Rev. Dr. Kenneth Howard, Senior Pastor of New Breed Church in Warren, offered the following invocation:

“Father Yah, Creator and Preserver of all mankind, we give You thanks for giving us another day.

We gather on this most significant day when, once again, we celebrate the process of a democratic government. May the service of all the Members of this Chamber here gathered give You glory and demonstrate the charge entrusted to them by the people who call the great state of Michigan home.

We are a State with a great diversity of backgrounds and opinions, while facing wedge issues that so easily divide people, May You empower all us as Michigan residents to work hard at understanding complex problems with depth and clarity of thinking. Instill in us the passion for justice and a heart for those most vulnerable, the widow, orphan, and those who are not able to protect themselves in our State. Teach us to be patient and persevering in our relationships with others. And help us to transcend differences to build a more perfect union.

The men and women assembled here to serve the residents of our great State ask You for a blessing. We pray that through Your grace they gain the vision to see clearly, the courage to act rightly, the humility to consider all sides of issues, the love to accept disagreement, and the faith to persevere through discouragement and adversity. Grant them the wisdom to lay aside perceived differences to govern for the sake of the common good.

Give each of them an abundance of wisdom, knowledge, and understanding that they might know best how to proceed in the work they have been given to do, as well as the courage to act once they have discerned where Your Spirit might lead them.

May You Bless and Keep them, May You make Your face shine upon them and be gracious unto them, May You lift up Your countenance towards them and grant them Peace through the Prince of Peace.

Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Greig moved that Rep. Byrd be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Sabo, Hughes, Santana, Cochran, McCready, Afendoulis, Ellison, VanderWall, Chirkun, Clemente, Webber, Albert, Elder, Faris, Greig, Maturen, Pagan, Singh, Sneller, Sowerby and Wittenberg offered the following resolution:

House Resolution No. 107.

A resolution to declare May 24, 2017, as Responsible Chemical Distribution Day in the state of Michigan.

Whereas, The National Association of Chemical Distributors (NACD) has placed the highest priority on the health, safety, and security of employees, communities, and the environment. In December 1991, the member companies of NACD undertook as its most important mission the inception of the Responsible Distribution program; and

Whereas, NACD celebrates over 25-years of improving safety and performance through Responsible Distribution, a verified environmental, health, safety & security program committed to continuous performance improvement in every phase of chemical storage, handling, transportation, and disposal; and

Whereas, Responsible Distribution verification is conducted by an independent, third-party verifier based on the Responsible Distribution Guiding Principles and a Code of Management Practice, and is required of each NACD member and Chemical Handler Affiliate; and

Whereas, Responsible Distribution’s 6th iteration of the Code of Management Practice requires each member company to have an active program designed to continuously improve safety and reduce incidents in 13 separate areas, including: Senior Management Commitment, Compliance Review and Training, Carrier Selection, Handling and Storage, Job Procedures and Training, Waste Management and Conservation Practices, Emergency Response and Public Preparedness, Community Outreach, Product Stewardship, Internal Audits, Corrective and Preventive Action, Document and Records Control, and Security; and

Whereas, In the past 25-years nearly 5,000 key NACD member company personnel have been trained in the principles of Responsible Distribution which has resulted in an 18% decrease in non-vehicular accidents related to storage and handling, and a 64% decrease in vehicular accidents despite a 27% increase in total miles driven to deliver product; and

Whereas, Michigan consumers and businesses are dependent on the safe and efficient distribution of chemical raw materials, intermediates, and final products. Michigan is home to a significant number of NACD member companies located throughout Michigan; and

Whereas, NACD and many of its Michigan member companies work in close cooperation with the Michigan Chemistry Council to provide an effective means for individual companies and organizations engaged in the commerce of chemicals within Michigan to combine talents and resources to build understanding for programs such as Responsible Distribution which foster improved performance and adherence to sound public policies; and

Whereas, The people of the state of Michigan are fortunate to be served by an institution of the caliber of the National Association of Chemical Distributors and its member companies, which have proven to be a healthy and positive force within the commerce of chemicals; now therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 24, 2017, as Responsible Chemical Distribution Day in the state of Michigan. We commend the National Association of Chemical Distributors and its Michigan members for their over 25-year commitment to Responsible Distribution including community outreach, pollution prevention and ensuring the safety and security of chemical handling and distribution throughout the state of Michigan; and extended best wishes for continued success in the future; and be it further

Resolved, That we applaud the success of voluntary recognition programs like Responsible Distribution for ways to reduce compliance burdens to the State.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Chang, Canfield, Chirkun, Clemente, Cochran, Crawford, Elder, Ellison, Faris, Geiss, Greig, Hertel, Howrylak, Maturen, Pagan, Rabhi, Rendon, Sabo, Schor, Singh, Sneller, Sowerby and Wittenberg offered the following resolution:

House Resolution No. 108.

A resolution to declare May 2017 as Asthma and Air Quality Awareness Month in the state of Michigan.

Whereas, Asthma is a long-term inflammatory disease in which the airways of the lung constrict, causing wheezing, breathlessness, chest tightness, and coughing; and

Whereas, Asthma is an under-managed chronic disease in the state of Michigan, as evidenced by data on self-management behaviors and health care utilization. In 2014, 10.9% of adults and 10.2% of children in Michigan reported that they currently have asthma. This is much higher than the national average, with only 7.6% of adults and 8.4% of children reported having current asthma nationwide in 2015. Furthermore, asthma hospitalization is common, with 13,000 stays in Michigan in 2013; and

Whereas, The rate of asthma hospitalization in Detroit is three times higher than the state of Michigan as a whole and 24% of all asthma hospitalizations in Michigan residents occurred in residents of Detroit. The prevalence of current asthma among Detroit adults was 29% higher than in Michigan as a whole and the rate of asthma mortality in Detroit in 2011-2013 was 2.4 times higher than the Michigan rate. From 2012-2014, 15.5% of Detroit adults had asthma while only 11.0% of the entire adult population of Michigan had asthma. Detroit was named by the Asthma and Allergy Foundation of America as one of the five most challenging cities to live in with asthma two years ago; and

Whereas, Asthma is the leading cause of preventable hospitalizations for Michigan children and asthma is the leading chronic cause of school absenteeism in Michigan. Emergency department visits for Michigan children on Medicaid were 207.4 asthma visits per 10,000 children in 2012, significantly higher than national targets for this indicator. In addition, among children less than 18 years of age on Medicaid, persistent asthma had a prevalence of 6.2 percent, this is a higher percentage than the statewide average. Detroit's children suffer the highest asthma burden in the state; and

Whereas, Asthma is influenced by not just genetics, but also air quality conditions in the home and air pollution. Short-term exposure to sulfur dioxide ranging from 5 minutes to 24 hours is linked to increased asthma symptoms and Michigan is currently designated by the Environmental Protection Agency as having a "non-attainment area" for meeting the national primary sulfur dioxide standard. Efforts to reduce air pollution from industrial sources and our roadways are critical in order to fully address asthma in our state; and

Whereas, Deteriorating environmental conditions have seen the lifelong asthma persistence prevalence increased by 4.2% between 2003 and 2015. Public health efforts should be directed to persons with asthma in Michigan to improve asthma control and prevent severe outcomes; and

Whereas, May is a nationally recognized month dedicated to educating all Americans about air quality, comprehensive asthma management and to increase public understanding of asthma and how to manage it; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Asthma and Air Quality Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

Rep. Chang moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 108.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Bellino, Frederick, Griffin, Geiss, Iden, Kelly, Kahle, Howell, Wentworth, LaFave, Chatfield and Chirkun offered the following concurrent resolution:

House Concurrent Resolution No. 8.

A concurrent resolution to memorialize the Congress of the United States to include transportation costs as a qualified education expense under the Section 529 Qualified Tuition Program.

Whereas, Congress created the qualified tuition program to provide individuals with a means to save and pay for higher education. Earnings on Section 529 Qualified Tuition Program (529 plan) accounts are exempt from federal taxes when the savings are used to pay for qualified higher education and vocational training expenses. The 529 plans encourage savings and decrease reliance on debt; and

Whereas, The tax-free treatment of 529 plans earnings has encouraged record numbers of Michiganders to save for higher education for themselves, their children, and others. Approximately 17 percent of families used funds from 529 plans to pay college expenses in the 2014 – 2015 school year; and

Whereas, Qualified education expenses include tuition and fees, some room and board costs, textbooks, and other costs listed by federal law if directly related to education. However, lifestyle costs are not considered qualified education expenses. Transportation is included as a lifestyle cost and cannot be covered by savings in a 529 plan; and

Whereas, Transportation for students who commute is a necessity required to attend class. Michigan has over 400,000 students attending community colleges statewide. The majority of these students commute to campus as only seven Michigan community colleges offer on-campus housing for a small portion of the student body. Even Michigan's four-year private and public universities serve commuter students with an estimated 60 percent to over 90 percent of students at these institutions living off-campus and incurring transportation costs to obtain an education; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the Congress of the United States to include transportation costs as a qualified education expense under the Section 529 Qualified Tuition Program allowing the use of funds invested in a 529 plan to pay for this post-secondary education cost; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Workforce and Talent Development.

Pursuant to Joint Rule 20, the full title of the act shall be inserted to read as follows:

"An act to provide for the assessment of rights and interests, including leasehold interests, in property and the levy and collection of taxes on property, and for the collection of taxes levied; making those taxes a lien on the property taxed,

establishing and continuing the lien, providing for the sale or forfeiture and conveyance of property delinquent for taxes, and for the inspection and disposition of lands bid off to the state and not redeemed or purchased; to provide for the establishment of a delinquent tax revolving fund and the borrowing of money by counties and the issuance of notes; to define and limit the jurisdiction of the courts in proceedings in connection with property delinquent for taxes; to limit the time within which actions may be brought; to prescribe certain limitations with respect to rates of taxation; to prescribe certain powers and duties of certain officers, departments, agencies, and political subdivisions of this state; to provide for certain reimbursements of certain expenses incurred by units of local government; to provide penalties for the violation of this act; and to repeal acts and parts of acts,”

The House agreed to the full title.

Rep. Lauwers moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Allor, having reserved the right to explain her protest against the passage of the bill, made the following statement: “Mr. Speaker and members of the House:

While a supporter and strong advocate for tax relief for all taxpayers, small business, industry and manufacturing, this bill is selective in extending the filing period to only a select group. It is my belief that any entity eligible for the personal property tax waiver should have received the same consideration in this bill. Since SB 359 was not inclusive for all eligible to request a PPT waiver I could not be supportive.”

By unanimous consent the House returned to the order of
