125.2193.new Entrepreneur-in-residence project; establishment in strategic fund; goals.

Sec. 3. (1) The entrepreneur-in-residence project is established in the strategic fund.
(2) The project goals include all of the following:
   (a) Improving outreach by state government to the private sector.
   (b) Strengthening coordination and interaction between state government and the private sector on issues relevant to entrepreneurs and small business concerns.
   (c) Making state government economic development programs and incentives simpler and easier to access, more efficient, and more responsive to the needs of entrepreneurs and small business concerns.
