Motions and Resolutions

Reps. O’Malley, Gay-Dagnogo, Haadsma, Liberati and Sowerby offered the following resolution:
House Resolution No. 66.

A resolution to declare April 15-21, 2019, as Aviation Week in the state of Michigan.

Whereas, We are in the 21st century, moving further into the air age and a global economy, and airport
 infrastructure is critical for our economy to compete in today’s marketplace; and

Whereas, Michigan’s geography as a peninsula makes aviation necessary for the fast and efficient transport
 of people, goods, and services; and

Whereas, Nearly 1 billion pounds of air cargo are carried into the state annually to support Michigan
 businesses. General aviation contributes \$21.9 billion annually to our state economy; and

Whereas, Our businesses, industries, and foreign firms need reliable runways, taxiways, and navigational
 systems for the conducting of their business. Michigan boasts 234 public-use airports, serving over
 13,550 pilots and 6,000 aircraft; and

Whereas, More than 1,000 Michigan companies, employing 1 million people, operate their own aircraft.
 Our state is home to 53 charter flight companies, 97 repair stations, and 70 licensed flight schools; now,
 therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 15-21, 2019, as Aviation Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Lightner, Haadsma, Liberati and Sabo offered the following resolution:

House Resolution No. 67.

A resolution to declare April 14-20, 2019, as Public Safety Telecommunicators Week in the state of Michigan.

Whereas, Public Safety Telecommunicators Week is celebrated on a national level during the month of April; and

Whereas, Emergencies can occur at any time that require police, fire or emergency medical services. The prompt response of police officers, firefighters and paramedics is critical to the protection of life and preservation of property. The safety of our police officers and firefighters is dependent upon the quality and accuracy of information obtained from citizens who telephone 911 emergency communications centers; and

Whereas, Public safety telecommunicators demonstrate great care and professionalism throughout the various duties of their job. Public safety telecommunicators are the first and most critical contact Michiganders have with emergency services. Public safety telecommunicators are a vital link for our police officers and firefighters by monitoring their activities by radio, providing them information and ensuring their safety; and

Whereas, Public safety telecommunicators have contributed substantially to the apprehension of criminals, suppression of fires and treatment of patients; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 14-20, 2019, as Public Safety Telecommunicators Week in the state of Michigan. We recognize the contributions that telecommunicators have made to Michigan's communities; and be it further

Resolved, That we commend public safety telecommunicators for helping to ensure the safety of our communities throughout Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hope, Garza, Gay-Dagnogo, Haadsma, Liberati, Pagan, Sabo, Sowerby and Stone offered the following resolution:

House Resolution No. 68.

A resolution to declare April 16, 2019, as Healthcare Decisions Day in the state of Michigan.

Whereas, National Healthcare Decisions Day is April 16, 2019, and is designed to raise public awareness of the need to plan ahead for health care decisions related to end of life care and medical decision-making whenever patients are unable to speak for themselves and to encourage the specific use of advance directives to communicate these important health care decisions; and

Whereas, It is estimated that only about 20 percent of people in Michigan have executed an advance directive, in part due to a lack of knowledge about advance directives and considerable public confusion arising from advance directives that are often written in difficult to understand legal and medical terms; and

Whereas, Easy-to-understand advance directives that are written in plain language, such as Five Wishes and Elder Law of Michigan, distributed by the non-profit organization Aging with Dignity, are desirable because they enable completion and foster important family discussions; and

Whereas, Because Five Wishes is available in 29 languages and in Braille, citizens of our ethnic and culturally diverse state can, like English speakers, state their wishes about comfort, dignity, and the personal, family, and spiritual issues that matter most; and

Whereas, Michigan citizens can complete an advanced directive and submit it to the statewide registry called Peace of Mind; and

Whereas, One of the principal goals of Healthcare Decisions Day is to encourage hospitals, nursing homes, assisted living facilities, continuing care retirement communities, and hospices to participate in a statewide effort to provide clear and consistent information to the public about advance directives and increase the number of Michigan residents with advance directives; and

Whereas, Many of the Michigan health care, business, faith-based groups, and senior services organizations have demonstrated commendable leadership in furthering patient and caregiver-focused advance care planning, and are committed to educating the public about the importance of discussing health care choices and completing advance directives; and

Whereas, As a result of April 16, 2019, being recognized as Healthcare Decisions Day throughout Michigan, more citizens will have conversations about their health care decisions, more citizens will execute advance directives to make their wishes known, and fewer families and health care providers will have to struggle with making difficult health care decisions in the absence of guidance from the patient; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 16, 2019, as Healthcare Decisions Day in the state of Michigan. We call this observance to the attention of all our citizens.

The question being on the adoption of the resolution,
The resolution was adopted.
