Rev. George W. Waddles, Jr., Pastor of Second Baptist Church of Ypsilanti in Ypsilanti, offered the following invocation:

“Dear Heavenly Father,

On this twenty-fourth day of September, 2015 we thank You for the assembled members of the Michigan House of Representatives who have gathered here today. Thank You Lord for the wisdom of those who have chosen to solicit Your blessing on their work in crafting legislation for the good of all of the citizens of Michigan.

Lord we ask You to give the members wisdom and sensitivity as they work together to meet the needs of the various constituencies represented here today. As they work to relieve the concerns of their constituents, we know that the members have needs themselves. So we ask You Heavenly Father to bless their families, their staffs and their work as they honor You in this blessed privilege of service.

In the Name of Jesus Christ we pray, Amen.”

### Motions and Resolutions

The Speaker laid before the House

**House Resolution No. 149.**

A resolution to declare October 2015 as Domestic Violence Awareness Month in the state of Michigan.  
(The resolution was introduced and postponed for the day on September 22, see House Journal No. 74, p. 1662.)  
The question being on the adoption of the resolution,

Rep. Cox moved to substitute (H-1) the resolution as follows:

**Substitute for House Resolution No. 149.**

A resolution to declare October 2015 as Domestic Violence Awareness Month in the state of Michigan.

Whereas, The National Coalition against Domestic Violence estimates that 1 in every 3 women will experience domestic violence in her lifetime; and

Whereas, An estimated 4.7 million women are victims of physical violence each year; and

Whereas, Most cases of domestic violence are never reported to police and less than one-fifth of victims reporting an injury from intimate partner violence sought medical treatment following the injury; and

Whereas, One-third of female homicide victims reported in police records are killed by an intimate partner; and

Whereas, The economic impact of domestic violence exceeds \$8.3 billion each year; and

Whereas, Domestic violence affects people of all ages, races, socioeconomic, and religious backgrounds; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2015 as Domestic Violence Awareness Month in the state of Michigan. We encourage all Michiganders to work together to help end abuse by recognizing the signs of violence and supporting those impacted by domestic assault; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Coalition to End Domestic and Sexual Violence, My Sister’s Place, Turning Point, Inc., First Step, End Violent Encounters, the Capital Area Response Effort, Governor Snyder, and the Michigan Department of Community Health.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Leonard, Driskell, Heise, Hovey-Wright, LaVoy, Maturen, Poleski, Schor and Singh offered the following resolution:

**House Resolution No. 152.**

A resolution to declare September 2015 as Life Insurance Awareness Month in the state of Michigan.

Whereas, Life insurance is critically important in protecting ourselves and the people we love; and

Whereas, Every year, the insurance industry provides tremendous financial relief and security to families who have experienced the loss of a loved one; and

Whereas, Despite its vast importance, many people do not have life insurance coverage; and

Whereas, Life insurance is critically important in providing peace of mind for those affected by the loss of a loved one; and

Whereas, September 2015 has been designated as the month to generate awareness of life insurance and encourage those who are not insured to consult a qualified insurance professional and take the actions required to provide a financially secure future for their families and loved ones; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 2015 as Life Insurance Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Dianda, Driskell, Hovey-Wright, LaVoy and Singh offered the following resolution:

**House Resolution No. 153.**

A resolution to encourage the United States Forest Service to issue the owners of privately held hunting camps on leased acres within the Ottawa National Forest special use authorization under the Recreation Residence Program.

Whereas, Starting in the late 1950s, Michigan residents were offered an opportunity to lease privately-owned land from the Upper Peninsula Power Company (UPPCO) to build recreational hunting camps. In 1991, the UPPCO announced intentions to sell the land currently under lease to an intermediary who would simultaneously sell the land to the United States Forest Service (USFS). Existing leaseholders were offered an option to sign a 25-year, non-renewable lease on the land that was to be sold or to immediately vacate the property. The leases were signed in March of 1992, and the United States Forest Service (USFS) took control of the land in June 1992. The land currently under private lease accounts for less than 1,100 acres in the Ottawa National Forest; and

Whereas, Hundreds of people have experienced the wonders of Michigan's great outdoors at these hunting camps. The Ottawa National Forest is almost one million acres of rolling hills, lakes, rivers, waterfalls, and abundant wildlife. Those who lease land in the forest have built outdoor recreational traditions with their families. The hunting camps allow them to experience the seclusion and isolated environment of the Ottawa National Forest while engaging in varied recreational activities including hunting, fishing, canoeing, and snowshoeing; and

Whereas, The USFS has informed leaseholders that leases will not be renewed at the end of 2016 because it is national policy not to lease national forest land to individuals. The holders of the active leases will have 90 days after the leases expire to remove the hunting cabins and return the land to its natural state; and

Whereas, The expiration of the leases will hurt local economies in Ontonagon and Gogebic Counties. It will result in over \$35,000 in lost lease fee revenue to the townships and almost \$10,000 in tax revenue to the counties. Even a greater loss will be realized by local businesses, including gas stations, grocery stores, hardware stores, and restaurants that benefit from the patronage of the camp families; and

Whereas, The expiration of the leases will eliminate refuge for people from the occasionally harsh and unexpected shifts in weather conditions. The Ottawa National Forest covers a large area in the Western Upper Peninsula. Camp owners often leave their cabins or outbuildings unlocked to the relief of individuals stranded in the woods who have sought shelter. A Boy Scout troop once sheltered at the Twin Pines camp after being caught in a storm, and a group of snowmobilers is known to regularly rest at one of the camps; and

Whereas, The USFS Recreation Residence Program provides private citizens an opportunity to own single-family cabins in designated areas of national forests. Currently, 15,570 recreation residences occupy national forest system lands throughout the country.

Whereas, Although the National Forest Service placed a moratorium on the establishment of new tracts under the Recreation Residence program in 1968, the authority to issue special use authorization under the Recreation Residence program remains in federal regulations (36 CFR Part 251). Therefore, lifting that moratorium for the limited purpose of establishing a Recreation Residence tract in the Ottawa National Forest and issuing special use authorization permits is possible and would allow the many families currently leasing in the Ottawa National Forest an opportunity that is provided to thousands of people elsewhere in the country; and

Whereas, Converting to the Recreation Residence Program would maintain a tax base for local governments, provide continuing support for the local economy, and ensure that hunting and recreational traditions held so dear by Michigan residents continue to be experienced in the Ottawa National Forest; now, therefore, be it

Resolved by the House of Representatives, That we encourage the United States Forest Service to issue the owners of privately held camps on leased acres within the Ottawa National Forest special use authorization under the Recreation Residence Program; and be it further

Resolved, That copies of this resolution be transmitted to the Chief of the United States Forest Service and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Tourism and Outdoor Recreation.

Reps. Kivela, Chatfield, Pettalia, McBroom, Aaron Miller, Cole, Sarah Roberts, Nesbitt, Rendon, Garrett, Singh, Lauwers, Kelly, Victory, Santana, LaVoy, Schor, Moss, LaFontaine, Runestad, Dianda, Graves, Brunner, Smiley, Plawecki, Phelps, Darany, Afendoulis, Barrett, Derek Miller, Wittenberg, Chirkun, Liberati, Durhal, Guerra, Faris, Driskell, Townsend, Zemke, Hoadley, Love, Kosowski, Leutheuser, Iden, Potvin, Robinson, Greig, Gay-Dagnogo, Cochran, Byrd, Lane, Hovey-Wright, Chang, Banks, Geiss, Greimel, Talabi, Irwin, Pagan, Canfield, Maturen, Garcia, Goike, McCready, Glenn, Cox, Pscholka, Forlini, Jacobsen, Brett Roberts, Johnson, Outman, Inman, Glardon, Hughes, Sheppard, Theis, VerHeulen, Bizon, Jenkins, Vaupel, Webber, Price, Crawford, Callton, Pagel, Rutledge, Neeley, Lyons, Farrington, Tedder, Kesto, Lucido, Heise and Howrylak offered the following resolution:

**House Resolution No. 154.**

A resolution to encourage the President and Congress of the United States and the U.S. Office of Management and Budget to support plans to upgrade the Soo Locks at Sault Ste. Marie, Michigan, and approve the U.S. Army Corps of Engineers' request to fund preparation of an Economic Reevaluation Report.

Whereas, The Soo Locks at Sault Ste. Marie, Michigan, are of the utmost importance to Michigan and play a critical role in our nation's economy and security. Each year, approximately 10,000 Great Lakes vessels, carrying 80 million tons of iron ore, coal, grain, and other cargo, safely and efficiently traverse the locks. Nearly 80 percent of domestic iron ore, the primary material used to manufacture steel, travels from mines in Minnesota and Michigan's Upper Peninsula through the Soo Locks; and

Whereas, Only one of the four Soo Locks is large enough to accommodate the modern vessels that commonly traverse the Great Lakes. Seventy percent of cargo is carried on these large ships that can only pass through the Poe Lock. The remainder of cargo goes through the smaller MacArthur Lock, with the smallest 100-year-old Davis and Sabin locks rarely used; and

Whereas, The reliance on one lock poses a serious risk to national security and the economies of the state of Michigan and the United States. A long-term outage of the Poe Lock due to lock failure or terrorist attack could cripple the economy and disrupt steel production in the United States. It is estimated that a 30-day outage would result in economic losses of \$160 million; and

Whereas, Upgrades to the Soo Locks are needed to ensure national security and unfettered commerce through the Great Lakes. To this end, the U.S. Army Corps of Engineers has requested funding to conduct a study crucial to moving forward with the construction of a second, large lock. The Economic Reevaluation Report would examine the economic benefits and costs of replacing the Davis and Sabin locks with a lock similar in size to the current Poe Lock; now, therefore, be it

Resolved by the House of Representatives, That we encourage the President and Congress of the United States and the U.S. Office of Management and Budget to support plans to upgrade the Soo Locks at Sault Ste. Marie, Michigan, and approve the U.S. Army Corps of Engineers' reprogramming request to fund an Economic Reevaluation Report for replacing the Davis and Sabin locks; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the Director of the U.S. Office of Management and Budget.

The resolution was referred to the Committee on Tourism and Outdoor Recreation.

Reps. Irwin, Driskell, Heise, Hovey-Wright, Howrylak, LaVoy, Maturen, Moss, Pagan and Singh offered the following resolution:

**House Resolution No. 155.**

A resolution to commemorate the 41st anniversary of the signing of Michigan Indian Day.

Whereas, The state of Michigan is home to a large Indian population, including twelve federally recognized tribal nations with each having a unique and independent government with different management and decision-making structures which exercise sovereign authority; and

Whereas, Public Act 30 of 1974 established the fourth Friday in September as Indian Day in Michigan; and

Whereas, The people of the state of Michigan benefit from an understanding of our history and the lives of those who came before us on these pleasant peninsulas; and

Whereas, Our shared history of the place we call Michigan dates back approximately 14,000 years to the time before the last glacier retreated from the land, and humans, including the Anishinaabeg, populated the area. Our tribal partners pass along the history of these first people; and

Whereas, In 2002, the State of Michigan and federally recognized tribal nations entered into a government-to-government accord, providing a framework for a government-to-government partnership that recognizes that the parties share a responsibility to provide for and protect the health, safety, and welfare of their common citizens. The 2002 accord sought to enhance and improve communication between the parties, foster respect for their sovereign status, and facilitate the resolution of potentially contentious issues; and

Whereas, Michigan is honored to have twelve federally recognized tribes within its borders: the Bay Mills Chippewa Community, the Grand Traverse Bay Band of Ottawa and Chippewa Indians, the Hannahville Indian Community, the Keweenaw Bay Indian Community, the Lac Vieux Desert Band of Lake Superior Chippewa Indians, the Little River Band

of Ottawa Indians, the Little Traverse Bay Bands of Odawa Indians, the Match-e-be-nash-she-wish Band of Potawatomi Indians of Michigan, the Nottawaseppi Huron Band of Potawatomi Indians, the Pokagon Band of Potawatomi Indians, the Saginaw Chippewa Indian Tribe, and the Sault Ste. Marie Tribe of Chippewa Indians; and

Whereas, The state of Michigan and our tribal partners have engaged in many fruitful and cooperative efforts to improve the lives of our citizens and Michigan Indian Day is an annual opportunity to honor those accomplishments; now, therefore, be it

Resolved, That the members of this legislative body commemorate the 41st anniversary of the signing of Michigan Indian Day. We recognize the significant contributions of Indian nations, their citizens, and predecessors to our great state's rich history and bright future; and be it further

Resolved, That the Michigan House of Representatives is honored to welcome the twelve federally recognized Indian Tribes located within Michigan to our State Capitol in Lansing for the purpose of fostering meaningful consultation and dialogue to improve upon our valued government-to-government partnerships at the Annual State-Tribal Summit; and be it further

Resolved, That our common future will be improved with thorough cooperation and communication between tribal and state leadership.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Barrett offered the following resolution:

**House Resolution No. 156.**

A resolution to urge the United States Congress and the U.S. Department of the Army to accelerate federal funding to improve military vehicle safety from rollover accidents.

Whereas, The United States Department of Defense is seeking to implement fleet management and modernization solutions to meet light tactical vehicle (LTV) requirements while addressing the challenges associated with improving safety, restoring threshold capabilities, maintaining average fleet age, mitigating major component obsolescence, and reducing sustainment and operating costs; and

Whereas, The Michigan National Guard and Michigan military community have been and will continue to utilize the high mobility multipurpose wheeled vehicle (HMMWV) in their missions to support and protect the United States. Non-armored and up-armored HMMWVs are projected to be in the fleet through 2048; and

Whereas, Preventable deadly rollover accidents continue in the HMMWV fleet. Data from the U.S. Army Combat Readiness Safety Center indicates that a significant number of HMMWV rollover accidents and crashes continue today, resulting in death and injury. Accidents occur outside the United States and also within U.S. borders during peace missions and training exercises, endangering the lives and property of civilians as well; and

Whereas, National Highway Traffic Safety Administration report data indicates that antilock brake systems (ABS) and electronic stability control (ESC) reduce fatal rollovers by 74 percent and fatal impacts with objects by 45.5 percent. The United States government has mandated ABS and ESC in all road-going passenger vehicles since 2011, and they are now standard equipment on all passenger cars, light trucks, and vans. The technology has been available to the public since 1987; and

Whereas, The HMMWV is not currently equipped with ABS or ESC. The HMMWV threshold operational requirements include ABS and ESC for the entire HMMWV fleet. Therefore, these vehicles need to be brought up to operational requirements; and

Whereas, The Army Product Director Light Tactical Vehicles, the Michigan National Guard, and the industry have successfully developed and tested solutions using commercial off-the-shelf components modified for defense vehicle application. The proven components, obtained from Michigan's high-volume automotive supply base, can be used to retrofit the entire fleet; and

Whereas, Installation of these standard automotive safety enhancement systems will considerably lower the number of HMMWV rollovers and loss-of-control crashes, save lives, and reduce costs; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States Congress and the U.S. Department of the Army to accelerate federal funding to improve military vehicle safety from rollover accidents; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate; the Speaker of the United States House of Representatives; the Chairman of the United States Senate Armed Services Committee; the Chairman of the House Armed Services Committee; the Chairman of the Senate Appropriations Subcommittee for Defense; the Chairman of the House Appropriations Subcommittee for Defense; the Under Secretary of the Army; the Commandant of the Marine Corps; the Chief of the National Guard Bureau; the Assistant Secretary of the Army for Acquisition, Logistics, and Technology; and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Military and Veterans Affairs.
