388.1804 Goods or services provided by Michigan businesses; preference.

Sec. 203. Unless otherwise specified, a community college that receives appropriations in section 201, the workforce development agency, and the center shall use the internet to fulfill the reporting requirements of this article. This requirement may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on an internet or intranet site.

Compiler's note: For the type III transfer of authority, powers, duties, functions, and responsibilities of the talent investment agency and the workforce development agency to the department of labor and economic opportunity, see E.R.O. No. 2019-3, compiled at MCL 125.1998.
Sec. 204. Funds appropriated in section 201 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available. Preference should be given to goods or services, or both, manufactured or provided by Michigan businesses, if they are competitively priced and of comparable quality. In addition, preference should be given to goods or services, or both, that are manufactured or provided by Michigan businesses that are owned and operated by veterans, if they are competitively priced and of comparable quality.

388.1805 Businesses in deprived and depressed communities; contracts.

Sec. 205. The principal executive officer of each community college that receives appropriations in section 201 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each principal executive officer shall strongly encourage businesses with which the community college contracts to subcontract with certified businesses in depressed and deprived communities for services or supplies, or both.

388.1806 Monthly installments.

Sec. 206. (1) The funds appropriated in section 201 are appropriated for community colleges with fiscal years ending June 30, 2020 and shall be paid out of the state treasury and distributed by the state treasurer to the respective community colleges in 11 monthly installments on the sixteenth of each month, or the next succeeding business day, beginning with October 16, 2019. Each community college shall accrue its July and August 2020 payments to its institutional fiscal year ending June 30, 2020.

(2) If the state budget director determines that a community college failed to submit any of the information described in subdivisions (a) to (f) in the form and manner specified by the center, the state treasurer shall, subject to subdivision (g), withhold the monthly installments from that community college until those data are submitted:

(a) The Michigan community colleges verified data inventory data for the preceding academic year to the center by the first business day of November of each year as specified in section 217.

(b) The college credit opportunity data set as specified in section 209.

(c) The longitudinal data set for the preceding academic year to the center as specified in section 219.

(d) The annual independent audit as specified in section 222.

(e) Tuition and mandatory fees information for the current academic year as specified in section 225.

(f) The number and type of associate degrees and other certificates awarded during the previous academic year as specified in section 226.

(g) The state budget director shall notify the chairs of the house and senate appropriations subcommittees on community colleges at least 10 days before withholding funds from any community college.

388.1807 Payment of employer's contribution to Michigan public school employees' retirement system; payment to more than 1 fund prohibited.

Sec. 207. (1) A community college shall pay the employer's contributions to the Michigan public school employees' retirement system created by the public school employees retirement act of 1979, 1980 PA 300, MCL 38.1301 to 38.1437. This payment is a condition of receiving funds appropriated under this article.

(2) A community college shall not pay an employer's contribution to more than 1 retirement fund providing benefits for an employee.

388.1807a Allocations; use; basis.

Sec. 207a. All of the following apply to the allocation of the fiscal year 2019-2020 appropriations described in section 201(4):

(a) A community college that receives money under section 201(4) shall use that money solely for the purpose of offsetting a portion of the retirement contributions owed by the college for that fiscal year.

(b) The amount allocated to each participating community college under section 201(4) shall be based on each college's percentage of the total covered payroll for all community colleges that are participating colleges in the immediately preceding fiscal year.

388.1807b Payments to community colleges as participating entities of retirement system.

Sec. 207b. All of the following apply to the allocation of the fiscal year 2019-2020 appropriations described in section 201(5) for payments to community colleges that are participating entities of the retirement system:

(a) The amount of a payment under section 201(5) shall be the difference between the unfunded actuarial accrued liability contribution rate as calculated under section 41 of the public school employees retirement act of 1979, 1980 PA 300, MCL 38.1341, as calculated without taking into account the maximum employer rate of 20.96% included in section 41 of the public school employees retirement act of 1979, 1980 PA 300, MCL 38.1341, and the maximum employer rate of 20.96% under section 41 of the public school employees retirement act of 1979, 1980 PA 300, MCL 38.1341.

(b) The amount allocated to each community college under section 201(5) shall be based on each community college’s percentage of the total covered payroll for all community colleges that are participating colleges in the immediately preceding fiscal year. A community college that receives funds under this subdivision shall use the funds solely for the purpose of retirement contributions under section 201(5).

(c) Each participating college that receives funds under section 201(5) shall forward an amount equal to the amount allocated under subdivision (b) to the retirement system in a form and manner determined by the retirement system.

388.1807c Allocation to community colleges described in MCL 125.2692.

Sec. 207c. All of the following apply to the allocation of the appropriations described in section 201(6) to community colleges described in section 12(3) of the Michigan renaissance zone act, 1996 PA 376, MCL 125.2692:

(a) The amount allocated to each community college under section 201(6) for fiscal year 2019-2020 shall be based on that community college’s proportion of total revenue lost by community colleges as a result of the exemption of property taxes levied in 2019 under the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696.

(b) The appropriations described in section 201(6) shall be made to each eligible community college within 60 days after the department of treasury certifies to the state budget director that it has received all necessary information to properly determine the amounts payable to each eligible community college under section 12 of the Michigan renaissance zone act, 1996 PA 376, MCL 125.2692.

388.1808 Self-liquidating projects; compliance with JCOS requirements.

Sec. 208. A community college shall not use money appropriated in section 201 to pay for the construction or maintenance of a self-liquidating project. A community college shall comply with section 238 of the management and budget act, 1984 PA 431, MCL 18.1238, and with the current use and finance requirements of the joint capital outlay subcommittee (JCOS) for any construction, renovation, or other capital outlay projects pursuant to JCOS policy. The appropriation in section 201 for a community college that fails to comply with JCOS requirements shall be reduced by 1% for each violation.

388.1809 Information to be available on website; icon badge; determination of compliance with section; report.

Sec. 209. (1) Within 30 days after the board of a community college adopts its annual operating budget for the following fiscal year, or after the board adopts a subsequent revision to that budget, the community college shall make all of the following available through a link on its website homepage:

(a) The annual operating budget and subsequent budget revisions.

(b) A link to the most recent "Michigan Community College Data Inventory Report".

(c) General fund revenue and expenditure projections for the current fiscal year and the next fiscal year.

(d) A listing of all debt service obligations, detailed by project, anticipated payment of each project, and total outstanding debt for the current fiscal year.

(e) Links to all of the following for the community college:

(i) The current collective bargaining agreement for each bargaining unit.
Each health care benefits plan, including, but not limited to, medical, dental, vision, disability, long-term care, or any other type of benefits that would constitute health care services, offered to any bargaining unit or employee of the community college.

A copy of the board of trustees resolution regarding compliance with best practices for the local strategic value component described in section 230(2).

A map that includes the boundaries of the community college district.

For statewide consistency and public visibility, community colleges must use the icon badge provided by the department of technology, management, and budget consistent with the icon badge developed by the department of education for K-12 school districts. It must appear on the front of each community college's homepage. The size of the icon may be reduced to 150 x 150 pixels.

The state budget director shall determine whether a community college has complied with this section. The state budget director may withhold a community college's monthly installments described in section 206 until the community college complies with this section. The state budget director shall notify the chairs of the house and senate appropriations subcommittee on community colleges at least 10 days before withholding funds from any community college.

Each community college shall report the following information to the senate and house appropriations subcommittees on community colleges, the senate and house fiscal agencies, and the state budget office by November 15 of each fiscal year and post that information on its website as required under subsection (1):

- Budgeted current fiscal year general fund revenue from tuition and fees.
- Budgeted current fiscal year general fund revenue from state appropriations.
- Budgeted current fiscal year general fund revenue from property taxes.
- Budgeted current fiscal year total general fund revenue.
- Budgeted current fiscal year total general fund expenditures.

By the first business day of November of each year, a community college shall report the following information to the center and post the information on its website under the budget transparency icon badge:

- Opportunities for earning college credit through the following programs:
  - State approved career and technical education or a tech prep articulated program of study.
  - Direct college credit or concurrent enrollment.
  - Dual enrollment.
  - An early college/middle college program.

For each program described in subdivision (a) that the community college offers, all of the following information:

- The number of high school students participating in the program.
- The number of school districts that participate in the program with the community college.
- Whether a college professor, qualified local school district employee, or other individual teaches the course or courses in the program.
- The total cost to the community college to operate the program.
- The cost per credit hour for the course or courses in the program.
- The location where the course or courses in the program are held.
- Instructional resources offered to the program instructors.
- Resources offered to the student in the program.
- Transportation services provided to students in the program.

388.1809a Campus safety information and resources; availability on website; compliance certification.

Sec. 209a. (1) A public community college shall develop, maintain, and update a "campus safety information and resources" link, prominently displayed on the homepage of its website, to a section of its website containing all of the information required under subsection (2).

(2) The "campus safety information and resources" section of a public community college's website shall include, but not be limited to, all of the following information:

- Emergency contact numbers for police, fire, health, and other services.
- Hours, locations, phone numbers, and electronic mail contacts for campus public safety offices and title IX offices.
- A list of safety and security services provided by the community college, including transportation,
escort services, building surveillance, anonymous tip lines, and other available security services.

(d) A public community college's policies applicable to minors on community college property.

(e) A directory of resources available at the community college or surrounding community for students or employees who are survivors of sexual assault or sexual abuse.

(g) Campus security policies and crime statistics pursuant to the student right-to-know and campus security act, Public Law 101-542, 104 Stat 2381. Information shall include all material prepared pursuant to the public information reporting requirements under the crime awareness and campus security act of 1990, title II of the student right-to-know and campus security act, Public Law 101-542, 104 Stat 2381.

(3) A community college shall certify to the state budget director by October 1, 2019 and the last business day of each August thereafter, that it is in compliance with this section. The state budget director may withhold a public community college's monthly installments described in section 206 until the public community college complies with this section.

388.1810 Collaboration and cooperation with 4-year universities, local employers, students, and other community colleges; equivalency standards.

Sec. 210. (1) Recognizing the critical importance of education in strengthening Michigan's workforce, each community college is encouraged to explore ways of increasing collaboration and cooperation with 4-year universities, particularly in the areas related to training, instruction, and program articulation.

(2) Recognizing the central role of community colleges in responding to local employment needs and challenges, community colleges shall develop and continue efforts to collaborate with local employers and students to identify local employment needs and strategies to meet them.

(3) Community colleges are encouraged to collaborate with each other on innovations to identify and meet local employment needs.

(4) Community colleges are encouraged to work with universities to develop equivalency standards of core college courses and identify equivalent courses offered by postsecondary institutions.

Compiler's note: The repealed section pertained to transferability of core college courses between community colleges and public universities.

388.1810b Submission of report by Michigan Community College Association and Michigan Association of State Universities.

Sec. 210b. By March 1 of each year, the Michigan Community College Association and the Michigan Association of State Universities shall submit a report to the senate and house appropriations subcommittees on community colleges, the senate and house fiscal agencies, and the state budget director on the activities and programs of the transfer steering committee since March 1 of the previous year, including all of the following:

(a) The alignment of learning outcomes in gateway mathematics courses in the quantitative reasoning, college algebra, and statistics pathways and the transferability of mathematics gateway courses between and among community colleges and universities.

(b) The development of program-specific, statewide transfer pathways that meet program requirements for both associate and bachelor's degree programs.

(c) The development of an enhanced online communication tool to share information about postsecondary options in Michigan, course equivalencies, and transfer pathways that are clearly articulated.

(d) The establishment of clear timelines for developing and implementing transfer pathways.

(e) A progress report on the implementation of the Michigan transfer agreement.

Compiler's note: The repealed section pertained to transferability and applicability of associate of arts and associate of science degrees.
388.1810d Statewide reverse transfer agreements.

Sec. 210d. Community colleges are encouraged to work with public universities in the state to implement statewide reverse transfer agreements to increase the number of students that are awarded credentials of value upon completion of the necessary credits. These statewide agreements shall enable students who have earned a significant number of credits at a community college and transferred to a baccalaureate-granting institution before completing a degree to transfer the credits earned at the baccalaureate institution back to the community college in order to be awarded a credential of value.

Compiler's note: The repealed section pertained to report detailing number of academic program partnerships between public community colleges, public universities, and private colleges and universities.

388.1810f Academic program partnerships; report.

Sec. 210f. By February 1, 2020 and February 1 of every even-numbered year thereafter, the Michigan Community College Association, the Michigan Association of State Universities, and the Michigan Independent Colleges and Universities, on behalf of their member colleges and universities, shall submit to the senate and house appropriations subcommittees on higher education, the senate and house appropriations subcommittees on community colleges, the senate and house fiscal agencies, and the state budget director a comprehensive report detailing the number of academic program partnerships between public community colleges, public universities, and private colleges and universities, including, but not limited to, the following information:

(a) The names of the baccalaureate degree programs of study offered by public and private universities on community college campuses.
(b) The names of the articulation agreements for baccalaureate degree programs of study between public community colleges, public universities, and private colleges and universities.
(c) The number of students enrolled and number of degrees awarded through articulation agreements, and the number of courses offered, number of students enrolled, and number of degrees awarded through on-campus programs named in subdivision (a) from July 1, 2018 through June 30, 2019.

Compiler's note: The repealed section pertained to duties of community colleges.

388.1812 Cost-containment measures and efficiencies.

Sec. 212. Community college districts are encouraged to evaluate and pursue efficiency and cost-containment measures that maximize state funding. Community colleges shall identify practices that increase efficiencies, including, but not limited to, establishing joint ventures, consolidating services, utilizing program collaborations, maximizing educational benefits through optimal class sizes and frequency of course offerings, increasing web-based instruction, eliminating low-enrollment and high-cost instructional programs, using self-insurance, practicing energy conservation, and utilizing group purchasing. Community colleges shall also review proposed capital outlay projects to increase coordination and utilization of new facilities, renovation projects, and technology improvements.

Compiler's note: The repealed section pertained to statewide reverse transfer agreements.

Compiler's note: The repealed section pertained to developmental courses and common set of scores to determine placement.

388.1815 Annual title IX report.

Sec. 215. By October 31, each community college receiving funds under section 201 shall report to the senate and house appropriations subcommittees on community colleges, the senate and house fiscal agencies, and the state budget director its annual title IX report, also known as the student sexual misconduct report, issued by the title IX coordinator, as required under the federal campus SaVE act of 2013, Public Law 113-4, section 304, 127 Stat 54, 89-92 (2013).

Compiler's note: The repealed section pertained to legislative intent to review statutory mandates.

388.1817 Duties of center; Michigan Community College Data Inventory advisory committee.

Sec. 217. (1) The center shall do all of the following:
(a) Establish, maintain, and coordinate the state community college database commonly known as the "Michigan Community College Data Inventory".
(b) Collect data concerning community colleges and community college programs in this state, including data required by law.
(c) Establish procedures to ensure the validity and reliability of the data and the collection process.
(d) Develop model data collection policies, including, but not limited to, policies that ensure the privacy of any individual student data. Privacy policies shall ensure that student social security numbers are not released to the public for any purpose.
(e) Provide data in a useful manner to allow state policymakers and community college officials to make informed policy decisions.
(f) Compile and publish electronically the demographic enrollment profile.
(g) Compile and publish the community college performance improvement and performance completion rate data to support the performance funding formula metrics specified in section 230(1)(c) and (e).
(2) There is created within the center the Michigan Community College Data Inventory advisory committee. The committee shall provide advice to the director of the center regarding the management of the state community college database, including, but not limited to:
(a) Determining what data are necessary to collect and maintain to enable state and community college officials to make informed policy decisions.
(b) Defining the roles of all stakeholders in the data collection system.
(c) Recommending timelines for the implementation and ongoing collection of data.
(d) Establishing and maintaining data definitions, data transmission protocols, and system specifications and procedures for the efficient and accurate transmission and collection of data.
(e) Establishing and maintaining a process for ensuring the accuracy of the data.
(f) Establishing and maintaining policies related to data collection, including, but not limited to, privacy policies related to individual student data.
(g) Ensuring that the data are made available to state policymakers and citizens of this state in the most useful format possible.
(h) Addressing other matters as determined by the director of the center or as required by law.
(3) The Michigan Community College Data Inventory advisory committee created in subsection (2) shall consist of the following members:
(a) One representative from the house fiscal agency, appointed by the director of the house fiscal agency.
(b) One representative from the senate fiscal agency, appointed by the director of the senate fiscal agency.
(c) One representative from the workforce development agency, appointed by the director of the workforce development agency.
(d) One representative from the center, appointed by the director of the center.
(e) One representative from the state budget office, appointed by the state budget director.
(f) One representative from the governor's policy office, appointed by that office.
(g) Four representatives of the Michigan Community College Association, appointed by the president of the association, that represent a diverse mix of college sizes.

Compiler's note: For the type III transfer of authority, powers, duties, functions, and responsibilities of the talent investment agency and the workforce development agency to the department of labor and economic opportunity, see E.R.O. No. 2019-3, compiled at MCL 125.1998.

Compiler's note: The repealed section pertained to the exclusion of credit hours for a student incarcerated in a Michigan penal institution.

388.1819 Statewide P-20 education longitudinal data system; inclusion of information from each community college.

Sec. 219. By October 15 of each year, each community college shall provide its longitudinal data system.
388.1820 Performance audits.
Sec. 220. (1) The auditor general or a certified public accountant appointed by the auditor general may conduct performance audits of community colleges as the auditor general considers necessary.

(2) Within 60 days after an audit report is released by the office of the auditor general, the principal executive officer of the community college that was audited shall submit to the house and senate appropriations committees, the house and senate fiscal agencies, the auditor general, and the state budget director a plan to comply with audit recommendations. The plan shall contain projected dates and resources required, if any, to achieve compliance with the audit recommendations, or a documented explanation of the college’s noncompliance with the audit recommendations concerning the matters on which the audited community college and office of the auditor general disagree.

388.1821 Document retention.
Sec. 221. (1) A community college shall retain certified class summaries, class lists, registration documents, and student transcripts that are consistent with the taxonomy of courses. For each enrollment period during the fiscal year, these certified documents shall identify clearly by course the number of in-district and out-of-district student credit and contact hours. The class summaries and class lists shall be consistent with each other and shall include the course prefix and numbers, course title, course credit and contact hours, credit and contact hours generated by each student, and activity classifications consistent with the taxonomy. An auditable process shall be used by the community college to determine the unduplicated head count for in-district students, out-of-district students, and prisoners for each enrollment period during the fiscal year.

(2) A community college shall retain all contracts between the community college and agencies that reimburse the community college for the costs of instruction for audit purposes.

388.1822 Annual independent audit.
Sec. 222. Each community college shall have an annual audit of all income and expenditures performed by an independent auditor and shall furnish the independent auditor’s management letter and an annual audited accounting of all general and current funds income and expenditures including audits of college foundations to the center before November 15 of each year. The center shall provide this information to members of the senate and house appropriations subcommittees on community colleges, the senate and house fiscal agencies, the auditor general, the workforce development agency, and the state budget director. If a community college fails to furnish the audit materials, the monthly state aid installments shall be withheld from that college until the information is submitted. All reporting shall conform to the requirements set forth in the “2001 Manual for Uniform Financial Reporting, Michigan Public Community Colleges”. A community college shall make the information the community college is required to provide under this section available to the public on its website.

Compiler’s note: For the type III transfer of authority, powers, duties, functions, and responsibilities of the talent investment agency and the workforce development agency to the department of labor and economic opportunity, see E.R.O. No. 2019-3, compiled at MCL 125.1998.

Sec. 223. (1) By February 15 of each year, the department of civil rights shall annually submit to the state budget director, the house and senate appropriations subcommittees on community colleges, and the house and senate fiscal agencies a report on North American Indian tuition waivers for the preceding academic year that includes, but is not limited to, all of the following information:

(a) The number of waiver applications received and the number of waiver applications approved.

(b) For each community college submitting information under subsection (2), all of the following:

(i) The number of North American Indian students enrolled each term for the previous academic year.

(ii) The number of North American Indian waivers granted each term, including continuing education students, and the monetary value of the waivers for the previous academic year.
(iii) The number of students attending under a North American Indian tuition waiver who withdrew from
the college each term during the previous academic year. For purposes of this subparagraph, a withdrawal
occurs when a student who has been awarded the waiver withdraws from the institution at any point during
the term, regardless of enrollment in subsequent terms.

(iv) The number of students attending under a North American Indian tuition waiver who successfully
complete a degree or certificate program, separated by degree or certificate level, and the graduation rate for
students attending under a North American Indian tuition waiver who complete a degree or certificate within
150% of the normal time to complete, separated by the level of the degree or certificate.

(2) A community college that receives funds under section 201 shall provide to the department of civil
rights any information necessary for preparing the report described in subsection (1), using guidelines and
procedures developed by the department of civil rights.

(3) The department of civil rights may consolidate the report required under this section with the report
required under section 268, but a consolidated report must separately identify data for universities and data for
community colleges.

388.1824 Aggregate academic status of students; use of P-20 longitudinal data system.

Sec. 224. Using the data provided by the community colleges as required under section 219 of this act, the
center shall use the P-20 longitudinal data system to inform interested Michigan high schools and the public
of the aggregate academic status of its students for the previous academic year. The center shall work with the
Michigan Community College Association and in cooperation with the Michigan Association of Secondary
School Principals. Community colleges shall cooperate with the center to maintain a systematic approach for
accomplishing this work.

388.1825 Tuition and mandatory fees; report; cost of tuition and fees; revisions.

Sec. 225. Each community college shall report to the center by the last business day of August of each year
the tuition and mandatory fees paid by a full-time in-district student and a full-time out-of-district student as
established by the college governing board for the current academic year. This report should also include the
annual cost of tuition and fees based on a full-time course load of 30 credits. This report must also specify the
amount that tuition and fees have increased for each institution from the prior academic year. Each
community college shall also report any revisions to the reported current academic year tuition and mandatory
fees adopted by the college governing board to the center within 15 days of being adopted. The center shall
provide this information and any revisions to the house and senate fiscal agencies and the state budget
director.

388.1826 Associate degrees and certificates; report on numbers and type.

Sec. 226. Each community college shall report to the center by October 15 of each year the numbers and
type of associate degrees and other certificates awarded by the community college during the previous
academic year using the P-20 longitudinal data system.

Compiler's note: The repealed section pertained to a prohibition on the use of funds for vehicles manufactured outside the United
States.

388.1828 Communication of employee with member of legislature or staff.

Sec. 228. A community college shall not take disciplinary action against an employee for communicating
with a member of the legislature or the legislator’s staff.

388.1829 Applicant as veteran, current member of armed forces, or spouse or dependent;
question; review of in-district tuition issue; “veteran” defined.
Sec. 229. (1) Each community college that receives an appropriation in section 201 is expected to include in its admission application process a specific question as to whether an applicant for admission has ever served or is currently serving in the United States Armed Forces or is the spouse or dependent of an individual who has served or is currently serving in the United States Armed Forces, in order to more quickly identify potential educational assistance available to that applicant.

(2) It is expected that each public community college that receives an appropriation in section 201 shall work with the house and senate community college subcommittees, the Michigan Community College Association, and veterans groups to review the issue of in-district tuition for veterans of this state when determining tuition rates and fees.

(3) As used in this section, "veteran" means an honorably discharged veteran entitled to educational assistance under the provisions of section 5003 of the post-911 veterans educational assistance act of 2008, 38 USC 3301 to 3327.

(aa) Wayne County Community College, $1,466,300.00.
(bb) West Shore Community College, $773,100.00.

Compiler's note: The repealed section pertained to providing accurate information on student educational outcomes in employment market.

388.1830 Community college operations; performance funding; distribution; formula;
meeting best practice measures; resolution; categories of best practices; payments; condition.

Sec. 230. (1) Money included in the appropriations for community college operations under section 201(2) in fiscal year 2019-2020 for performance funding is distributed based on the following formula:
(a) Allocated proportionate to fiscal year 2018-2019 base appropriations, 30%.
(b) Based on a weighted student contact hour formula as provided for in the 2016 recommendations of the performance indicators task force, 25%.
(c) Based on the performance improvement as provided for in the 2016 recommendations of the performance indicators task force and based on data provided by the center, 10%.
(d) Based on the performance completion number as provided for in the 2016 recommendations of the performance indicators task force, 10%.
(e) Based on the performance completion rate as provided for in the 2016 recommendations of the performance indicators task force and based on data provided by the center, 10%.
(f) Based on administrative costs, 5%.
(g) Based on the local strategic value component, as developed in cooperation with the Michigan Community College Association and described in subsection (2), 5%.
(h) Based on the 6 community colleges with the lowest taxable values in the 2017-2018 Michigan community college data inventory report, weighted by fiscal year equated students, 5%.

(2) Money included in the appropriations for community college operations under section 201(2) for local strategic value shall be allocated to each community college that certifies to the state budget director, through a board of trustees resolution on or before October 15, 2019, that the college has met 4 out of 5 best practices listed in each category described in subsection (3). The resolution shall provide specifics as to how the community college meets each best practice measure within each category. One-third of funding available under the strategic value component shall be allocated to each category described in subsection (3). Amounts distributed under local strategic value shall be on a proportionate basis to each college's fiscal year 2018-2019 operations funding. Payments to community colleges that qualify for local strategic value funding shall be distributed with the November installment payment described in section 206.

(3) For purposes of subsection (2), the following categories of best practices reflect functional activities of community colleges that have strategic value to the local communities and regional economies:
(a) For Category A, economic development and business or industry partnerships, the following:
(i) The community college has active partnerships with local employers including hospitals and health care providers.
(ii) The community college provides customized on-site training for area companies, employees, or both.
(iii) The community college supports entrepreneurship through a small business assistance center or other training or consulting activities targeted toward small businesses.
(iv) The community college supports technological advancement through industry partnerships, incubation activities, or operation of a Michigan technical education center or other advanced technology center.
(v) The community college has active partnerships with local or regional workforce and economic development agencies.
(b) For Category B, educational partnerships, the following:
(i) The community college has active partnerships with regional high schools, intermediate school districts, and career-tech centers to provide instruction through dual enrollment, concurrent enrollment, direct credit, middle college, or academy programs.
(ii) The community college hosts, sponsors, or participates in enrichment programs for area K-12 students, such as college days, summer or after-school programming, or Science Olympiad.
(iii) The community college provides, supports, or participates in programming to promote successful transitions to college for traditional age students, including grant programs such as talent search, upward bound, or other activities to promote college readiness in area high schools and community centers.
(iv) The community college provides, supports, or participates in programming to promote successful transitions to college for new or reentering adult students, such as adult basic education, a high school equivalency test preparation program and testing, or recruiting, advising, or orientation activities specific to adults. As used in this subparagraph, "high school equivalency test preparation program" means that term as defined in section 4.
(v) The community college has active partnerships with regional 4-year colleges and universities to promote successful transfer, such as articulation, 2+2, or reverse transfer agreements or operation of a university center.
(c) For Category C, community services, the following:
(i) The community college provides continuing education programming for leisure, wellness, personal enrichment, or professional development.

(ii) The community college operates or sponsors opportunities for community members to engage in activities that promote leisure, wellness, cultural or personal enrichment such as community sports teams, theater or musical ensembles, or artist guilds.

(iii) The community college operates public facilities to promote cultural, educational, or personal enrichment for community members, such as libraries, computer labs, performing arts centers, museums, art galleries, or television or radio stations.

(iv) The community college operates public facilities to promote leisure or wellness activities for community members, including gymnasiums, athletic fields, tennis courts, fitness centers, hiking or biking trails, or natural areas.

(v) The community college promotes, sponsors, or hosts community service activities for students, staff, or community members.

(4) Payments for performance funding under section 201(2) shall be made to a community college only if that community college actively participates in the Michigan Transfer Network sponsored by the Michigan Association of Collegiate Registrars and Admissions Officers and submits timely updates, including updated course equivalencies at least every 6 months, to the Michigan transfer network. The state budget director shall determine if a community college has not satisfied this requirement. The state budget director may withhold payments for performance funding until a community college is in compliance with this section.

Compiler's note: The repealed section pertained to review, evaluation, discussion, and recommendation regarding performance indicators.
