## PART 2

## PROVISIONS CONCERNING APPROPRIATIONS

## **GENERAL SECTIONS**

Total state spending; payments to local units of government; notice of approximate shortfall.

Sec. 201. (1) In accordance with the provisions of section 30 of article IX of the state constitution of 1963, total state spending in this appropriation act is \$199,951,700.00 and state appropriations to be paid to local units of government are estimated at \$23,590,800.00. The itemized statement below identifies appropriations from which spending to units of local government will occur:

# DEPARTMENT OF NATURAL RESOURCES GRANTS

Swamp and tax reverted lands	\$ 7,071,500
Purchased lands/open space payments	7,974,500
Commercial forest reserve	2,691,700
Community recreation infrastructure grants	1,350,000

## Hiring freeze; exceptions.

Sec. 204. (1) Beginning October 1, 1998, a hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees or prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department or to positions that are funded with 80% or more federal or restricted funds.

(2) The state budget director shall grant exceptions to this hiring freeze when the director believes that such a hiring freeze will result in rendering a state department or agency unable to deliver basic services. The state budget director shall report by the fifteenth of each month to the chairpersons of the senate and house appropriations committees the number of exclusions to the hiring freeze approved during the previous month and the justification for each exclusion.

## Billing charges.

Sec. 205. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charges authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Report of grant or loan program; submission to appropriations subcommittees.

Sec. 206. (1) From funds appropriated under part 1, the department shall prepare a report that lists all of the following regarding grant, or loan, or grant and loan programs administered by the department for the fiscal year ending on September 30, 1999:

(a) The name of each program.

- (b) The goals of the program, the criteria, including filing fees, and nominating procedures, eligibility, process, and deadlines for each program.
- (c) The maximum and minimum grant and loan available and whether there is a match requirement for each program.
- (d) The amount of any required match, and whether in-kind contributions may be used as part or all of a required match.
- (e) Information pertaining to the application process, timeline for each program, and the contact people within the department.
- (f) The source of funds for each program, including the citation of pertinent authorizing acts.
- (g) Information regarding plans for the next fiscal year for the phaseout, expansion, or changes for each program.
- (h) A listing of all recipients of grants or loans awarded by the department by type and amount of grant or loan.
- (2) The reports required under this section shall be submitted to the senate and house appropriations committees and the senate and house fiscal agencies by January 1, 2000.

Purchase of foreign goods or services.

Sec. 208. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced American goods or services, or both, of comparable quality are available. By May 1, 1999, the department shall submit a report to the state budget director, the speaker and minority leader of the house of representatives, the majority and minority leaders of the senate, the chairpersons of the senate and house appropriations committees, and the senate and house fiscal agencies on efforts to comply with this section.

Contingency funds; additional appropriations.

Sec. 208a. (1) In addition to the funds appropriated in part 1, each of the following is appropriated:

- (a) An amount not to exceed \$1,000,000.00 for federal contingency funds.
- (b) An amount not to exceed \$5,000,000.00 for state restricted contingency funds.
- (c) An amount not to exceed \$100,000.00 for local contingency funds.
- (d) An amount not to exceed \$100,000.00 for private contingency funds.
- (2) The funds appropriated under subsection (1)(a), (b), (c), or (d) are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Proposed work projects; list.

Sec. 209. The state budget director shall provide a list of proposed work projects funded, in whole or in part, from appropriations in this act to the house and senate appropriations committees on November 15, 1998. This list shall provide detailed information including the total work project funding level, spending for the fiscal year ending September 30, 1998, and the amount of budget authority required to complete the project.

Changing computer software and hardware to perform in year 2000; progress billings.

Sec. 211. (1) The department shall submit to the department of management and budget, the senate and house appropriations committees, the senate and house fiscal

agencies, and the house and senate standing committees having jurisdiction over technology issues quarterly reports on the department's efforts to change the department's computer software and hardware as necessary to perform properly in the year 2000 and beyond. Great Lakes fisheries trust; amount and disposition of funds.

Sec. 602. The department shall annually report to the state budget director, the senate and house appropriations subcommittees on natural resources, and the senate and house fiscal agencies the amount and disposition of funds received from the Great Lakes fisheries trust. The report shall include a copy of the trust's annual report and a copy of form 990 filed with the attorney general's office.

Stream habitat improvement; allocation for grants; limitation; priority and cost estimates.

Sec. 604. (1) From the appropriation in section 106 for stream habitat improvement, not more than \$575,000.00 shall be allocated for grants to watershed councils, resource development councils, soil conservation districts, local government units, and other nonprofit organizations for stream habitat stabilization and soil erosion control.

(2) The fisheries division of the department shall develop priority and cost estimates for all recommended projects. Priority shall be given to applications that use the Michigan civilian conservation corps to its greatest ability.

Native American fishing rights and commercial fishing licenses; task force.

Sec. 606. The department shall convene a task force on Native American fishing rights and commercial fishing licenses. The task force shall develop a coordinated effort to identify problems and solutions on fishing issues in a manner that brings all interested parties together. The task force shall include representatives of commercial fishing, recreational groups, Native American communities, conservation groups, and appropriate executive departments and legislators. The task force shall present its findings and recommendations to the legislature and the governor by May 31, 1999.

"Great Lakes fishing license"; establishment; report.

Sec. 607. The department shall initiate discussions with Canada, Minnesota, Wisconsin, Indiana, Illinois, Ohio, New York, and Pennsylvania regarding the establishment of a "Great Lakes fishing license". The department shall report on the progress of the discussions to the senate and house appropriations subcommittees on natural resources by May 1, 1999.

Water control structures on Michigan waterways; certification.

Sec. 608. The department shall not impede the certification process for water control structures on Michigan waterways. All certification conditions necessary for compliance with section 401 of title IV of the federal water pollution control act, chapter 758, 86 Stat. 877, 33 U.S.C. 1341, that are required or requested by the department shall be paid for, by the department, from funds appropriated in section 106.

## PARKS AND RECREATION

Engineering services charges.

Sec. 701. The department may charge the appropriations contained in part 1, including all special maintenance and capital projects appropriated for the fiscal year ending September 30, 1999, for engineering services provided, a standard percentage fee to be determined by the state budget director, and may use the revenue derived to support the engineering services charges provided for in part 1.

Admission fees to state park and recreation facilities; charge to state officials.

Sec. 702. The department shall charge state officials that are not on official state business the same fees for admission to state park and recreation facilities as other citizens of the state are charged.

Appropriation from Michigan natural resources trust fund to Michigan state parks endowment fund; limitation.

Sec. 703. In accordance with section 1902(2) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.1902, there is appropriated from the Michigan natural resources trust fund to the Michigan state parks endowment fund an amount not to exceed \$10,000,000.00 for the fiscal year ending September 30, 1999.

Civilian conservation corps camp at Alberta; use of grant for operation and recruitment.

Sec. 704. The interdepartmental grant appropriated in section 107 for the Michigan civilian conservation corps shall be used for the operation of a civilian conservation corps camp at Alberta and to recruit program enrollees.

Sanitary sewage or storm water sewage; transportation and disposal by property owner at off-site location.

Sec. 708. The department shall develop a feasibility study to comply with each lake water protection plan which requires owners of lakefront property to transport and dispose of sanitary sewerage or storm water sewerage, or both, at an off-site location. The department shall provide a copy of each study to each legislator who represents the district where the lakefront property is located, and to the senate and house appropriations subcommittees on natural resources.

## MACKINAC ISLAND STATE PARK

Technology upgrades and organizational enhancements; funding from early retirement savings; spending plan.

Sec. 801. This appropriation act includes funding for department technology upgrades and other organizational enhancements financed in whole or in part from early retirement savings generated through section 19f of the state employees' retirement act, 1943 PA 240, MCL 38.19f. The Mackinac Island state park commission shall provide a spending plan which identifies the amount of these budget savings realized in the fiscal year ending September 30, 1998 and included in the appropriation for the fiscal year ending September 30, 1999, the purpose and amount of expenditures for the fiscal year ending September 30, 1999, and the amount explicitly earmarked for technological improvements financed from early retirement savings. This plan shall be provided to the house and senate appropriations subcommittees on natural resources and to the senate and house fiscal agencies on or before December 15, 1998.

## FOREST RESOURCE MANAGEMENT

Processing applications; establishment and collection of fees; carrying over into fiscal years.

Sec. 901. The commission may establish and collect fees for the processing of applications for the use of state forests that require extensive review. The fees shall cover the cost to the department of processing the applications. Any unexpended application fees for the use of state forests, along with any excess collections from prior fiscal years, shall be carried over into subsequent fiscal years and shall be available for appropriation.

Timber marked for harvest; limitation on amount of decrease.

Sec. 903. Of the funds appropriated in section 109, the department shall not allow the amount of timber marked for harvest to decrease below 855,000 cords provided that the department takes into consideration the impact of timber harvesting on wildlife habitat and recreation uses.

Timber harvest program; assignment of FTEs.

Sec. 904. Of the funds appropriated in part 1 for the forest finance authority in the timber harvest program line item in section 109, no more than 10.0 FTEs shall be assigned to implement the program. Any additional program administration shall be accomplished through contracts with consulting foresters.

Mine shaft inventory.

Sec. 905. The appropriation in section 109 for abandoned mine shaft closures shall be used to inventory abandoned mine shafts and to reclaim and cap abandoned mine shafts in order of priority as determined by the department. Funds appropriated in section 110 may be used to complete the mine shaft inventory.

Employment of temporary employees as fire fighters.

Sec. 906. With money received from the sale of timber on state land and appropriated in part 1, the department may employ an additional 20 full-time temporary employees to serve as fire fighters for the 6-month period in which the risk of forest fires is the highest.

Privatization of snowmobile trail grooming activities; plan.

Sec. 907. As a condition of expenditure of appropriations under section 109, the department shall develop a plan to privatize snowmobile trail grooming activities during the 1999-2000 winter season for state-owned or maintained snowmobile trails. This plan shall be submitted to the senate and house appropriations subcommittees on natural resources and the senate and house fiscal agencies on December 31, 1998.

## REAL ESTATE

Land acquisition service charges; determining standard percentage fee.

Sec. 1001. The department may charge land acquisition projects appropriated for the fiscal year ending September 30, 1999, and for prior fiscal years, a standard percentage fee to be determined by the state budget director, and may use the revenue derived to support the land acquisition service charges provided for in section 110.

Land sale fund.

Sec. 1002. The land sale fund is created. An amount equal to the cost of personal services, printing, postage, advertising, contractual services, and facility rental associated with tax reverted lands shall be deducted from the sales and credited to the land sale fund.

Demonstration projects in depressed urban areas.

Sec. 1003. The \$20,000.00 appropriation in section 110 for urban residential property rehabilitation shall be expended in demonstration projects in depressed urban areas. The purpose of these projects shall be to determine the desirability of tax lien purchase agreements as a means to provide clear title to prospective buyers of tax reverted residential properties.

Refunding fee paid by unsuccessful bidder.

Sec. 1004. As a condition for the expenditure of appropriations under section 110, the department shall refund the fee paid by an unsuccessful bidder who has nominated state property for sale, when the land is sold.

## LAW ENFORCEMENT

Entering private property without warrant or consent.

Sec. 1101. A conservation officer or other employee or agent of the department who is paid through an appropriation provided in part 1 and who is acting in an investigative or other official capacity shall not enter a private residence, vehicle, boat, or other private property without a warrant or consent of the owner, or exception allowed by law.

Plan to transfer primary enforcement responsibility to local law enforcement agencies.

Sec. 1102. As a condition of expenditure of appropriations under section 111, the department shall, in consultation with the snowmobile advisory committee, develop a plan to transfer primary enforcement responsibility, relating to part 821 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.82101 to 324.82160, to local law enforcement agencies. This plan shall be submitted to the senate and house appropriations subcommittees on natural resources and the senate and house fiscal agencies by February 12, 1999.

## **GRANTS**

Federal-rural community fire protection/dry hydrant demonstration projects; grants to local fire protection departments; eligibility.

Sec. 1201. The amount appropriated in section 113 for federal-rural community fire protection/dry hydrant demonstration projects shall be awarded as grants to local fire protection departments. To be eligible, local fire protection departments shall be located in governmental units or fire protection districts with permanent populations of less than 10,000 and contain 1,000 or more acres of publicly owned forested land. Grants shall be limited to a maximum of \$5,000.00 to be used for the purchase of materials.

Additional patrol hours on Michigan lakes; report on distribution of funds.

Sec. 1202. Of the funds appropriated in section 113 for marine safety grants, \$400,000.00 is appropriated to provide additional patrol hours on Michigan lakes. The department shall report on the distribution of these additional funds to the subcommittees on natural resources of the senate and house appropriations subcommittees on natural resources and the senate and house fiscal agencies by September 30, 1999.

Redevelopment and reuse of vacant manufacturing facilities or abandoned industrial sites; funding priority.

Sec. 1203. (1) Of the funds appropriated in section 113 for community recreation infrastructure grants, \$750,000.00 shall be used to provide grants and loans to local units of government to redevelop and reuse vacant manufacturing facilities or abandoned industrial sites pursuant to section 71508(1)(c) of 1994 PA 451, MCL 324.71508.

(2) The department shall give funding priority to grant and loan requests for \$40,000.00 or less pursuant to this section.

## WILDLIFE MANAGEMENT

Accidents due to use of raised platforms during firearm deer season; report on number and type.

Sec. 1402. The department shall prepare a report on the number and type of accidents due to the use of raised platforms during firearm deer season. The department shall provide the report to the senate and house appropriations subcommittees and the senate and house fiscal agencies by December 1, 1998.

Control of swimmer's itch in inland lakes; research study at Michigan state university.

Sec. 1403. Of the funds appropriated in section 105 for wildlife management, \$85,000.00 shall be used to fund a research study at Michigan State University on the control of swimmer's itch in inland lakes. Local organizations shall contribute at least \$15,000.00 to this project. A report on the progress of the project shall be presented to the house and senate appropriations committees and house and senate fiscal agencies by December 31, 1999.

Harvest of deer during firearm, bow and arrow, and any other deer hunting season; issuance of combined license; number of kill tags.

Sec. 1404. As a condition of expenditure of appropriations under section 105, the department shall issue a combined hunting license for the harvest of deer during firearm, bow and arrow, and any other deer hunting season. The department shall allow the license applicant to determine the number of kill tags to be included in the license. However, the number of kill tags shall not be less than 2 or greater than a maximum number to be set by the department. The license fee shall reflect the number of kill tags included in the license. This section does not prohibit the issuance of any other deer hunting license otherwise provided for by law.

This act is ordered to take immediate effect. Approved July 27, 1998. Filed with Secretary of State July 27, 1998.
