380.1701 Duties of superintendent of public instruction.

Sec. 1701. The superintendent of public instruction shall do all of the following:
(a) Require each intermediate school board to submit a plan pursuant to section 1711, in accordance with special education rules, to be approved by the superintendent of public instruction.
(b) Promulgate rules setting forth the requirements of the plans and procedures for submitting them.

380.1701a Special education programs and services; public school academy as local school district.

Sec. 1701a. For the purposes of ensuring that a student with a disability enrolled in a public school academy is provided with special education programs and services, the public school academy is considered to be a local school district under this article.

Popular name: Act 451

380.1702 Special education programs and services; application for approval of noncomplying programs and services; notice of noncompliance; proof of compliance or emergency; directing provision of complying programs or services; funding; contributing; unreimbursed cost.

Sec. 1702. (1) If a local school district board claims the existence of an emergency due to extreme financial conditions because of insufficient operating funds or due to a severe classroom shortage, which emergency the local school district claims renders it unable to provide special education programs and services in compliance with section 1751, the local school district board shall apply in writing to the state board before July 1 of the particular school year for approval to provide special education programs or services which do not comply with section 1751. The state board may extend the filing date for good cause.
(2) In its application the local school district board shall demonstrate the need to provide noncomplying special education programs and services and shall include the proposed programs and services it is able to provide and the efforts to be undertaken to alleviate the emergency. If the state board finds an emergency exists in the local school district for the school year, the state board may approve the providing of noncomplying special education programs or services and prescribe conditions for those programs and services.
(3) If the state board determines that a local school district is not providing special education programs and services in compliance with section 1751, and the local school district has not obtained prior approval from the state board, the state board shall give the local school district board written notice of the noncompliance. Unless the local school district board submits proof of compliance or of an unforeseen emergency within 30 days after receipt of the notice, the state board shall direct the intermediate school board of which the local school district is constituent to provide complying programs or services. The state board shall direct the intermediate school board to provide only those programs or services which the state board determines the local school district is not providing in compliance with section 1751.
(4) Special education programs or services which the state board directs an intermediate school district to provide shall be funded as if provided by the local school district and the local school district board shall contribute to the intermediate school district the unreimbursed cost of the programs or services.

380.1703 Qualifications and requirements for special education personnel; rules relative to special education programs and services; review.
Sec. 1703. (1) Special education personnel shall meet the qualifications and requirements of rules promulgated by the state board.

(2) Curriculum, eligibility of specific persons for special education programs and services and for each particular program or service, review procedures regarding the placement of persons in the programs or services, size of classes, size of programs, quantity and quality of equipment, supplies and housing, adequacy of methods of instruction, and length and content of school day shall be in accordance with rules promulgated by the state board relative to special education programs and services.

(3) Not later than September 30, 1996, the state board shall conduct a review of all rules promulgated by the state board or department pertaining to special education. The review shall consider at least all of the following:

(a) The need to eliminate unnecessary separation and duplication between regular education and special education facilities, staff, programs, services, and pupils.

(b) Potential benefits from coordination between all relevant federal, state, regional, and local organization services, including public and private organization services, for pupils with special needs, and encouragement of the provision of comprehensive necessary services delivered by the most appropriate organization or person in the most cost-effective and programmatically effective manner.

(c) The advisability of simplification of rules or regulations and processes relating to identification of need and provision of services to special needs pupils, avoidance of barriers and cost and other penalties or discouragements to effective programming, and avoidance of requirements as to staff or program criteria that are not research based; allowing and encouraging reasonably flexible, workable, and, if appropriate, cooperatively operated comprehensive services, including reasonable endorsement or other qualification categories for personnel, to be delivered to pupils with related or similar special needs, as may be consistent with research.

(d) A goal of providing educational and training services in a manner that maximizes for the benefit of the pupil the combination of the provisions of this act and federal law relating to inclusion, while avoiding, to the degree reasonably possible, requiring by rule an overall increase in a program or service beyond that required before December 23, 1978.

380.1704 Short title of section; standards for teachers of blind and visually impaired pupils; providing information advocating braille instruction; electronic file format versions of textbooks or braille versions; pupil with some remaining vision; instruction consistent with other pupils; definitions.

Sec. 1704. (1) This section shall be known and may be cited as the "blind pupil's Braille literacy law".

(2) The department shall adopt Braille reading and writing standards for teachers of blind and visually impaired pupils and shall disseminate these standards to all school districts, intermediate school districts, and teacher preparation programs. These standards shall be included in the rules governing special education programs and services. In establishing these standards, the department shall consider the standards adopted by the national library service for the blind and physically handicapped of the United States library of congress.

(3) When a local or intermediate school district receives information from the department, or information that is approved by the department from a consumer organization that advocates for the blind, describing the benefits of instruction in Braille reading and writing, the local or intermediate school district shall provide this information to each person on the blind pupil's individualized educational planning committee.

(4) The department shall accept and respond to requests from local and intermediate school districts and shall work with textbook publishers to obtain electronic file format versions of textbooks or Braille versions of textbooks, or both. The department may also, on behalf of local and intermediate school districts, request and arrange for converting an electronic file format version of a textbook to a Braille version. The department shall process and make these requests in a timely manner.

(5) Upon request, a publisher of a textbook that is adopted for instructional use by a school district shall furnish the department with an electronic version of the textbook if the textbook is for a literary subject or, for a textbook for a nonliterary subject, if the technology is available to convert the textbook directly to a format compatible with Braille translation software. A publisher shall not charge a price for this electronic version that exceeds the price it charges for the print or electronic media version of the textbook.

(6) A local or intermediate school district or an individualized educational planning committee shall not deny a pupil the opportunity for instruction in Braille reading and writing solely because the pupil has some
remaining vision.
(7) Instruction for blind pupils shall be consistent with the goals and standards established by this state for all pupils.
(8) As used in this section:
(a) "Blind pupil" means a pupil who is determined to manifest 1 or more of the following:
   (i) A visual acuity of 20/200 or less in the better eye after routine refractive correction.
   (ii) A field of vision that is limited so that the widest diameter of the visual field subtends an angle not greater than 20 degrees.
   (iii) A medically indicated expectation of visual deterioration that is expected to result in 1 or both of the conditions described in subparagraphs (i) and (ii).
(b) "Individualized education program" means that term as defined in section 614 of part B of title VI of the individuals with disabilities education act, Public Law 91-230, 20 U.S.C. 1414, or in R 340.1701A of the Michigan administrative code.
(c) "Individualized educational planning committee" means that term as defined in R 340.1701A of the Michigan administrative code or an individualized education program team as defined in section 614 of part B of title VI of the individuals with disabilities education act, Public Law 91-230, 20 U.S.C. 1414.
(d) "Textbook" includes a text published in electronic media that is used for instructional purposes.

**SPECIAL EDUCATION PROGRAMS AND SERVICES; INTERMEDIATE SCHOOL BOARDS**

**380.1711 Duties of intermediate school board; expenditures.**

Sec. 1711. (1) The intermediate school board shall do all of the following:
(a) Develop, establish, and continually evaluate and modify in cooperation with its constituent districts, a plan for special education that provides for the delivery of special education programs and services designed to meet the individual needs of each student with a disability of whom the intermediate school board is required to maintain a record under subdivision (f). The plan shall coordinate the special education programs and services operated or contracted for by the constituent districts and shall be submitted to the superintendent of public instruction for approval.
(b) Contract for the delivery of a special education program or service, in accordance with the intermediate school district plan in compliance with section 1701. Under the contract the intermediate school board may operate special education programs or services and furnish transportation services and room and board.
(c) Employ or engage special education personnel in accordance with the intermediate school district plan, and appoint a director of special education meeting the qualifications and requirements of the rules promulgated by the superintendent of public instruction.
(d) Accept and use available funds or contributions from governmental or private sources for the purpose of providing special education programs and services consistent with this article.
(e) Lease, purchase, or otherwise acquire vehicles, sites, buildings, or portions thereof, and equip them for its special education staff, programs, and services.
(f) Maintain a record of each student with a disability under 26 years of age, who is a resident of 1 of its constituent districts and who has not graduated from high school, and the special education programs or services in which the student with a disability is participating on the fourth Friday after Labor Day and Friday before Memorial Day. The sole basis for determining the local school district in which a student with a disability is a resident shall be the rules promulgated by the superintendent of public instruction notwithstanding the provisions of section 1148. The records shall be maintained in accordance with rules promulgated by the superintendent of public instruction.
(g) Have the authority to place in appropriate special education programs or services a student with a disability for whom a constituent district is required to provide special education programs or services under section 1751.
(h) Investigate special education programs and services operated or contracted for by the intermediate school board or constituent district boards and report in writing failures to comply with the provisions of a contract, statute, or rule governing the special education programs and services or with the intermediate school district plan, to the local school district board and to the superintendent of public instruction.
(i) Operate the special education programs or services or contract for the delivery of special education programs or services by local school district boards, in accordance with section 1702, as if a local school district under section 1751. The contract shall provide for items stated in section 1751 and shall be approved.
by the superintendent of public instruction. The intermediate school board shall contract for the transportation, or room and board, or both, or persons participating in the program or service as if a local school district board under sections 1756 and 1757.

(j) Receive the report of a parent or guardian or, with the consent of a parent or guardian, receive the report of a licensed physician, registered nurse, social worker, or school or other appropriate professional personnel whose training and relationship to students with a disability provide competence to judge them and who in good faith believes that a person under 26 years of age examined by the professional is or may be a student with a disability, and immediately evaluate the person pursuant to rules promulgated by the superintendent of public instruction. A person making or filing this report or a local school district board shall not incur liability to a person by reason of filing the report or seeking the evaluation, unless lack of good faith is proven.

(k) Evaluate pupils in accordance with section 1311.

(2) The intermediate school board may expend up to 10% of the annual budget but not to exceed $12,500.00, for special education programs approved by the intermediate school board without having to secure the approval of the superintendent of public instruction.

380.1724 Increasing millage limit; submission of question; election; form of ballot.

Sec. 1724. Subject to section 1724a, an intermediate school board operating under sections 1722 to 1729 may direct that the question of increasing the millage limit on the annual property tax levied for special education be submitted to the school electors of the intermediate school district. The election shall be called and held in the manner provided in section 661. The ballot shall be substantially in the following form:

"Shall the ____________ mill limitation on the annual property tax previously approved by the electors of the ____________ (legal name of the intermediate school district), state of Michigan, for the education of students with a disability be increased by ____________ mills?

Yes ( )

No ( )".

History:
380.1724a Property taxes levied by intermediate school district for special education.

Sec. 1724a. (1) Beginning in 1995, and subject to section 625b, the board of an intermediate school district may levy ad valorem property taxes for special education purposes under sections 1722 to 1729 at a rate not to exceed 1.75 times the number of mills of those taxes authorized in the intermediate school district in 1993. All or part of the millage levied under this section may be renewed as provided in this article. Approval of the intermediate school electors is not required for the levy under this section of previously authorized mills until that authorization expires.

(2) An intermediate school district that levies a tax for special education operating purposes shall not use proceeds from the tax for any purpose other than special education operating purposes and shall submit to the department of treasury a copy of the audit report from the audit of the intermediate school district conducted under section 622a. If the department of treasury determines from the audit report that the proceeds from the tax have been used for a purpose other than special education operating purposes, as defined under subsection (4), the department of treasury shall notify the intermediate school district of that determination. If the intermediate school district disputes the determination or claims that the situation has been corrected, within 15 days after receipt of the determination the intermediate school district may submit an appeal of the determination to the department of treasury. Within 90 days after receipt of the appeal, the department of treasury shall consider the appeal and make a determination of whether the initial determination was correct or incorrect and of whether the situation has been corrected. If the department of treasury finds that the initial determination was correct and that the situation has not been corrected, then the department of treasury shall file a copy of the report with the attorney general. The attorney general shall review the report and, if the attorney general considers it appropriate, shall commence or direct the prosecuting attorney for the county in which the violations occurred to commence appropriate proceedings against the intermediate school board or the official or employee. These proceedings shall include at least a civil action in a court of competent jurisdiction for the recovery of any public money determined by the audit to have been illegally expended and for the recovery of any public property determined by the audit to have been converted or misappropriated.

(3) If the attorney general determines from a report filed under subsection (2) that an intermediate school district has misspent tax proceeds as described in subsection (2) and notifies the intermediate school district of this determination, the intermediate school district shall repay to its special education operating fund an amount equal to the amount the department of treasury determined under subsection (2) has been used for a purpose other than special education operating purposes. The intermediate school district shall make this repayment from funds of the intermediate school district that lawfully may be used for making such a repayment.

(4) For the purposes of subsections (2) and (3), the department and the department of treasury, in consultation with intermediate school districts, shall develop and make available to intermediate school districts a definition of special education operating purposes.

(5) An intermediate school district shall not hold more than 2 elections in a calendar year concerning the authorization of a millage rate for special education purposes under sections 1722 to 1729.

380.1725 Special education budget; preparation; form; delivery.

Sec. 1725. An intermediate school board operating under sections 1722 to 1729 shall prepare annually a special education budget which shall be in the same form as that provided for local school districts. The budget shall be delivered to the county clerks of the counties in which the intermediate school district is located. The county clerk receiving the budget shall deliver it to the tax allocation board in the same manner as local school district budgets are handled.

380.1726 Special education budget; allocation of tax rates.

Sec. 1726. (1) County tax allocation boards shall receive special education budgets from their respective county clerks, shall treat them as local school district budgets are treated, and shall allocate tax rates to intermediate school districts for the purposes set forth in sections 1722 to 1729, except in counties which have established separate tax limitation millage rates pursuant to sections 5a to 5m of Act No. 62 of the Public Acts of 1933, as amended, being sections 211.205a to 211.205m of the Michigan Compiled Laws.
(2) The allocations shall be handled in the same manner as other allocations for local school districts.
(3) The allocations shall not be made within the 15 mill limitation but shall be within the charter limitations of section 6 of article 9 of the state constitution of 1963. The allocations shall not exceed the limit authorized by the election at which these sections became effective.

380.1727 Certification of tax levy; rate limitation; spreading amount on tax rolls; collection of taxes.

Sec. 1727. (1) An intermediate school board shall certify the amount of taxes to be levied for collection to the officials of the local property tax collecting unit. The certification shall be made in the same manner as local school districts certify tax levies but the rate certified for levy shall not exceed the amount allocated in counties which have not established separate tax limitation rates.
(2) On receipt of the tax certificate from the intermediate school board, the officials responsible for the levying and collection of taxes shall spread on the tax rolls a special education tax equal to the amount ordered spread, and shall collect the taxes in the same manner as other taxes are collected.

(2) An intermediate school district shall not issue bonds for purposes of purchasing, erecting, completing, remodeling, improving, furnishing, refurnishing, equipping, or reequipping buildings for special education for an amount greater than 1.5% of the total assessed valuation of the intermediate school district.
(3) An intermediate school district shall not use the proceeds from bonds issued or refunded under this section or levy a tax to repay bonds issued or refunded under this section for any purpose other than facilities used for special education purposes. If a facility is to be used during regular school hours for purposes other than providing special education programs and services, proceeds from bonds issued or refunded under this section or from millage levied to repay bonds issued or refunded under this section shall be used only for that portion of the facility that is used for providing special education programs and services.

### PAR 31

SPECIAL EDUCATION PROGRAMS AND SERVICES; LOCAL SCHOOL BOARDS

### 380.1751 Special education programs and services of local school district.

Sec. 1751. (1) The board of a local school district shall provide special education programs and services designed to meet the individual needs of each student with a disability in its district on record under section 1711 for whom an appropriate educational or training program can be provided in accordance with the intermediate school district special education plan, in either of the following ways or a combination thereof:

(a) Operate the special education program or service.

(b) Contract with its intermediate school board, another intermediate school board, another local school district board, an adjacent school district board in a bordering state, the Michigan schools for the deaf and blind, the department of health and human services, or any combination thereof, for delivery of the special education programs or services, or with an agency approved by the superintendent of public instruction for delivery of an ancillary professional special education service. The intermediate school district of which the local school district is constituent shall be a party to each contract even if the intermediate school district does not participate in the delivery of the program or services.

(2) A local school district contract for the provision of a special education program or service shall provide specifically for:
(a) Special education buildings, equipment, and personnel necessary for the operation of the subject program or service.

(b) Transportation or room and board, or both, for persons participating in the programs or services as required under sections 1756 and 1757.

(c) The contribution to be made by the sending local school district if the program or service is to be operated by another party to the contract. The contribution shall be in accordance with rules promulgated by the superintendent of public instruction.

(d) Other matters the parties consider appropriate.

(3) Each program or service operated or contracted for by a local school district shall be in accordance with the intermediate school district's plan established pursuant to section 1711.

(4) A local school district may provide additional special education programs and services not included in, or required by, the intermediate school district plan.

(5) This section shall be construed to allow operation of programs by departments of state government without local school district contribution.
