560.139 Public utilities; easements.
    Sec. 139. All public utility easements included in the plat shall be shown as follows:
    (a) By their widths and relationship to the lot or street lines.
    (b) As at least 12 feet wide where the rear lines of lots are contiguous.
    (c) As at least 6 feet wide if a lot has no adjoining subdivisions.
