257.679 Following or parking within certain distance of fire apparatus; violation as civil infraction.

Sec. 679. (1) The driver of a vehicle other than a vehicle on official business shall not follow any fire apparatus traveling in response to a fire alarm closer than 500 feet or drive into or park the vehicle within 500 feet where fire apparatus has stopped in answer to a fire alarm.

(2) A person who violates this section is responsible for a civil infraction.

Compiler's note: The words “driver into” in subsection (1) evidently should read “drive into”.
