June 30, 2022, Introduced by Reps. Sneller, Beeler, Harris, Steenland, Borton, Anthony and Calley and referred to the Committee on Rules and Competitiveness.

A bill to amend 1956 PA 218, entitled  
"The insurance code of 1956,"  
(MCL 500.100 to 500.8302) by adding section 1325c.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1           Sec. 1325c. (1) Except as otherwise provided in this section,  
2 the ultimate controlling person of every insurer that is subject to  
3 registration under section 1324 and that is scoped into the NAIC  
4 liquidity stress test framework for the specified data year shall  
5 file with the lead state commissioner the results of that year's  
6 liquidity stress test.

1           (2) A change to the NAIC liquidity stress test framework or to  
2 the data year for which the scope criteria are to be measured must  
3 be effective on January 1 of the year following the calendar year  
4 when the change is adopted by NAIC.

5           (3) An insurer that meets at least 1 threshold of the scope  
6 criteria is considered scoped into the NAIC liquidity stress test  
7 framework for the specified data year, unless the lead state  
8 commissioner, in consultation with the NAIC financial stability  
9 task force or its successor, determines that the insurer should not  
10 be scoped into the framework for the specified data year.

11           (4) An insurer that does not meet at least 1 threshold of the  
12 scope criteria is considered scoped out of the NAIC liquidity  
13 stress test framework for the specified data year, unless the lead  
14 state commissioner, in consultation with the NAIC financial  
15 stability task force or its successor, determines the insurer  
16 should be scoped into the NAIC liquidity stress test framework for  
17 the specified data year.

18           (5) As part of a determination made under subsection (3) or  
19 (4), the lead state commissioner, in consultation with the NAIC  
20 financial stability task force or its successor, shall consider  
21 that regulators wish to avoid having insurers scoped in and out of  
22 the NAIC liquidity stress test framework on a frequent basis.

23           (6) The performance of, and filing of the results from, a  
24 specified year's liquidity stress test must comply with the NAIC  
25 liquidity stress test framework's instructions and reporting  
26 templates for that year and any lead state commissioner  
27 determination, in conjunction with the NAIC financial stability  
28 task force or its successor, provided within the NAIC liquidity  
29 stress test framework.
