333.21721 Bond required.

Sec. 21721. (1) Before issuance or renewal of a nursing home license under this article, the owner, operator, or governing body of the nursing home shall give a bond and provide evidence of a patient trust fund in an amount consistent with subsection (2) and with the surety the department approves. The bond shall be conditioned that the applicant shall hold separately in the trust fund all patients' funds deposited with the applicant, shall administer the funds on behalf of the patient in the manner directed by the depositor, shall render a true and complete account to the patient not less than once each 3 months, to the depositor when requested, and to the department of public health and the department of social services, when requested. Upon termination of the deposit, the applicant shall account for all funds received, expended, and held on hand. The bond shall insure the department of public health, for the benefit of the patients.

(2) The bond shall be in an amount equal to not less than 1-1/4 times the average balance of patient funds held during the previous year. The department may require an additional bond, or permit the filing of a bond in a lower amount, if the department determines a change in the average balance has occurred or may occur. An applicant for a new license shall file a bond in an amount which the department estimates as 1-1/4 times the average amount of patient funds which the applicant, upon the issuance of the license, is likely to hold during the first year of operation.
