(b) The charges or fees for services performed must be reasonable.

(c) The expenses incurred and payment received must be allocated to the insurer in conformity with customary insurance accounting practices consistently applied.

(d) The books, accounts, and records of each party must be maintained to clearly and accurately disclose the precise nature and details of the transactions including necessary accounting information to support the reasonableness of the charges or fees to the respective parties.

(e) The insurer's surplus as regards policyholders following any dividends or distributions to shareholder affiliates must be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs so that the insurer continues to comply with section 403.

(2) The director's prior approval is required for sales, purchases, exchanges, loans, extensions of credit, or investments, involving 5% or more of the insurer's assets at the immediately preceding year's end, between a domestic controlled insurer and a person in its holding company system.

(3) A domestic insurer and a person in its holding company system shall not enter into the following transactions with each other, or modify an existing transaction, unless the insurer notifies the director in writing of its intention to enter into the transaction, or its reason to modify an existing transaction and the modification's financial impact on the insurer, at least 30 days, or a shorter period as the director allows, before entering into or modifying the transaction and the director has not disapproved it within that period:

(a) A sale, purchase, exchange, loan, extension of credit, or investment, if the transaction is equal to or greater than the lesser of 3% of the insurer's assets or 25% of capital and surplus as of December 31 of the immediately preceding year.

(b) A loan or extension of credit to a person who is not an affiliate, if the insurer makes the loan or extends the credit with the agreement or understanding that the proceeds of the transaction, in whole or in substantial part, will be used to make a loan or extend credit to, to purchase an asset of, or to invest in, an affiliate of the insurer making the loan or extending credit if the transaction is equal to or greater than the lesser of 3% of the insurer's assets or 25% of capital and surplus as of December 31 of the immediately preceding year.

(c) A guarantee that is quantifiable and exceeds the lesser of 0.5% of the insurer's admitted assets or 10% of surplus as of December 31 of the immediately preceding year. A guarantee that is not quantifiable under this subdivision is subject to prior approval of the director.

(d) A direct or indirect acquisition of, or investment in, a person that controls the insurer or that controls an affiliate of the insurer, if the amount of the transaction plus the insurer's present holdings in investment exceeds 2.5% of surplus. This subdivision does not apply to a direct or indirect acquisition of, or investments in, a subsidiary acquired under section 1305 or any other section of this chapter, or a nonsubsidiary insurance affiliate that is subject to this act.

(e) A reinsurance treaty or agreement.

(f) Rendering of services on a regular systematic basis.

(g) A tax allocation agreement.
(h) A cost-sharing agreement.

(i) A material transaction, specified by regulation, that the director determines may adversely affect the interests of the insurer's policyholders.

(4) An insurer shall informally notify the director of a termination of transaction under subsection (3) no later than 30 days after the transaction terminates.

(5) Subsection (3) does not authorize or permit a transaction that, for an insurer that is not a member of the same holding company system, would be otherwise contrary to law.

(6) A domestic insurer shall not enter into transactions that are part of a plan or series of like transactions with persons within the holding company system if the purpose of those separate transactions is to avoid the threshold amount under this chapter and thus avoid the review that would otherwise occur. If the director determines that the separate transactions were entered into over any relevant period for that purpose, he or she may exercise his or her authority under section 1371.

(7) In reviewing a transaction under subsection (2), the director shall consider whether the transaction complies with the standards described in subsection (1) and whether it may otherwise adversely affect the interests of policyholders, creditors, or the public.

(8) A domestic insurer shall notify the director within 30 days of the domestic insurer's investment in any 1 corporation if the insurance holding company system's total investment in the corporation exceeds 10% of the corporation's voting securities.

500.1342 Application of MCL 500.436a.

Sec. 1342. In determining whether an insurer remains safe, reliable, and entitled to public confidence for the purposes of sections 1324 to 1343, the commissioner shall apply the standards of section 436a.

Popular name: Act 218

500.1343 Ordinary shareholder dividends paid by domestic insurers; review by director; determination of reasonableness; factors; limiting or disallowing payment of shareholder dividends; declaration or payment from earned surplus; declaration of shareholder dividend by domestic insurer as member of insurance holding company system; extraordinary dividend or distribution to shareholders; hearing.

Sec. 1343. (1) Each year the director shall review the ordinary shareholder dividends paid by domestic insurers to determine whether each insurer's surplus following those dividends is reasonable in relation to the insurer's outstanding liabilities and adequate to its needs so that it continues to comply with section 403. In conducting the review and making the determination, the director shall consider all of the following factors in addition to factors listed in section 436a:

(a) The adequacy of the level of surplus as regards policyholders remaining after the dividend payment or payments.

(b) The quality of the insurer's earnings and the extent to which the reported earnings include extraordinary items, such as surplus relief reinsurance transactions and reserve destrengthening.

(c) The quality and liquidity of investments in subsidiaries. The director may discount any of those investments or refuse to consider the investment as an asset for purposes of determining the adequacy of surplus as regards policyholders if the investment so warrants.

(2) If the director determines that an insurer's surplus as regards policyholders is not reasonable in relation to the insurer's outstanding liabilities and is not adequate to its financial needs so that the insurer will not continue to comply with section 403, the director shall limit or disallow the payment of shareholder dividends.

(3) Shareholder dividends shall be declared or paid only from earned surplus, unless the director approves the dividend before payment. The director shall consider whether the dividend will be paid from the insurer's net gain from operations if the insurer is a life insurer, or the insurer's net income if the insurer is not a life insurer, for the 12-month period ending December 31 of the immediately preceding year. For purposes of this subsection, earned surplus excludes surplus arising from unrealized capital gains or a revaluation of assets.

(4) A domestic insurer that is a member of an insurance holding company system and declares a shareholder dividend shall report the dividend to the director within 5 business days after declaring the dividend. The insurer shall not pay the dividend until 10 days after the director receives a report under this
(5) An insurer subject to registration under section 1324 shall not pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until 30 days after the director has received notice of the declaration and has not disapproved or has approved the payment within that period. If the director, applying the criteria in subsection (1), determines that the insurer's surplus as regards policyholders is not reasonable in relation to the insurer's outstanding liabilities and is not adequate to its financial needs so that the insurer will not continue to comply with section 403, the director may, before the expiration of the 30-day period described in this subsection, enter an order prohibiting the payment of the dividend.

(6) An extraordinary dividend or distribution includes a dividend or distribution of cash or other property, whose fair market value plus the fair market value of other dividends or distributions made within the preceding 12 months exceeds the greater of 10% of the insurer's surplus as regards policyholders as of December 31 of the immediately preceding year, or the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending December 31 of the immediately preceding year, but shall not include pro rata distributions of any class of the insurer's own securities.

(7) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional on the director's approval. The declaration does not confer rights on shareholders until the director has approved or has not disapproved the payment of the dividend or distribution within the 30-day period described in subsection (5).

(8) Notwithstanding subsections (5) through (7), a dividend shall not be declared and paid by an insurer to an affiliate if after the payment the insurer could not satisfy the standards described in section 403.

(9) An insurer aggrieved by the director's determination or order under this section is entitled to a contested case hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. A hearing under this subsection must be held no later than 10 days after receipt of the insurer's request. The director's determination or order shall remain in effect except as modified by the director during the pendency of the hearing and until a final decision by the director. The director shall render a final decision within 30 days after the conclusion of the hearing.

500.1351 Examination of insurer or affiliates; information; experts; expenses.

Sec. 1351. (1) Subject to the limitation in this section and in addition to the powers that the director has under chapters 2 and 4 relating to the examination of insurers, the director may order an insurer registered under section 1324 to produce records, books, or other information papers in the possession of the insurer or its affiliates as are necessary to determine the insurer's financial condition, including enterprise risk to the insurer by the ultimate controlling party, or by combination of entities within the insurance holding company system, or by the insurance holding company system on a consolidated basis, or legality of conduct. If the insurer fails to comply with the order, the director may examine the affiliates to obtain the information. The director may order an insurer registered under section 1324 to produce information not in the possession of the insurer if the insurer can obtain access to the information under a contractual relationship, statutory obligation, or other method. If the insurer cannot obtain the information requested by the director, the insurer shall provide the director with a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of information. If the director determines the detailed explanation is without merit, the director may require, after notice and hearing, the insurer to pay a civil fine of $1,000.00 for each day's delay or may suspend or revoke the insurer's license.
(2) The director may retain at the registered insurer's expense attorneys, actuaries, accountants, and other experts not otherwise a part of the director's staff as are reasonably necessary to assist in the conduct of the examination under subsection (1). The expense of the attorneys, actuaries, accountants, and other experts shall be certified by the director and paid as provided in sections 216 and 224. The person retained is under the direction and control of the director and shall act in a purely advisory capacity.

(3) Each registered insurer producing for examination records, books, and papers under subsection (1) is liable for and shall pay the expense of the examination under sections 216 and 224.

500.1355 Examination of insurer or affiliates; confidentiality of information; written consent; disclosure; notice; publication in interest of public; sharing documents, materials, or other information with regulator, NAIC, or law enforcement authority; written agreement; responsibility of director.

Sec. 1355. (1) Except as otherwise provided in this subsection, the information, documents, and copies of documents obtained by or disclosed to the director or any other person in the course of an examination or investigation made under sections 1351 and 1357 and the information reported under sections 1324 to 1333 is confidential, is not subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, is not subject to subpoena, is not subject to discovery or admissible in evidence in a private civil or administrative action, and shall not be made public by the director or any other person, without the prior written consent of the insurer to which it pertains. The director may, after giving the insurer and its affiliates who would be affected by the disclosure notice and opportunity to be heard, disclose the information if the director determines that the interests of policyholders, shareholders, or the public will be served by the publication of the information. The director or a person who received documents, materials, or other information while acting under the authority of the director or with whom the documents, materials, or other information is shared under this act shall not testify in a private civil or administrative action concerning confidential documents, materials, or information obtained under sections 1351 and 1357 and information reported under sections 1324 to 1333.

(2) The director may share documents, materials, or other information, including the confidential and privileged documents, materials, or information obtained under sections 1351 and 1357 and information reported under sections 1324 to 1333 with other state, federal, and international regulatory agencies; the NAIC; and state, federal, and international law enforcement authorities, including members of a supervisory college under section 1357, if the regulator, the NAIC, or law enforcement authority agrees in writing to maintain the confidentiality and privileged status of the document, material, or other information and has verified in writing the legal authority to maintain confidentiality. The director may only share confidential and privileged documents, material, or information reported under section 1325a with commissioners of states having statutes or regulations substantially similar to subsection (1) and who have agreed in writing to not disclose the information. The director may receive documents, materials, or information, including otherwise confidential and privileged documents, materials, or information from the NAIC and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information. The disclosure or sharing of information, a document, or other material to the director or other person under this section is not a waiver of an applicable privilege or claim of confidentiality.

(3) Documents, materials, or other information in the possession or control of the department or the NAIC under this chapter are confidential and privileged, are not subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, are not subject to subpoena, and are not subject to discovery or admissible as evidence in a private civil or administrative action. The director shall enter into written agreements with the NAIC governing sharing and use of information provided under this chapter. The written agreement must specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC and its affiliates and subsidiaries, including procedures and protocols for sharing by the NAIC with other state, federal, or international regulators. The agreement must provide that the director owns the information shared with the NAIC and its affiliates and subsidiaries and that the NAIC's use of the information is subject to the direction of the director. The agreement must provide for prompt notice to be given to an insurer whose confidential information in possession of the NAIC under this chapter is subject to a request or subpoena to the NAIC for disclosure or production, and require the NAIC and its affiliates and subsidiaries to consent to intervention by an insurer in a judicial or administrative action.
(4) The sharing of information by the director under this chapter is not a delegation of regulatory authority or rule-making, and the director is solely responsible for the administration, execution, and enforcement of the provisions of this chapter.

Sec. 1357. (1) The director may participate in a supervisory college for a domestic insurer that is part of an insurance holding company system with international operations to determine the insurer's financial condition, business strategy, risk management, risk exposures, governance processes, regulatory position, or legality of conduct. The director may participate in a supervisory college with other regulators including state, federal, and international regulatory agencies, charged with the supervision of the insurer or its affiliates. The authority of the director under this section includes, but is not limited to, initiating a supervisory college, clarifying membership and participation of other supervisors in the supervisory college, clarifying the functions of the supervisory college and roles of other regulators including establishing a groupwide supervisor, coordinating ongoing activities of the supervisory college, and establishing a crisis management plan.

(2) The insurer is liable for and shall pay the reasonable expenses for the director to participate in the supervisory college, including reasonable travel expenses, if the director considers it appropriate to require the insurer to pay these costs.

(3) The director may enter into agreements under section 1355 providing the basis for cooperation and sharing of confidential information with state, federal, and international regulatory agencies that regulate the domestic insurer or affiliates within the insurance holding company system. ### 500.1359 Internationally active insurance group; group-wide supervisor; determination factors; duties.

Sec. 1359. (1) The director may act as the group-wide supervisor for any internationally active insurance group in accordance with this section. However, the director may otherwise acknowledge another regulatory official as the group-wide supervisor if any of the following apply to the internationally active insurance group:

(a) The internationally active insurance group does not have substantial insurance operations in the United States.

(b) The internationally active insurance group has substantial insurance operations in the United States, but not in this state.

(c) The internationally active insurance group has substantial insurance operations in the United States and this state, but the director has determined under the factors set forth in subsections (3), (4), and (8) that the other regulatory official is the appropriate group-wide supervisor.

(2) An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the director make a determination or acknowledgement as to a group-wide supervisor under this section.

(3) Subject to subsection (4), in cooperation with other state, federal, and international regulatory agencies, the director shall identify a single group-wide supervisor for an internationally active insurance group. The director may determine that the director is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this state. However, the director may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. The director shall consider all of the following factors when making a determination or acknowledgement under this subsection:

(a) The place of domicile of the insurers within the internationally active insurance group that hold the largest share of the group's written premiums, assets, or liabilities.

(b) The place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group.

(c) The location of the executive offices or largest operational offices of the internationally active insurance group.

(d) Whether another regulatory official is acting or is seeking to act as the group-wide supervisor under a
regulatory system that the director determines to be either of the following:

(i) Substantially similar to the system of regulation provided under the laws of this state.

(ii) Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials.

(e) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the director with reasonably reciprocal recognition and cooperation.

(4) A commissioner identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another supervisor to serve as the group-wide supervisor. The acknowledgement of the group-wide supervisor must be made in consideration of the factors under subsection (3), and must be made in cooperation with and subject to the acknowledgement of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

(5) Notwithstanding any other provision of law, if another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the director shall acknowledge that regulatory official as the group-wide supervisor. However, the director shall make a determination or acknowledgement as to the appropriate group-wide supervisor for the internationally active insurance group under subsection (3) in the event of a material change in the internationally active insurance group that results in either of the following:

(a) The internationally active insurance group's insurers domiciled in this state holding the largest share of the group's premiums, assets, or liabilities.

(b) This state being the place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group.

(6) Pursuant to section 1351, the director may collect from an insurer registered under section 1324 all information necessary to determine whether the director may act as the group-wide supervisor of an internationally active insurance group or if the director may acknowledge another regulatory official to act as the group-wide supervisor. Before issuing a determination that an internationally active insurance group is subject to group-wide supervision by the director, the director shall notify the insurer registered under section 1324 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group has at least 30 days to provide the director with additional information pertinent to the pending determination. The director shall publish on its website the identity of internationally active insurance groups that the director has determined are subject to group-wide supervision by the director.

(7) If the director is the group-wide supervisor for the internationally active insurance group, the director may engage in any of the following group-wide supervision activities:

(a) Assess the enterprise risks within the internationally active insurance group to ensure both of the following:

(i) That the material financial condition and liquidity risk to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management.

(ii) That reasonable and effective mitigation measures are in place.

(b) Request, from any member of the internationally active insurance group subject to the director's supervision, information necessary and appropriate to assess enterprise risk, including, but not limited to, information about the members of the internationally active insurance group regarding any of the following:

(i) Governance, risk assessment, and management.

(ii) Capital adequacy.

(iii) Material intercompany transactions.

(c) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of the internationally active insurance group that are engaged in the business of insurance.

(d) Communicate with other state, federal, and international regulatory agencies for members within the internationally active insurance group and share relevant information, subject to the confidentiality provisions of section 1355, through supervisory colleges as provided in section 1357 or otherwise.

(e) Enter into agreements with or obtain documentation from any insurer registered under section 1324, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the director's role as group-wide supervisor, including provisions for resolving disputes with the other regulatory officials. The agreements or documentation described in this subdivision must not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this state is doing business in this state or is otherwise subject to jurisdiction.
in this state.

(f) Other group-wide supervision activities, consistent with the authorities and purposes provided in this subsection, as considered necessary by the director.

(8) If the director acknowledges that another regulatory official from a jurisdiction that is not accredited by the NAIC is the group-wide supervisor, the director may reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor if both of the following apply:

(a) The director's cooperation is in compliance with the laws of this state.

(b) The regulatory official acknowledged as the group-wide supervisor also recognizes and cooperates with the director's activities as a group-wide supervisor for other internationally active insurance groups where applicable. If recognition and cooperation described in this subdivision is not reasonably reciprocal, the director may refuse recognition and cooperation.

(9) The director may enter into agreements with or obtain documentation from any insurer registered under section 1324, any affiliate of the insurer, and other state, federal, and international regulatory agencies for members of the internationally active insurance group, that provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

(10) A registered insurer subject to this section is liable for and shall pay the reasonable expenses of the director's participation in the administration of this section, including the engagement of attorneys, actuaries, and any other professionals and all reasonable travel expenses.

Violation of chapter; action by director; criminal proceeding; penalty; disapproval of dividends or distributions.

Sec. 1371. (1) An insurer that does not, without just cause, file a registration statement required under this chapter shall, after notice and hearing, pay a civil fine of $1,000.00 for each day's delay, up to a maximum of $50,000.00, to be recovered by the director and paid into the general fund. The director may reduce the penalty if the insurer demonstrates to the director that the civil fine would cause financial hardship to the insurer.

(2) Every director or officer of an insurance holding company system who knowingly violates, knowingly participates in or assents to, or with actual knowledge permits any of the officers or agents of the insurer to engage in material acts, omissions, or transactions or make investments that have not been properly reported or submitted under section 1324, 1341, or 1343, that, with respect to material transactions, violate this chapter, or that result in material false or misleading statements to the director with respect to the financial condition of the insurer or any of its affiliates shall pay, in their individual capacity, a civil forfeiture of not more than $10,000.00 per violation, after notice and hearing before the director. In determining the amount of the civil forfeiture, the director shall take into account the appropriateness of the forfeiture with respect to the gravity of the violation, the history of previous violations, and other matters as justice requires. In addition, a violation of this subsection is grounds for removal of a director or officer from a position of trust or responsibility in an insurer domiciled in this state in accordance with the procedures established in section 250.

(3) If it appears to the director that an insurer subject to this chapter or an insurer's director, officer, employee, or agent has engaged in a transaction or entered into a contract that is subject to section 1341 or 1344 and that would not have been approved had approval been requested, the director may order the insurer to cease and desist immediately any further activity under that transaction or contract. After notice and hearing, the director may also order the insurer to void the contract, transaction, or distribution, and restore the status quo if that action is in the best interest of the policyholders, creditors, or the public.

(4) If it appears to the director that an insurer or an insurer's director, officer, employee, or agent has committed a willful violation of this chapter, the director may institute criminal proceedings in the circuit court for the county in which the principal office of the insurer is located or, if the insurer does not have a principal office in this state, in the Ingham county circuit court against the insurer or the insurer's responsible director, officer, employee, or agent. An insurer that willfully violates this chapter may be fined not more than $50,000.00. An individual who willfully violates this chapter may be fined not more than $10,000.00 or, if the willful violation involves the deliberate perpetration of a fraud upon the director, imprisoned not more than 2 years, or both.

(5) An officer, director, or employee of an insurance holding company system who willfully and knowingly subscribes to or makes or causes to be made a false statement, false report, or false filing with the intent to deceive the director in the performance of his or her duties under this chapter, shall be imprisoned for not more than 2 years, or fined $10,000.00, or both. The officer, director, or employee shall pay a fine in his or her individual capacity.

(6) If the director determines that a person violated section 1311 and the violation prevents the full understanding of the enterprise risk of the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision under chapter 81.

500.1377 Liquidation or rehabilitation; recovery of certain distributions or payments.
Sec. 1377. (1) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed under the order shall have a right to recover on behalf of the insurer both of the following:
(a) From any parent corporation, holding company, or person who otherwise controls the insurer, the amount of distributions, other than distributions of shares of the same class of stock, paid by the insurer on its capital stock if made at any time during the 3 years preceding the petition for liquidation, conservation, or rehabilitation.
(b) Any payment in the form of an extraordinary bonus, termination settlement, or lump sum salary adjustment made by the insurer or its subsidiary to a director, officer, or employee if made at any time during the 3 years preceding the petition for liquidation, conservation, or rehabilitation.
(2) A distribution or payment shall not be recoverable under this section if the parent or affiliate or the director, officer, or employee shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution or payment might adversely affect the ability of the insurer to fulfill its contractual obligations. If payments were made to more than 1 director, officer, or employee, this subsection shall apply to the aggregate of those payments.
(3) A person who was a parent corporation, holding company, or a person who otherwise controlled the insurer or affiliate at the time the distribution was paid shall be liable up to the amount of distributions or payments under subsection (1) that the person received.
