Rep. Jasper Ryan Martus, from the 69th District, offered the following invocation:

“Religion in many ways is like a language. Each of us comes to God using our own language, using our own ways to express ourselves. No matter how we pray or if we pray at all, these different paths that we take to reach God are simply the ways that we find to relate to things bigger than ourselves and greater than ourselves.

Let the work that we do here in this chamber be infused with the wisdom from the first letter from John, ‘If God so loves us, we must also love one another’ and when it comes time for us to pass legislation to help others, to lift up the poor, to serve the least among us, let us remember that we do not do this for elections or for glory, but for our fellow human beings.

As Jesus said during the sermon on the mount, ‘Thus, when you give to the needy, sound no trumpet before you, as the hypocrites do in the synagogues and in the streets, that they may be praised by others. Truly, I say to you, they have received their reward. But when you give to the needy, do not let your left hand know what your right hand is doing, so that you may be giving in secret and your Father Who sees in secret will reward you.’ Let us hold ourselves to that standard, hold ourselves to a higher standard and serve others and express through legislation and through the work that we do in this chamber, the love that we have for each other and thus the love that God has for each and every one of us.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Aiyash moved that Reps. Aragona and Bruck be excused from today’s session. The motion prevailed.

Rep. Aiyash moved that House Committees be given leave to meet during the balance of today’s session. The motion prevailed.

House Resolution No. 49.

A resolution to honor the courage of the Ukrainian people.

Whereas, On February 24, 2022, the Russian Federation launched an unprovoked, unjustified, and intolerable military assault on the nation of Ukraine. While Russia has violated Ukraine’s sovereign territory for years, illegally annexing Crimea in 2014 and militarily invading Ukraine’s eastern regions of Donetsk and Luhansk, the decision to engage in a protracted, full-scale military assault on Ukraine is a violation of international law and human decency. The invasion of Ukraine has resulted in at least 8,006 civilian deaths and over 13,200 injuries. Russia’s criminal war has created 8 million refugees – Ukrainians who have been forced to flee their homes to seek sanctuary in other parts of Europe and around the world – and nearly 5.9 million internally displaced people. The illegal and brutal assault on Ukraine, continues to this day and is a crime against humanity, with unceasing Russian attacks against innocent Ukrainian civilian populations and critical infrastructure, leaving people without shelter, heat, and water. The United Nations estimates that 17.6 million people in Ukraine, nearly half the population currently living in the country, will need humanitarian assistance this year; and

Whereas, The Russian Federation and its agents have engaged in the most heinous war crimes in Ukraine, including torturing, raping, and executing non-combatant civilians in contravention of the basic tenets of international law and forcibly relocating tens of thousands to hundreds of thousands of Ukrainian children to facilities far from their homes, severing communication with their families, and attempting to “re-educate” them to believe Russian propaganda and lies. These gravest violations of international humanitarian law can never be tolerated; and

Whereas, The President of the United States and the national legislatures of Poland, Canada, Estonia, Latvia, Lithuania, and the Republic of Ireland, alongside numerous respected institutions and scholars of genocide, have recognized the genocidal intent of the Russian Federation’s illegal actions in Ukraine; and

Whereas, Members of minority communities in Ukraine have faced disproportionate hardship as a result of Russia’s illegal war, including LGBTQ+ Ukrainians, Ukrainian Jews, and black Ukrainians. Even before the 2022 invasion, Russian occupying authorities repressed Tatars and other religious minorities in occupied Crimea; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body honor the courage of the Ukrainian people.

The question being on the adoption of the resolution,

The resolution was adopted.

By unanimous consent the House returned to the order of
