Sec. 642. (1) When a roadway has been divided into 2 or more clearly marked lanes for traffic, the following rules in addition to all others consistent with this act apply:

(a) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from the lane until the operator has first ascertained that the movement can be made with safety. Upon a roadway with 4 or more lanes that provides for 2-way movement of traffic, a vehicle shall be operated within the extreme right-hand lane except when overtaking and passing, but shall not cross the center line of the roadway except where making a left turn.

(b) Upon a roadway that is divided into 3 lanes and provides for 2-way movement of traffic, a vehicle shall not be operated in the center lane except when overtaking and passing another vehicle traveling in the same direction, when the center lane is clear of traffic within a safe distance, or in preparation for a left turn, or where the center lane is at the time allocated exclusively to traffic moving in the same direction the vehicle is proceeding and the allocation is designated by official traffic control devices.

(c) Official traffic control devices may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and operators of vehicles shall obey the directions of the traffic-control device.

(d) Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway, and operators of vehicles shall obey the directions of the traffic-control devices.

(b) Law enforcement vehicles.

(c) Transit buses operated by a regional transit authority created under the regional transit authority act.

(3) A person who violates this section is responsible for a civil infraction.
