333.16286 Telehealth service; restrictions or conditions; findings by disciplinary subcommittee.

Sec. 16286. In a manner consistent with this part and in addition to the provisions set forth in this part, a disciplinary subcommittee may place restrictions or conditions on a health professional's ability to provide a telehealth service if the disciplinary subcommittee finds that the health professional has violated section 16284 or 16285.
