

MICHIGAN ELECTION LAW (EXCERPT)
Act 116 of 1954

168.683 Election inspectors; instruction, compensation, vacancies.

Sec. 683. Each county clerk prior to each primary and election shall, by some reliable means, notify the clerk of each township and city in the county of a training school for election inspectors to be held at a place designated by the county clerk within 20 days prior to each primary, general and special election. The township and city clerks shall notify each election inspector appointed to serve at that election of the time and place of such training school. At such meeting, the county clerk shall instruct and demonstrate the manner in which the duties of election inspectors are required by law to be performed. It shall be the duty of the inspectors, so notified, to attend such meeting unless excused by the county clerk for good cause. Compensation may be paid them therefor by their respective municipalities at such rate as may be determined by the governing bodies. No inspector of election shall serve in any election unless he shall have within the last preceding 2 years either attended an election school or shall have passed satisfactorily an examination given by the election commission of the city, township or village in which appointed. The examination shall be subject to the approval of the secretary of state. This section shall not prevent the appointment of an inspector of election to fill a vacancy. This section shall not prohibit any city or any township having a population of 10,000 or more from conducting its own training school for election inspectors of that city or township in which case election inspectors who have attended such school shall not be required to attend the county training school.
