324.6532 Protection of public from fraud and abuse; quality assurance; evaluation of cost; effectiveness and benefits of inspection program; report.

Sec. 6532. (1) The department shall institute procedures and mechanisms to protect the public from fraud and abuse by inspectors, mechanics, and others involved in the inspection and maintenance program. These procedures and mechanisms shall include a challenge mechanism by which a vehicle owner can contest the results of an inspection. It shall include mechanisms for protecting whistleblowers and following up on complaints by the public or others involved in the process. It shall include a program to assist owners in obtaining warranty covered repairs for eligible vehicles that fail a test.

(2) The department shall provide quality assurance for the inspection and maintenance program established under this part through certification of competency by a third party to ensure proper and accurate emission inspection results. The third party each year shall certify the testing equipment and the emission inspectors employed by a testing station.

(3) The department shall compile data and undertake studies necessary to evaluate the cost, effectiveness, and benefits of the motor vehicle inspection program. The department shall compile data on failure rate, compliance rate, the number of certificates issued, and other similar matters in accordance with 40 C.F.R. 51.365 and 51.366. The department shall make an annual report on the operation of the motor vehicle inspection program to the standing committees of the legislature that primarily address issues pertaining to public health or protection of the environment by January 1, 1995, and each year thereafter.
