

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.5310 Project subject to bypass; extension of schedule; effect of bypass.

Sec. 5310. A project in the fundable range of a priority list that fails to meet the schedule established by the department under section 5306, or does not have approved plans and specifications and an approvable application 90 days prior to the last day of the fiscal year, whichever comes first, is subject to bypass. A municipality may request an extension of the schedule for cause. A project bypassed pursuant to this section shall not be considered for an order of approval until all other projects in the fundable range have either been funded or rejected. This section does not prohibit the inclusion of the project in the priority list of the next annual funding cycle or the resubmission of an application for assistance in the next annual funding cycle. After a project within the fundable range has been bypassed, the department may award assistance to projects outside the fundable range. Assistance shall be made available to projects outside the fundable range in priority order contingent upon the municipality's satisfaction of all applicable requirements for assistance pursuant to section 5308 within the time period established by the department, but not to exceed 60 days from the date of notification of bypass.
