(2) The per-pupil allocation to each district under this section shall be the difference between the dollar amount of the adjustment from the 2015-2016 state fiscal year to the current state fiscal year in the basic foundation allowance minus the dollar amount of the adjustment from the 2015-2016 fiscal year to the current state fiscal year in a qualifying district's foundation allowance.

If a district's local revenue per pupil exceeds the foundation allowance under section 20 but does not exceed the sum of the foundation allowance under section 20 plus the per-pupil allocation under subsection (2), the total payment to the district calculated under this section shall be the product of the difference between the sum of the foundation allowance under section 20 plus the per-pupil allocation under subsection (2) minus the local revenue per pupil multiplied by the district's membership excluding special education pupils. If a district's local revenue per pupil exceeds the sum of the foundation allowance under section 20 plus the per-pupil allocation under subsection (2), there is no payment calculated under this section for the district.

(4) Payments to districts shall not be made under this section. Rather, the calculations under this section shall be made and used to determine the amount of state payments under section 22b.
