EXECUTIVE ORDER
No. 2022-7

Michigan Committee on Juvenile Justice
Department of Health and Human Services

In 1975, Congress enacted the Juvenile Justice and Delinquency Prevention Act ("Act"). In response, Governor Milliken established the Advisory Committee on Juvenile Justice in 1976. This advisory body has evolved over time as federal requirements and our understanding of best practices in juvenile justice have shifted. See EO 1976-6; EO 2003-9; 2012-16; EO 2017-12. Today, the committee operates within the Department of Health and Human Services as the Michigan Committee on Juvenile Justice.

In 2018, Congress amended the Act to further revise state requirements. See 34 U.S.C. §11101-11313. The Act makes funds available to participating states to assist in establishing and operating projects to improve education, training, research, prevention, diversion, treatment, and rehabilitation programs in the area of juvenile justice. The Act further requires any state receiving money under the Act to create an advisory group appointed by the chief executive officer of the state to advise the state planning agency on (1) juvenile justice and delinquency prevention matters and (2) the award of grants to state and local governments, private nonprofit agencies, colleges, and universities. The latest iteration of the Michigan Committee on Juvenile Justice was launched by Executive Order 2017-12. With new federal requirements, Executive Order 2017-12 is now out of date and requires revision to explicitly incorporate the requirements of the Juvenile Justice and Delinquency Prevention Act. 34 U.S.C. § 11133.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 8 of article 5 of the Michigan Constitution of 1963 obligates the governor to take care that the laws be faithfully executed.
Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. **Creating the Michigan Committee on Juvenile Justice**

(b) The Committee must have the opportunity to review and comment on all juvenile justice and delinquency prevention grant applications submitted to the state under the Act within 45 days of their submission to the Committee, to assess whether, in
the Committee's view, the proposed use of funds will strengthen the juvenile justice program.

(c) The Committee must center racial, geographical, educational, and financial equity in conducting its work. To that end, the Committee may facilitate trainings for local court stakeholders on equity, promote youth and family inclusion in policy development and implementation, and promote culturally responsive funding opportunities that will expand the evidence base of equity-focused interventions, policies, and practices.

(d) The Committee may, as requested by the Department, participate in monitoring state compliance with federal program requirements, advise on local criminal justice advisory board composition, and review the accomplishments of projects funded under the state's juvenile justice plan.

(c) The Committee must seek regular input from juveniles currently under the jurisdiction of the juvenile justice system.

(f) At least every two years, the Committee must submit to the governor and the legislature a report and recommendations regarding state compliance with the state's juvenile justice plan. The report must include policy recommendations and potential actions on how to improve juvenile justice in the state.

(g) The Committee must advise the Department and the governor on matters related to juvenile justice and delinquency prevention, as requested by the governor and the Department.

3. Operations of the Committee

(a) The Department must assist the Committee in the performance of its duties and provide personnel to staff the Committee. The budgeting, procurement, and related management functions of the Committee will be performed under the direction and supervision of the director of the Department.

(b) The governor must designate a Chairperson of the Committee.

(c) The Committee must meet at the call of the Chairperson and as may be provided in procedures adopted by the Committee.

(d) Members who attend fewer than 50 percent of the scheduled meetings in any calendar year have vacated their appointment. Upon notification, the governor must fill the vacancy in the same manner as the original appointment.

(e) The Committee may adopt additional procedures, consistent with this order and applicable law, governing its organization and operations.

The Committee may adopt, reject, or modify any recommendations proposed by an advisory workgroup.

The Committee may, as appropriate, make inquiries, studies, and investigations, hold hearings, and receive comments from the public. The Committee also may consult with outside experts to perform its duties, including experts in the private sector, organized labor, and government agencies, and at institutions of higher education.

The Committee may accept donations of labor, services, or other things of value from any public or private agency or person. Any donations must be received and used in accordance with law.

Members of the Committee must not receive additional compensation for participation on the Committee. Members of the Committee may receive reimbursement for necessary travel and expenses consistent with applicable law, rules, and procedures, subject to available funding.

Members of the Committee must refer all legal, legislative, and media contacts to the Department.

4. Implementation

All departments, committees, commissioners, or officers of this state must give to the Committee any necessary assistance required by the Committee in the performance of the duties of the Committee so far as is compatible with their duties and consistent with this order and applicable law. Free access also must be given to any books, records, or documents in their custody relating to matters within the scope of inquiry, study, or review of the Committee, consistent with applicable law.

This order is not intended to abate a proceeding commenced by, against, or before an officer or entity affected by this order. A proceeding may be maintained by, against, or before the successor of any officer or entity affected by this order.

Nothing in this order should be construed to change the organization of the executive branch of state government or the assignment of functions among its units, in a manner requiring the force of law.

If any portion of this order is found to be unenforceable, the unenforceable provision will be disregarded and the rest of the order will remain in effect as issued.

Executive Order 2017-12 is rescinded. The Michigan Committee on Juvenile Justice established under Executive Order 2017-12 is abolished.

This order is effective upon filing.
