Popular name: Act 368

333.2705 Essential health provider repayment program for designated professionals; administration; repayment of debt or expenses; contract; requirements; lump sum payment; forfeiture; discretionary debt or expense repayment; maximum amount of debt or expense repayment; source of funds; distribution of funds; priority.

Sec. 2705. (1) The department shall administer an essential health provider repayment program for designated professionals who have incurred a debt or expenses as a result of a loan taken to attend a medical school, dental school, nursing program for the training of certified nurse midwives or certified nurse practitioners, or physician's assistant program or as a result of providing services in a health resource shortage area. The department may each year repay all or part of a designated professional's debt or expenses, but the amount repaid in any 1 year shall not exceed the amount described in subsection (3). The department shall repay a debt or expenses only for a designated professional who has entered into a written contract with the department that requires the designated professional to engage in the full-time practice of health care services in a health resource shortage area to which he or she is assigned by the department for a period equal in years to the number of years for which the department has agreed in the contract to make a debt or expense repayment, or for a period of 2 years, whichever is greater.

(2) A debt or expense repayment on behalf of a designated professional under subsection (1) for fulfilling a service obligation for a particular year shall be paid in a lump sum at the completion of the service obligation for that year. A designated professional who does not fulfill a service obligation for a particular year forfeits his or her right to the debt or expense repayment or any part of it for that year and the department may treat an agreement for further debt or expense repayment in a subsequent year as void. In its sole discretion, the department may make a debt or expense repayment prior to or during each year of service if there are extenuating circumstances. In its sole discretion, the department may pay a pro rata amount of an agreed debt or expense repayment to a designated professional or his or her estate if 1 of the following occurs prior to the completion of the designated professional's service obligation:

(a) The designated professional dies.

(b) The designated professional is unable, by reason of permanent disability, to render the service.

(c) Other circumstances prevail that are considered by the department to constitute a compelling reason to consider the service obligation fulfilled.

(3) In any year of a debt or expense repayment program, the maximum amount of a debt or expense repayment is \$40,000.00 per year. The maximum amount of debt or expense repayment the department may pay on behalf of a designated professional is \$200,000.00, paid over a period of 4 years or more. The amount the department shall pay on behalf of a designated professional and the amount payable for each year of service shall be included in the written contract under subsection (1).

(4) The department may accept funds from any source for the operation of the essential health provider repayment program, and shall distribute those funds in a manner consistent with this section.

(5) The department shall give the essential health provider repayment program created by this section priority over the other programs created under this part.

History: Add. 1990, Act 16, Eff. Oct. 1, 1990;—Am. 2014, Act 172, Imd. Eff. June 17, 2014.

333.2707 Grant program for minority students; administration; eligibility; condition for award of grant; priority; determination of appropriate grant; failure to fulfill service obligation or complete training program; repayment; disposition of amounts repaid; service obligation considered fulfilled; source of funds; distribution of funds; definition.

Sec. 2707. (1) The department shall administer a grant program for minority students enrolled in medical schools, dental schools, nursing programs, or physician's assistant programs. Only minority students who meet the financial resources eligibility standards for federal student loan programs under title IV of the higher education act of 1965, Public Law 89-329, are eligible to receive a grant under this section.

(2) The department may award a grant to a minority student enrolled in a medical school who is training to become a designated physician, to a minority student enrolled in a dental school who is training to become a

dentist, or to a minority student enrolled in a nursing program or physician's assistant program. As a condition for the award of the grant, the recipient of the grant shall enter into a written contract with the department that requires the recipient to provide, upon completion of training, full-time health care services in a health resource shortage area to which he or she is assigned by the department for a period equal to the number of years for which a grant is accepted. In awarding grants, the department shall give priority to students who are residents of this state and enrolled in a medical school, dental school, nursing program, or physician's assistant program in this state.

(3) The department shall determine an appropriate grant amount for each academic year for each health care profession.

(4) An individual who incurs a service obligation under subsection (2) and who completes the training program for which the grant was awarded but fails to fulfill the service obligation shall repay to the department an amount equal to 2 times the amount of all grants the individual accepted under this section plus interest. The interest shall be at a rate determined by the state treasurer to reflect the cumulative annual percentage change in the Detroit consumer price index. An individual who incurs a service obligation under subsection (2) and who fails to complete the training program for which the grant was awarded shall repay to the department an amount equal to the actual amount of all grants the individual accepted under this section. Repayment to the department under this subsection shall be made within 3 years after the repayment obligation is incurred. Amounts repaid under this subsection shall be deposited with the state treasurer and credited to the minority health profession grant fund created in section 2721.

(5) An obligated individual shall be considered to have fulfilled the service obligation incurred under subsection (2) if any of the following occur:

(a) Service has been rendered for the obligated period.

(b) The obligated individual dies.

(c) The obligated individual is unable, by reason of permanent disability, to render the service.

(d) The obligated individual fails to satisfy the academic requirements for completion of the training program in which he or she is enrolled after having made a good faith effort.

(e) The obligated individual fails to satisfy the requirements for licensure, certification, or other form of authorization to practice the profession for which he or she has been trained.

(f) Other circumstances occur that are considered by the department to constitute a compelling reason to consider the service obligation fulfilled.

(6) The department may accept funds for the operation of the grant program from any source and distribute those funds in a manner consistent with this section.

(7) As used in this section, "Detroit consumer price index" means the most comprehensive index of consumer prices available for the Detroit area from the bureau of labor statistics of the United States department of labor.

333.2717 Health resource shortage area; criteria for identification and designation.

Sec. 2717. (1) The department shall develop criteria for the identification and designation of a geographic area, population group, or health facility as a health resource shortage area. In developing the criteria, the department shall consider the needs of rural areas. The criteria may include, but are not limited to, all of the following:

(a) Infant mortality rate.

(b) Percentage of population below 100% of the poverty line.

(c) Percentage of population age 65 and over.

(d) Appropriate physician to population ratio.

(e) Percentage of population eligible for medicaid.

(f) Aggregate unemployment rate.

(g) Percentage of practicing physicians who accept medicare or medicaid assignment.

(h) Geographic proximity of physicians to the resident population.

(i) Average time the resident population must travel to obtain physician services from physicians in a designated physician specialty area.

(2) On the basis of the criteria set forth in subsection (1), the department shall identify and designate geographic areas, population groups, and health facilities in Michigan as health resource shortage areas for 1 or more designated professionals.

(3) Each of the following shall be considered a health resource shortage area:

(a) A health manpower shortage area, as designated under section 332 of title III of the public health service act, 42 U.S.C. 254e, that is located in this state.

(b) A population of an urban or rural area designated as an area with a shortage of personal health services, as designated under section 330(b)(3) of title III of the public health service act, 42 U.S.C. 254c, that is located within this state.

(c) A population group designated as having a shortage of personal health services, as designated under section 330(b)(3) of title III of the public health service act, 42 U.S.C. 254c, that is located within this state.
