66.1 Ordinance; style; passage; days required to be effective.

Sec. 1. The style of an ordinance shall be: "The village of ......................... ordains." An ordinance, except as otherwise provided in this act, requires for its passage the concurrence of a majority vote of the members of council. An ordinance shall state its effective date, which may be upon publication, except that an ordinance imposing a sanction shall not take effect before the twentieth day after its passage or before the date of its publication, whichever occurs first.
