Sec. 3172. (1) A person entitled to claim because of accidental bodily injury arising out of the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle in this state may obtain personal protection insurance benefits through the assigned claims plan if no personal protection insurance is applicable to the injury, no personal protection insurance applicable to the injury can be identified, the personal protection insurance applicable to the injury cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, or the only identifiable personal protection insurance applicable to the injury is, because of financial inability of 1 or more insurers to fulfill their obligations, inadequate to provide benefits up to the maximum prescribed. In that case, unpaid benefits due or coming due may be collected under the assigned claims plan and the insurer to which the claim is assigned is entitled to reimbursement from the defaulting insurers to the extent of their financial responsibility.

(2) Except as otherwise provided in this subsection, personal protection insurance benefits, including benefits arising from accidents occurring before March 29, 1985, payable through the assigned claims plan shall be reduced to the extent that benefits covering the same loss are available from other sources, regardless of the nature or number of benefit sources available and regardless of the nature or form of the benefits, to a person claiming personal protection insurance benefits through the assigned claims plan. This subsection only applies if the personal protection insurance benefits are payable through the assigned claims plan because no personal protection insurance is applicable to the injury, no personal protection insurance applicable to the injury can be identified, the personal protection insurance applicable to the injury cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, or the only identifiable personal protection insurance applicable to the injury is, because of financial inability of 1 or more insurers to fulfill their obligations, inadequate to provide benefits up to the maximum prescribed. As used in this subsection, "sources" and "benefit sources" do not include the program for medical assistance for the medically indigent under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, or insurance under the health insurance for the aged act, title XVIII of the social security act, 42 USC 1395 to 1395kkk-1.

(3) If the obligation to provide personal protection insurance benefits cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, and if a method of voluntary payment of benefits cannot be agreed upon among or between the disputing insurers, all of the following apply:

(a) The insurers who are parties to the dispute shall, or the claimant may, immediately notify the Michigan automobile insurance placement facility of their inability to determine their statutory obligations.

(b) The claim shall be assigned by the Michigan automobile insurance placement facility to an insurer and the insurer shall immediately provide personal protection insurance benefits to the claimant or claimants entitled to benefits.

(c) An action shall be immediately commenced on behalf of the Michigan automobile insurance placement facility by the insurer to whom the claim is assigned in circuit court to declare the rights and duties of any interested party.

(d) The insurer to whom the claim is assigned shall join as parties defendant to the action commenced under subdivision (c) each insurer disputing either the obligation to provide personal protection insurance benefits or the equitable distribution of the loss among the insurers.

(e) The court shall declare the rights and duties of any interested party whether or not other relief is sought or could be granted.

(f) After hearing the action, the circuit court shall determine the insurer or insurers, if any, obligated to provide the applicable personal protection insurance benefits and the equitable distribution, if any, among the insurers obligated, and shall order reimbursement to the Michigan automobile insurance placement facility from the insurer or insurers to the extent of the responsibility as determined by the court. The reimbursement ordered under this subdivision shall include all benefits and costs paid or incurred by the Michigan automobile insurance placement facility and all benefits and costs paid or incurred by insurers determined not to be obligated to provide applicable personal protection insurance benefits, including reasonable, actually
incurred attorney fees and interest at the rate prescribed in section 3175 as of December 31 of the year preceding the determination of the circuit court.
