Limitation on number of wards. Except as hereinafter provided, it shall be unlawful for any person to accept appointment as guardian of any ward if such proposed guardian shall at that time be acting as guardian for 10 wards. In any case, upon presentation of a petition by an attorney of the veterans administration under this section alleging that a guardian is acting in a fiduciary capacity for more than 10 wards and requesting his discharge for that reason, the court, if it determines that such guardian is acting in a fiduciary capacity for more than 10 wards, shall require a final accounting forthwith from such guardian and shall discharge such guardian in said case.

The limitations of this section shall not apply where the guardian is a bank or trust company. An individual
may be guardian of more than 10 wards if they are all members of the same immediate family. For the purposes of this section, such appointments in the same immediate family shall be counted as 1 appointment only.

The petition for appointment shall set forth the name, age, place of residence of the ward, the name and place of residence of the nearest relative, if known, and the fact that such ward is entitled to receive benefits payable by or through the veterans administration and shall set forth the amount of moneys then due and the amount of probable future payments.

The petition shall also set forth the name and address of the person or institution, if any, having actual custody of the ward and the name, age, relationship, if any, occupation and address of the person proposed for appointment as guardian. Notwithstanding any law as to priority, the court may appoint a capable individual, bank or trust company as guardian, if the person entitled to priority fails to apply, or if after hearing the court determines it is to the best interest of the ward to appoint another.

### 35.75 Guardian for minor; prima facie evidence of necessity.

Sec. 5. Prima facie evidence of necessity for guardian—infant.

Where a petition is filed for the appointment of a guardian of a minor ward, a certificate of the administrator, or his authorized representative, setting forth the age of such minor as shown by the records of the veterans administration and the fact that the appointment of a guardian is a condition precedent to the payment of any moneys due the minor by the veterans administration shall be prima facie evidence of the necessity for such appointment.

### 35.76 Guardian for incompetent; prima facie evidence of necessity.

Sec. 6. Prima facie evidence of necessity for guardian—incompetent.

### 35.77 Guardians; notice of filing petition for appointment.

Sec. 7. Notice. Upon the filing of a petition for the appointment of a guardian, under the provisions of this act, the court shall cause such notice to be given as is provided by law. If demanded, jury trial shall not be denied.

### 35.78 Guardians; bonds, execution and filing; corporate guardians, exemption; sureties.

Sec. 8. Before making an appointment under the provisions of this act the court shall be satisfied that the person whose appointment is sought is a fit and proper person to be appointed. Upon the appointment being made, the guardian shall execute and file a bond to be approved by the court in an amount not less than the sum then due and estimated to become payable during the ensuing year. The said bond shall be in the form and be conditioned as required of guardians appointed under the general guardianship laws of this state. The court shall have power from time to time to require the guardian to file an additional bond: Provided, however, That if the person appointed as guardian under the provisions of this act is a trust company organized under the laws of the state of Michigan, or a bank with trust powers organized under the laws of the United States or of the state of Michigan, no bond shall be required except that the court in any case may
require a bond from any such guardian if, under the circumstances in a particular case, it feels that such a
bond is necessary for the protection of the estate of the ward: And provided further, That in any case where a
trust company organized under the laws of the state of Michigan, or a bank with trust powers organized under
the laws of the United States or of the state of Michigan, shall heretofore have been appointed guardian under
the provisions of this act and shall have furnished bond as such guardian, the court shall have power to cancel
such bond and to release and discharge the surety or sureties thereon, upon the written petition of such surety
or his principal and after the principal named in said bond has filed an account of all his actions and
administration from the date of his last account up to the date of the hearing, if the court, after due notice to
all persons interested deems it reasonable and proper.

Where a bond is tendered by a guardian with personal sureties, there shall be at least 2 such sureties and
they shall file with the court a certificate under oath which shall describe the property owned, both real and
personal, and shall state that they are each worth the sum named in the bond as the penalty thereof over and
above all their debts and liabilities and exclusive of property exempt from execution. Notwithstanding such
tender, the court may require additional security for or may require a corporate surety bond, the premium
thereon to be paid from ward's estate.

1947;—CL 1948, 35.78.

35.79 Guardians; annual accounting; filing, notice, hearing.

Sec. 9. Accounting. Every guardian, who shall receive on account of his ward any moneys from the
veterans administration shall file with the court annually on the anniversary date of the appointment, in
addition to such other accounts as may be required by the court, a full, true, and accurate account under oath
of all moneys so received by him, of all disbursements thereof, and showing the balance thereof in his hands
at the date of such account and how invested. At the time of the filing in the court of any account, a certified
copy thereof shall be by the guardian served by mail on the office of the veterans administration having
jurisdiction over the area in which such court is located. A correct copy of any petition or other pleading
pertaining to such account or affecting in any manner the ward or his estate shall similarly be so served. The
court, unless hearing be waived in writing by the chief attorney of the veterans administration, shall fix a time
and place for the hearing on such account, petition, or other pleading, not less than 14 days, nor more than 30
days from the date of said service, unless a different available date be stipulated in writing. Written notice of
the time and place of such hearing shall be given the veterans administration office concerned, and the
 guardian, not less than 14 days before the date of hearing, and may be given by mail.

When such notice shall have been given as provided herein, any order entered in respect to such account,
petition, or other pleading shall have the same effect as if entered after notice by publication as provided in
the statutes of the state of Michigan in such case made and provided, and in such case notice by publication
shall not be made, unless on order of the court for good cause shown. Upon an attorney for said veterans
administration entering his appearance or filing waiver with respect to any such hearing, no guardian ad litem
shall be appointed except upon motion by any interested party and for good cause shown.

Upon rendering any such account the guardian shall produce for examination by the court, or a duly
authorized clerk or other appointee thereof, all securities, evidence of balance on deposit, and investments
reported therein, which shall be described in such account in sufficient detail so that they may be identified,
and the court or its duly authorized clerk or other appointee shall ascertain whether such securities, balance on
deposit, and investments correspond with such account, and if so shall certify to that effect upon the account
filed with the court and upon the copy or certificate supplied the veterans administration.

The clerk shall mail said veterans administration office a copy of each order entered in any guardianship
proceeding wherein the veterans administration is an interested party.

35.80 Guardians; failure to file account, penalty.

Sec. 10. Penalty for failure to account.

If any guardian shall fail to file, with the court or the veterans administration as required by this act, any
account of the benefits received by him from the veterans administration on account of his ward within 30
days after such account is due, or shall fail to furnish the veterans administration a true copy of any account or
of any petition as required by this act, such failure shall be ground for removal.

35.81 Guardians; compensation; notice and hearing.

Sec. 11. Compensation payable to guardians shall not exceed 5% of the income of the ward during any
year. If such compensation appears inadequate, the court may upon petition and after notice to the veterans administration and hearing thereon, authorize such other or additional compensation payable from the estate of the ward as shall be deemed just and reasonable. Notice of such petition and hearing shall be given the proper office of the veterans administration in the manner provided in section 9 of this act.

35.82 Guardians; investments permitted with prior approval of court.

In addition thereto the guardian shall file with the court satisfactory written evidence that the reasonable cash value of the property to be encumbered is in accordance with the requirements of this paragraph.

If the guardian purchases previously issued notes secured by first mortgage or deed of trust, the attorney's examination and opinion shall also disclose whether the proposed transferor has and will pass to the guardian good title thereto together with the liens securing same as hereinbefore provided. 35.86 Insane veteran; commitment, procedure.
Sec. 16. Commitment of insane veteran. Whenever it appears that any veteran is eligible for treatment in a United States veterans' facility and commitment is necessary for the proper care and treatment of such veteran, the court of the county in which the veteran is found, may, upon receipt of a certificate of eligibility from the veterans administration, and if the veteran be adjudged insane in accordance with law, direct such veteran's commitment to the veterans administration for hospitalization in a United States veterans' facility. Thereafter such veteran upon admission to any such facility shall be subject to the rules and regulations of the veterans administration and the chief officer of such facility shall be vested with the same powers exercised by superintendents of state hospitals for mental diseases within this state with reference to the retention, transfer or parole of the veteran so committed. Notice of such pending commitment proceedings shall be furnished the person to be committed and his right to appear and defend shall not be denied. The commitment of a veteran to a veterans' facility within this state by a court of another state under a similar provision of law, shall have the same force and effect as if such commitment were made by a court of this state.

35.86a Veteran of unsound mind or otherwise in need of confinement; commitment, procedure; transfer.
Sec. 16a. Commitment to veterans administration or other agency of United States government.
(1) Whenever, in any proceeding under the laws of this state for the commitment of a person alleged to be
of unsound mind or otherwise in need of confinement in a hospital or other institution for his proper care, it is
determined after such adjudication of the status of such person as may be required by law that commitment to
a hospital for mental disease or other institution is necessary for safekeeping or treatment and it appears that
such person is eligible for care or treatment by the veterans administration or other agency of the United
States government, the court, upon receipt of a certificate from the veterans administration or such other
agency showing that facilities are available and that such person is eligible for care or treatment therein, may
commit such person to said veterans administration or other agency. The person whose commitment is sought
shall be personally served with notice of the pending commitment proceeding in the manner as provided by
the law of this state; and nothing in this act shall affect his right to appear and be heard in the proceedings.
Upon commitment, such person, when admitted to any facility operated by any such agency within or without
this state, shall be subject to the rules and regulations of the veterans administration or other agency. The
chief officer of any facility of the veterans administration or institution operated by any other agency of the
United States to which the person is so committed shall with respect to such person be vested with the same
powers as superintendents of state hospitals for mental diseases within this state with respect to retention of
custody, transfer, parole or discharge. Jurisdiction is retained in the committing or other appropriate court of
this state at any time to inquire into the mental condition of the person so committed, and to determine the
necessity for continuance of his restraint, and all commitments pursuant to this act are so conditioned.

(2) The judgment or order of commitment by a court of competent jurisdiction of another state or of the
District of Columbia, committing a person to the veterans administration, or other agency of the United States
government for care or treatment shall have the same force and effect as to the committed person while in this
state as in the jurisdiction in which is situated the court entering the judgment or making the order; and the
courts of the committing state, or of the District of Columbia, shall be deemed to have retained jurisdiction of
the person so committed for the purpose of inquiring into the mental condition of such person, and of
determining the necessity for continuance of his restraint, as is provided in subsection (1) of this section with
respect to persons committed by the courts of this state. Consent is hereby given to the application of the law
of the committing state or district in respect to the authority of the chief officer of any facility of the veterans
administration, or of any institution operated in this state by any other agency of the United States to retain
custody, or transfer, parole or discharge the committed person.

(3) Upon receipt of a certificate of the veterans administration or such other agency of the United States
that facilities are available for the care or treatment of any person heretofore committed to any hospital for the
insane or other institution for the care or treatment of persons similarly afflicted and that such person is
eligible for care or treatment, the superintendent of the institution may cause the transfer of such person to the
veterans administration or other agency of the United States for care or treatment. Upon effecting any such
transfer, the committing court or proper officer thereof shall be notified by the transferring agency. No person
shall be transferred to the veterans administration or other agency of the United States if he be confined upon
conviction of any felony or misdemeanor or if he has been acquitted of the charge solely on the ground of
insanity, unless prior to transfer the court or other authority originally committing such person shall enter an
order for such transfer after appropriate motion and hearing.

Any person transferred as provided in this section shall be deemed to be committed to the veterans
administration or other agency of the United States pursuant to the original commitment.

Sec. 1. When used in this act—
(a) The term “public employee” means any person holding a position in public employment, both classified and unclassified.
(b) The term “public employment” means remunerative employment by the government of this state, or of any county, municipality, or other civil or political subdivision thereof, including any department, agency or instrumentality thereof.

35.352 Public employees entering military duty; reemployment, restoration or placement in other position or department.
Sec. 2. (a) Any public employee who leaves a position while this act is in effect, or who left such position prior to such effective date but not earlier than June 27, 1950, whether voluntarily or involuntarily, in order to perform military duty, or who was performing military duty on June 27, 1950, and who is relieved or discharged from such duty under honorable conditions, and makes application for reemployment within 90 days after he is relieved from military duty or from hospitalization continuing after discharge for a period of not more than 1 year shall—
(1) If still qualified to perform the duties of such position, be restored to such position if it exists and is not held by a person with greater seniority, otherwise to a position of like seniority, status and pay;
(2) If not qualified to perform the duties of such position by reason of disability sustained during such service, such public employee shall be placed in such other position, the duties of which he is qualified to perform, as will provide him like seniority, status and pay, or the nearest approximation thereof consistent with the circumstances of his case.

(a) Where there are 2 or more trustees serving jointly, the trustee or trustees not engaged in war service may, after the issuance of said order, and until otherwise ordered by said court, exercise all powers which he or they might have exercised as surviving trustee or trustees under any instrument creating a trust, or by virtue of their office, in the same manner and to the same extent as if the trustee whose powers have been suspended as aforesaid had died: Provided, however, That no such powers may be exercised by one who is a beneficiary under a trust of which he is sole acting trustee, unless the instrument creating the trust so provides.

(b) Where there are 2 or more trustees, 1 or more of whom is or shall be engaged in war service, the court may, notwithstanding the provisions of subsection (a) of section 1 hereof, upon petition of any of such trustees, or any person beneficially interested in the trust administered by them, or any person having an interest in the subject matter thereof by way of remainder, appoint a co-trustee to serve in the place and stead of the trustee whose powers have been suspended as aforesaid. Such appointment may be made simultaneously with and by the terms of the order suspending such powers or at any time thereafter; and when such substitute trustee shall have been appointed and shall have lawfully entered upon the execution of his trust, all trustees not engaged in war service shall, until otherwise ordered by the court, serve with the same powers and with like effect as if the trustee whose powers have been suspended as aforesaid had died and a successor had been appointed in his place and stead.

(c) Where a sole trustee is or shall be engaged in war service, the court may, upon petition of such sole trustee, or any person beneficially interested in the trust administered by him, or any person having an interest in the subject matter thereof by way of remainder, appoint a substitute trustee or substitute trustees who shall have the sole authority, until otherwise ordered by the court, to exercise all powers previously possessed by the trustee whose powers have been suspended as herein provided.

35.512 Trustee; restoration of powers.

Sec. 2. When the trustee whose powers have been suspended as aforesaid shall cease to be engaged in war service, as determined by the court, and any of the duties of his office shall not have been fully performed, the court shall, on petition of such trustee or any person beneficially interested in the trust of which he was a trustee prior to such disability, or any person having an interest in the subject matter thereof by way of remainder, issue an order terminating the suspension of his powers, restoring all of the powers possessed by him prior thereto, and removing from office any trustee who may have been appointed to serve in his place and stead.

35.513 Trustee; delivery of property to co-trustee or substitute trustee.

Sec. 3. It shall be the duty of the trustee whose powers have been suspended as provided in this act, to deliver all property in his possession belonging to the trust administered by him to the co-trustees or substitute trustee, and to make and file an accounting within 30 days after the issuance of the order suspending his powers, or within such time as the court may direct: Provided, however, That his failure so to do shall not in
any manner affect the validity of any power exercised or act performed by such co-trustees or substitute trustee in the course of the performance of the duties of their office. Such accounting may be lawfully made and filed in behalf of said trustee engaged in war service by his agent thereunto duly authorized in writing.

35.514 Trustee; order for appearance, publication and mailing, proof.

Sec. 4. Whenever a petition filed under the provisions of section 1 hereof by a person other than the trustee engaged in war service, shall be duly sworn to and shall state that the trustee engaged in war service cannot be personally served by reason of his absence from the state of Michigan, the court shall, on the filing thereof, issue an order for the appearance of such trustee within 35 days from the date of said order. Said order shall be published within 10 days from the date of this issuance in a newspaper printed and circulating in the county in which said petition is pending, or such other newspaper as the court may direct, once each week for 3 successive weeks. A copy of said order shall be sent by registered mail to the trustee engaged in war service at his last known post office address not later than 10 days prior to the time of the hearing on said petition, and a return receipt shall be demanded. Due proof of such publication and of the sending by registered mail of a copy of said order shall be made and filed in such proceeding. In all cases where such order shall have been issued on the basis of such sworn petition and service thereof shall have been made as herein provided, a return that process has not been personally served on such trustee shall be unnecessary. If the trustee engaged in war service shall be duly represented by an attorney of record in the proceeding in which said petition is pending, service of such order on such trustee by publication or otherwise shall not be required, provided notice be given in the manner provided for service of pleadings in suits pending in the circuit court.

The bonds or any part of the bonds may be made callable prior to maturity upon the terms as may be prescribed prior to the issuance of the bonds by resolution of the state administrative board. Upon the terms and conditions as may be prescribed by resolution of the state administrative board, the bonds may be made registerable as to either principal only or as to both principal and interest or may be converted into registered bonds of the denominations as the state administrative board may authorize, which registered bonds may be reconverted into registered bonds of other denominations or reconverted into coupon bonds. Upon rejection of any such claim the adjutant general shall cause to be mailed to each claimant whose claim has been thus rejected, a notice of such rejection and said notice shall inform such claimant of his right to file with the adjutant general a request for appeal to the court of claims of the state of Michigan within 6 months after the mailing of such notice by the adjutant general.

Such claims as may have been certified to the court of claims prior to the effective date of this act, and in which no registered mail notice has been sent by the court of claims to the claimant shall be returned to the adjutant general for processing in accordance with the provisions of this amendatory act.

Upon receipt of an order by the court of claims that a claimant whose claim has been so certified is entitled to payment and upon said order becoming final the claim shall be paid in the same manner as provided herein.

All expenses of the court of claims accruing by reason of this section and section 23a of Act No. 135 of the Public Acts of 1939, as amended, being section 691.123a of the Compiled Laws of 1948, shall be paid as expenses of administration under section 8 of this act.

In each case in which the court of claims shall enter its order allowing or denying such claim, and upon such order becoming final, the files and records therein shall be returned by the court of claims to the adjutant general to be retained by him as permanent records.

Wherever the court of claims has denied the claimant's right to military pay prior to the effective date of this amendatory act, and such claimant may be entitled to military pay under the provisions of amendments to section 2 of Act No. 12 of the Public Acts of 1947, said claimant shall be entitled to re-apply to the adjutant general by March 19, 1950.

The adjutant general shall review all cases denied by the court of claims prior to the effective date of this amendatory act and shall notify all claimants affected by the amendments to section 2 of Act No. 12 of the Public Acts of 1947 of their right to re-apply.

Compiler's note: Act 47 of 1948, 1st Ex. Sess., referred to in this section, was repealed by Act 236 of 1961.

The board shall have authority to determine any claim in any case where a doubt arises as to the eligibility of an applicant to receive payment and the decision of the board in such case shall be final, subject to the right of review by a court of competent jurisdiction: Provided, That the power of the board to so determine any claim shall be and is suspended until July 1, 1951.

35.928 Administration of act; expenses; payment; appropriation.

Sec. 8. The expenses of the administration of this act and of 1947 PA 4, MCL 35.901 to 35.906, subsequent to the issuance of the bonds, shall be paid from the veterans' military pay fund in accordance with the accounting laws of the state. For this purpose there is hereby appropriated a sum of not to exceed $1,500,000 from said veterans' military pay fund which shall be released by the state administrative board at such time and in amounts determined and recommended by the budget director, to the adjutant general, and the state treasurer as required to carry out the provisions of this act and 1947 PA 4, MCL 35.901 to 35.906, subsequent to the issuance of the bonds.

Any person who shall wilfully make a false statement in the application for benefits under the provisions of this act shall be guilty of a felony, and upon conviction thereof may be punished by confinement in southern Michigan prison for a period of not less than 1 year or more than 3 years.

35.930 Payments deemed gifts.

Sec. 10. The payments herein provided for are declared by the legislature to be in the form of gifts or gratuities and shall not be deemed to be pay for services rendered.

35.931 Application for payment; filing, time limit, exceptions.

Sec. 11. No application or applications for benefits under the provisions of this act shall be filed or received, with the exception of applications under section 4 of this act, on and after December 31, 1954: Provided, That a veteran who is in military service at time of application or in a military, veterans' or state hospital at time of application will be permitted to file for benefits under the provisions of this act until June 1, 1956: Provided further, That a veteran who failed to receive eligibility determination for benefits of type other than the state of Michigan until after expiration of date for filing for benefits under the provisions of Act No. 12 of the Public Acts of 1947 shall be permitted to file for benefits under the provisions of this amendatory act until June 1, 1956.

35.932 Aid from Congress; acceptance by state administrative board.
