388.1694a.amended Center for educational performance and information.

Sec. 94a. (1) There is created within the state budget office in the department of technology, management, and budget the center for educational performance and information. The center shall do all of the following:
   (a) Coordinate the collection of all data required by state and federal law from districts, intermediate districts, and postsecondary institutions.
   (b) Create, maintain, and enhance this state's P-20 longitudinal data system and ensure that it meets the requirements of subsection (4).
   (c) Collect data in the most efficient manner possible in order to reduce the administrative burden on reporting entities, including, but not limited to, electronic transcript services.
   (d) Create, maintain, and enhance this state's web-based educational portal to provide information to school leaders, teachers, researchers, and the public in compliance with all federal and state privacy laws. Data shall include, but are not limited to, all of the following:
      (i) Data sets that link teachers to student information, allowing districts to assess individual teacher impact on student performance and consider student growth factors in teacher and principal evaluation systems.
      (ii) Data access or, if practical, data sets, provided for regional data hubs that, in combination with local data, can improve teaching and learning in the classroom.
      (iii) Research-ready data sets for researchers to perform research that advances this state's educational performance.
   (e) Provide data in a useful manner to allow state and local policymakers to make informed policy decisions.
   (f) Provide public reports to the citizens of this state to allow them to assess allocation of resources and the return on their investment in the education system of this state.
   (g) Other functions as assigned by the state budget director.

(2) Each state department, officer, or agency that collects information from districts, intermediate districts, or postsecondary institutions as required under state or federal law shall make arrangements with the center to ensure that the state department, officer, or agency is in compliance with subsection (1). This subsection does not apply to information collected by the department of treasury under the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a; the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821; the school bond qualification, approval, and loan act, 2005 PA 92, MCL 388.1921 to 388.1939; or section 1351a of the revised school code, MCL 380.1351a.

(3) The center may enter into any interlocal agreements necessary to fulfill its functions.

(4) The center shall ensure that the P-20 longitudinal data system required under subsection (1)(b) meets all of the following:
   (a) Includes data at the individual student level from preschool through postsecondary education and into the workforce.
   (b) Supports interoperability by using standard data structures, data formats, and data definitions to ensure linkage and connectivity in a manner that facilitates the exchange of data among agencies and institutions within the state and between states.
   (c) Enables the matching of individual teacher and student records so that an individual student may be matched with those teachers providing instruction to that student.
   (d) Enables the matching of individual teachers with information about their certification and the institutions that prepared and recommended those teachers for state certification.
   (e) Enables data to be easily generated for continuous improvement and decision-making, including timely reporting to parents, teachers, and school leaders on student achievement.
   (f) Ensures the reasonable quality, validity, and reliability of data contained in the system.
   (g) Provides this state with the ability to meet federal and state reporting requirements.
   (h) For data elements related to preschool through grade 12 and postsecondary, meets all of the following:
      (i) Contains a unique statewide student identifier that does not permit a student to be individually identified by users of the system, except as allowed by federal and state law.
      (ii) Contains student-level enrollment, demographic, and program participation information.
      (iii) Contains student-level information about the points at which students exit, transfer in, transfer out, drop out, or complete education programs.
   (iv) Has the capacity to communicate with higher education data systems.
(i) For data elements related to preschool through grade 12 only, meets all of the following:
   (i) Contains yearly test records of individual students for assessments approved by DED-OESE for
       accountability purposes under section 1111(b) of the elementary and secondary education act of 1965, 20
       USC 6311, including information on individual students not tested, by grade and subject.
   (ii) Contains student-level transcript information, including information on courses completed and grades
       earned.
   (iii) Contains student-level college readiness test scores.
   (j) For data elements related to postsecondary education only:
   (i) Contains data that provide information regarding the extent to which individual students transition
       successfully from secondary school to postsecondary education, including, but not limited to, all of the
       following:
       (A) Enrollment in remedial coursework.
       (B) Completion of 1 year's worth of college credit applicable to a degree within 2 years of enrollment.
       (ii) Contains data that provide other information determined necessary to address alignment and adequate
           preparation for success in postsecondary education.

(5) From the general fund appropriation in section 11, there is allocated an amount not to exceed $16,356,700.00 for 2018-2019 to the department of technology, management, and budget to support the operations of the center. In addition, from the federal funds appropriated in section 11, there is allocated for 2018-2019 the amount necessary, estimated at $193,500.00, to support the operations of the center and to establish a P-20 longitudinal data system necessary for state and federal reporting purposes. The center shall cooperate with the department to ensure that this state is in compliance with federal law and is maximizing opportunities for increased federal funding to improve education in this state.

(6) From the funds allocated in subsection (5), the center may use an amount determined by the center for competitive grants for 2018-2019 to support collaborative efforts on the P-20 longitudinal data system. All of the following apply to grants awarded under this subsection:
   (a) The center shall award competitive grants to eligible intermediate districts or a consortium of
       intermediate districts based on criteria established by the center.
   (b) Activities funded under the grant shall support the P-20 longitudinal data system portal and may
       include portal hosting, hardware and software acquisition, maintenance, enhancements, user support and
       related materials, and professional learning tools and activities aimed at improving the utility of the P-20
       longitudinal data system.
   (c) An applicant that received a grant under this subsection for the immediately preceding fiscal year shall
       receive priority for funding under this section. However, after 3 fiscal years of continuous funding, an
       applicant is required to compete openly with new applicants.
   (7) Funds allocated under this section that are not expended in the fiscal year in which they were allocated
       may be carried forward to a subsequent fiscal year and are appropriated for the purposes for which the funds
       were originally allocated.
   (8) The center may bill departments as necessary in order to fulfill reporting requirements of state and
       federal law. The center may also enter into agreements to supply custom data, analysis, and reporting to other
       principal executive departments, state agencies, local units of government, and other individuals and
       organizations. The center may receive and expend funds in addition to those authorized in subsection (5) to
       cover the costs associated with salaries, benefits, supplies, materials, and equipment necessary to provide such
       data, analysis, and reporting services.
   (9) As used in this section:
   (a) "DED-OESE" means the United States Department of Education Office of Elementary and Secondary
       Education.
   (b) "State education agency" means the department.
