The People of the State of Michigan enact:

551.101 Marriage license; requirements; place to obtain, delivery to person officiating.

Sec. 1. It shall be necessary for all parties intending to be married to obtain a marriage license from the county clerk of the county in which either the man or woman resides, and to deliver the said license to the clergyman or magistrate who is to officiate, before the marriage can be performed. If both parties to be married are non-residents of the state it shall be necessary to obtain such license from the county clerk of the county in which the marriage is to be performed.

551.102 Blank form for marriage license and certificate; preparation, contents, and distribution; furnishing blank forms of affidavit of competency; filing affidavit; electronic filing; license as matter of record; transmission to department of community health; social security number; application exempt from disclosure.

The state registrar shall furnish to each county clerk of this state blank application forms of an affidavit containing the requisite allegations, under the laws of this state, of the competency of the parties to unite in the bonds of matrimony, and as required to comply with federal law, containing a space requiring each applicant’s social security number. A party applying for a license to marry shall make and file the application in the form of an affidavit with the county clerk as a basis for issuing the license. The county clerk may permit a party applying for a marriage license to submit that application electronically. If the county clerk accepts an electronically submitted application, the clerk shall print the required information from the application in the form of an affidavit and have a party named in the application sign the affidavit in the presence of the county clerk or a deputy clerk. The state registrar shall not require an applicant’s social security number to be displayed on the marriage license.

(2) A person shall not disclose, in a manner not authorized by law or rule, a social security number collected as required by this section. A violation of this subsection is a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than $500.00, or both. A second or subsequent violation of this subsection is a felony punishable by imprisonment for not more than 4 years or a fine of not more than $2,000.00, or both.

(3) A requirement under this section to include a social security number on an application does not apply to an applicant who demonstrates he or she is exempt under law from obtaining a social security number or to an applicant who for religious convictions is exempt under law from disclosure of his or her social security number under these circumstances. The county clerk shall inform the applicant of this possible exemption.

(4) The application required to be completed under subsection (1) is a nonpublic record and is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. The application shall be made available, upon request, to the persons named in the application.

As proof of age, the person who intends to be married, in addition to the statement of age in the application, when requested by the county clerk, shall submit a birth certificate or other proof of age. The county clerk on the application submitted shall fill out the blank spaces of the license according to the sworn answers of the applicant, taken before the county clerk, or some person duly authorized by law to administer oaths. If it appears from the affidavit that either the applicant for a marriage license or the person whom he or she intends to marry is less than 18 years of age, the county clerk shall require that there first be produced the written consent of 1 of the parents of each of the persons who is less than 18 years of age or of the person’s legal guardian, unless the person does not have a living parent or guardian. The consent shall be to the marriage and to the issuing of the license for which the application is submitted. The consent shall be given personally in the presence of the county clerk or be acknowledged before a notary public or other officer authorized to administer oaths. A license shall not be issued by the county clerk until the requirements of this section are complied with. The written consent shall be preserved on file in the office of the county clerk. The county board of commissioners shall allocate $15.00 of each fee collected to the circuit court for family counseling services, which shall include counseling for domestic violence and child abuse. If family counseling services are not established in the county, the circuit court may use the money allocated to contract with public or private agencies providing similar services. If both parties named in the application are nonresidents of the state, the person applying for the license shall pay an additional fee of $10.00, which the county clerk shall deposit into the general fund of the county. The county clerk shall give the license filled out and signed, together with the blank form of certificate, to the person applying, for delivery to the individual who is to officiate at the marriage. On the return of the license to the county clerk, containing the signatures of the witnesses to the marriage, who shall be 18 years of age or older, the individuals being married, and the individual officiating at the marriage, with the certificate of the individual officiating at the marriage that the marriage has been performed, the county clerk shall record in the book of registration in the proper place of entry the information prescribed by the director of the department of community health. The licenses and certificates issued and returned shall be forwarded to the state registrar appointed by the director of the department of community health on the forms and in the manner prescribed by the director.

(3) A charter county that has a population of over 2,000,000 may impose by ordinance a marriage license fee or nonresident marriage license fee, or both, different in amount than the fee prescribed by subsection (2). A charter county shall not impose a fee that is greater than the cost of the service for which the fee is charged.

Sec. 3a. A marriage license shall not be delivered within a period of 3 days including the date of application. However, the county clerk of each county, for good and sufficient cause shown, may deliver the
license immediately following the application. If the county clerk delivers the license immediately following
the application, the person applying for the license shall pay a fee to be determined by the county board of
commissioners, which the county clerk shall deposit into the general fund of the county. A marriage license
issued is void unless a marriage is solemnized under the license within 33 days after the application.

1 of the parties, so joined in marriage, and within 10 days return the original to the county clerk issuing the

The People of the State of Michigan enact:

551.201 Issuance of marriage license without publicity; conditions; application; notice; consent; exceptions; order.

Sec. 1. (1) When a person desires to keep the exact date of his or her marriage to a person of the opposite sex a secret, the judge of probate may issue, without publicity, a marriage license to any person making application, under oath, if there is good reason expressed in the application and determined to be sufficient by the judge of probate.

(2) The judge of probate may marry, without publicity, persons under marriageable age, as provided in section 3 of Act No. 128 of the Public Acts of 1887, being section 551.103 of the Michigan Compiled Laws, if the application for the license is accompanied by 1 of the following:

(b) A written request of the parents or guardians of the party under marriageable age if only 1 party to the marriage is under the marriageable age.

(3) If the noncustodial parent has been given notice of the request for consent by personal service or registered mail at his or her last known address and the noncustodial parent fails to enter an objection within 5 days after receipt of notice, then the consent shall be required only of a parent to whom custody of a child has been awarded by a court. The consent shall not be required of a parent confined under sentence in a state or federal penal institution or confined in a mental hospital under adjudication of legal incapacity by a court of competent jurisdiction or upon the return of process by the sheriff of the county in which the parent was last known to reside made not less than 5 nor more than 14 days after issuance of the process certifying that after diligent search the parent cannot be found within the county.

The judge of probate, upon the filing of an application under this act, shall perform the marriage ceremony. If the applicant or either of the parties to the marriage desires to have the marriage ceremony performed by some person competent to perform the marriage ceremony other than the judge of probate, the judge of probate shall issue a written permit to the person designated by the applicant or contracting party directing that person to perform the marriage ceremony. The party so designated, if competent to perform the marriage ceremony under the laws of this state, may perform the marriage ceremony, but a record shall not be made of the marriage, except the record made by the judge of probate under this act. Upon the performance of the marriage ceremony, the party performing it shall return the marriage certificate to the judge of probate, who shall attach the license and certificate to the application. The state registrar shall file the duplicate in a private file and record the filing in a private register. Except as provided in subsections (2) and (3), the file in the probate court, and the duplicate and record in the state department of health and human services, shall be open to inspection only upon the written request and proper proof of identification of 1 or both of the partners to the marriage, or upon the written order of a judge of the circuit court of this state, and only for the use designated in the order. The order shall be made only upon the written request of the person or persons who were married under this act, or if necessary for the protection of property rights arising from or affected by the marriage.

(2) Except as provided in subsection (3), after both parties to a marriage made private under this act are over 18 years of age, both parties may petition the court to unseal the record of their marriage.
