333.27959 License to operate a marihuana establishment; application; qualifications; issuance; disclosure.

Sec. 9. 1. Each application for a state license must be submitted to the department. Upon receipt of a complete application and application fee, the department shall forward a copy of the application to the municipality in which the marihuana establishment is to be located, determine whether the applicant and the premises qualify for the state license and comply with this act, and issue the appropriate state license or send the applicant a notice of rejection setting forth specific reasons why the department did not approve the state license application within 90 days.

2. The department shall issue the following state license types: marihuana retailer; marihuana safety compliance facility; marihuana secure transporter; marihuana processor; marihuana microbusiness; class A marihuana grower authorizing cultivation of not more than 100 marihuana plants; class B marihuana grower authorizing cultivation of not more than 500 marihuana plants; and class C marihuana grower authorizing cultivation of not more than 2,000 marihuana plants.

3. Except as otherwise provided in this section, the department shall approve a state license application and issue a state license if:

(a) the applicant has submitted an application in compliance with the rules promulgated by the department, is in compliance with this act and the rules, and has paid the required fee;

(b) the municipality in which the proposed marihuana establishment will be located does not notify the department that the proposed marihuana establishment is not in compliance with an ordinance consistent with section 6 of this act and in effect at the time of application;

(c) the property where the proposed marihuana establishment is to be located is not within an area zoned exclusively for residential use and is not within 1,000 feet of a pre-existing public or private school providing education in kindergarten or any of grades 1 through 12, unless a municipality adopts an ordinance that reduces this distance requirement;

(d) no person who holds an ownership interest in the marihuana establishment applicant:

(1) will hold an ownership interest in both a marihuana safety compliance facility or in a marihuana secure transporter and in a marihuana grower, a marihuana processor, a marihuana retailer, or a marihuana microbusiness;

(3) will hold an ownership interest in more than 5 marihuana growers or in more than 1 marihuana microbusiness, except that the department may approve a license application from a person who holds an ownership interest in more than 5 marihuana growers or more than 1 marihuana microbusiness if, after January 1, 2023, the department promulgates a rule authorizing an individual to hold an ownership interest in more than 5 marihuana growers or in more than 1 marihuana microbusiness.

4. If a municipality limits the number of marihuana establishments that may be licensed in the municipality pursuant to section 6 of this act and that limit prevents the department from issuing a state license to all applicants who meet the requirements of subsection 3 of this section, the municipality shall decide among

competing applications by a competitive process intended to select applicants who are best suited to operate in compliance with this act within the municipality.

5. All state licenses are effective for 1 year, unless the department issues the state license for a longer term. A state license is renewed upon receipt of a complete renewal application and a renewal fee from any marihuana establishment in good standing.

6. The department shall begin accepting applications for marihuana establishments within 12 months after the effective date of this act. Except as otherwise provided in this section, for 24 months after the department begins to receive applications for marihuana establishments, the department may only accept applications for licensure: for a class A marihuana grower or for a marihuana microbusiness, from persons who are residents of Michigan; for a marihuana retailer, marihuana processor, class B marihuana grower, class C marihuana grower, or a marihuana secure transporter, from persons holding a state operating license pursuant to the medical marihuana facilities licensing act, 2016 PA 281, MCL 333.27101 to 333.27801; and for a marihuana safety compliance facility, from any applicant. One year after the department begins to accept applications pursuant to this section, the department shall begin accepting applications from any applicant if the department determines that additional state licenses are necessary to minimize the illegal market for marihuana in this state, to efficiently meet the demand for marihuana, or to provide for reasonable access to marihuana in rural areas.

333.27961a Direct sale or transfer of marihuana to minor or intoxicated individual; prohibition; right of action; indemnification; defenses; rebuttable presumption; damages; insurance coverage required; civil action; definitions.

Sec. 11a. (1) A licensee authorized to sell or otherwise transfer marihuana under this act or a rule promulgated under this act shall not directly, or by a clerk, agent, or servant, sell or otherwise transfer marihuana to a minor or to an individual who, at the time of the sale or transfer, is visibly intoxicated.

(2) Except as otherwise provided in this section, an individual who suffers damage or is personally injured by a minor or visibly intoxicated person as a result of a violation of subsection (1), if the violation is a proximate cause of the damage or personal injury or death, shall have a right of action in his or her name against the licensee that sold or transferred the marihuana.

(3) An action under this section must be instituted within 2 years after the injury or death. A person shall give written notice to all defendants within 120 days after entering an attorney-client relationship for the purposes of pursuing a claim for damages under this section. Failure to give written notice to the licensee within that time period is grounds for dismissal of the claim unless the licensee could not be identified within that time period with reasonable diligence. If the licensee is identified after that time period, failure to give written notice within 120 days thereafter is grounds for dismissal. In the event of the death of either party, the right of action under this section survives to or against his or her personal representative.

(4) An action under this section shall not be commenced unless the minor or alleged visibly intoxicated individual is a named defendant and is retained in the action until the litigation is concluded by final action or the licensee is dismissed with prejudice.

(5) A licensee described in subsection (2) has the right to full indemnification from the minor or alleged visibly intoxicated individual for all damages awarded against the licensee.

(6) All defenses of the minor or alleged visibly intoxicated individual are available to the licensee. In an action alleging a violation of subsection (1) involving a minor, proof that the licensee demanded and was shown a government-issued photographic identification appearing to be genuine and showing the minor to be 21 years of age or older, is a complete defense to the action.

(7) It is presumed that a licensee, other than the licensee that last sold or transferred marihuana to a minor or visibly intoxicated person, is not a proximate cause of an injury that gave rise to a cause of action under subsection (2). This presumption may be overcome by clear and convincing evidence.

(8) A minor or alleged visibly intoxicated individual does not have a cause of action under this section. A person does not have a cause of action against a licensee for any loss or damage sustained resulting from the injury or death of the minor or visibly intoxicated person.

(9) An individual who suffers damage or who is personally injured by a minor or visibly intoxicated person as a result of a violation of subsection (1) has the right to recover actual damages in a sum of not less than \$50.00 in each case in which the court or jury determines that intoxication was a proximate cause of the damage, injury, or death.

(10) A licensee authorized to sell or otherwise transfer marihuana under this act or a rule promulgated under this act must maintain insurance coverage provided by a licensed and admitted insurance company in Michigan in a minimum amount of \$50,000.00 for actions brought under subsection (2).

(11) This section provides the exclusive remedy for money damages against a licensee and the licensee's clerks, agents, and employees arising out of a violation of subsection (1). This subsection does not apply to a remedy available under law to lawful users of marihuana for liability resulting from the manufacture, distribution, transportation, or sale of adulterated marihuana.

(12) Except as otherwise provided in this section, a civil action against a licensee is subject to the revised judicature act of 1961, 1961 PA 236, MCL 600.101 to 600.9947.

(13) As used in this section:

(a) "Adulterated marihuana" means a product sold as marihuana that contains any unintended substance or chemical or biological matter other than marihuana that causes adverse reaction after ingestion or consumption.

(b) "Minor" means an individual who is younger than 21 years of age.

(c) "Visibly intoxicated" means displaying obvious, objective, and visible evidence of intoxication that would be apparent to an ordinary observer.

(d) "Written notice" means a communication in writing that does all of the following:

(i) Identifies the minor or alleged visibly intoxicated person by name and address.

(ii) States all of the following:

(A) The date of the alleged violation of subsection (1).

(B) The name and address of the injured or killed individual.

(C) The location and circumstances of the accident or event that caused injury or death.

(D) The date of retention of the person or law firm giving the notice.

The department of treasury shall deposit into the fund all money collected under section 13 and all money collected by the department of treasury in accordance with an agreement described in section 3(y)(ii), and the cannabis regulatory agency shall deposit into the fund all fees collected under this act. The state treasurer shall direct the investment of the fund and shall credit to the fund interest and earnings from fund investments. The cannabis regulatory agency shall administer the fund for auditing purposes. Money in the fund at the close of the fiscal year must remain in the fund and must not lapse to the general fund.
