141.1234 Review team; appointment; composition; purpose; conditions; functions; report of findings; time; copies of report; conclusion.

Sec. 34. (1) Within 30 days after an occurrence described in this subsection, the governor shall appoint a review team composed of the superintendent of public instruction, the state treasurer, the director of the department of management and budget, a nominee of the senate majority leader, and a nominee of the speaker of the house of representatives to review the financial condition of a school district if 1 or more of the following occur:

(a) The governor is informed by the superintendent of public instruction pursuant to section 33(2) that he or she has determined that the school district has a serious financial problem.

(b) The school district is in default in the payment of interest on or principal of any obligation of the school district.

(c) The school district fails to pay its employees within 5 days of any regularly scheduled payday.

(d) The school district fails to make any contribution required by a pension, retirement, or benefit plan in accordance with state law.

(e) The superintendent of public instruction determines that the school district has failed to comply substantively with the terms of an approved deficit elimination plan required under section 102 of the state school aid act of 1979, Act No. 94 of the Public Acts of 1979, being section 388.1702 of the Michigan Compiled Laws.

(f) The state treasurer notifies the governor that the appointment of a review team is necessary to protect the credit of the school district or the state, or both.

(2) The review team appointed by the governor pursuant to subsection (1) shall have full power in its review to perform all of the following functions:

(a) Examine the books and records of the school district.

(b) Utilize the services of other state agencies and employees and employ professionals necessary to assist in its duties.

(c) Sign a consent agreement with the superintendent of the school district. The agreement may provide for remedial measures considered necessary, including, but not limited to, a long-range financial recovery plan requiring specific actions. The agreement may utilize state financial management and technical assistance as necessary in order to alleviate the financial problem of the school district. The agreement may also provide for periodic fiscal status reports to the superintendent of public instruction. Before the consent agreement becomes effective, the school board of the school district, by a majority vote of the total number of members authorized by law to serve on the board, shall approve the agreement.

(3) The review team shall report its findings to the governor and the state board within 30 days after its appointment, or earlier if required by the governor. Upon request, the governor may grant 1 60-day extension of this time limit. The review team shall send a copy of its report to the superintendent of public instruction, the school board of the school district, the senate majority leader, and the speaker of the house of representatives. The review team shall include 1 of the following conclusions in its report:

(a) The school district does not have a serious financial problem.

(b) The school district does have a serious financial problem, but a consent agreement containing a plan to resolve the problem has been adopted pursuant to subsection (2)(c).

(c) The school district has a financial emergency because a consent agreement containing a plan to resolve a serious financial problem within the school district has not been adopted.
