Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 2 of article 5 of the Michigan Constitution of 1963 empowers the governor to make changes in the organization of the executive branch of state government or in the assignment of functions among its units that are necessary for efficient administration.

To avoid licensing delays and to better coordinate varying sources of authority for the enforcement of state law, the administration of state laws relating to marijuana can more effectively and efficiently be administered by a dedicated state agency.

Changing the organization of the executive branch of state government is necessary in the interests of efficient administration and effectiveness of government.

Acting pursuant to the Michigan Constitution of 1963 and Michigan law, I order the following:
