460.10/ Agreement to transfer securitization property as true sale.

Sec. 10. (1) An agreement by an electric utility or assignee to transfer securitization property that expressly states that the transfer is a sale or other absolute transfer signifies that the transaction is a true sale and is not a secured transaction and that title, legal and equitable, has passed to the entity to which the securitization property is transferred.

(2) A true sale under this section applies regardless of whether the purchaser has any recourse against the seller, or any other term of the parties' agreement, including the seller's retention of an equity interest in the securitization property, the fact that the electric utility acts as a collector of securitization charges relating to the securitization property, or the treatment of the transfer as a financing for tax, financial reporting, or other purposes.
