324.1305 Receipt of permit application; notice of incomplete application; time period; request for new or additional information.

Sec. 1305. (1) After a department receives an application for a permit, the department shall determine whether the application is administratively complete. Unless the department proceeds as provided under subsection (2), the application shall be considered to be administratively complete when the department makes that determination or 30 days after the state receives the application, whichever is first.

(2) If, before the expiration of the 30-day period under subsection (1), the department notifies the applicant that the application is not administratively complete, specifying the information necessary to make the application administratively complete, or notifies the applicant that a fee required to accompany the application has not been paid, specifying the amount due, the running of the 30-day period under subsection (1) is tolled until the applicant submits to the department the specified information or fee amount due. The notice shall be given in writing or by electronic notification.

(3) Subject to subsection (4), after an application for a permit is considered to be administratively complete under this section, the department shall not request from the applicant any new or additional information that is not specified in the list required under section 1303(2)(a) unless the request includes a detailed explanation of why the information is needed. The applicant is not required to provide the requested information as a condition for approval of the permit.

(4) After an application for a permit is considered to be administratively complete under this section, the department may request the applicant to clarify, amplify, or correct the information required for the application. The applicant shall provide the requested information.
