A joint resolution applying to the Congress of the United States to call a convention to propose amendments to the Constitution of the United States to impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for federal officials and members of Congress.

1 Whereas, the founders of our constitution empowered state
2 legislators to be guardians of liberty against future abuses of
3 power by the federal government, and

4 Whereas, the federal government has created a crushing

1 national debt through improper and imprudent spending, and

2 Whereas, the federal government has invaded the legitimate
3 roles of the states through the manipulative process of federal
4 mandates, most of which are unfunded to a great extent, and

5 Whereas, the federal government has ceased to live under a
6 proper interpretation of the Constitution of the United States, and

7 Whereas, it is the solemn duty of the states to protect the
8 liberty of our people, particularly for the generations to come, by
9 proposing amendments to the Constitution of the United States
10 through a convention of the states under Article V for the purpose
11 of restraining these and related abuses of power,

12 Be it therefore resolved by the legislature of the state of
