

REGIONAL TOURISM MARKETING ACT
Act 244 of 1989

AN ACT to promote tourism in certain regions of this state; to provide for the creation of tourism marketing programs; to provide for the imposition and collection of assessments on the owners of transient facilities to support tourism marketing programs; to provide for the disbursement of the assessments; to prescribe the oversight powers and duties of certain state departments, state agencies, and state employees; and to prescribe remedies and penalties.

History: 1989, Act 244, Imd. Eff. Dec. 21, 1989;—Am. 2018, Act 466, Eff. Mar. 29, 2019.

The People of the State of Michigan enact:

141.891 Short title.

Sec. 1. This act shall be known and may be cited as the "regional tourism marketing act".

History: 1989, Act 244, Imd. Eff. Dec. 21, 1989.

141.891a Legislative findings.

Sec. 1a. (1) The legislature finds all of the following:

(a) Tourism is a major source of employment, income, and tax revenues in this state, and the expansion of the tourism industry is vital to the growth of this state's economy.

(b) The tourism industry is important to this state, not only because of the number of people it serves and the vast human, financial, and physical resources it employs, but because of the benefits tourism and related activities confer on individuals and on society as a whole.

(c) State oversight and resources are needed to implement a coordinated and effective marketing program consistent with the master plan developed by this state to promote travel to, and within, this state under the Michigan tourism policy act, 1945 PA 106, MCL 2.101 to 2.103a, and to optimize the considerable investment of time, energy, capital, and resources being made by the tourism industry.

(d) This state can best undertake effective tourism marketing through the coordinated efforts of existing state government agencies in tourism promotion and private convention and tourism promotional bureaus who are better able than state agencies to market and promote their unique assessment districts, which will maximize the economic and employment benefits of the tourism industry to this state and its citizens.

(e) The coordinated efforts within this act to market and promote tourism represent a broader regulator scheme that does not impinge on an individual's First Amendment rights.

(2) Nothing in this act shall be construed to do 1 or more of the following:

(a) Restrain an owner or participant from communicating its own message or marketing plan.

(b) Require any owner or participant to adopt any actual or symbolic speech.

(c) Endorse or finance any political speech or ideological view.

History: Add. 2018, Act 466, Eff. Mar. 29, 2019.

141.896 Assessments generally.

Sec. 6. (1) Upon the effective date of an assessment under section 4, each owner is liable for payment of the assessment computed by multiplying the percentage set forth in the tourism marketing program notice by the aggregate room charges imposed by the transient facility during a calendar month. Except as provided in subsection (2), the owner shall pay the assessment, within 30 days after the end of each calendar month, to the person designated by the regional marketing organization, which person is independent of the accountants who audit the financial statements of the regional marketing organization. A payment shall be accompanied by a statement of room charges imposed by the transient facility for that calendar month. This act does not prohibit an owner from reimbursing the transient facility by adding the assessment imposed under this act to room charges payable by a transient guest. However, the owner shall disclose that the transient facility has been reimbursed for the assessment imposed under this act on the bill presented to the transient guest.

(2) A regional marketing organization may enter into an agreement with a bureau established under the community convention or tourism marketing act, Act No. 395 of the Public Acts of 1980, being sections 141.871 to 141.880 of the Michigan Compiled Laws, to accept assessments levied under this act. If an owner is subject to assessments under this act and Act No. 395 of the Public Acts of 1980, and an agreement is entered into under this subsection, the owner may satisfy the payment requirements under subsection (1) by paying the assessment under this act to the bureau or the person designated by the bureau under Act No. 395 of the Public Acts of 1980 at the same time the assessment under Act No. 395 of the Public Acts of 1980 is paid by the owner. The regional marketing organization shall reimburse a bureau or the person designated by the bureau under Act No. 395 of the Public Acts of 1980 for reasonable administrative costs incurred to receive and forward assessments due a regional marketing organization under this act. The regional marketing

organization may agree with the bureau to allow the bureau or the person designated by the bureau under Act No. 395 of the Public Acts of 1980 to withhold a portion of an assessment received on behalf of the regional marketing organization as reimbursement for the reasonable administrative costs incurred.

(3) Within 30 days after the close of each calendar quarter, each owner shall forward to the independent certified public accountants who audit the financial statements of the regional marketing organization copies of the state use tax returns of the transient facility for the preceding quarter. The copies of the state use tax returns shall be used solely by the certified public accountants to verify and audit the payment of the assessment by the owner under this act, and shall not be disclosed to the regional marketing organization except as the director determines necessary to enforce this act.

(4) An owner shall pay interest to the regional marketing organization on any assessment not paid within the time required under this act. The interest shall accrue at the rate of 1.5% per month. An owner delinquent for more than 90 days in paying an assessment, in addition to interest, shall pay a penalty of 1.5% per month or fraction of a month on the amount of the delinquent assessment. The regional marketing organization may sue in its own name to collect the assessment, interest, and penalty.

(5) An owner is not liable for payment of an assessment until a tourism marketing program notice and, if the owner is eligible to vote, the referendum ballot has been mailed to the owner at the last known address of the transient facility pursuant to sections 3 and 4.

The assessment revenues shall be disbursed only for the expenses properly incurred by the regional marketing organization with respect to the tourism marketing program developed by the regional marketing organization under this act.

(2) The financial statements of the regional marketing organization shall be audited at least annually by an independent certified public accountant. The regional marketing organization shall mail a copy of the audited financial statements to each owner 150 days or less after the close of the regional marketing organization's fiscal year. The financial statements shall include a statement of all assessment revenues received by the regional marketing organization during the fiscal year and shall be accompanied by a detailed report, certified as correct by the chief operating officer of the regional marketing organization, describing the tourism marketing programs implemented or, to the extent then known, to be implemented by the regional marketing organization.

(3) On the same day copies of the audited financial statements and certified report are mailed under subsection (2), the regional marketing organization shall file a copy of the audited financial statements and certified report with the director.

Subject to section 7b, an approved annual marketing plan shall be instituted by the regional marketing organization. (2) The regional marketing organization and the travel bureau shall coordinate their marketing program activities and annual marketing plan activities with the master plan with a goal of maximizing the impact of tourism and convention business on the economy of this state.

(3) The director shall disapprove of the regional marketing organization's annual marketing plan within 30 days of the meeting provided for in subsection (1) upon finding that it is detrimental to the master plan or the travel bureau's promotional programs. The regional marketing organization shall not implement an annual marketing plan that is disapproved by the travel bureau. If the director does not disapprove of an annual

marketing plan within the 30-day period, the annual marketing plan shall be considered approved and may be implemented by the regional marketing organization.

(b) Forty percent or more of the total number of owners in the regional assessment district, or owners representing 40% or more of the total number of rooms in transient facilities within the regional assessment district, file with the regional marketing organization a written request for a referendum under this section.

(2) The regional marketing organization shall conduct a written referendum, by mail or in person, among all owners within 60 days after receipt of the written request for a referendum under subsection (1). For the purpose of the referendum, each owner has 1 vote for each room in the owner's transient facility.

(3) If a majority of the votes actually cast at the referendum approves the discontinuance of the assessment, the assessment under a tourism marketing program shall be discontinued on the first day of the month that is more than 60 days after certification by the regional marketing organization of the results of the referendum.

(4) The discontinuance of an assessment under this section does not prevent a regional marketing organization from filing and serving a new tourism marketing program notice under section 3 during or after the 60-day period under subsection (3).

(5) If a referendum held under this section does not result in the discontinuance of the assessment under a tourism marketing program, a further referendum on the discontinuance of that assessment shall not be held until the expiration of 1 year after the date of the referendum under this section.

If an owner of a building or combination of buildings agrees to be subject to the tourism marketing program, the building or combination of buildings is considered a transient facility for the purposes of this act.
