facility from the insurer or insurers to the extent of the
responsibility as determined by the court. The reimbursement
ordered under this subdivision must include all benefits and costs
paid or incurred by the Michigan automobile insurance placement
facility and all benefits and costs paid or incurred by insurers
determined not to be obligated to provide applicable personal
protection insurance benefits, including incurred attorney fees and
interest at the rate prescribed in section 3175 applicable on
December 31 of the year preceding the determination of the circuit
court.

(7) The Michigan automobile insurance placement facility and the insurer to whom a claim is assigned by the Michigan automobile insurance placement facility are only required to provide personal protection insurance benefits under section 3107(1)(a) up to whichever of the following is applicable:

(a) Unless subdivision (b) applies, the limit provided in section 3107c(1)(b).

(b) If the person is entitled to claim benefits under the assigned claims plan under section 3107d(6)(e) or 3109a(2)(d)(ii), $2,000,000.00.

Sec. 3173a. (1) The Michigan automobile insurance placement facility shall review a claim for personal protection insurance benefits under the assigned claims plan, shall make an initial determination of the claimant's eligibility for benefits under this chapter and the assigned claims plan, and shall deny an obviously ineligible claim. That the Michigan automobile insurance placement facility determines is ineligible under this chapter or the assigned claims plan. If a claimant or person making a claim through or on behalf of a claimant fails to cooperate with the Michigan automobile insurance placement facility as required by subsection (2), the Michigan automobile insurance placement facility shall suspend benefits to the claimant under the assigned claims plan. A suspension under this subsection is not an irrevocable denial of benefits, and must continue only until the Michigan automobile insurance placement facility determines that the claimant or person making a claim through or on behalf of a claimant cooperates or resumes cooperation with the Michigan automobile insurance placement facility. The Michigan automobile
insurance placement facility shall promptly notify in writing the
claimant and any person that submitted a claim through or on behalf
of a claimant of a denial and the reasons for the denial.

(2) A claimant or a person making a claim through or on behalf
of a claimant shall cooperate with the Michigan automobile
insurance placement facility in its determination of eligibility
and the settlement or defense of any claim or suit, including, but
not limited to, submitting to an examination under oath and
compliance with sections 3151 to 3153. There is a rebuttable
 presumption that a person has satisfied the duty to cooperate under
this section if all of the following apply:

(a) The person submitted a claim for personal protection
insurance benefits under the assigned claims plan by submitting to
the Michigan automobile insurance placement facility a complete
application on a form provided by the Michigan automobile insurance
placement facility in accordance with the assigned claims plan.

(b) The person provided reasonable proof of loss under the
assigned claims plan as described in section 3172.

(c) If required under this subsection to submit to an
examination under oath, the person submitted to the examination,
subject to all of the following:

(i) The person was provided at least 21 days' notice of the
examination.

(ii) The examination was conducted in a location reasonably
convenient for the person.

(iii) Any reasonable request by the person to reschedule the
date, time, or location of the examination was accommodated.

(3) The Michigan automobile insurance placement facility may
perform its functions and responsibilities under this section and
the assigned claims plan directly or through an insurer assigned by
the Michigan automobile insurance placement facility to administer
the claim on behalf of the Michigan automobile insurance placement
facility. The assignment of a claim by the Michigan automobile
insurance placement facility to an insurer is not a determination
of eligibility under this chapter or the assigned claims plan, and
a claim assigned to an insurer by the Michigan automobile insurance
placement facility may later be denied if the claim is not eligible
under this chapter or the assigned claims plan.

(2) A person who presents or causes to be presented an
oral or written statement, including computer-generated
information, as part of or in support of a claim to the Michigan
automobile insurance placement facility, or to an insurer to which
the claim is assigned under the assigned claims plan, for payment
or another benefit knowing that the statement contains false
information concerning a fact or thing material to the claim
commits a fraudulent insurance act under section 4503 that is
subject to the penalties imposed under section 4511. A claim that
contains or is supported by a fraudulent insurance act as described
in this subsection is ineligible for payment of personal protection
insurance or benefits under the assigned claims plan.

(5) The Michigan automobile insurance placement facility may
contract with other persons for all or a portion of the goods and
services necessary for operating and maintaining the assigned
claims plan.

Sec. 3174. A person claiming through the assigned claims plan
shall notify the Michigan automobile insurance placement facility
of his or her claim within 1 year after the date of the accident.
On an initial determination of a claimant's eligibility for
benefits through the assigned claims plan, the time that would have
been allowed for filing an action for personal protection insurance
benefits if identifiable coverage applicable to the claim had been
in effect. The Michigan automobile insurance placement facility
shall promptly assign the claim in accordance with the plan and
notify the claimant of the identity and address of the insurer to
which the claim is assigned. An action by a claimant must be
commenced as provided in section 3145 shall not commence an action
more than 30 days after whichever of the following is later:
(a) Receipt of notice of the assignment.
(b) The last date on which the action could have been
commenced against an insurer of identifiable coverage applicable to
the claim.

Sec. 3175. (1) The assignment of claims under the assigned
claims plan must be made according to procedures established in the
assigned claims plan that assure fair allocation of the burden of
assigned claims among insurers doing business in this state on a
basis reasonably related to the volume of automobile liability and
personal protection insurance they write on motor vehicles or the
number of self-insured motor vehicles. An insurer to whom claims
have been assigned shall make prompt payment of loss in accordance
with this act. An insurer is entitled to reimbursement by the
Michigan automobile insurance placement facility for the payments,
the established loss adjustment cost, and an amount determined by
use of the average annual 90-day United States treasury bill yield
rate, as reported by the Council of Economic Advisers as of
December 31 of the year for which reimbursement is sought, as
follows:
(a) For the calendar year in which claims are paid by the
insurer, the amount must be determined by applying the specified annual yield rate specified in this subsection to 1/2 of the total claims payments and loss adjustment costs.

(b) For the period from the end of the calendar year in which claims are paid by the insurer to the date payments for the operation of the assigned claims plan are due, the amount must be determined by applying the annual yield rate specified in this subsection to the total claims payments and loss adjustment costs multiplied by a fraction, the denominator of which is 365 and the numerator of which is equal to the number of days that have elapsed between the end of the calendar year and the date payments for the operation of the assigned claims plan are due.

(2) An insurer assigned a claim by the Michigan automobile insurance placement facility under the assigned claims plan or a person authorized to act on behalf of the plan may bring an action for reimbursement and indemnification of the claim on behalf of the Michigan automobile insurance placement facility. The insurer to which the claim has been assigned shall preserve and enforce rights to indemnity or reimbursement against third parties and account to the Michigan automobile insurance placement facility for the rights and shall assign the rights to the Michigan automobile insurance placement facility on reimbursement by the Michigan automobile insurance placement facility. This section does not preclude an insurer from entering into reasonable compromises and settlements with third parties against whom rights to indemnity or reimbursement exist. The insurer shall account to the Michigan automobile insurance placement facility for any compromises and settlements. The procedures established under the assigned claims plan of operation must establish reasonable standards for enforcing
rights to indemnity or reimbursement against third parties, including a standard establishing an amount below which actions to preserve and enforce the rights need not be pursued.

(3) An action to enforce rights to indemnity or reimbursement against a third party must not be commenced after the later of the following:

(a) Two years after the assignment of the claim to the insurer.

(b) One year after the date of the last payment to the claimant.

(c) One year after the date the responsible third party is identified.

(4) Payments for the operation of the assigned claims plan not paid by the due date bear interest at the rate of 20% per annum.

(5) The Michigan automobile insurance placement facility may enter into a written agreement with the debtor permitting the payment of the judgment or acknowledgment of debt in installments payable to the Michigan automobile insurance placement facility. A default in payment of installments under a judgment as agreed subjects the debtor to suspension or revocation of his or her motor vehicle license or registration in the same manner as for the failure by an uninsured motorist to pay a judgment by installments under section 3177, including responsibility for expenses as provided in section 3177(4).

Sec. 3177. (1) The insurer obligated to pay personal protection insurance benefits for accidental bodily injury to a person arising out of the ownership, maintenance, or use of an uninsured motor vehicle as a motor vehicle may recover all the benefits paid—and appropriate incurred loss adjustment costs and
expenses, and incurred attorney fees from the owner or registrant of the uninsured motor vehicle or from his or her estate. Failure of the owner or registrant to make payment within 30 days after a judgment is entered in an action for recovery under this subsection is a ground for suspension or revocation of his or her motor vehicle registration and license as defined in section 25 of the Michigan vehicle code, 1949 PA 300, MCL 257.25. For purposes of this section, an uninsured motor vehicle is a motor vehicle with respect to which security as required by sections 3101(1) and 3102 is not in effect at the time of the accident.

(2) The Michigan automobile insurance placement facility may make a written agreement with the owner or registrant of an uninsured vehicle or his or her estate permitting the payment of a judgment described in subsection (1) in installments payable to the Michigan automobile insurance placement facility. The motor vehicle registration and license of an owner or registrant who makes a written agreement under this subsection must not be suspended or revoked and, if already suspended or revoked under subsection (1), must be restored if the payment of any installments is not in default.

(3) The secretary of state, on receipt of a certified abstract of court record of a judgment described in subsection (1) or notice from an insurer or the Michigan automobile insurance placement facility or its designee of an acknowledgment of a debt described in subsection (1), shall notify the owner or registrant of the provisions of subsection (1) at the owner or registrant's last address recorded with the secretary of state and inform the owner or registrant of the right to enter into a written agreement under this section with the Michigan automobile insurance placement
facility or its designee for the payment of the judgment or debt in installments.

(4) Expenses for the suspension, revocation, or reinstatement of a motor vehicle registration or license under this section are the responsibility of the owner or registrant or of his or her estate. An owner or registrant whose registration or license is suspended under this section shall pay any reinstatement fee as required under section 320e of the Michigan vehicle code, 1949 PA 300, MCL 257.320e.

Enacting section 1. Sections 261, 271, 2013a, 2111f, 2116b, 2162, 3107c, 3107d, 3107e, 3157a, and 3157b and chapters 31A and 63 of the insurance code of 1956, 1956 PA 218, MCL 500.261, 500.271, 500.2013a, 500.2111f, 500.2116b, 500.2162, 500.3107c, 500.3107d, 500.3107e, 500.3157a, 500.3157b, 500.3181 to 500.3189, and 500.6301 to 500.6304, are repealed.
