“Almighty Heavenly Father,

We take a pause at the start of this session to acknowledge our need for guidance, wisdom, and hope. We come to You to receive what we cannot produce for ourselves.

Father, we also want to remember Bob Dobski and his family at this time. Father, I pray for Marla and those five children, that You would be providing for them a peace that goes beyond understanding. Father, that You will be comforting them in this time of loss, and, that You would be, as you promised, a father to the fatherless in their lives.

We come to You asking that Your presence would result in decisions that are motivated by love for You and love for others. We ask that the decision made in this session will be for the blessing of those we serve.

We come to You asking for unity in a very divided time. Please draw legislators together for the common good.

We come to You asking for a hope that comes through the belief that those who humble themselves before You will be blessed. We trust in You that You have good things for us a state.

We come to You asking for a wisdom that sees the simple solution to complex political problems. Give Your wisdom and diligent effort to these who make the laws of this great state.

Shine Your light and glory in this place. Bless the great state of Michigan for Your Honor and glory.

And I ask all of these things in the name of Your Son Jesus Christ,  
Amen.”

### Motions and Resolutions

Reps. Cole, Faris, Green and Kesto offered the following resolution:

**House Resolution No. 66.**

A resolution to declare April 23-29, 2017, as Natural Gas Week in the state of Michigan.

Whereas, Michigan’s first known commercial natural gas well began production in April 1928 in Muskegon County. Exploration began before that in the late 1800’s in the Port Huron area. Today, approximately 13 percent of the natural gas we use is produced right here in Michigan, with over 99 percent of the remainder produced domestically in the United States. As recently as 2005, more than 20 percent of the gas consumed in Michigan was produced in Michigan; and

Whereas, The advancements in the abundance of natural gas across the United States has led to lower prices and significant cost savings for Michigan households and businesses; and

Whereas, Approximately 80 percent of Michigan households use natural gas for home heating to provide safety and warmth; and

Whereas, For our industrial and manufacturing sector, natural gas has helped to revitalize industries and restore jobs domestically. Natural gas is used to manufacture every day consumer products like cars, fertilizer, plastics, paper, and medicine; and

Whereas, Michigan ranks first in the nation as the state with the most natural gas storage at nearly 685 billion cubic feet. With nearly 15 percent of our nation’s working gas storage, Michigan’s gas storage serves as a natural epicenter for users to have backup supply, balancing and inventory management, and a physical hedging source for pricing stability; and

Whereas, The increased use of clean, affordable, and reliable natural gas for electricity generation has led to a market-based strategy to reduce overall emissions while at the same time providing a proven grid resource that has quick ramp and 24/7 capability to aid in the usage of alternative low capacity rated renewable resources; and

Whereas, Natural gas can be used for efficient and cleaner combined heat and power systems that have the dual purpose of powering facilities and capturing what would otherwise be waste steam to provide additional power or heat; and

Whereas, The natural gas community supports roughly 28,000 jobs in the state. In addition, natural gas adds to Michigan’s economy through tax revenue, increased revenue to local businesses, and royalties to local homeowners; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 23-29, 2017, as Natural Gas Week in the state of Michigan. We recognize the contribution natural gas has made in fueling Michigan's economy forward and salute the importance of natural gas to Michigan's economy and the lives of all Michiganders; and be it further

Resolved, That copies of this resolution be transmitted to the members of the Michigan congressional delegation, the Federal Energy Regulatory Commission, the Michigan Public Service Commission, and the President of the United States of America.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Sneller, Sabo, Elder, Clemente, Rabhi, Greig, Schor, Moss, Singh, Liberati, Wittenberg, Green, Neeley, Hammoud, Robinson, Dianda, Santana, Sowerby, Faris, Guerra, Camilleri, Phelps, Jones, Love, Garrett, Chang, Gay-Dagnogo, Scott, Hoadley, Cochran, Hertel, Yanez, Byrd, Durhal, LaGrand, Lasinski, Peterson, Pagan, Geiss and Kesto offered the following resolution:

**House Resolution No. 67.**

A resolution to declare May 1, 2017, as Law Day in the state of Michigan.

Whereas, Law Day is an occasion of public acknowledgement of our nation's and Michigan's heritage of justice, liberty, and equality under the law; and

Whereas, The American justice system is charged with upholding and protecting the rights, as well as the freedom and justice of all Americans; and

Whereas, Congress issued a joint resolution in 1961 declaring May 1 as Law Day, which is a national day to recognize and celebrate our justice system and the rule of law; and

Whereas, The Law Day 2017 theme, "The Fourteenth Amendment: Transforming American Democracy" recognizes the numerous contributions to American law and society of one of the most often cited constitutional enactments; and

Whereas, The Fourteenth Amendment in the nearly century and a half that has elapsed since its ratification has greatly expanded the constitutional protections available to all through its clauses guaranteeing due process and equal protections; and

Whereas, The Fourteenth Amendment constitutionally defined national citizenship for the first time and guaranteed that the privileges or immunities of United States citizenship would not be denied to any individual citizen; and

Whereas, The Fourteenth Amendment has served as the basis of and inspiration for landmark civil rights legislation and court decisions protecting and advancing the rights of Americans; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 1, 2017, as Law Day in the state of Michigan. We urge acknowledgement of the importance of our legal and judicial systems with appropriate ceremonies and activities, and to display the flag of the United States and the state of Michigan in support of this educational observance; and be it further

Resolved, That the citizens, schools, businesses, media, religious institutions, civic, and service organizations of the state of Michigan are encouraged to use this occasion to commemorate Law Day.

The question being on the adoption of the resolution,

The resolution was adopted.
