Governor

The following message from the Governor was received on April 12, 2016, and read:

PROCLAMATION

Request for Extension of Declaration of Emergency

WHEREAS, on April 25, 2014, the water source in the City of Flint, Michigan, was switched from the Detroit water system to the Flint River. The switch to the new water source resulted in impacts to Flint’s water system, particularly in areas with lead service lines or lead plumbing and fixtures in private residences. In these areas, lead leached into the water potentially exposing residents to negative health impacts; and

WHEREAS, from October 1, 2015, to this date, the County of Genesee, City of Flint, the State of Michigan, and the Federal Emergency Management Agency have taken numerous actions to cope with the situation, including but not limited to, switching back to the Detroit water system on October 16th, declaring states of emergency, activating the emergency response and recovery aspects of their emergency operations plans, marshaling and distributing required resources on a city-wide level, and issuing emergency public information and bulletins; and
WHEREAS, it is in the best interest of the state of Michigan to continue to provide resources within the city, and take appropriate measures in response to the public health emergency, to ensure that resources remain sufficient to protect public health, safety and property, and to lessen or avert the threat of more severe and long lasting impacts to the community;

NOW, THEREFORE, I, RICHARD D. SNYDER, Governor of the state of Michigan, pursuant to the Constitution of the state of Michigan and the provisions of Act No. 390 of the Public Acts of 1976, as amended, do hereby request the legislature extend the state of emergency proclaimed on January 5, 2016, and previously extended through April 14, 2016, for an additional 122 days, through August 14, 2016, in the County of Genesee and the City of Flint. This additional 122-day extension coincides with the extension of the Presidential Emergency Declaration through August 14, 2016.

Given under my hand and the Great Seal of the state of Michigan this 12th day of April in the year of our Lord, Two Thousand and Sixteen.

Richard D. Snyder
Governor

By the Governor:
Ruth A. Johnson
Secretary of State

The message was referred to the Secretary for record.

By unanimous consent the Senate proceeded to the order of Resolutions

Senator Kowall moved that consideration of the following resolutions be postponed for today:

- House Concurrent Resolution No. 3
- Senate Resolution No. 76
- Senate Resolution No. 75

The motion prevailed.

Senator Green offered the following resolution:

Senate Resolution No. 146.
A resolution to urge Michigan communities to pursue innovative policies that promote economic development by attracting young STEAM professionals to work in financially distressed communities.

The question being on the adoption of the resolution,

The resolution was adopted.

Senator Green offered the following resolution:

Senate Resolution No. 160.
A resolution to proclaim October 2-8, 2016, as Lions Week.

Whereas, There are over 12,000 Lions members, both men and women, in more than 500 clubs throughout Michigan. Around the world, their 46,000 clubs and 1.4 million members make them the world’s largest service club organization; and

Whereas, In 1925, Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, and challenged Lions to become “knights of the blind in the crusade against darkness.” Since then, they have worked tirelessly to aid the blind and visually impaired and have earned high marks for both integrity and transparency throughout their 99-year history; and

Whereas, Lions meet the needs of local communities and the world. The 1.4 million members of their volunteer organization in 210 countries and geographic areas are different in many ways, but share a core belief—community is what we make it; and

Whereas, In Michigan, Lions Clubs perform a huge variety of services to their communities, such as providing eyeglasses and hearing aids to those who cannot afford them; hosting holiday parties for underprivileged kids; underwriting food giveaways; assisting in sending kids to camp; maintaining parks; visiting seniors; supporting organ donation drives; vision testing for young children; and many more; and

Whereas, All Michigan Lions Clubs come together to support four state projects: Leader Dogs for the Blind, Michigan Eye Bank, Bear Lake Camp, and Lions of Michigan Foundation, which help fund endeavors such as disaster relief in the United States and abroad; now, therefore, be it

Resolved by the Senate, That we hereby proclaim October 2-8, 2016, as Lions Week in the state of Michigan. May Lions Clubs throughout Michigan reaffirm their member-service mission: “To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs”; and be it further
Resolved, That copies of this resolution be transmitted to the Lions of Michigan Council of Governors and the Lions of Michigan State Office as a reflection of our esteem.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Bieda, Hertel, Knollenberg, Kowall, MacGregor, Marleau, O’Brien, Proos, Rocca, Schuittmaker and Zorn were named co-sponsors of the resolution.

Senator Schuittmaker offered the following resolution:

**Senate Resolution No. 161.**

A resolution to commemorate the week of April 10-16, 2016, as Crime Victims’ Rights Week.

Whereas, With the implementation of the Crime Victim’s Rights Act in 1985 and the passage of a constitutional amendment in 1988, the state of Michigan has adopted some of the nation’s most comprehensive laws to protect the rights of crime victims; and

Whereas, Crime victims possess the right to be treated with fairness and respect for their dignity and privacy throughout the criminal justice process. All of us must do what we can to adhere not only to the crime victim’s rights laws, but to the spirit of those laws as well. Let us acknowledge that just as government must be open to its citizens, so our system of justice must be open to victims of crime; and

Whereas, Though Michigan continues to make strides in reducing the crime rate, there are still far too many victims of crime. Michigan families reported thousands of new victims of crime last year, and research consistently indicates that less than half of all crimes are reported. The most recent National Intimate Partner and Sexual Violence Survey results have estimated that today in Michigan, there are over 1 million survivors of sexual assault; and

Whereas, The millions of Michigan citizens who have suffered a violation of their person, property, or trust deserve to be treated with dignity and respect by our criminal and juvenile justice systems and by society at-large; and

Whereas, The national theme for 2016 is “Serving Victims, Building Trust, Restoring Hope” Let us focus on the importance of early intervention and victim services in establishing trust with victims, which, in turn, begins to restore their hope for healing and recovery; and

Whereas, The victim services community has worked diligently for decades to create an environment for victims that is safe, supportive, and effective; and

Whereas, Intervening early with services that support and empower victims provides a pathway to recovery from crime and abuse; and

Whereas, Serving victims and rebuilding their trust restores hope to victims and survivors, as well as their communities; and

Whereas, National Crime Victims’ Rights Week, April 10-16, 2016, is an opportune time to commit to ensuring that all victims of crime are offered accessible and appropriate services in the aftermath of crime; now, therefore, be it

Resolved by the Senate, That we hereby commemorate the week of April 10-16, 2016, as Crime Victims’ Rights Week in the state of Michigan and express our support of their rights with a vigil on April 13, 2016, at the State Capitol; and be it further

Resolved, That we reaffirm this state’s commitment to protecting the rights of crime victims and addressing their needs.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Bieda, Colbeck, Hertel, Hood, Horn, Knollenberg, Kowall, MacGregor, Marleau, O’Brien, Proos, Rocca, Warren and Zorn were named co-sponsors of the resolution.

Senator Schuittmaker asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Schuittmaker’s statement is as follows:

I rise today in support of Senate Resolution No. 161 which recognizes this week as Crime Victims’ Rights Week in Michigan. Across the country, this week is designated as a week to remember the victims of crime.

Michigan families report thousands of new victims of crime each year, and research consistently indicates that less than half of all crimes are reported. We recognize that our response to crime victims plays an important role in the efforts to rebuild their lives following their experience. Too often, crime victims are relegated to a footnote in a new report, and their stories are never heard. We owe them more. These are innocent people, just like you and I, who happen to be in the wrong place at the wrong time, and, through no fault of their own, have had their lives changed forever. We owe it to them to see that their voices are heard.
In addition to this resolution, tonight is the annual Crime Victims Vigil here in the Capitol, co-hosted by Attorney General Bill Schuette, Senator Bieda, and myself. This will be an occasion to honor and remember victims, to support the loved ones of victims, and to support the loved ones of victims who are no longer with us. There is strength and peace that comes from shared experiences, and we hope that tonight will provide an opportunity for victims to come together. You are all welcome to join us in the rotunda at 6:00 tonight.

Victims deserve to be heard and remembered, and I ask that my colleagues support this resolution to give a voice to those who are so often forgotten.

Senator Meekhof offered the following concurrent resolution:

**Senate Concurrent Resolution No. 28.**

A concurrent resolution to approve an extension of the state of emergency in the county of Genesee and the city of Flint.

Whereas, Since October 1, 2015, the county of Genesee, the city of Flint, the state of Michigan, and the Federal Emergency Management Agency have taken numerous actions to cope with the drinking water situation in the county of Genesee and the city of Flint, including but not limited to, switching back to the Detroit water system on October 16, declaring states of emergency, activating the emergency response and recovery aspects of their emergency operations plans, marshaling and distributing required resources on a city-wide level, and issuing emergency public information and bulletins; and

Whereas, The legislature previously adopted Senate Concurrent Resolution No. 23 to extend the state of emergency in the county of Genesee and the city of Flint declared by Governor Snyder on January 5, 2016, through April 14, 2016; and

Whereas, It is in the best interest of the state of Michigan to continue to provide resources within the city, and take appropriate measures in response to the public health emergency, to ensure that resources remain sufficient to protect public health, safety, and property, and to lessen or avert the threat of more severe and long-lasting impacts to the community; and

Whereas, Pursuant to the *Constitution of the State of Michigan of 1963* and section 3 of the Emergency Management Act, 1976 PA 390, MCL 30.403, Governor Snyder requested on April 12, 2016, that the legislature approve a further extension of the state of emergency through August 14, 2016. This additional 122-day extension coincides with the extension of the Presidential Emergency Declaration; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we approve Governor Snyder’s request for an extension of the state of emergency in the county of Genesee and the city of Flint declared on January 5, 2016, and previously extended through April 14, 2016, for an additional 122 days; and be it further

Resolved, That copies of this resolution be transmitted to the Governor.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,

Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The concurrent resolution was adopted.

Senators Bieda, Colbeck, Hertel, Knollenberg, Kowall, MacGregor, O’Brien, Rocca and Zorn were named co-sponsors of the concurrent resolution.

**House Concurrent Resolution No. 22.**

A concurrent resolution to urge the United States Congress to enact legislation that will enhance hunting, fishing, recreational shooting, and other outdoor recreational opportunities for sportsmen and women nationwide.

Whereas, Conservation in the United States is funded primarily by sportsmen and women. This American System of Conservation Funding is a user pays – public benefits approach that includes excise taxes on hunting, fishing, and boating equipment. This strategy is widely recognized as the most successful model of fish and wildlife management funding in the world; and

Whereas, Through the pursuit of their outdoor passions, sportsmen and women support hundreds of thousands of jobs and contribute billions to our economy annually through salaries, wages, and product purchases; and

Whereas, Currently pending legislation in the U.S. Senate would create or renew several important programs that are vital to the continued conservation of our natural resources, the health of America’s local economies, and the enhancement and protection of our time-honored outdoor pastimes. Senate Bill 659, the Bipartisan Sportsmen’s Act of 2015, pulls together fourteen separate programs that impact sportsmen. The bill will advance the cause of making public lands more accessible for multiple recreational uses including hunting and fishing; and

Whereas, The bill will renew several important programs, including reauthorization of the federal Land Transaction Facilitation Act, the North American Wetlands Conservation Act, and the National Fish and Wildlife Foundation. The reauthorization of these programs as well as the creation of new programs will enhance opportunities for outdoor recreation enthusiasts, improve access to public lands, and help boost the outdoor recreation economy. Conserving our fish and wildlife resources and their habitats, and ensuring that future generations have access to public lands and continued recreational opportunities protects our hunting, shooting, and conservation heritage for generations to come; now, therefore, be it
Resolved by the House of Representatives (the Senate concurring), That we urge the United States Congress to enact legislation that will enhance hunting, fishing, recreational shooting, and other outdoor recreational opportunities for sportsmen and women nationwide; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The House of Representatives has adopted the concurrent resolution.
Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,
