333.26504 Compliance with act and state and local codes.

Sec. 4. (1) A housing-with-services establishment shall comply with this act and shall comply with applicable state and local codes.

(2) This act does not mandate a housing-with-services establishment to provide any of the following:

(a) A minimum core of services.
(b) A specific number of residents.
(c) Physical plant or establishment specifications so long as the housing-with-services establishment is in compliance with applicable state and local codes.
