333.1012 Advisory committee.  
Sec. 2. The department of public health shall establish an advisory committee composed of a representative of each poison center in this state, for the purpose of developing guidelines for the implementation and operation of the state plan for the poison control center network.

Compiler's note: For transfer of poison control center network advisory committee to department of community health by type III transfer, see E.R.O. No. 2010-9, compiled at MCL 333.26363.
