Rep. Young, having reserved the right to explain her protest against the adoption of the joint resolution, made the following statement:

“Mr. Speaker and members of the House:

I voted ‘no’ on Senate Joint Resolution G because it is unnecessary and creates a potential constitutional conflict. State and federal whistleblower laws already protect state employee communications, as do rules and regulations from the Civil Service Commission. The commission has the exclusive constitutional authority to regulate conditions for most state employees. With this resolution, the legislative majority is trying to insert itself into that relationship, and governors of both parties have declared similar language unconstitutional. I am fully committed to government transparency, and this legislation does nothing to advance that concept. On the surface the resolution sounded good, but a deeper dive revealed these potential conflicts and therefore, in good conscience, I could not support the resolution.”

Reps. Brenda Carter, Rogers and Kuppa, having reserved the right to explain their protest against the adoption of the joint resolution, made the following statement:

Motions and Resolutions

Reps. Thanedar, Breen, Tyrone Carter, Hope, Kuppa, Morse, Peterson, Pohutsky, Rabhi, Rogers, Sneller and Sowerby offered the following resolution:

House Resolution No. 176.

A resolution to declare October 2021 as Transgender Empowerment Month in the state of Michigan.

Whereas, Almost 400,000 Michiganders are a part of the LGBTQ+ community; and

Whereas, Only 31% of Michigan's population is protected against discrimination based on gender identity in private employment, housing, and public accommodations; and

Whereas, Transgender individuals struggle with acceptance and are often alienated; and

Whereas, There are no anti-bullying laws to protect students from bullying by other students, teachers, and school staff on the basis of their sexual orientation and/or gender identity; and

Whereas, Michigan has no state laws or administrative policies which provide transgender state employees access to transgender and transition-related healthcare through their employment health benefits; and

Whereas, The LGBTQ+ community is still not protected under the Elliott-Larsen Civil Rights Act, which prohibits discrimination on the basis of religion, race, color, national origin, age, sex, height, weight, familial status, or marital status in employment, housing, education, and access to public accommodations; and

Whereas, Michigan permits state-licensed child welfare agencies to refuse to place and provide services to children and families, including LGBTQ+ people and same-sex couples, if doing so conflicts with their religious beliefs; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2021 as Transgender Empowerment Month in the state of Michigan. We urge support for our transgender community.

The resolution was referred to the Committee on Judiciary.

Reps. LaFave, Markkanen, O'Malley, Outman, Borton, Damoose, Eisen, Hoitenga, Posthumus, Calley, Whiteford, Mueller, Clements, Howell, Allor, VanSingel, Maddock and Meerman offered the following resolution:

House Resolution No. 177.

A resolution to demand that President Biden and the United States Congress provide no support to the Taliban, either direct or indirect, including but not limited to aid.

Whereas, Over the past 20 years, the United States has provided billions of dollars in foreign aid to Afghanistan. The foreign aid had been used to help Afghan leaders establish a stable government and support the human rights of Afghan citizens; and

Whereas, Despite the billions of dollars that the United States provided Afghanistan in foreign aid, Taliban fighters overran several provincial capitals less than two weeks after the complete withdrawal of U.S. troops from the country. This led to the departure of Afghanistan's president and the total collapse of the established government; and

Whereas, Attempting to use money as leverage to persuade the Taliban will prove to be futile and dangerous. The Taliban, unlike the previous Afghan leaders, have no reason to prioritize the stability and safety of the Afghan people. Providing financial support to Afghanistan would only strengthen the Taliban's efforts to terrorize its citizens and smother revolutions in their crib; now, therefore, be it

Resolved by the House of Representatives, That we demand that President Biden and the United States Congress provide no support to the Taliban, either direct or indirect, including but not limited to aid; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the Speaker of the House of Representatives, the President of the United States Senate, and the Michigan congressional delegation.

The resolution was referred to the Committee on Military, Veterans and Homeland Security.

Reps. Bolden, Aiyash, Breen, Tyrone Carter, Cherry, Garza, Haadsma, Hope, Kuppa, Manoogian, Morse, Peterson, Pohutsky, Rabhi, Rogers, Sneller, Sowerby, Steenland, Thanedar, Weiss and Witwer offered the following resolution:

House Resolution No. 178.

A resolution to declare October 2021 as Uterine Fibroids Awareness Month in the state of Michigan.

Whereas, Fibroids may cause significant morbidity through their presence in the uterus and pelvic cavity, causing significant pelvic pain, abnormal uterine bleeding, reproductive dysfunction, miscarriages, and even infertility; and

Whereas, The pain, discomfort, stress, and other physical and emotional symptoms of living with fibroids may significantly interfere with a woman's quality of life, compromising her ability to function normal, work, or care for her family and may lead to more severe health and wellness issues; and

Whereas, Uterine fibroids are the most prevalent medical condition affecting women, with an estimated 30 percent of women developing a uterine fibroid by age 35 and 80 percent of women developing a uterine fibroid by age 50; and

Whereas, The exact number of affected women is unknown, as early detection and diagnosis are difficult because only 1 out of 4 women who have uterine fibroid exhibit symptoms severe enough to require treatment; and

Whereas, The overall incidence of uterine fibroids is estimated to disproportionately impact Black and Hispanic women, who also experience more severe symptoms, resulting in an incidence rate that is 3 times greater in women with Black ancestry and 2 times greater in Hispanic women compared to Caucasian women; and

Whereas, A hysterectomy, or removal of the uterus, is among the most common surgical treatments for uterine fibroids. More than 200,000 hysterectomies are performed each year to treat uterine fibroids, at an estimated annual cost of more than \$2,000,000,000; and

Whereas, Uterine fibroids have been estimated to cost the United States \$5,900,000 to \$34,400,000,000 annually with an estimated annual lost work cost of \$1,600,000,000 to \$17,200,000,000 through absenteeism and short-term disability in women ages 25 to 54; and

Whereas, Public awareness and education campaigns on uterine fibroids prevention, screening, and symptoms are held during the month of September each year; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2021 as Uterine Fibroids Awareness Month in the state of Michigan. We recognize the disparity in incidence rates for Black and Hispanic uterine fibroid patients and urge greater research, treatment, and care options regarding uterine leiomyoma.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Frederick moved that Rule 71 be suspended.

The motion prevailed, 3/5 of the members present voting therefor.

Reps. Young, Aiyash, Bezotte, Breen, Tyrone Carter, Cherry, Fink, Garza, Haadsma, Hope, Kuppa, Manoogian, Morse, Peterson, Pohutsky, Rabhi, Rogers, Sneller, Sowerby, Steenland, Thanedar, Weiss, Witwer and Yaroch offered the following resolution:

House Resolution No. 179.

A resolution to declare October 2021 as Domestic Violence Awareness Month in the state of Michigan.

Whereas, According to the National Coalition Against Domestic Violence (NCADV), Domestic Violence Awareness Month was launched nationwide in October 1981 as a way to connect and unite individuals and organizations working on domestic violence issues and raise awareness for those issues; and

Whereas, NCADV defines domestic violence as the willful intimidation, physical assault, battery, sexual assault, and/or other abusive behavior as part of a systematic pattern of power and control perpetrated by one intimate partner against another. It includes physical violence, sexual violence, psychological violence, and emotional abuse; and

Whereas, Domestic violence impacts individuals in every community of our state, regardless of age, economic status, sexual orientation, gender, race, religion, or nationality; and

Whereas, Perpetrators of domestic violence intentionally engage in a pattern of behavior to exert coercive control in intimate partner relationships, violating the fundamental human rights of those they abuse; and

Whereas, According to the NCADV, 36.1 percent of Michigan women and 25.8 percent of Michigan men experience intimate partner physical violence, intimate partner rape, and/or intimate partner stalking in their lives. In fact, in just a single day in 2019, Michigan domestic violence programs provided services to 3,204 adult and child survivors. Another 376 requests for services went unmet due to lack of resources. In 2019, 57,018 incidents of domestic violence were reported to Michigan police. Many others went unreported. In 2019, there were 44 reported domestic violence murders in Michigan; and

Whereas, While throughout the last three decades, much progress has been made to support domestic violence victims and survivors and to hold abusers accountable, continued awareness, education, and action are crucial to intervention in and prevention of domestic violence; and

Whereas, We must work together to educate our entire population about what can be done to prevent domestic violence, hold perpetrators accountable, support the individual and unique needs of survivors, and ensure that survivors are not re-victimized; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2021 as Domestic Violence Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.
