141.1242 Revoking declaration of financial emergency; recommendation; resolution.

Sec. 42. The superintendent of public instruction may determine and certify that the conditions for revoking the declaration of a financial emergency have been met after receiving a recommendation from the emergency financial manager. The emergency financial manager may condition his or her recommendation to the superintendent of public instruction upon the school board's adoption of a resolution that will ensure the adoption of a balanced budget, elimination of any remaining accumulated deficit, and the prevention of additional negative fund balances.
